BRADFORD MAREN

Baseball Immortal Derek Jeter Triumph Books

As America's pastime since the mid-1800s, baseball offers the sights, sounds, and even smells that are deeply entrenched in our culture. But for some, the experience can be less sensory. Some, such as Ryan Spaeder and Kevin Reavy, live for baseball statistics. Stats give the game historical context and measurables for past, present, and predictive analysis. *Incredible Baseball Stats*, newly updated, helps tell unique baseball stories, showcasing extraordinary stats and facts in baseball history, through the 2018 season. For example, in 2015, the Nationals' Bryce Harper broke out in a major way. He batted .330/.460/.649 with 42 home runs

en route to his first MVP Award. It was his fourth MLB season, but he was still younger than NL Rookie of the Year Kris Bryant. He became the youngest player to lead the league in both on-base percentage and homers in the same season since Ty Cobb in 1909. The authors have scoured the records for untold tales and looked at familiar ones with new statistical insights, to create *Incredible Baseball Stats*, a perfect book for baseball fans from coast to coast. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas

Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you root for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Don't Let Us Win Tonight McFarland
 In the 1950s, America entered the television age. And Mickey Mantle, a country boy from Commerce, Oklahoma, was made for the moment. Signed by the New York Yankees as a teenager, he made his major league debut in 1951 as a right fielder alongside Joe DiMaggio. When DiMaggio retired at the end of the season,

Mantle inherited not only Joltin' Joe's position in centerfield but also his stature as the face of the franchise. His boyish good looks, breathtaking power from both sides of the plate, and blazing speed on the basepaths made him an instant superstar. He won league MVP three times, came in second three times, was a 16-time All-Star, a Triple Crown winner in 1956, and a seven-time World Series champion. Mickey Mantle's career was the stuff of legend and in this book, Jonathan Weeks tells us why. Mantle's extraordinary (and at times incredible) tales carry readers on an enthralling journey through the life of one of the most celebrated sports figures of the twentieth century. All of the most popular anecdotes (such as the Mantle's mammoth blasts, which led to the phrase "Tape Measure Home Runs") are thoroughly covered along with many lesser-known narratives. The book is divided into two sections. In Part One, Mantle's life and career are recounted chronologically. Part Two contains assorted stand-alone anecdotes in shorter form. Appendices include statistics, a chronology, and salary details among other bits of pertinent information.

Tucker Elliot Bundle #1 - Atlanta Braves Baseball Potomac Books, Inc.

This unique reference provides insider observations of the entire 2007 Championship season from Mr. Red Sox himself, Johnny Pesky. Starting with the unparalleled press conference introducing new Japanese pitcher Daisuke Matsuzaka on December 14, 2006, and culminating with the final out of the World Series on October 28, 2007, with the Red Sox winning their second Championship in three years, this is the ultimate keepsake for any Red Sox fan. In "Diary of a Red Sox Season," fans have the opportunity to take a seat in the dugout beside Pesky and listen to his unique perspective on players, fans, media, and the high and low points of an unforgettable season. It's a book every Red Sox fan will cherish for years to come.

The 50 Greatest Players in New York Yankees History Sports Publishing LLC
Think you know everything about our National Pastime? Think again! It's time to find out how much trivia you really know about Major League Baseball. Are you a rookie? Are you a tested, hardcore veteran? Or will you be clearing waivers for your pending release halfway through the book? We'll let you know. Ten chapters, 200 brand new questions, fascinating history, the best trivia from every era of the game, and all the big name players you'd expect to find, *MLB IQ* is the most comprehensive and

challenging book of baseball trivia available today. Test your skills. Wrack your brain. It's your MLB IQ, the ultimate test of true fandom!

St. Louis Cardinals IQ Page Street Publishing

Featuring every relevant team record, statistic, and award winner from the New York Yankees' incredible past, this book includes a comprehensive collection of all-time leaders in every conceivable category, from hits to strikeouts. From the team's 27 World Series titles and Roger Maris's 61 home runs to Joe DiMaggio's 56-game hitting streak and eyewitness accounts of when Babe Ruth famously called his shot, this reference captures the legends and lore of the Yankees. More than a collection of statistics, this guide provides profiles of the men behind the records and explores the context in which they were set while featuring stories which, in many cases, are even more fascinating than the actual records. Historical game details and evocative photographs blend with compelling statistics and the great players responsible for them to capture the rich history of this storied and celebrated franchise.

Joel Katte Bundle #1 - Green Bay Packers and Milwaukee Brewers Simon and Schuster

For baseball players, the dream of a championship season begins in spring training. Newcomers and veterans, journeymen and legends, all come together for a single purpose--to win the World Series. And each year, all but one team goes into the off-season disappointed. But for that one team, the hard work of spring training and the grind of a 162-game season gives way to the euphoria of a championship, fulfilling a dream for the team and its fans. The 28 players, managers, and pitching coaches here have all experienced baseball's postseason. Many have been a part of championship teams; others have lived every baseball dream except winning the World Series. Among the interviewees are Jack McKeon, Jim Leyland, Tony Perez, Mark Grace, Robin Yount, Lou Piniella, Don Baylor, Jeff Bagwell, Alfonso Soriano, Larry Bowa, and Jim Thome. Mike Lowell provides a foreword as well as an interview. These baseball men share their thoughts about their accomplishments, the art of hitting and pitching, what it takes to become a champion, and the leadership qualities necessary for a winning team. They also reflect on the people who have motivated them and what goes on in a winning major league clubhouse.

The SABR Baseball List & Record Book

Penn State Press

Baseball's new dynasty is the San Francisco Giants. The Giants captured their third World Series crown in five seasons in 2014—this last one having taken perhaps the most unlikely path. San Francisco finished second in the NL West, but advanced to the Wild Card game against Pittsburgh. The Giants stomped the Pirates 8-0, then outlasted the Washington Nationals and the St. Louis Cardinals to set up a Fall Classic showdown with the Kansas City Royals. Packed with insider analysis and outstanding color photography from the Bay Area's largest newspaper publisher, Triple Crowned takes fans through the Giants' improbable journey, from Tim Lincecum's June no-hitter to the Wild Card game in Pittsburgh to the final out against the Royals. This commemorative edition also includes profiles of Madison Bumgarner, Hunter Pence, Buster Posey, Pablo Sandoval, and other fan favorites.

Guinness World Records 2016 Running Press

From the authority on baseball research and statistics comes a vast and fascinating compendium of unique baseball lists and records. The SABR Baseball List & Record Book is an expansive collection of pitching, hitting, fielding, home run, team, and rookie records not available online or in any other book. This is a treasure trove of baseball history for statistically minded baseball fans that's also packed with intriguing marginalia. For instance, on July 25, 1967, Chicago's Ken Berry ended Game Two of a doubleheader against Cleveland with a home run in the bottom of the sixteenth inning -- Chicago's second game-winning homer of the day. The comprehensive lists include Most Career Home Runs by Two Brothers (Tommy and Hank Aaron have 768), Most Seasons with 15 or More Wins (Cy Young and Greg Maddux each have 18), and Highest On Base Percentage in a Season by a Rookie (listing every rookie above .400). Unlike other record books that only list the record holders -- say, most RBI by a rookie, held by Ted Williams with 145 -- SABR details every rookie to reach 100 RBI. Other record books might note the last pitcher in each league to steal home; here SABR has included every pitcher to do it. The book also includes a number of idiosyncratic features, such as a rundown of every player who has hit a triple and then stolen home, or every reliever who has won two games in one day. Many of the lists include a comments column for key historical notes and entertaining trivia (Bob Horner hit four home runs in a 1986 game, but his team lost). This is a must-

have for every fan's library. Edited by Lyle Spatz, Chairman of the Baseball Records Committee for SABR

The Red Sox in the Playoffs Scarecrow Press

Yankees fans have witnessed improbable feats, extraordinary achievements, and unmatched performances during the team's 100-plus seasons. The Yankees Index details the numbers every Yankees fan—from the rookie attending his first game at Yankee Stadium to the veteran who recalls Ron Guidry's days on the mound—should know. Author Mark Simon tells the stories behind the most memorable moments and achievements in Yankees history in this full-color book full of insightful and fun infographics and history.

In Scoring Position Triumph Books

An in-depth look at each of Major League Baseball's thirty ballparks from the perspectives of the game's longest-tenured storytellers--the broadcasters. With decades of broadcasting between them, 50 broadcasters share their fondest memories from the booth, encapsulating some of baseball's greatest moments.

Yankees Index Triumph Books

No positional player from Japan had seen success in Major League Baseball until hitting star Ichiro Suzuki arrived in Seattle in 2001. He immediately won the American League Rookie of the Year and Most Valuable Player awards. During his career he set a record for most hits in a season, won numerous gold glove fielding awards and batting titles, and in 2016 became only the fourth player born outside of the United States to get to three thousand hits. His combined totals from Japan and the majors make Ichiro the most prolific hitter of all time. This biography will inspire your readers.

The Legend of The Mick Infobase Publishing

Using various selection criteria, The 50 Most Dynamic Duos in Sports History attempts to ascertain which twosome truly established itself as the most dominant tandem in the history of the four major professional team sports: baseball, basketball, football, and hockey. Arranged and ranked by sport, this work takes an in-depth look at the careers of these men, including statistics, quotes from opposing players and former teammates, and career highlights. Finally, all fifty duos are placed in an overall ranking. Covering every decade since the 1890s, and with photographs of many of the tandems, this book will find widespread appeal among sports fans of all generations.

The Champions of Philadelphia Simon and Schuster

One of only four modern major league pitchers to strike out more than 300 batters in a year for two different teams, Curt Schilling delivered on a famous promise to help bring a world championship to the Boston Red Sox in 2004. Pitching on a mangled and bloody ankle, he fought through the pain to win crucial games in that postseason against the New York Yankees and St. Louis Cardinals. In 2001, he also helped lead the then-four-year-old Arizona Diamondbacks to the team's one-and-only world championship. Off the mound, this father of four is an outspoken political voice, a dynamic business owner, and a generous volunteer of his time and money, benefiting charitable causes such as ALS and melanoma research, among others. In Curt Schilling, find out how this right-hander delivers success on and off the field.

Red Sox Triviology Gareth Stevens Publishing LLLP

A love letter to the game of baseball from one of America's foremost scribes Bob Ryan has scored every baseball game he's attended, at every level, since the start of the 1977 season. It's a deeply personal tradition still going strong at more than 1,400 games and counting. The tattered scorebooks he's filled are worn from age, travel, and countless summer days, but their grids and scrawled symbols tell the stories of milestones, rivalries, rare historic achievements, and more. In Scoring Position captures the incomparable spirit of baseball, with its infinite possibilities and madcap anomalies. Ryan, alongside baseball historian and statistician Bill Chuck, has scoured his scorecard archives for the most singular events—a switch-hitter being hit by a pitch from both sides of the plate in the same game; a player batting for the cycle off four different pitchers; even back-to-back pinch-hit home runs with two outs in the 9th. Featuring some of the game's biggest names and wildest scenarios, this is a fascinating romp through baseball history, exuding a pure zeal for this sport that fans of all teams will recognize in themselves. Part of the collection at the library of the National Baseball Hall of Fame and Museum, this volume also features reproductions of dozens of scorecards from Ryan's collection.

Tales from First Base Triumph Books Interspersing exciting history and fun quizzes, this trivia book ranges from basic questions to challenges that will teach even the most die-hard fans a thing or two about Red Sox baseball. The facts presented are grouped into categories that

include positions, the early years, and championship teams. Entertaining and educational, the book is ideal for both solitary instruction and group game play.

Ichiro Suzuki Black Mesa Publishing In the 111-year-history of the Boston Red Sox, fans have been treated to countless firsts— the first manager of the franchise (Jimmy Collins), the first American League MVP to play for the Sox (Tris Speaker), the first 20-game winner (Bill Dineen), the first to hit 500 home runs (Ted Williams), and the first Red Sox pitcher to win the Cy Young Award (Roger Clemens). The list goes on. In Boston Red Sox Firsts, veteran Red Sox historian Bill Nowlin presents the stories behind the firsts in Red Sox history in question-and-answer format. More than a mere trivia book, Nowlin's collection includes substantive answers to the question of "who was the first...?" on a variety of topics, many of which will surprise even seasoned fans of the Sox. The Ultimate Yankees Record Book Infobase Publishing

In Broadcast Rites and Sites: I Heard It on the Radio with the Boston Red Sox, Joe Castiglione gives his educated opinions on his favorite sightseeing, shopping, and restaurants from coast-to-coast. Yet, at the heart of the book is baseball as seen from his unique perspective and longevity in the booth—from witnessing seven no-hitters to having a catch with Bob Feller; from Roger Clemens' twenty strike out game to the fateful, unforgettable Game 6 of the 1986 World Series.

Broadcast Rites and Sites Simon and Schuster

Most St. Louis Cardinals fans have taken in a game or two at Busch Stadium, have seen highlights of a young Ozzie Smith, and enjoyed Matt Carpenter's salsa-induced hot streak in 2018. But only real fans have visited "Trinket City," know the origin of the Redbird logo, or understand the significance of the number 1.12. In this revised and updated edition of 100 Things Cardinals Fans Should Know & Do Before They Die, author Derrick Goold collects every essential piece of Cardinals knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining, enlightening, and easy-to-follow checklist as you progress on your way to fan superstardom.

Simon and Schuster

There's nothing more important to Bostonians than their sports teams. From the Red Sox and Celtics to the Patriots and Bruins to a number of major college programs, millions of fans from all generations discuss, debate, and live-and-die with their hometown squads all year

long. In *The Great Book of Boston Sports Lists*, two high-profile sports-media pros—along with original contributions from over 20 famous sports heroes and fans including Fred Lynn, Dave Goucher, Mike Eruzione, Dan Shaughnessy, Adam Vinatieri, Mayor Ray Flynn, Micky Ward, Zdeno Chara, Bill Rodgers, and more—fan the flames of the ongoing sports debate with informative and entertaining lists that highlight and rank the best, worst, and most remarkable of local sports past and present.

Incredible Baseball Stats Triumph Books

St. Louis trailed Milwaukee by ten games in the NL Central on August 25, 2011, and even more discouraging was the 10.5 game deficit to Atlanta that the Cardinals faced in the Wild Card chase. That frustration was completely erased on September 29, however, as the Cardinals completed one of the greatest comebacks in history to make the postseason. It took a lot of help from a Braves team that lost 20 of its final 31 games, but the Cardinals did their part, winning 23 of 32 to close

out the regular season and claim the Wild Card berth on the season's final day. But the fun was just starting for this club. The Phillies and the Brewers were expected to meet in the NLCS, but the Cardinals spoiled their postseason plans as well, knocking off the Phillies first, and then taking care of the Brewers in the NLCS to claim the pennant and set up a seven-game showdown with the Texas Rangers in the 2011 World Series. The drama of the 2011 season unfolded against the backdrop of Albert Pujols' looming free agency and an uncharacteristic slow start offensively for arguably the greatest player of his generation -- but when a fractured left forearm threatened to sideline the three-time MVP in late June for up to six weeks, Pujols demonstrated the tenacity and intense desire to win that come October would define this Cardinals team ... and he returned to the field after only two weeks. No wonder this team was down to it's final strike in consecutive innings in Game 6 of the World Series, with the season, hopes, and dreams of its fans all hanging in the balance, and

somehow still prevailed. This second volume of Cardinals history and trivia from author Larry Underwood and Black Mesa Publishing is a tribute not only to the 2011 World Series Champion Cardinals, but to the many legends and heroes who's exploits on the field of play have made this organization one of the most respected and accomplished in professional sports. With eleven chapters of history and more than 225 brand new trivia questions, author Larry Underwood takes readers through every era of this beloved franchise -- from the American Association days to their first World Series appearance in 1926, the dominance of Stan Musial and the 1940s teams to the struggles of the 1950s, the resurgence of the club and the dominance of Bob Gibson in the 1960s and its fall back to mediocrity in the 1970s ... and then finally, the success of the Herzog and La Russa eras all the way to the story of 2011, when baseball gave its fans a season that will be written about for decades, and the Cardinals run at history was its greatest chapter.
