From NFL player turned
film and TV star Terry
Crews comes a wise
and warmhearted
memoir chronicling his
lifelong quest to
become a good man,
loving husband, and
responsible father.

What does it mean to
be a man? Terry
Crews, TV's iconic "Old
Spice Guy" and co-star
of the hit Golden Globe
Award-winning series
Brooklyn Nine-Nine,
has spent decades
seeking the answer to
that question. In
Manhood, he shares
what he's learned,
telling the amazing
story of his rise to
fame and offering
straight-talking advice
for men and the
women who love them.
A self-described

“super-driven superstar alpha male,” Terry Crews embodies the manly ideal for millions worldwide. But as he looks back on his difficult childhood and shares hard-learned lessons from the many humbling experiences he endured to get where he is today, he shows how his own conception of manhood is constantly evolving. Crews offers up a lively, clear-eyed account of the ups and downs of his twenty-five-year marriage, revealing the relationship secrets that have kept it going—and the one dark secret that nearly tore it apart. Along the way, he shares his evolving appreciation for looking good, staying fit, and getting it done for the people you love. Being a man

is about more than keeping your core strong. It’s about keeping your core values stronger. With insightful observations on spirituality, work, and family, Terry Crews shows men how to face their inner demons, seek forgiveness from those they’ve wronged, and tear down the walls that prevent them from forging meaningful relationships with others. From the NFL gridiron to the Hollywood backlot, Terry Crews has survived it all with his sense of humor—and his marriage—intact. In *Manhood* he shows men everywhere that real strength is not measured in muscle mass—unless that muscle is the heart. *Most Dangerous*
Penguin Books

New York Times' Top Books of 2019 Politico Magazine's chief political correspondent provides a rollicking insider's look at the making of the modern Republican Party—how a decade of cultural upheaval, populist outrage, and ideological warfare made the GOP vulnerable to a hostile takeover from the unlikeliest of insurgents: Donald J. Trump. The 2016 election was a watershed for the United States. But, as Tim Alberta explains in *American Carnage*, to understand Trump's victory is to view him not as the creator of this era of polarization and bruising partisanship, but rather as its most manifest consequence. *American Carnage* is

the story of a president's rise based on a country's evolution and a party's collapse. As George W. Bush left office with record-low approval ratings and Barack Obama led a Democratic takeover of Washington, Republicans faced a moment of reckoning: They had no vision, no generation of new leaders, and no energy in the party's base. Yet Obama's forceful pursuit of his progressive agenda, coupled with the nation's rapidly changing cultural and demographic landscape, lit a fire under the right, returning Republicans to power and inviting a bloody struggle for the party's identity in the post-Bush era. The factions that

emerged—one led by absolutists like Jim Jordan and Ted Cruz, the other led by pragmatists like John Boehner and Mitch McConnell—engaged in a series of devastating internecine clashes and attempted coups for control. With the GOP's internal fissures rendering it legislatively impotent, and that impotence fueling a growing resentment toward the political class and its institutions, the stage was set for an outsider to crash the party. When Trump descended a gilded escalator to announce his run in the summer of 2015, the candidate had met the moment. Only by viewing Trump as the culmination of a decade-long civil war inside the Republican Party—and of the

parallel sense of cultural, socioeconomic, and technological disruption during that period—can we appreciate how he won the White House and consider the fundamental questions at the center of America's current turmoil. How did a party obsessed with the national debt vote for trillion-dollar deficits and record-setting spending increases? How did the party of compassionate conservatism become the party of Muslim bans and walls? How did the party of family values elect a thrice-divorced philanderer? And, most important, how long can such a party survive? Loaded with exclusive reporting and based off hundreds of

interviews—including with key players such as President Trump, Paul Ryan, Ted Cruz, John Boehner, Mitch McConnell, Jim DeMint, and Reince Priebus, and many others—American Carnage takes us behind the scenes of this tumultuous period as we’ve never seen it before and establishes Tim Alberta as the premier chronicler of this political era.

The 4-Hour Work Week

Harvard University Press
New York Times Bestseller
In a divided country desperate for unity, two sons of South Carolina show how different races, life experiences, and pathways can lead to a deep friendship—even in a state that was rocked to its core by the 2015 Charleston

church shooting. Tim Scott, an African-American US senator, and Trey Gowdy, a white US congressman, won’t allow racial lines to divide them. They work together, eat meals together, campaign together, and make decisions together. Yet in the fall of 2010—as two brand-new members of the US House of Representatives—they did not even know each other. Their story as politicians and friends began the moment they met and is a model for others seeking true reconciliation. In *Unified*, Senator Scott and Congressman Gowdy, through honesty and vulnerability, inspire others to evaluate their own stories, clean the slate, and extend a

hand of friendship that can change your churches, communities, and the world.

Big Russ and Me

Macmillan

Since his debut fourteen years ago, Tim Page has established himself as one of our most original and perceptive music critics, and one of the very few to maintain a serious involvement with the music of our own time. Gathering many of Page's liveliest articles and interviews, *Music from the Road* introduces a remarkable critical sensibility to a wider audience while offering thought-provoking new perspectives on composers, performers, and trends that dominate the current scene. Page

covers a characteristically wide range of topics, from Irving Berlin's complex sweetness to Milton Babbitt's elegant ferocity, from Nadja Salerno-Sonnenberg's wild-woman glamour to Mitsuko Uchida's infinitely articulated restraint, from Pavarotti at the Garden to Sweeney Todd in the opera house. Special highlights are two moving profiles of Leonard Bernstein, a revealing survey of musical prodigies, a trenchant discussion of opera fanatics, and Page's famous *Piano Quarterly* interview with Glenn Gould. Other interviews offer surprising insights into the thought and works of Babbitt, John Cage, and, in a remarkable joint interview, Philip Glass and Steve Reich.

Balancing an intimate knowledge of the music with an eternal capacity for being surprised, Page is an ideal guide to the new, the old, and the radically unexpected White Like Me HarperCollins

Recognized from her roles on Survivor, The View, and Fox & Friends, best-selling author Elisabeth Hasselbeck presents a deeply intimate journey of faith, told through the important moments in her life. From designing shoes to surviving Survivor to not surviving The View, Elisabeth Hasselbeck has learned more about standing up for her convictions in the public eye than she ever though she would when she applied for a reality TV show on a whim almost two

decades ago. Through most of those years, Elisabeth strived as if she had to earn the approval of others and of God. But God was gently at work in her to show His point of view—His invitation for her to rest in the calling, rest in His Word, and rest fully in the truth of the gospel. Point of View is an intimate walk of faith, as she writes mom to mom, friend to friend, mother to daughter. From the divisive table at The View to national political platforms to the breakfast table, Elisabeth bares her heart about her failures, her triumphs, and her path of learning lessons the hard way. Point of View Univ. Press of Mississippi

From #1 New York Times bestselling

author and radio host Mark R. Levin comes a searing plea for a return to America's most sacred values. In *Rediscovering Americanism*, Mark R. Levin revisits the founders' warnings about the perils of overreach by the federal government and concludes that the men who created our country would be outraged and disappointed to see where we've ended up. Levin returns to the impassioned question he's explored in each of his bestselling books: How do we save our exceptional country? Because our values are in such a precarious state, he argues that a restoration to the essential truths on which our country was founded has never

been more urgent. Understanding these principles, in Levin's words, can "serve as the antidote to tyrannical regimes and governments." *Rediscovering Americanism* is not an exercise in nostalgia, but an appeal to his fellow citizens to reverse course. This essential book brings Levin's celebrated, sophisticated analysis to the troubling question of America's future, and reminds us what we must restore for the sake of our children and our children's children. **Vagabonding** Univ. Press of Mississippi
The awe-inspiring Sunday Times Bestseller from astronaut Tim Peake
Shortlisted for the British Book Award
2018 'Amazing . . . A

brilliant book' Chris Evans, BBC Radio 2
 Have you ever thought of becoming an astronaut? Ask an Astronaut is Tim Peake's personal guide to life in space, based on his historic Principia mission, and the thousands of questions he has been asked since his return to Earth. How does it feel to orbit the earth ten times faster than a speeding bullet? What's it like to eat, sleep and go to the toilet in space? And where to next - the moon, mars or beyond? From training to launch, historic spacewalk to re-entry, Tim has a fascinating answer to everything you ever wanted to know. He reveals for readers of all ages the extraordinary secrets, cutting-edge science,

and everyday wonders of life onboard the International Space Station. 'Everything you ever wanted to know about life in space' Times
Rediscovering Americanism Open Road Media
 In this critical darling Vermeer's captivating and enigmatic paintings become windows that reveal how daily life and thought--from Delft to Beijing--were transformed in the 17th century, when the world first became global. A Vermeer painting shows a military officer in a Dutch sitting room, talking to a laughing girl. In another canvas, fruit spills from a blue-and-white porcelain bowl. Familiar images that captivate us with their beauty--but as

Timothy Brook shows us, these intimate pictures actually give us a remarkable view of an expanding world. The officer's dashing hat is made of beaver fur from North America, and it was beaver pelts from America that financed the voyages of explorers seeking routes to China-prized for the porcelains so often shown in Dutch paintings of this time, including Vermeer's. In this dazzling history, Timothy Brook uses Vermeer's works, and other contemporary images from Europe, Asia, and the Americas to trace the rapidly growing web of global trade, and the explosive, transforming, and sometimes destructive changes it wrought in the age when

globalization really began.

Because... Plotline Leadership Offers techniques and strategies for increasing income while cutting work time in half, and includes advice for leading a more fulfilling life.

Humankind Ballantine Books

Not the Son He Expected explores the powerful and emotionally complex bonds between gay sons and their fathers. Drawn from over eighty interviews with gay men, including a Commander in the US Navy, a well-known gay porn film director, a former Catholic priest, an Army Captain booed at the 2011 Republican primary debate while asking a question about same-sex

marriage, a South Dakota rodeo cowboy, a social worker working with Pulse nightclub survivors, a man whose father through gender reassignment surgery has now become his second mother, a New Yorker who underwent years of reparative therapy and is today the foremost advocate for banning the practice, an Oklahoma man whose father offered to purchase a hooker's services to turn him straight, and more, the insightful sharing by these men sheds fresh light upon the profoundly life-shaping bonds between fathers and their gay sons. Twenty-six interviewees speak eloquently about their relationship with their father and offer hard-won advice on topics such as how and when

to best come out to one's father, how to deal with non-accepting fathers and families, how to practice healthy self-care, and--since many of these men are now fathers themselves--how to be a loving and supportive dad. Not the Son He Expected will prove to be a helpful and encouraging resource for gay sons, for their fathers, and for all those who love and care about them. "The ties that bind fathers to sons can be iron shackles or can be loops of roses. Tim Clausen's new book examines gay sons and their fathers in essays both arresting and at times heart-breaking. This is an important work."---Gregory Maguire, author of Wicked "Tim Clausen hauntingly

orchestrates first-hand accounts of father/ son relationships. Authentic, beautiful, and occasionally overwhelming, the multi-generational stories provide a candid and moving view into those bonds."--Brett Jones, author of *Pride: The Story of the First Openly Gay Navy Seal "Not the Son He Expected* is a valuable addition to the literature about the under-explored intersection of gay men and their fathers. Sometimes unpredictable, often what one might expect from a father's reaction to his son's coming out, and everything between. Tim Clausen has taken great care to interview a wide variety of subjects, and we learn that each

situation is always fraught with true emotion on both sides. A fascinating read."-- Fred Hersch, Grammy nominated jazz pianist, composer and author of *Good Things Happen Slowly: A Life In and Out of Jazz* "My Dad died when I was seventeen. I know he was proud of me-but now: gay Catholic priest, sexual activist, secular spiritualist? I'll never know. So these other men's stories are informative, reassuring, heartwarming. Thank you, Tim Clausen, for this rich resource when the very notion of masculinity is in free fall." -Daniel Helminiak, author of the international bestseller *What the Bible Really Says about Homosexuality* "This collection of personal,

intimate stories highlights the complex relationship between fathers and their gay sons. What makes them particularly fascinating is the complexity the coming out experience brings to each relationship. A must read."--Stephen Snyder-Hill, author of *Soldier of Change: From the Closet to the Forefront of the Gay Rights Movement* *Assignment to Hell* HarperCollins

Most career books take one of two approaches: They provide theoretical frameworks that are difficult to apply or they offer cookie-cutter answers to a series of stock interview questions that, in reality, rarely get asked. The *Introvert's Guide to Job Hunting* provides a flexible, easy-to-follow

process for selecting or affirming your career goal, crafting a rock star resume that sets you apart from the competition, and enabling you to confidently navigate the interview and negotiation processes. It also offers the perspective of top-notch career coaches, headhunters, and assessment experts. *The Introvert's Guide to Job Hunting* crosses experience levels, industries, and geographic boundaries. Whether you are an experienced professional seeking the next level, a career changer, or a recent graduate just getting started, it can help you achieve your goals. While this book specifically targets introverts, it also provides tips and

techniques for job seekers who view themselves as more extroverted. *View* Random House Large Print Publishing The extensively researched biography that goes beyond the hype to “separate Trump the reality from Trump the reality show” (USA Today). Now with a new introduction by the author, this entertaining look inside the world of Donald Trump is chock full of rip-roaring anecdotes, jaw-dropping quotes, and rigorous research into the business deals, political antics, curious relationships, and complex background of the forty-fifth US president. Granted unprecedented access, Timothy L. O’Brien traveled across the country and up and

down the East Coast with Trump on his private jet, wheeled around Palm Beach with him in his Ferrari, and spent hours interviewing him in his home, in his office, and on the golf course. He met with the entrepreneur’s closest friends and most aggressive rivals, while compiling a treasure trove of Trumpisms from the Donald himself: Trump on the public’s enduring fascination with Trump: “There is something crazy, hot, a phenomenon out there about me, but I’m not sure I can define it and I’m not sure I want to.” Trump on naysayers: “You can go ahead and speak to guys who have four-hundred-pound wives at home who are jealous of me, but the guys who really

know me know I'm a great builder." Trump on the art of self-promotion: "You might as well tell people how great you are, because no one else is going to." Ultimately, when O'Brien's research revealed that Trump's business record and annual spot on the Forbes 400 list of richest Americans might be more fantasy than reality, he—like so many others who have dared to tangle with the former host of *The Apprentice*—found himself in a courtroom. In a new introduction, O'Brien reflects on the recent wave of TrumpMania and updates readers on what it's like to depose one of the world's most litigious businessmen—and win. [Vermeer's Hat](#)
HarperCollins

#1 NEW YORK TIMES BESTSELLER • A "bracing" (Vox) guide for surviving and resisting America's turn towards authoritarianism, from "a rising public intellectual unafraid to make bold connections between past and present" (The New York Times) "Timothy Snyder reasons with unparalleled clarity, throwing the past and future into sharp relief. He has written the rare kind of book that can be read in one sitting but will keep you coming back to help regain your bearings."—Masha Gessen *The Founding Fathers* tried to protect us from the threat they knew, the tyranny that overcame ancient democracy. Today, our political order faces new threats, not unlike

the totalitarianism of the twentieth century. We are no wiser than the Europeans who saw democracy yield to fascism, Nazism, or communism. Our one advantage is that we might learn from their experience. On Tyranny is a call to arms and a guide to resistance, with invaluable ideas for how we can preserve our freedoms in the uncertain years to come.

American Carnage

Penguin

Look for O'Brien's new book, *American Fantastica*, on sale October 24th. A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on

war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious

Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Black Faces, Black Interests

ReadHowYouWant.com

In 2003, as an older father, O'Brien resolved to give his young sons what he wished his own father had given to him: a few scraps of paper signed "Love, Dad." Maybe a word of advice. Maybe a sentence or two about some long-ago Christmas Eve. Maybe some scattered glimpses of their aging father, a man they might never really know. In this book, O'Brien moves from soccer games to warfare to risqué lullabies, from

alcoholism to magic shows to history lessons to bittersweet bedtime stories, but always returning to a father's soul-saving love for his sons. -- adapted from jacket

Blitzscaling

Multnomah

Typescript transcripts of 5 interviews by Tim Bowden with Rupert Lockwood, Evan Whitton & W.C.

Wentworth broadcast on ABC Radio Two between 1973 & 1975. Transcripts: 1. "The making of an Australian Communist", interview with Rupert Lockwood broadcast in Sunday Night Radio Two on 16 Sept 1973; 2. "Petrov twenty years on, Part I", interview with Evan Whitton & W.C. Wentworth; 3. "Petrov twenty years on - Rupert Lockwood's personal view, Part II",

interview with Rupert Lockwood; 4. "Petrov twenty years on, Part III", interview with W.C. Wentworth & Evan Whitton. The "Petrov twenty years on" interviews were broadcast in Sunday Night Radio Two on 26 May 1974; 5. "To Lockwood with love. Part 2, Security and I" interview with Rupert Lockwood broadcast in Sunday Radio Two on 13 July 1975. "Security and I" includes Lockwood's review of the birth of Australia's federal security apparatus, his association with A.S.I.O. & his appearance before the Petrov Royal Commission in 1954. Manhood New York : Oxford University Press Foreword by Bill Gates LinkedIn cofounder, legendary investor,

and host of the award-winning Masters of Scale podcast reveals the secret to starting and scaling massively valuable companies. What entrepreneur or founder doesn't aspire to build the next Amazon, Facebook, or Airbnb? Yet those who actually manage to do so are exceedingly rare. So what separates the startups that get disrupted and disappear from the ones who grow to become global giants? The secret is blitzscaling: a set of techniques for scaling up at a dizzying pace that blows competitors out of the water. The objective of Blitzscaling is not to go from zero to one, but from one to one billion -as quickly as possible. When growing at a breakneck pace, getting to next

level requires very different strategies from those that got you to where you are today. In a book inspired by their popular class at Stanford Business School, Hoffman and Yeh reveal how to navigate the necessary shifts and weather the unique challenges that arise at each stage of a company's life cycle, such as: how to design business models for igniting and sustaining relentless growth; strategies for hiring and managing; how the role of the founder and company culture must evolve as the business matures, and more. Whether your business has ten employees or ten thousand, Blitzscaling is the essential playbook for winning in a world where speed is

the only competitive advantage that matters.

On Tyranny Crown

"A book every modern journalist—and citizen—should read."—Tom Brokaw, Author of *The Greatest Generation* In February 1943, a group of journalists—including a young wire service correspondent named Walter Cronkite and cub reporter Andy Rooney—clamored to fly along on a bombing raid over Nazi Germany. Seven of the sixty-four bombers that attacked a U-boat base that day never made it back to England. A fellow survivor, Homer Bigart of the New York Herald Tribune, asked Cronkite if he'd thought through a lede. "I think I'm going to say," mused Cronkite, "that I've just

returned from an assignment to hell.” Assignment to Hell tells the powerful and poignant story of the war against Hitler through the eyes of five intrepid reporters. Cronkite crashed into Holland on a glider with U.S. paratroopers. Rooney dodged mortar shells as he raced across the Rhine at Remagen. Behind enemy lines in Sicily, Bigart jumped into an amphibious commando raid that nearly ended in disaster. The New Yorker’s A. J. Liebling ducked sniper fire as Allied troops liberated his beloved Paris. The Associated Press’s Hal Boyle barely escaped SS storm troopers as he uncovered the massacre of U.S. soldiers during the Battle of the Bulge. This book serves as a

stirring tribute to five of World War II’s greatest correspondents and to the brave men and women who fought on the front lines against fascism—their generation’s “assignment to hell.” The 4-hour Chef Random House Large Print Publishing INTERNATIONAL BESTSELLER • With a new foreword by Tim Ferriss • “Vagabonding easily remains in my top-10 list of life-changing books. Why? Because one incredible trip, especially a long-term trip, can change your life forever. And Vagabonding teaches you how to travel (and think), not just for one trip, but for the rest of your life.”—Tim Ferriss, from the foreword There’s nothing like vagabonding: taking

time off from your normal life—from six weeks to four months to two years—to discover and experience the world on your own terms. In this one-of-a-kind handbook, veteran travel writer Rolf Potts explains how anyone armed with an independent spirit can achieve the dream of extended overseas travel. Now completely revised and updated,

Vagabonding is an accessible and inspiring guide to • financing your travel time • determining your destination • adjusting to life on the road • working and volunteering overseas • handling travel adversity • re-assimilating back into ordinary life Updated for our ever-changing world, Vagabonding is an indispensable guide for the modern traveler.
