Men's Health, The New York Times, PLAYBOY, and many more! REVEALED: How Pick Up Artists get more phone numbers and turn phone numbers into dates! Picking up young, beautiful women is changing. Phones, texting, and social media are much bigger parts of women's dating lives than they were five years ago. Attention spans are shorter. If you're not relevant to her - day to day, not just on "date night" - someone else will be. That's why we're giving you the top secret techniques that the world's top pickup artists have been using and refining for the past two years. Now you can use them too. Here's what you'll be able to do after just the first few pages: Get her number almost EVERY TIME using the "magic words" that make flaking nearly impossible. (pg. 14-15) Avoid the one fatal error that 60% of guys make after getting her phone number that kills their chances right then and there. (pg. 12-13) Know whether to use phone or text (pg. 29-31) and how long to wait to get in touch (pg. 31-5) for every situation. Use "callback humor" to make sure your first phone call has her dying to see you again... but only if you set it up properly

when you first met her. (pg. 21-24) Text her while you're still talking to her so that your conversation continues 'naturally' even after you leave - and leads to a same night encounter or a date. Choose from among dozens of scripted messages to send. (pg. 15-18) *TextAppeal - for Girls!* Tom Torero Say goodbye to the crippling stress and anxiety that come with dating in the

2020s with the dating advice all single people need. Have you ever convinced yourself that your crush is definitely not into you because they didn't watch your Instagram story? Have you ever pretended that you didn't want anything serious because you assumed your potential partner didn't want anything serious with you? Have you ever spent hours figuring out the "perfect"

response to your date's text? Well Candice Jalili, senior sex and dating writer at Elite Daily, has done all of those things and she's here to tell you to stop. Stop giving in to your anxieties and insecurities. Stop replaying and rehashing every interaction. Stop thinking that you're not good enough exactly the way you are. Instead, take a deep breath and just send the text. In today's society, dating

can be stressful. And Candice gets it: between social media, dating apps, the hookup culture, and just, you know, the patriarchy—there's no denying it; dating is hard. But there's no reason for dating to transform you into a ball of stress. Laid out in seven easy-to-follow steps, *Just Send the Text* will help you to let go of any dating-related stress and anxiety by accepting that, for the right person,

just being yourself is more than enough. The book is filled with helpful tips including: -Don't be afraid to block someone on social media - Embrace dating apps as one of the many ways to meet a potential partner -Stop wasting your time trying to convince someone you're worthy of theirs - Being vulnerable might hurt in the short-term, but it will benefit you in the long-run

Featuring first-person interviews with real women, visual aids, and compelling statistics, *Just Send the Text* will give you the courage to put yourself back out there, embrace dating once again, and find a real, authentic kind of love in today's world. Soon, it won't be free.★ It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how

many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard

having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and

foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging

yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your

brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills.
