## COMPTON JUSTICE

---

*Punk 57* PTS Professional  
"A horror story for all  
midnights." — The Boston  
Globe Inspired by the  
shockingly true story of a  
child's demonic  
possession in the 1940s,  
William Peter Blatty's  
iconic novel focuses on  
Regan, the eleven-year-  
old daughter of a movie  
actress residing in

Washington, D.C. When  
sweet Regan's behavior  
turns sinister, a small  
group of overwhelmed yet  
determined individuals  
take it upon themselves  
to rescue the poor girl  
from her unspeakable  
fate. Timeless and  
terrifying, *The Exorcist* is  
a story that has gripped  
the public zeitgeist for  
more than half a century.  
Originally published in  
1971, it remains one of  
the most controversial  
novels ever written. A

literary phenomenon soon  
after its release, it spent  
fifty-seven weeks on the  
New York Times bestseller  
list, seventeen  
consecutively at number  
one. It also became a  
wildly popular motion  
picture, garnering ten  
Academy Award  
nominations. On the  
opening day of the film,  
lines of fans stretched  
around city blocks. In  
Chicago, frustrated  
moviegoers used a  
battering ram to gain

entry through the double side doors of a theater. In Kansas City, police used tear gas to disperse an impatient crowd who tried to force their way into a cinema. The three major television networks carried footage of these events, and CBS's Walter Cronkite devoted almost ten minutes to the story. *The Exorcist* was, and is, more than just a novel and a film: it is a true landmark of American culture. . . and a reflection of our innermost fears. Purposefully raw and profane, *The Exorcist*

continues to engross and disturb readers. It remains an unforgettable reading experience that will continue to shock and frighten new generations of readers.

In Their Own Words

National Geographic  
Books

The internet is the most effective weapon the government has ever built. In this fascinating book, investigative reporter Yasha Levine uncovers the secret origins of the internet, tracing it back to a Pentagon counterinsurgency surveillance project. A visionary intelligence officer, William Godel, realized that the key to winning the war in Vietnam was not outgunning the enemy,

but using new information technology to understand their motives and anticipate their movements. This idea -- using computers to spy on people and groups perceived as a threat, both at home and abroad -- drove ARPA to develop the internet in the 1960s, and continues to be at the heart of the modern internet we all know and use today. As Levine shows, surveillance wasn't something that suddenly appeared on the internet; it was woven into the fabric of the technology.

But this isn't just a story about the NSA or other domestic programs run by the government. As the book spins forward in time, Levine examines the private surveillance business that powers tech-industry giants like Google, Facebook, and Amazon, revealing how these companies spy on their users for profit, all while doing double duty as military and intelligence contractors. Levine shows that the military and Silicon Valley are effectively inseparable: a military-

digital complex that permeates everything connected to the internet, even coopting and weaponizing the antigovernment privacy movement that sprang up in the wake of Edward Snowden. With deep research, skilled storytelling, and provocative arguments, *Surveillance Valley* will change the way you think about the news -- and the device on which you read it.

Penny Barber has put her years of experience as a diaper fetish model, AB/DL switch, and professional Mommy into *The Age Play and Diaper Fetish Handbook: The Ultimate Guide to the World of AB/DL*. It is the first complete resource for anyone who wants to know about the world of age players and diaper lovers. Perfect for professional players, the partners of AB/DLs, and AB/DLs themselves, *The Handbook* is packed with practical tips on everything from choosing

the perfect diaper to administering AB/DL punishments to the best regression methods. [Dr. Strange Beard](#)  
Macmillan Publishing Company  
An illuminating study of the complex relationship between children and media in the digital age. Now, as never before, young people are surrounded by media—thanks to the sophistication and portability of the technology that puts it literally in the palms of their hands. Drawing on

data and empirical research that cross many fields and continents, authors Valkenburg and Piotrowski examine the role of media in the lives of children from birth through adolescence, addressing the complex issues of how media affect the young and what adults can do to encourage responsible use in an age of selfies, Twitter, Facebook, and Instagram. This important study looks at both the sunny and the dark side of media use by today's youth, including why and

how their preferences change throughout childhood, whether digital gaming is harmful or helpful, the effects of placing tablets and smartphones in the hands of toddlers, the susceptibility of young people to online advertising, the legitimacy of parental concerns about media multitasking, and more. [The Improv Handbook](#) Cengage Learning Winner of the St Ermin's Intelligence Book of the Year Award. 'One of the great biographies of

2015.' The Times Fully updated edition including recently released information. A Guardian Book of the Year. The Times Best Biography of the Year. Mail on Sunday Biography of the Year. Daily Mail Biography of the Year. Spectator Book of the Year. BBC History Book of the Year. 'A remarkable and definitive portrait ' Frederick Forsyth 'Andrew Lownie's biography of Guy Burgess, Stalin's Englishman ... shrewd, thorough, revelatory.' William Boyd 'In the sad and funny

Stalin's Englishman, [Lownie] manages to convey the charm as well as the turpitude.' Craig Brown Guy Burgess was the most important, complex and fascinating of 'The Cambridge Spies' - Maclean, Philby, Blunt - all brilliant young men recruited in the 1930s to betray their country to the Soviet Union. An engaging and charming companion to many, an unappealing, utterly ruthless manipulator to others, Burgess rose through academia, the BBC, the Foreign Office, MI5 and

MI6, gaining access to thousands of highly sensitive secret documents which he passed to his Russian handlers. In this first full biography, Andrew Lownie shows us how even Burgess's chaotic personal life of drunken philandering did nothing to stop his penetration and betrayal of the British Intelligence Service. Even when he was under suspicion, the fabled charm which had enabled many close personal relationships with influential Establishment

figures (including Winston Churchill) prevented his exposure as a spy for many years. Through interviews with more than a hundred people who knew Burgess personally, many of whom have never spoken about him before, and the discovery of hitherto secret files, Stalin's Englishman brilliantly unravels the many lives of Guy Burgess in all their intriguing, chilling, colourful, tragicomic wonder.  
*Nina Hartley's Guide to Total Sex* Chicago Review Press

A family holiday creates unexpected drama when Liv, Ellen and Håkon's elderly parents announce their decision to divorce. The Norwegian Anne Tyler makes her English debut in a beautiful, insightful and perceptive novel.  
\*\*\*Winner of the Norwegian Booksellers' Prize\*\*\*  
\_\_\_\_\_ 'The most beautiful, elegant writing I've read in a long time. If you love Anne Tyler, you will ADORE this'  
Joanna Cannon 'A thoughtful and reflective novel about parents,

siblings and the complex - and often challenging - ties that bind them' Hannah Beckerman, Observer 'I absolutely loved its quiet, insightful generosity' Claire King \_\_\_\_\_ When Liv, Ellen and Håkon, along with their partners and children, arrive in Rome to celebrate their father's seventieth birthday, a quiet earthquake occurs: their parents have decided to divorce. Shocked and disbelieving, the siblings try to come to terms with their parents' decision as

it echoes through the homes they have built for themselves, and forces them to reconstruct the shared narrative of their childhood and family history. A bittersweet novel of regret, relationships and rare insights, *A Modern Family* encourages us to look at the people closest to us a little more carefully, and ultimately reveals that it's never too late for change...

\_\_\_\_\_ 'The author has been dubbed the Norwegian Anne Tyler and for good reason.

Three generations of a family head on a holiday to Italy to celebrate patriarch Sverre's 70th birthday - but he and his wife have life-changing news to share. If you love books about dysfunctional families, you'll love this' *Good Housekeeping* 'As they rebuild their childhood memories, it's telling that their perceptions of themselves and their family relationships are so dramatically different. In quiet prose, Helga Flatland writes with elegance and subtle

humour to produce a shrewd and insightful examination of the psychology of family and of loss' Daily Express 'I love the sophistication, directness and tenderness of this book' Claire Dyer 'So perceptive and clever' Rónán Hession 'This is a super exploration of families that I'd urge you to read for the subtle prose, with well defined characters and a strong storyline' Sheila O'Reilly 'It is the most satisfying book that I've read in a long time, and the most clear-eyed, honest, yet

sympathetic examination of relationships that I have ever read. The subtlety with which she portrays the inconsistencies between how the characters see each other versus how they see themselves is masterful' Sara Taylor 'Reading Helga Flatland's A Modern Family is like watching the sun rise on a cloudy horizon; light whispers and dances and breaks over the clouds. Layers of deliciously cumulative insight – a moving and exquisite read' Shelan Rodger 'A

beautifully written novel, bittersweet, moving and poignant ... a wise novel of great insight' New Books Magazine 'Flatland has the gift that I most often covert in the work of other writers: the ability to make everyday events compelling ... an utterly compelling and satisfying read. It reminds us how full and rich life is, how the quietest existence can brim with urgency and drama' Ann Morgan 'A novel that prods and provokes ... fascinating, incredibly profound, yet somehow tender, this

really does encourage an exploration of a modern family' LoveReading

A heatwave. A mystery. An obsession. 'Powerful, evocative with such a big heart. Once I started I couldn't put it down.'  
Dreda Say Mitchell. Set against the bohemian backdrop of Soho's jazz basements and coffee shops of the late fifties, and a Sussex village during the long hot

summer of 1976, *A Song Unsung* is a coming-of-age story about an impressionable teenage girl who falls under the spell of a beautiful singer with a mysterious past. Martha Palmer, an aspiring singer working in a coffee shop, is desperately short of cash. She's been scouted by a photographer. The money's good. But there's a catch ...Sussex 1976. Nothing much happens in teenager Natasha James' life. Her mother has taken to her bed and her father, the local doctor, is

preoccupied with his patients. But when the magnetic Martha Palmer moves into her village, Natasha is drawn into a glittery world of extravagant parties, steeped in the embroidered rhythms of jazz. But who is the mysterious Martha Palmer? And why is she the keeper of so many secrets? Desperate to fill in the gaps of Martha's past, Natasha uncovers a heart-breaking love story, the truth of which threatens to destroy all that she holds dear.

How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In *Sinner Takes All*, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her

unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary

pages and scintillating sidebars, *Sinner Takes All* takes the tell-all to raunchy new heights.

*The Exorcist* Ballantine Books

It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert Mapplethorpe would direct his highly provocative style toward photography. Bound in

innocence and enthusiasm, they traversed the city from Coney Island to Forty-second Street, and eventually to the celebrated round table of Max's Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous—the influential artists of the day and the colorful fringe. It was a time of heightened awareness, when the worlds of

poetry, rock and roll, art, and sexual politics were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by their mutual dreams and drives, they would prod and provide for one another during the hungry years. *Just Kids* begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its rich and poor, its hustlers and hellions. A true fable, it is

a portrait of two young artists' ascent, a prelude to fame.

*Death by Dangerous* is a compelling legal thriller set in Manchester and Bradford. John Anderson is one of the North West's most dedicated and successful prosecution barristers. His career is going from strength to strength and he is on the verge of becoming Queen's Counsel. But the life he once knew

suddenly comes crashing down following a fatal road traffic accident... "They're saying it was your fault. Someone died." Recovering from his injuries, he has no memory of the collision. Was he responsible for the death of a child? Who was his female passenger? Facing charges of causing death by dangerous driving, the professional and personal life he once knew now lies in tatters. Depressed and taking refuge in alcohol, Anderson refuses, in the face of so many

unanswered questions, to accept his guilt. He becomes convinced that the gangster he was prosecuting at the time of the crash is in some way involved. The mystery deepens as his search for the truth draws him into Manchester's sordid criminal underworld. Shunned by his former colleagues, Anderson finds help from an unlikely source, enabling him to confront his prejudices and re-evaluate his past life. He embarks on a journey of self-discovery and, ultimately, the path

for his own redemption. Anderson knows that defeat means deliverance to a prison full of violent criminals he has prosecuted over the years. He now has to find the strength to fight the most important trial of his life.

BearManor Bare Now you're in for it! Join world famous film star Rebecca Lord as she takes you into the strange and hilarious world of adult films. Rebecca

started in the business when she was a very young woman in France, but soon became well known in the industry and moved to America to further her career. While in the U.S., she became a huge star, and made a lot of friendships with some famous stars on the way, before returning to Europe where she continues to direct movies. This book is full of amazing, sexy and too-funny stories that will have you laughing out loud! Rebecca Lord is a world famous adult film

star and a member of the AVN Hall of Fame. Brian Whitney is the author or co-author of 7 books, including an autobiography of Porsche Lynn and the novel *Raping the Gods*.

**Master of O** Routledge  
 Legendary porn star Nina Hartley's guide to thrilling, liberating, mind-blowing, soul-fulfilling, and intimacy-building sex! Witty, smart, and frankly provocative, Nina Hartley knows sex. As a sex performer, sexual adventurer, and sex educator, she's done the

fieldwork and has taken extensive notes. Now, she's ready to share her research. Let's just say that she's had all the sex—the good, the bad, and the indifferent—so you won't necessarily have to! Nina Hartley's *Guide to Total Sex* is for sexual pioneers and enthusiastic novices. Unabashedly erotic, the book covers a lot of territory, allowing readers to sample the whole smorgasbord or just nibble at what they see as the choicest bits. To start things off, Nina includes explicitly detailed

chapters on foreplay, oral sex, masturbation, toys, and games. Sexual adventurers (and voyeurs) will find chapters on swinging, three-ways, anal sex, erotic domination, sensual submission, and much more. Nina is a strong advocate of safe sex, physically and emotionally, and she helps readers establish personal ground rules. But as a sexual liberationist and a feminist, her core belief is that, between consenting adults, all sexual behaviors are a

matter of personal choice. Whether you're trying to reignite the passion with a longtime spouse, or explore new terrain with a new lover, Nina offers a variety of ideas to achieve exhilarating, deeply satisfying, intimate, and profoundly liberating sex. The First 20 Minutes

Interviews with nineteen successful rock-n'-roll lyricists chronicle the last nineteen years of popular music and reveal the processes and personal sources of songwriting  
[A Song Unsung](#) Courier Corporation  
What do consumers really want? In the mid-twentieth century, many marketing executives sought to answer this question by looking to the

theories of Sigmund Freud and his followers. By the 1950s, Freudian psychology had become the adman's most powerful new tool, promising to plumb the depths of shoppers' subconscious minds to access the irrational desires beneath their buying decisions. That the unconscious was the key to consumer behavior was a new idea in the field of advertising, and its impact was felt beyond the commercial realm. Centered on the fascinating lives of the

brilliant men and women who brought psychoanalytic theories and practices from Europe to Madison Avenue and, ultimately, to Main Street, Freud on Madison Avenue tells the story of how midcentury advertisers changed American culture. Paul Lazarsfeld, Herta Herzog, James Vicary, Alfred Politz, Pierre Martineau, and the father of motivation research, Viennese-trained psychologist Ernest Dichter, adapted techniques from sociology, anthropology,

and psychology to help their clients market consumer goods. Many of these researchers had fled the Nazis in the 1930s, and their decidedly Continental and intellectual perspectives on secret desires and inner urges sent shockwaves through WASP-dominated postwar American culture and commerce. Though popular, these qualitative research and persuasion tactics were not without critics in their time. Some of the tools the motivation researchers introduced,

such as the focus group, are still in use, with "consumer insights" and "account planning" direct descendants of Freudian psychological techniques.

Looking back, author Lawrence R. Samuel implicates Dichter's positive spin on the pleasure principle in the hedonism of the Baby Boomer generation, and

he connects the acceptance of psychoanalysis in marketing culture to the rise of therapeutic culture in the United States.
