Performance Programs Company's newly
minted Florida Real Estate Continuing
Education Course (the "FLA.CE"
Program) is a 14-hour course specifically
designed for Florida real estate licensees
and for their fulfillment of Florida's real
estate continuing education
requirements. As such, the course
carefully complies with FREC
requirements and specification for
content coverage, organization length,
format, and final examinations. The
thrust of the course's content is to -
provide a comprehensive yet terse
review of key concepts and principles
undergirding Florida brokerage and
management practices - emphasize how
to develop and maintain practical yet
widely-accepted standards of
professional real estate practice as
codified by the Realtors Code of Ethics
and FREC-promulgated regulations -
highlight the more action-oriented
aspects of brokerage practice as
opposed to legal concepts, including risk
mitigation, the basics of managing
transactions, pricing property,
completing contracts, financial analysis,
closing, and, throughout, making
conscientious and transparent
disclosures. In fulfilling these course
content benchmarks, we have tried to
keep the topic summaries clear, simple
and relevant. Ultimately, we hope they

will serve the ongoing purpose of
keeping you abreast of the industry's
newest trends, developments, and new
evolutions. Important note: The FLA.CE
Program needs to be purchased through
an approved Florida real estate school to
receive credit. Buying and completing
the FLA.CE book purchased here on
Amazon will NOT earn you credit. Our
FLA.CE text resource is to be in used in
conjunction with a school's FLA.CE
course.

Every real estate sales licensee in the
state of Florida is required to take an
approved 45-hour post-licensing sales
course prior to the first renewal of the
licensee's license. This book, Florida Real
Estate 45-Hour Course Companion
corresponds with Azure Tide's state-
approved course to meet this
requirement.The content of Florida Real
Estate 45-Hour Course Companion is
based on the authors' own experiences
in building a real estate business. It
contains a heavy emphasis on
prospecting for business building
opportunities. Furthermore, it teaches
agents how to handle buyer and seller
objections-enabling them to get more
listings and sell more houses. It is a
great asset for Florida Real Estate
licensees needing to fulfill their post-
licensing requirements and for those
wanting to build a successful real estate
business.Florida Real Estate 45-Hour
Course Companion is divided into 4
sections with a total of 16 chapters.
SECTION 1 BUSINESS BUILDING, focuses
on building a thriving real estate
business. SECTION 2 THE DEAL, focuses
on successfully taking a deal from

contract to closing. SECTION 3 LEGAL ISSUES, focuses on legal issues affecting the practice of real estate. SECTION 4 PROPERTY MANAGEMENT, focuses on providing property management services. This state-approved course is required within the licensee's first renewal period to maintain a Florida Real Estate license. It is designed to help a new licensee navigate through the many issues of starting a real estate career.

Features of Pennsylvania Real Estate License Exam Prep (PA-RELEP): National Principles & Law Key Point Review (60 pages) Real Estate Math Key Formula Review & Practice (20 pages)

Pennsylvania-Specific Laws and Practices (25 pages) National Practice Tests (500 questions) Pennsylvania Practice Tests (125 questions) Pennsylvania Sample Exam (100 questions) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for.

That's why we created Pennsylvania Real Estate License Exam Prep (PA-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. PA-RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is Pennsylvania-specific - not just simplistic national content, but terse, relevant and accurate Pennsylvania laws and

regulations presented as a well-organized set of state 'key point reviews' ideal for pre-test memorization. But let's not dismiss the importance of the national content either. PA-RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice - one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by PSI for Pennsylvania. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your Pennsylvania license exam. A word about the test questions... PA-RELEP's testing practice section consists of ten national practice tests, five state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by your state exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or "rationale" to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state

exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Pennsylvania real estate exam. So good luck!!

What Can You Teach Online from Home Using Your Camcorder, Personal Computer and the Internet? Did you know that you can teach almost any subject online, on the Web at Blackboard.com, (<http://www.blackboard.com>) for a university, community college, continuing education department, or in adult education, or for yourself as an independent contractor in your own personal broadcasting network?

Blackboard is where I teach. Founded to transform the Internet into a powerful environment for teaching and learning, Blackboard traces its technology roots to Cornell University. Today, thousands of institutions in 140 countries deliver e-Education services through Blackboard's suite of enterprise systems. If you put up a course at Blackboard.com on the Web or for any similar type of teaching area on the Web, you can teach online independently without anyone hiring you as a teacher. You are an independent consultant, a trainer, an independent contractor, or you can start your own school or one course online and teach. This book is about using your personal computer and your camcorder linked together to teach online from your home any subject you are able to teach, have expertise in, or enjoy researching. This can be a hobby, what you have studied and are credentialed or licensed, or any how-to subject. You can teach writing, using a camcorder, public speaking, or any technology that you have worked with and have expert knowledge of in a home-based online office.
