Looking for Catwoman? That's great--but what kind? The owner of a pampered Siamese, if you please? The rescuer of a homeless, helpless stray?

Know the kitty...understand the gal. Through a lighthearted look at women and their cats--20 breeds, with all types of coloring, patterns, and origins--the editor of a top magazine for animal lovers helps men better comprehend their feline counterparts. What will make the woman he adores purr--or have her baring her claws? Who's the real hunter in the relationship--you or Ms. Maine Coon? Is the Manx a leader in love, or does she always "tail" behind? It's the inside info every Tom, Dick, and Harry on the prowl wants to know!

There are more than 68 million dogs in the United States alone, and half of these pups belong to men. And because men identify with their pets, the secret to sniffing out Mr. Right may be...his pooch. Find out! The Editorial Director of Animal Fair, a lifestyle magazine for animal lovers, shares her own insights, amusing experiences, and extensive research on the subject with eager women everywhere. Using 32 different breeds of male as examples, she explores the link between human and canine, and the personality traits they share. Will an Irish Setter man always head to the pub? Can you successfully stay in the race with Mr. Greyhound? Are Rottweilers really dangerous? So many questions, so few answers...until now.
