Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding border clans in the year of our Lord...1743. Hurlled back in time by forces she cannot understand, Claire's destiny is soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. Luke's Gospel ends with the Lord's ascending into heaven, and his Acts begins with it. His Gospel is a narrative of the ministry of the incarnated Jesus on earth; his Acts is a record of the continuing ministry of the resurrected and ascended Christ in heaven, carried out through His believers on earth. In the Gospels His ministry on earth, carried out by Himself, only sowed Himself as the seed of the kingdom of God into His believers, with no church being built up yet. In the Acts His ministry in heaven, carried out through His believers in His resurrection and ascension, spread Him as the development of the kingdom of God for the building up of the church throughout the entire world to constitute

His Body, which is His fullness for His expression, and which is even the fullness of God for God's expression.

'An irresistible page-turner that reads like the most compelling, sleep defying fiction' TIME OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .
