Morals for the 21st Century John Baines Institute

One of the most acclaimed books of our time—the definitive Vietnam War exposé and the winner of the Pulitzer Prize and the National Book Award. When he came to Vietnam in 1962, Lieutenant Colonel John Paul Vann was the one clear-sighted participant in an enterprise riddled with arrogance and self-deception, a charismatic soldier who put his life and career on the line in an attempt to convince his superiors that the war should be fought another way. By the time he died in 1972, Vann had embraced the follies he once decried. He died believing that the war had been won. In this magisterial book, a monument of history and biography that was awarded the National Book Award and the Pulitzer Prize for Nonfiction, a renowned journalist tells the story of John Vann—"the one irreplaceable American in Vietnam"—and of the tragedy that destroyed a country and squandered so much of America's young manhood and resources.

Lucifer and The Hidden Demons John Baines Institute

Opposites in almost every way, mortally suspicious of each other at first, Lyndon Baines Johnson and Martin Luther King, Jr., were thrust together in the aftermath of John F. Kennedy's assassination. Both men sensed a historic opportunity and began a delicate dance of accommodation that moved them, and the entire nation, toward the historic Civil Rights Act of 1964 and the Voting Rights Act of 1965. Drawing on a wealth of newly available sources -- Johnson's taped telephone conversations, voluminous FBI wiretap logs, previously secret communications between the FBI and the president -- Nick Kotz gives us a dramatic narrative, rich in dialogue, that presents this momentous period with thrilling immediacy. Judgment Days offers needed perspective on a presidency too often linked solely to the tragedy of Vietnam. We watch Johnson applying the arm-twisting tactics that made him a legend in the Senate, and we follow King as he keeps the pressure on in the South through protest and passive resistance. King's pragmatism and strategic leadership and Johnson's deeply held commitment to a just society shaped the character of their alliance. Kotz traces the inexorable convergence of their paths to an intense joint effort that made civil rights a legislative reality at last, despite FBI director J. Edgar Hoover's vicious whispering campaign to destroy King. Judgment Days also reveals how this spirit of teamwork disintegrated. The two leaders parted bitterly over King's opposition to the Vietnam War. In this first full account of the working relationship between Johnson and King, Kotz offers a detailed, surprising account that significantly enriches our understanding of both men and their time.

The Secret Keeper Simon and Schuster

HEALING, HEALTH, & TRANSFORMATION offers an inspiring look at new frontiers in medicine. It is provocative, penetrating, & powerful. You'll discover how to liberate yourself from ill health - how to take personal responsibility for your life & well-being. And how to prevent - or effectively cope with - disease, stress, & be a more fulfilled person. Today's alternative medicine offers scientifically documented results. In this insightful book you'll find first-hand experiences & heart-warming

examples of miraculous recoveries & spontaneous healings using non-traditional health approaches. These remedies span the chasm between conventional medicine & holistic health. You'll learn the value of therapeutic touch, imagery, laughter, affirmations, prayer, & meditation. Other areas explored include the aura, chakras, meridians, & Kirlian photography. You'll also find special sections on diet, nutrition, vitamins, minerals, & exercise. Every important aspect of health is covered - using the innate healing power of the body. This is must reading for every patient & physician who recognizes the inadequacies of our present health care system. It's time traditional medicine focused on all aspects of the individual & all potential remedies. Only then can we transform the health of those who inhabit our planet.

Green Unpleasant Land Open Road Media

An elegant, page-turning thriller in the vein of Night Film and Crooked Letter, Crooked Letter, this tautly crafted novel is about stories: the ones we tell, the ones we keep hidden, and the ones that we'll do anything to ensure they stay buried. When literary agent Peter Katz receives a partial book submission entitled The Book of Mirrors, he is intrigued by its promise and original voice. The author, Richard Flynn, has written a memoir about his time as an English student at Princeton in the late 1980s, documenting his relationship with the protégée of the famous Professor Joseph Wieder. One night just before Christmas 1987, Wieder was brutally murdered in his home. The case was never solved. Now, twenty-five years later, Katz suspects that Richard Flynn is either using his book to confess to the murder, or to finally reveal who committed the violent crime. But the manuscript ends abruptly—and its author is dying in the hospital with the missing pages nowhere to be found. Hell-bent on getting to the bottom of the story, Katz hires investigative journalist John Keller to research the murder and reconstruct the events for a true crime version of the memoir. Keller tracks down several of the mysterious key players, including retired police detective Roy Freeman, one of the original investigators assigned to the murder case, but he has just been diagnosed with early-onset Alzheimer's. Inspired by John Keller's investigation, he decides to try and solve the case once and for all, before he starts losing control of his mind. A trip to the Potosi Correctional Centre in Missouri, several interviews, and some ingenious police work finally lead him to a truth that has been buried for over two decades...or has it? Stylishly plotted, elegantly written, and packed with thrilling suspense until the final page, The Book of Mirrors is a book within a book like you've never read before.

The Mirage Vintage

The force that forged an empire. The furious thunder of thousands of hooves, the clatter and sheen of bronze armor sparkling in the desert sun, the crunch of wooden wheels racing across a rock-strewn battlefield—and leading this terrifying chariot charge, the gallant Pharaoh, the ribbons of his blue war crown streaming behind him as he launches yet another arrow into the panicking mass of his soon-to-be-routed enemies. While scenes like the one depicted above did occur in ancient Egypt, they represent only one small aspect of the vast, complex, and sophisticated military machine that secured, defended, and expanded the borders of the empire during the late Eighteenth Dynasty. In Tutankhamun's Armies, you'll discover the harsh reality behind the imperial splendor of the New

Kingdom and gain a new appreciation for the formidable Egyptian army—from pharaoh to foot soldier. You'll follow "the heretic king" Akhenaten, his son Tutankhamun, and their three Amarna-Period successors as they employ double-edge diplomacy and military might to defeat competing powers, quell internal insurrections, and keep reluctant subject states in line. This vivid and absorbing chronicle will forever change the way you think about the glories and riches of ancient Egypt. OUP Oxford

At the age of 87, Mike Wallace is a legendary figure in broadcast journalism. Now, after 60 years of reporting on important events around the world, he shares his personal stories about the incredible range of celebrities, newsmakers, criminals, and world leaders who have subjected themselves to his unique brand of questioning. Through Wallace's intimate observations about these figures, we experience afresh the pivotal events that have shaped our world. Here, we meet the guilt-racked Secret Service agent assigned to John F. Kennedy's car in Dallas. We learn about the candid moment when President Nixon revealed an unexpected softer side. We witness the underpinnings of the century's greatest social movement through Wallace's eyes as he manages to earn the trust of major civil rights leaders, and we see the trauma Wallace experienced while covering the conflict in Israel. These off-camera anecdotes and fascinating excerpts from Wallace's interviews—with everyone from Eleanor Roosevelt to all the presidents of the last half century, from Frank Lloyd Wright to Johnny Carson, from Margaret Sanger to Malcolm X—give us a new perspective on some of the greatest lives and minds of our time. With a reporter's eye for detail, Wallace mingles laughter, tragedy, and revelatory insight in a memoir unlike any other. For anyone who's ever wondered what it's like to make history for a living, this is a must-read.

The Book of Mirrors Vintage

Over the course of his forty-year career, Thurgood Marshall brought down the separate-but-equal doctrine, integrated schools, and not only fought for human rights and human dignity but also made them impossible to deny in the courts and in the streets. In this galvanizing biography, award-winning author Wil Haygood uses the framework of the dramatic, contentious five-day Senate hearing to confirm Marshall as the first African-American Supreme Court justice, to weave a provocative and moving look at Marshall's life as well as at the politicians, lawyers, activists, and others who shaped—or desperately tried to stop—the civil rights movement. An authoritative account of one of the most transformative justices of the twentieth century, *Showdown* makes clear that it is impossible to overestimate Thurgood Marshall's lasting influence on the racial politics of our nation.

The Good Girls Simon and Schuster

One of Us Is Lying meets Sadie in this twisty, feminist thriller for the Me Too era. The troublemaker. The overachiever. The cheer captain. The dead girl. Like every high school in America, Jefferson-Lorne High contains all of the above. After the shocking murder of senior Emma Baines, three of her classmates are at the top of the suspect list: Claude, the notorious partier; Avery, the head cheerleader; and Gwen, the would-be valedictorian. But appearances are never what they seem. And the truth behind what really happened to Emma may just be lying in plain sight. As long buried secrets come to light, the clock is ticking to find Emma's killer—before another good girl goes down. *Between You and Me* HarperCollins

Known only for the virtues of its sexual practice, ancient Tantric ideology is a universal and wide-reaching ideology virtually ignored in the West. In *Tantra: The Cult of the Feminine*, one of Europe's foremost Tantric authors and teachers, Andre Van Lysebeth, gives readers a balanced, well-informed, modern examination of the secret teachings and symbolism of Tantra. Espousing no dogma, Tantra involves a search for reality that contradicts neither science nor religion. For Tantra, all of the myriad energy forms in the universe -- gravity, nuclear cohesion, electromagnetism -- exist throughout the cosmos. "Scientifically speaking, the universe is a gigantic continuum ranging from sub-atomic to astronomical dimensions. Tantrists have perceived this unity for over thirty-five centuries," points out van Lysebeth in his introduction. Originally published in 1992, *Tantra* has become the classic text on the subject, the source for serious students. Eight full-color illustrations and 36 line drawings complement a comprehensive and contemporary explanation of Tantra, complete with meditations. Andre does a remarkable job of bringing ancient theories into the modern world.

The Metaphysical Blueprint to Decoding Hollywood Films John Wiley & Sons

Where there was effort, there will be ease. Where there was fear, there will be control. Where there was lack, there will be wealth. If you fear evil, know that there is no evil in this grimoire other than the evil that you bring. Be at ease with your desires, and you will not falter. The practical magick in this book gives you powers that include influence and control, with magick for money, sex, passion, and seduction. There are powers of persuasion, charm, and trust, alongside those for healing, guidance, wisdom, and peace. The demons enable you to solve legal problems, finding justice and improving your willpower. You will discover protection, bindings, and ways to improve personal skills and creativity. For those who seek greater control, there is a sequence of corruption and cursing rituals and methods for causing disease and mental suffering. Other powers create illusion or concealment and even manipulate time and reality itself. Working with demons is safe when you accept that the demons do not need to be restrained or controlled. A demon wants to fulfill its destiny by helping you obtain what you desire. When you get what you want, that is what the demon wants. This is the true harmony of magick. When you are clear about your desire, there is no risk in surrendering to the power of this magick. You are not selling your soul or making a pact with the devil, but connecting to a legion of consciousness that rewards desire, choice, and determination. Working as The Order of The Unveiled Faces we have performed magick with the powers of Lucifer and The Hidden Demons since 1955. Our intention is to clarify the mysteries and dispel the myths. For those who seek magick, we swear an oath to provide you only with the methods that we know to be true. This is not another book about the demons of Goetia, but one that reveals the Legion of Lucifer. There are more than 100 demons in this book, and most are unknown outside of the secret orders. We reveal the full details of our source materials so you can see how these demons were hidden, and how they were found. You will have the ability to work with hundreds of unique powers. Open your mind, and you will be granted the power to shape, guide, and transform your reality.

These Few Precious Days Knopf

NEW YORK TIMES BEST SELLER • A NEW YORKER ESSENTIAL READ • From the best-selling author of *Atonement* and *Saturday* comes the epic and intimate story of one man's life across generations and historical upheavals. From the Suez Crisis to the Cuban Missile Crisis, the fall of the Berlin Wall to the

current pandemic, Roland Baines sometimes rides with the tide of history, but more often struggles against it. A BEST BOOK OF THE YEAR: Vogue • The New Yorker “Masterful.... McEwan is a storyteller at the peak of his powers.... One of the joys of the novel is the way it weaves history into Roland’s biography.... The pleasure in reading this novel is letting it wash over you.” —Associated Press When the world is still counting the cost of the Second World War and the Iron Curtain has closed, eleven-year-old Roland Baines's life is turned upside down. Two thousand miles from his mother's protective love, stranded at an unusual boarding school, his vulnerability attracts piano teacher Miss Miriam Cornell, leaving scars as well as a memory of love that will never fade. Now, when his wife vanishes, leaving him alone with his tiny son, Roland is forced to confront the reality of his restless existence. As the radiation from Chernobyl spreads across Europe, he begins a search for answers that looks deep into his family history and will last for the rest of his life. Haunted by lost opportunities, Roland seeks solace through every possible means—music, literature, friends, sex, politics, and, finally, love cut tragically short, then love ultimately redeemed. His journey raises important questions for us all. Can we take full charge of the course of our lives without causing damage to others? How do global events beyond our control shape our lives and our memories? And what can we really learn from the traumas of the past? Epic, mesmerizing, and deeply humane, *Lessons* is a chronicle for our times—a powerful meditation on history and humanity through the prism of one man's lifetime.

Lady Bird Johnson Simon and Schuster

In this runaway #1 New York Times bestseller, former secret service officer Gary Byrne, who was posted directly outside President Clinton's oval office, reveals what he observed of Hillary Clinton's character and the culture inside the White House while protecting the First Family in *CRISIS OF CHARACTER*, the most anticipated book of the 2016 election.

Hypsoconsciousness Center Street

On September 4, 1971, the office of Lewis Fielding, a psychiatrist practicing in Los Angeles, was broken into. It looked like a run of the mill drug raid. A month later, a homeless man was charged with burglary and the case was considered closed. On June 17, 1972, five men were charged with breaking and entering at the headquarters of the Democratic National Committee in the Watergate Hotel in Washington, D.C. With these two burglaries, one seemingly innocuous while the other was more serious because of the venue, the scandal known as Watergate was born. As the tale of Richard Nixon and his Plumbers began to unfold, it was discovered that one of Lewis Fielding's patients was Daniel Ellsberg, the man who released the Pentagon Papers to the New York Times. Ellsberg was high on Nixon's list of enemies and he vowed to destroy him at all costs. In *Wild Man*, Tom Wells explores the life of Daniel Ellsberg to discover what makes an individual enact the most severe breach of government security ever to occur in the United States. As Wells follows Ellsberg from his early days as a piano prodigy to his years of great promise at Harvard, we see the development of a volatile, narcissistic loner with a voracious sexual appetite, a highly developed intelligence and, most importantly, the overwhelming need to take centre stage in the pageant known as America. In *Wild Man*, Tom Wells creates an unforgettable picture of Daniel Ellsberg, an American Everyman for the seventies who embodied the promise and paranoia of that uncertain time. This is a thrilling piece of biography that will stand as one of the great American portraits. *Showdown* Health Communications, Inc.

A fascinating look at the life of Lady Bird Johnson draws largely on 47 recorded oral history interviews, conducted by the author and his colleagues over a span of 18 years.

Eve's Secrets Harper Collins

Caulder writes of the links between her heritage, her spirituality and the practices of Voodoo and Shamanism. color photos.

The Grindle Nightmare Peepal Tree Press

No decree, state referendum, or international organization can abolish a woman's right to develop individually within her internal world and to build her own psychic means for self-determination. Nothing and no one can stop a woman who, due to her own development, has become completely emancipated from the discrimination she faced previously, and has become equal to all by her own decree, not because of an externally ordained special law. Women have no idea of their own power. Indeed, except for Nature, no other similar force exists in the Universe. Women really do possess within the most powerful weapon to solve any problems or difficulties that show up in life. The author encourages women to ready themselves to become the mothers of the world and the creators of change for all humanity. How many years must one wait for this to happen? The answer rests with women.

Blind Spot Scribner

Presents the findings of a study of male and female sexual organs and introduces a new theory of orgasm.

Superhealing Macmillan

Green Unpleasant Land explores the countryside's repressed colonial past and demonstrates its importance as a source of ideas about Englishness. The book presents historical evidence to show that rural England was a place of conflict and global expansion. It also examines four centuries of literary response to explore how race, class and gender have both created and deconstructed England's pastoral mythologies. In particular, the book argues that Black and British Asian writers have challenged narrow, nostalgic views of rural England but also expressed attachment to English landscapes and the natural world.

Wild Man Hachette UK

Murder strikes a New England village in this mystery by the Edgar Award-winning author who wrote the Peter Duluth Mysteries as Patrick Quentin. Patrick Quentin, best known for the Peter Duluth puzzle mysteries, also penned outstanding detective novels from the 1930s through the 1960s under other pseudonyms, including Q. Patrick and Jonathan Stagge. Anthony Boucher wrote: “Quentin is particularly noted for the enviable polish and grace which make him one of the leading American fabricants of the murderous comedy of manners; but this surface smoothness conceals intricate and meticulous plot construction as faultless as that of Agatha Christie.” It begins with the residents of a rustic New England village finding animals brutally slaughtered over a period of weeks, casting a sinister pall over the town of Grindle Oak. Then, a young girl goes missing, and her father—not trusting the police—asks local doctor Douglas Swanson to help him find her. But when Swanson turns up to begin the search, he finds the man dead with his hands bound in animal traps and his body mutilated. It appears the madman behind the abominable acts has moved on to more evolved prey. As more depraved crimes are discovered, a wave of suspicion and distrust sweeps

through the town, with outright vigilantism threatening to break out. The good doctor finds himself cast as an unlikely sleuth who must discover what demented desires are driving a killer whose bloodlust is growing greater every day . . . This haunting mystery “maintains the suspense and atmosphere of terror to the very end” (The New York Times).

A Bright Shining Lie The Secret ScienceThe Secret ScienceThe Science of LoveHypsoconsciousness
Incorporating the Hugo & Nebula award-nominated novella “Identity Theft” The name’s
Lomax—Alex Lomax. I’m the one and only private eye working the mean streets of New Klondike,
the Martian frontier town that sprang up forty years ago after Simon Weingarten and Denny O’Reilly

discovered fossils on the Red Planet. Back on Earth, where anything can be synthesized, the remains of alien life are the most valuable of all collectibles, so shiploads of desperate treasure hunters stampeded here in the Great Martian Fossil Rush. I’m trying to make an honest buck in a dishonest world, tracking down killers and kidnapers among the failed prospectors, the corrupt cops, and a growing population of transfers—lucky stiff who, after striking paleontological gold, upload their minds into immortal android bodies. But when I uncover clues to solving the decades-old murders of Weingarten and O’Reilly, along with a journal that may lead to their legendary mother lode of Martian fossils, God only knows what I’ll dig up...
