HarperCollins

From writer/director

Cazzie David comes a series of comedic essays about anxiety, social media, generational malaise, and growing up in a famous family.

*Marvel's Voices* Simon and Schuster

A New York Times

bestseller. From

bestselling author and historical consultant to

the award-winning Netflix series *The Crown*, an unparalleled insider

account of tumult,

secrecy and schism in the Royal family. The world

has watched Prince

William and Prince Harry since they were born.

Raised by Princess Diana

to be the closest of

brothers, how have the

boy princes grown into very different, now

distanced men? From

royal insider, biographer and historian Robert

Lacey, this book reveals

the untold details of

William and Harry's

closeness and

estrangement, asking

what happens when two sons are raised for vastly different futures - one burdened with the responsibility of one day becoming king, the other with the knowledge that he will always remain spare. How have William and Harry both agreed and diverged in their views of what a modern royal owes to their country? Were the seeds of damage sowed by Prince Charles and Princess Diana as their marriage unraveled for all the world to see? In the previous generation, how have Prince Charles and Prince Andrew's own relations strained under the Crown? What role has Queen Elizabeth II played in marshalling her feuding heirs? What parts have Kate Middleton and Meghan Markle played in helping their husbands to choose their differing paths? And what is the real, unvarnished story behind Harry and Meghan's dramatic departure? In the most intimate vision yet of life behind closed doors, with its highs, lows and discretions all laid out, this is a journey into royal life as never offered before.

Modelland - the FIERCE

NEW NOVEL BY TYRA BANKS—IS OUT! No one gets in without being asked. And with her untamable hair, large forehead, and gawky body, Tookie De La Crème isn't expecting an invitation. Modelland—the exclusive, mysterious place on top of the mountain—never dares to make an appearance in her dreams. But someone has plans for Tookie. Before she can blink her mismatched eyes, Tookie finds herself in the very place every girl in the world obsesses about. And three unlikely girls have joined her. Only seven extraordinary young women become Intoxibellas each year. Famous. Worshipped. Magical. What happens to those who don't make it? Well, no one really speaks of that. Some things are better left unsaid. Thrown into a world where she doesn't seem to belong, Tookie glimpses a future that could be hers—if she survives the beastly Catwalk Corridor and terrifying Thigh-High Boot Camp. Along the way, she learns all about friendship, courage, laughter and what it feels like to start to believe in yourself. When you enter the fantastical world of Modelland, you'll see that

Tookie was inspired by Tyra's life as a supermodel. All those crazy and wild adventures Tookie has with her friends? Some of them were ripped straight from the headlines of Tyra's life! Tyra knows all about beauty and fashion and fierceness, and she shares everything here in MODELLAND. It's fun, zany, and 100 bazillion-percent Tyra. You don't want to miss Tyra's amazing new novel! From the Hardcover edition.

The Chelsea Lately writer and star and stand-up comic delves into her life as a mom-of-three and wife of a house-husband who's "infuriatingly bad at collecting neighborhood gossip"--Dust jacket flap. *Blonde Ambition* Penguin Praised by the New Yorker and New York magazine, Saul Austerlitz's fascinating behind-the-scenes look at Friends, is, according to Newsweek, the "next best thing" to a cast reunion. In September 1994, six friends sat down in their favorite coffee shop and began bantering about sex, relationships, jobs, and just about everything else. A quarter of a century later, new fans are still finding their way

into the lives of Rachel, Ross, Joey, Chandler, Monica, and Phoebe, and thanks to the show's immensely talented creators, its intimate understanding of its youthful audience, and its reign during network television's last moment of dominance, Friends has become the most influential and beloved show of its era. Friends has never gone on a break, and this is the story of how it all happened. Noted pop culture historian Saul Austerlitz utilizes exclusive interviews with creators David Crane and Marta Kauffman, executive producer Kevin Bright, director James Burrows, and many other producers, writers, and cast members to tell the story of Friends' creation, its remarkable decade-long run, and its astonishing Netflix-fueled afterlife. Readers will go behind the scenes to hear from the people who were present as the show was developed and cast, written and filmed. There will be talk of trivia contests, prom videos, trips to London, Super Bowls, lesbian weddings, wildly popular hairstyles, superstar cameos, mad dashes to the airport, and million-dollar contracts.

They'll also discover surprising details—that Monica and Joey were the show's original romantic couple, how Danielle Steel probably saved Jennifer Aniston's career, and why Friends is still so popular that if it was a new show, its over-the-air broadcast reruns would be the ninth-highest-rated program on TV. The show that defined the 1990s has a legacy that has endured beyond anyone's wildest expectations. And in this hilarious, informative, and entertaining book, readers will now understand why. [Harold's End](#) Last Gasp Join the McCartney family for a feast of nearly 100 sustainable, plant-based recipes to save the planet and nourish the soul, in this deeply personal cookbook from Paul, Mary, and Stella honoring their late wife and mother, Linda McCartney "I have a passion for peace and believe it starts with compassion to animals." —Linda McCartney Linda McCartney was a trailblazer of meat-free cooking, and she shared with her family the pleasure that eating compassionately could bring. Now Paul, Mary and Stella have reimagined Linda's best-loved recipes, in a modern collection that fits

perfectly with how we want to eat now. Family favorites such as French Toast, Chili non Carne, Sausage Rolls, Shepherd's Pie, Pulled Jackfruit Burgers and Crunchy Pecan Cookies are just some of the many simple, nourishing and sustainable vegan recipes included in this stylish book. Complete with personal stories and intimate family photos spanning three decades, Linda McCartney's Family Kitchen is not only good for you, but for the planet too.

A personal journey through some of the darkest moments of the cold war and the early days of television news Marvin Kalb, the award-winning journalist who has written extensively about the world he reported on

during his long career, now turns his eye on the young man who became that journalist. Chosen by legendary broadcaster Edward R. Murrow to become one of what came to be known as the Murrow Boys, Kalb in this newest volume of his memoirs takes readers back to his first days as a journalist, and what also were the first days of broadcast news. Kalb captures the excitement of being present at the creation of a whole new way of bringing news immediately to the public. And what news. Cold War tensions were high between Eisenhower's America and Khrushchev's Soviet Union. Kalb is at the center, occupying a unique spot as a student of Russia tasked with explaining Moscow to Washington and the American public. He joins a cast of legendary figures along the way, from Murrow himself to Eric Severeid, Howard K. Smith, Richard Hottelet, Charles Kuralt, and Daniel Schorr among many others. He finds himself assigned as Moscow correspondent of CBS News just as the U2 incident—the downing of a US spy plane over Russian territory—is unfolding. As readers of

his first volume, *The Year I Was Peter the Great*, will recall, being the right person, in the right place, at the right time found Kalb face to face with Khrushchev. Assignment Russia sees Kalb once again an eyewitness to history—and a writer and analyst who has helped shape the first draft of that history.

Wearstler shares her inspirations, inviting readers into the creation of her opulent interiors. Celebrated for luxurious interiors that capture the swankiness of old-world Hollywood with a modern pop sensibility, Wearstler is known for her decadent designs of residences and boutique hotels, such as the line of Viceroys and the tastemakers Maison 140 and Avalon. Her ornate interiors are distinctive for layers of bold textures, patterns, and rich colors juxtaposed with lustrous surfaces, adding up to a whimsical and elegant look that has been called "mod baroque." This volume offers a look into Wearstler's glamorous world, profiling in detail her latest residential designs (previously unpublished) and her sumptuous new hotels, as well as her creative process. The book also follows the designer—known for her striking personal style—behind the scenes to watch her at work, creating sculpture at her metal foundry or shopping at auction houses, to reveal the myriad inspirations that fuel Wearstler's imagination and her dazzling design work. With beautiful

images of many never-before-photographed interiors, Kelly Wearstler: Chromatic Rhapsody is an inspirational look at one of the most irreverent and fascinating designers working today, celebrating the breadth of her creations.

The "Alice Waters of American natural perfume"

(indieperfume.com) and author of the Art of Flavor celebrates our most

potent sense, through five rock stars of the fragrant world Mandy Aftel is

widely acclaimed as a

trailblazer in natural perfumery. Over two

decades of sourcing the finest aromatic

ingredients from all over the world and creating

artisanal fragrances, she has been an evangelist for the transformative power

of scent. In *Fragrant*, through five major players

in the epic of aroma, she explores the profound

connection between our sense of smell and the

appetites that move us, give us pleasure, make us

fully alive. Cinnamon, queen of the Spice Route,

touches our hunger for the unknown, the exotic,

the luxurious. Mint,

homegrown the world

over, speaks to our

affinity for the familiar,

the native, the authentic. Frankincense, an ancient incense ingredient, taps into our longing for transcendence, while ambergris embodies our unquenchable curiosity. And exquisite jasmine exemplifies our yearning for beauty, both

evanescent and enduring. In addition to providing a riveting initiation into the history, natural history, and philosophy of scent, Fragrant imparts the essentials of scent literacy and includes recipes for easy-to-make fragrances

and edible, drinkable, and useful concoctions that reveal the imaginative possibilities of creating with—and reveling in—aroma. Vintage line drawings make for a volume that will be a treasured gift as well as a great read.
