""My name is Melody.I am an RN.I work with orthopedic, neuro, trauma patients, and a variety of other patients.I have seen those hurting with physical wounds;I have also seen those with emotional, mental and spiritual pain.The wounds affecting their mental and emotional conditions can sometimes cripple them in ways more severe than the physical wounds.I was curious and intrigued to get Messenger Hezekiah's book on healing touch. I read the book through and found it interesting.I know that healing can occur, and scripture tells us to lay hands on the sick... Messenger Hezekiah gives scriptural basis for this healing and talks about the faith and requirements laid out in scripture for such a work."" Melody February 9, 2019. ""In this revised edition, I focus on Biblical Meditation and Fasting, explaining what I mean by Biblical Meditation, differences between Biblical Meditation and Transcendental Meditation, and giving step by step methods of performing Biblical Meditation.
