CLARA ASHLEY

The Origin of Consciousness in the Breakdown of the Bicameral Mind

Theatre Communications Group

A collection of short stories from Africa covering a range of subjects, from the conflict between traditional and new ways of life and values, to the role of women in society. The main introduction provides a background for discussion, as well as ideas for students to use in their own writing.

The Advocate Bloomsbury Publishing
The novel that inspired the now-classic

film *The Caine Mutiny* and the hit Broadway play *The Caine Mutiny Court-Martial*. Herman Wouk's boldly dramatic, brilliantly entertaining novel of life—and mutiny—on a Navy warship in the Pacific theater was immediately embraced, upon its original publication in 1951, as one of the first serious works of American fiction to grapple with the moral complexities and the human consequences of World War II. In the intervening half century, *The Caine Mutiny* has become a perennial favorite of readers young and old, has sold millions of copies throughout the world, and has achieved the status of a modern classic.

Bloodlines of the Illuminati: Bloomsbury Publishing USA

National Book Award Finalist: “This man’s ideas may be the most influential, not to say controversial, of the second half of the twentieth century.”—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in*

the Breakdown of the Bicameral Mind. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—*American Journal of Psychiatry*

Princess Charming Quirk Books

From the bestselling author of *Blink* and *The Tipping Point*, Malcolm Gladwell's

Outliers: The Story of Success overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. Outliers will change the way you think about your own life story, and about what makes us all unique.

'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' Guardian 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' The Times

Looking for a Rain God and Other Short Stories from Africa Rodale

Most people know Freddie Prinze Jr. from movies (She's All That, Scooby Doo, Star Wars Rebels) and as one half of beloved Hollywood power couple with Sarah Michelle Gellar. But to family, friends, and co-stars he's always been a terrific father and skilled home cook who prepares delicious meals for his family

every night. Freddie grew up in New Mexico cooking with his mother and eating dishes with a ton of flavor and spice from his Puerto Rican heritage. His eggs come New Mexico style, served with from-scratch biscuits and green-chile gravy. His tacos are the real deal: soft tortillas, homemade salsa, filled with steak layered with quick-pickled cucumbers, or spicy fish dressed with watermelon and thai chiles. Now in his family-focused cookbook, Freddie teaches fans to cook his mainstays, the recipes that he makes on even the busiest weeknights, as well as more luxurious date night meals. With personal family photos from Freddie and Sarah's beautiful LA home and Freddie's hilarious stories about the life of an actor, husband, and father in Hollywood,

Back to the Kitchen shares more than just recipes. It's an inside look at a beloved movie and TV personality who has acted, cooked, and eaten his way around the world.

A Chorus Line Houghton Mifflin Harcourt
NEW YORK TIMES BESTSELLER • The hosts of the popular podcast and E! show LadyGang offer a relatable, empowering, and hilarious take on being unapologetically yourself (even if that's not always your best self) in a manifesto that redefines womanhood for the twenty-first-century lady. If you're tired of being bombarded with the curated perfection on social media and you're starving for something raw, honest, and a little bit messy, welcome to the LadyGang. Keltie, Becca, and Jac are here to clear away the bullshit and give

you the confidence to live your best lady life. Unabashedly sincere, clever, and full of questionable advice, *Act Like a Lady* explores the complexities surrounding topics like body image, breakups, navigating a career, and adult friendships through their own embarrassing experiences. The *LadyGang* has your back with essays like "Maybe She's Born with It, Maybe It's Photoshop" and "If You're Happy and You Know It, Thank Your Ex." You'll learn there's a million different ways to be a lady--and that includes accidentally farting during sex or having the guts to tell your friend she's being a selfish ass*hole. No matter what you're going through, you'll find a space to bond over the sloppy, heartbreaking, joyous, and often ridiculous realities of womanhood.

Nothing is TMI here.

Transmasculinity on Television Farrar, Straus and Giroux

#1 NEW YORK TIMES BESTSELLER •

Experience the book that started the Quiet Movement and revolutionized how the world sees introverts—and how introverts see themselves—by offering validation, inclusion, and inspiration “Superbly researched, deeply insightful, and a fascinating read, *Quiet* is an indispensable resource for anyone who wants to understand the gifts of the introverted half of the population.”—Gretchen Rubin, author of *The Happiness Project* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *People* • *O: The Oprah Magazine* • *Christian Science Monitor* • *Inc.* • *Library Journal* • *Kirkus Reviews* At least one-

third of the people we know are introverts. They are the ones who prefer listening to speaking; who innovate and create but dislike self-promotion; who favor working on their own over working in teams. It is to introverts—Rosa Parks, Chopin, Dr. Seuss, Steve Wozniak—that we owe many of the great contributions to society. In *Quiet*, Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so. She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture. She also introduces us to successful introverts—from a witty, high-octane public speaker who recharges in solitude after his talks, to a record-breaking salesman who quietly taps into the

power of questions. Passionately argued, impeccably researched, and filled with indelible stories of real people, *Quiet* has the power to permanently change how we see introverts and, equally important, how they see themselves. Now with Extra Libris material, including a reader's guide and bonus content

[Observations and Predictions of Eclipse Times by Early Astronomers](#) Penguin
The history, state of the art, and controversies surrounding the use of computer simulation in archaeology.

[Everything I Want to Eat](#) Hal Leonard Corporation
Complete with romance, action, comedy, and an army of shambling corpses, this prequel to the hit mash-up novel will have Jane Austen rolling in her grave—or crawling out of it! Four years before the

events of *Pride and Prejudice* and *Zombies*, the Bennet sisters are enjoying a peaceful life in the English countryside, reading, gardening, and daydreaming about future husbands—until a funeral at the local parish goes strangely and horribly awry. Suddenly, corpses are springing from the soft earth—and only one family can stop them. As the bodies pile up, Elizabeth Bennet grows from a naive young teenager into a savage slayer of the undead. Along the way, two men vie for her affections: Master Hawksworth is the powerful warrior who trains her to kill, while thoughtful Dr. Keckilpenny seeks to conquer the walking dead using science instead of strength. Will either man win the prize of Elizabeth's heart? Or will their hearts be feasted upon by hordes of marauding

zombies?

Springer Science & Business Media

This is a fictionalized story from the month from hell for me.....when Jenny met Marcel she didn't think that she was going to be seduced and abused by the major General. It was his sensual looks that kept her from leaving and his empty promises. When she nearly killed her self because of low self esteem she had to put a stop to the relationship. Will she ever be the same?

Outliers Metropolitan Books

"As finely worked as a Swiss watch and as funny as the human condition permits..the zigzag brilliance of the text as the clunky lines of the farce-within-a-farce rub against the sharp dialogue of reality" Guardian A play-within-a-play following a touring theatre company who

are rehearsing and performing a comedy called *Nothing On*, results in a riotous double-bill of comedic craft and dramatic skill. Hurtling along at breakneck speed it shows the backstage antics as they stumble through the dress-rehearsal at Weston-super-Mare, then on to a disastrous matinee at Ashton-under-Lyne, followed by a total meltdown in Stockton-on-Tees. Michael Frayn's irresistible, multi-award-winning backstage farce has been enjoyed by millions of people worldwide since it premiered in 1982 and has been hailed as one of the greatest British comedies ever written. Winner of both Olivier and Evening Standard Awards for Best Comedy. This edition features a new introduction by Michael Blakemore.
The Dean of Lismore's Book Spring

Awakening (Applause Books). It is hard to believe that over 25 years have passed since *A Chorus Line* first electrified a New York audience. The memories of the show's birth in 1975, not to mention those of its 15-year-life and poignant death, remain incandescent and not just because nothing so exciting has happened to the American musical since. For a generation of theater people and theatergoers, *A Chorus Line* was and is the touchstone that defines the glittering promise, more often realized in legend than in reality, of the Broadway way. This impressive book contains the complete book and lyrics of one of the longest running shows in Broadway history with a preface by Samuel Freedman, an introduction by Frank Rich and lots of

photos from the stage production.

A Girl Named Zippy Britannica Educational Publishing

The iLLamanati have emerged from hidden places of the Earth to shed light on the dark side of human endeavors by collating and publishing literature on the secrets of the Illuminati. Representing the Grand Llama, an omniscient, extradimensional light being who is channeled by our Vice-Admiral, Captain Space Kitten, the iLLamanati is organized around a cast of interstellar characters who have arrived on Earth to wage a battle for the light. Bloodlines of the Illuminati was written by Fritz Springmeier. He wrote and self-published it as a public domain .pdf in 1995. This seminal book has been republished as a three-volume set by the

iLLamanati. Volume 1 has the first eight of the 13 Top Illuminati bloodlines: Astor, Bundy, Collins, DuPont, Freeman, Kennedy, Li, and Onassis. Volume 2 has the remaining five of the 13 Top Illuminati bloodlines: Rockefeller, Rothschild, Russell, Van Duyn, and Merovingian. Volume 3 has four other prominent Illuminati bloodlines: Disney, Reynolds, McDonald, and Krupps.

AI Superpowers Penguin UK

The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life-and her future-forever.

Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny-and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior.

Heartbreakers and Fakers Createspace Independent Publishing Platform
Eclipses have long been seen as important celestial phenomena, whether as omens affecting the future of kingdoms, or as useful astronomical events to help in deriving essential

parameters for theories of the motion of the moon and sun. This is the first book to collect together all presently known records of timed eclipse observations and predictions from antiquity to the time of the invention of the telescope. In addition to cataloguing and assessing the accuracy of the various records, which come from regions as diverse as Ancient Mesopotamia, China, and Europe, the sources in which they are found are described in detail. Related questions such as what type of clocks were used to time the observations, how the eclipse predictions were made, and how these prediction schemes were derived from the available observations are also considered. The results of this investigation have important consequences for how we understand

the relationship between observation and theory in early science and the role of astronomy in early cultures, and will be of interest to historians of science, astronomers, and ancient and medieval historians.

The Caine Mutiny Court-Martial Crown
“There are moments in the history of theatre when stagecraft takes a new turn. I like to think that this happened for the American musical last week, when Tony Kushner’s *Caroline, or Change* (at the Public), a collaboration with composer Jeanine Tesori and the director George C. Wolfe, bushwhacked a path beyond the narrative end of the deconstructed, overfreighted musicals of the past thirty years.”—John Lahr, *The New Yorker* Louisiana, 1963: A nation reeling from the burgeoning Civil Rights

Movement and the Kennedy assassination. Caroline, a black maid, and Noah, the son of the Jewish family she works for, struggle to find an identity for their friendship. Through their intimate story, this beautiful new musical portrays the changing rhythms of a nation. Tony Kushner and composer Jeanine Tesori have created a story that addresses contemporary questions of culture, community, race and class through the lens and musical pulse of the 1960s. Tony Kushner is best known for the two-part masterwork, *Angels in America*, recently produced by HBO as a six-hour television event, directed by Mike Nichols to universal acclaim. His other plays include *Homebody/Kabul*, *A Bright Room Called Day* and *Slavs!*; as well as adaptations of Corneille’s *The*

Illusion, Ansky's *The Dybbuk*, Brecht's *The Good Person of Szechuan* and Goethe's *Stella*. Current projects include: *Henry Box Brown* or *The Mirror of Slavery* and *St. Cecilia* or *The Power of Music*. He recently collaborated with Maurice Sendak on an American version of the children's opera, *Brundibar*. He grew up in Lake Charles, Louisiana, and he lives in New York. Jeanine Tesori wrote the score for *Thoroughly Modern Millie*, which won the 2002 Tony and Drama Desk Awards for Best Musical and the multiple-award-winning *Violet*.

Pride and Prejudice and Zombies:

Dawn of the Dreadfuls Crown
THE NEW YORK TIMES BESTSELLER The first inside story of one of TV's most popular and beloved dramas, *Grey's Anatomy*. More than fifteen years after

its premiere, *Grey's Anatomy* remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. Beyond that, it's been a cultural touchstone. It introduced the unique voice and vision of Shonda Rhimes; it made Ellen Pompeo, Sandra Oh and T.R. Knight household names; and injected words and phrases into the cultural lexicon, such as "McDreamy," "seriously," and "you're my person." And the behind-the-scenes drama has always been just as juicy as what was happening in front of the camera, from the controversial departure of Isaiah

Washington to Katherine Heigl's fall from grace and Patrick Dempsey's shocking death episode. The show continued to hemorrhage key players, but the beloved hospital series never skipped a beat. Lynette Rice's *How to Save A Life* takes a totally unauthorized deep dive into the show's humble start, while offering exclusive intel on the behind-the-scenes culture, the most heartbreaking departures and the more polarizing plotlines. This exhaustively enthusiastic book is one that no Grey's Anatomy fan should be without.

The Dobe Ju/'Hoansi Hal Leonard Corporation

From debut author Zibby Owens comes *Princess Charming*, a lovable and empowering new character! *Princess Charming* can't quite seem to find her

"thing." She's tried everything from cooking to hip-hop, and hasn't been able to perfect either. Even her cartwheels are subpar. But when the castle hosts a superstar for a special event, *Princess Charming* finally finds her time to shine. *Princess Charming* is about a brand-new princess character filled with fun, humor, and girl power. With a modern look and can-do attitude, *Princess Charming* is the perfect gift for all young readers who never give up! Praise for *Princess Charming* "[A] timeless message."--
