Creating Sanctuary Grids & Guides

With *The E-Myth Contractor*, Michael E. Gerber launches a series of books that apply the E-Myth to specific types of small businesses. The first is aimed at contractors. This book reveals a radical new mind-set that will free contractors from the tyranny of an unprofitable, unproductive routine. With specific tips on topics as crucial as planning, money and personnel management, *The E-Myth Contractor* teaches readers how to: Implement the ingenious turnkey system of management—a means of creating a business prototype that reflects the business owner's unique set of talents and replicating and distributing them among employees and customers. Recognise and manage the four forms of money—income, profit, flow and equity. Harness the power of change to expand the company. The book also provides help on a larger level, leading readers towards becoming business visionaries by relinquishing tactical work and embracing strategic work, by letting go to gain control. Once put into action, Gerber's revolutionary ideas promise not only to help contractors build successful businesses, but successful lives as well.

50 Great George Foreman Recipes! Pascoe Publishing

"I've tasted the fine wine and I can't go back. It is the Princeton Architectural Press *Grids & Guides Notebook*, and it is not like other notebooks."--*The Strategist*, NY Magazine
 The perfect notebook for creative thinkers: Much more than a standard graph paper notebook, *Grids & Guides* notebooks combine a variety of eight different grid paper patterns so you can find the perfect starting place for creative thinking. Forget your grid dot notebook and see what ideas emerge with a coordinate map grid, an isometric grid, a point grid, and more, made for sketches, lists, data, and dreams. Interspersed with infographics: Find inspiration in the cool infographics interspersed throughout the notebook. Unexpected and informative, the notebook includes 16 pages of charts, infographics, table, and other scientific resources, covering a wide range of topics, from knot tying to logic expressions. A sleek cloth-covered hardcover that's highly portable: The *Grids and Guides Red notebook* is the perfect size to throw in your backpack for a day hike, or to use as a lab notebook. The textured cloth-covered hardcover design is luxurious and sturdy. Creatives will love the versatility of the different grids, combined with the professional look of the cover. This notebook graph paper is a great gift for designers, engineers, architects, and anyone in a creative industry.

Paddle Your Own Canoe Chronicle Books

"In this beautiful, inspiring, and hands-on, practical book we are invited to look deeply at the landscape around us and create sacred respites from our busy worlds." —Rosemary Gladstar,

herbalist and author We all need a personal sanctuary—a place where we can be in harmony with the natural world and can nurture our bodies, minds, and souls. And this sanctuary doesn't have to be an exotic destination, it can be in your own backyard. In *Creating Sanctuary*, Jessi Bloom taps into multiple sources of traditional plant wisdom to help readers find a deeper connection to the outdoor space they already have—no matter the size. Equal parts inspirational and practical, this engaging guide includes tips on designing a healing space, plant profiles for 50 sacred plants, recipes that harness the medicinal properties of plants, and simple instructions for daily rituals and practices for self-care. Hands-on, inspiring, and beautiful, *Creating Sanctuary* is a must-have for everyone seeking a new ways to revitalize their lives.

Campfire Songs Rowman & Littlefield

Parks and Recreation actor and *Making It* co-host Nick Offerman shares his humorous fulminations on life, manliness, meat, and much more in this New York Times bestseller. Growing a perfect moustache, grilling red meat, wooing a woman—who better to deliver this tutelage than the always charming, always manly Nick Offerman, best known as Parks and Recreation's Ron Swanson? Combining his trademark comic voice and very real expertise in woodworking—he runs his own woodshop—*Paddle Your Own Canoe* features tales from Offerman's childhood in small-town Minooka, Illinois—"I grew up literally in the middle of a cornfield"—to his theater days in Chicago, beginnings as a carpenter/actor and the hilarious and magnificent seduction of his now-wife Megan Mullally. It also offers hard-bitten battle strategies in the arenas of manliness, love, style, religion, woodworking, and outdoor recreation, among many other savory entrees. A mix of amusing anecdotes, opinionated lessons and rants, sprinkled with offbeat gaiety, *Paddle Your Own Canoe* will

not only tickle readers pink but may also rouse them to put down their smart phones, study a few sycamore leaves, and maybe even hand craft (and paddle) their own canoes.

The E-Myth Contractor Construction Site on Christmas Night

The powerful and affirming story of a father's journey with his teenage daughter to the far reaches of Alaska Alaska's Arctic National Wildlife Refuge, home to only a handful of people, is a harsh and lonely place. So when James Campbell's cousin Heimo Korth asked him to spend a summer building a cabin in the rugged Interior, Campbell hesitated about inviting his fifteen-year-old daughter, Aidan, to join him: Would she be able to withstand clouds of mosquitoes, the threat of grizzlies, bathing in an ice-cold river, and hours of grueling labor peeling and hauling logs? But once there, Aidan embraced the wild. She even agreed to return a few months later to help the Korths work their traplines and hunt for caribou and moose. Despite windchills of

50 degrees below zero, father and daughter ventured out daily to track, hunt, and trap. Under the supervision of Edna, Heimo's Yupik Eskimo wife, Aidan grew more confident in the woods.

Campbell knew that in traditional Eskimo cultures, some daughters earned a rite of passage usually reserved for young men. So he decided to take Aidan back to Alaska one final time before she left home. It would be their third and most ambitious trip, backpacking over Alaska's Brooks Range to the headwaters of the mighty Hulahula River, where they would assemble a folding canoe and paddle to the Arctic Ocean. The journey would test them, and their relationship, in one of the planet's most remote places: a land of wolves, musk oxen, Dall sheep, golden eagles, and polar bears. At turns poignant and humorous, *Braving It* is an ode to America's disappearing wilderness and a profound meditation on what it means for a child to grow up—and a parent to finally, fully let go.
