From Grammy-Award winning music superstar and actor Tim McGraw comes a one-of-a kind lifestyle book that melds his personal fitness transformation story with practical advice to inspire healthy changes in readers' lives. Tim McGraw is as well-known for his unparalleled accomplishments in the entertainment industry as he is for his boundless energy—he is the embodiment of vitality and success. But only a decade ago, he found himself struggling with his health. The demands of his meteoric career and life on the road had taken a toll. McGraw came to a crossroads where knew that unless he made his physical health a priority, he would put his personal happiness and professional success at risk. In *Grit & Grace*, McGraw shares his transformation story along with encouragement, inspiration, and real-life, practical advice to help readers become healthy, strong and fit in mind and body. For the first time, McGraw will share the details of the mental and physical routine that got him in the best shape of his life. He suggests that there is no magic formula to getting stronger and healthier: it is about making a commitment to do and be better, and holding yourself accountable each day. McGraw didn't follow a playbook or have a squad of trainers overseeing his every step. He describes his way of getting into shape as more "maverick"—tuning into a vision of what you personally want to achieve, staying focused, and putting in the work. McGraw says his physical transformation has ignited a whole-life transformation. "My mind is clearer, my sense of purpose is sharper, and my

relationships are deeper. Consistent physical exercise helps me bring focus to my life and to the people who mean the most to me." In *Grit & Grace*, McGraw makes this transformation accessible to anyone, sharing with readers the physical and mental tools they can use to create the life they deserve.

The British comedian of Nigerian heritage and co-executive producer and writer of the CBS hit series *Bob Hearts Abishola* chronicles her odyssey to get to America and break into Hollywood in this lively and humorous memoir. According to family superstition, Gina Yashere was born to fulfill the dreams of her grandmother Patience. The powerful first wife of a wealthy businessman, Patience was poisoned by her jealous sister-wives and marked with a spot on her neck. From birth, Gina carried a similar birthmark—a sign that she was her grandmother's chosen heir, and would fulfill Patience's dreams. Gina would learn to speak perfect English, live unfettered by men or children, work a man's job, and travel the world with a free spirit. Is she the reincarnation of her grandmother? Maybe. Gina isn't ruling anything out. In *Cack-Handed*, she recalls her intergenerational journey to success foretold by her grandmother and fulfilled thousands of miles from home. This hilarious memoir tells the story of how from growing up as a child of Nigerian immigrants in working class London, running from skinheads, and her overprotective Mom, Gina went on to become the first female engineer

with the UK branch of Otis, the largest elevator company in the world, where she went through a baptism of fire from her racist and sexist co-workers. Not believing her life was difficult enough, she later left engineering to become a stand up comic, appearing on numerous television shows and becoming one of the top comedians in the UK, before giving it all up to move to the US, a dream she'd had since she was six years old, watching American kids on television, riding cool bicycles, and solving crimes. A collection of eccentric, addictive, and uproarious stories that combine family, race, gender, class, and country, Cack-Handed reveals how Gina's unconventional upbringing became the foundation of her successful career as an international comedian.

#1 NATIONAL BESTSELLER * INSTANT NEW YORK TIMES BESTSELLER Following Chris Wallace's "riveting" (The New York Times) and "propulsive" (Time) first book Countdown 1945 comes a deeply reported, revelatory, and thrillingly told account of the final months of the hunt for Osama bin Laden. On August 27, 2010, three CIA officers ask for a private meeting with CIA Director Leon Panetta. During that secret session, they tell Panetta that agents have tracked a courier with deep Al Qaeda ties to a three-story house at the end of a dead-end street in Abbottabad, Pakistan. But they say it's more than a house—it's a heavily protected fortress. No one in the meeting says the name bin Laden. They don't have to. Everyone understands that finally, after nearly a decade, maybe, just maybe, they've found the world's most wanted man. In Countdown bin Laden, celebrated journalist and anchor of Fox News Sunday Chris Wallace delivers a vivid account of the final eight months of intelligence gathering, national security strategizing, and meticulous military planning that leads to the climactic mission when SEAL Team Six closes in on its target. The book delivers new information collected from Wallace's in-depth interviews with more than a dozen central figures, including Admiral William H. McRaven—leader of the operation in Pakistan—as well as CIA Director Panetta, Secretary of State Hillary Rodham Clinton, Defense Secretary Robert Gates, National Security Advisor Tom Donilon, and the SEAL Team Six special operator who kills Osama bin Laden. Wallace also brings to life the human elements of this story, talking to families who lost loved ones on 9/11, sharing what relatives of SEAL Team Six went through, and bringing us inside the tense Situation Room during the raid. Countdown bin Laden is a historical thriller filled with intrigue, cinematic action, and fresh reporting about the race to apprehend and bring to justice the mastermind of the most consequential terrorist attack in American history.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

100% of The Late Show's proceeds from this book go to hurricane relief. Whose Boat Is This Boat? Comments That Don't Help in the Aftermath of a Hurricane is a picture book made entirely of quotations from President Donald Trump in the wake of Hurricane Florence. It is the first children's book that demonstrates what not to say after a natural disaster. On September 19, 2018, Donald Trump paid a visit to New Bern, North Carolina, one of the towns ravaged by Hurricane Florence. It was there he showed deep concern for a boat that washed ashore. "At least you got a nice boat out of the deal," said President Trump to hurricane victims. "Have a good time!" he told them. The only way his comments would be appropriate is in the context of a children's book—and now you can experience them that way, thanks to the staff of The Late Show with Stephen Colbert. Whose Boat Is This Boat? is an excellent teaching tool for readers of all ages who enjoy learning about empathy by process of elimination. Have a good time!

The Steep & Thorny Way Weinstein Books

INSTANT NEW YORK TIMES BESTSELLER The first explosive book about Javanka and their infamous rise to power Jared Kushner and Ivanka Trump are the self-styled Prince and Princess of America. Their swift, gilded rise to extraordinary power in Donald Trump's White House is unprecedented and dangerous. In Kushner, Inc., investigative journalist Vicky Ward digs beneath the myth the couple has created, depicting themselves as the voices of reason in an otherwise crazy presidency, and reveals that Jared and Ivanka are not just the President's chief enablers: they, like him, appear disdainful of rules, of laws, and of ethics. They are entitled inheritors of the worst kind; their combination of ignorance, arrogance, and an insatiable lust for power has caused havoc all over the world, and may threaten the democracy of the United States. Ward follows their trajectory from New Jersey and New York City to the White House, where the couple's many forays into policy-making and national security have mocked long-standing

U.S. policy and protocol. They have pursued an agenda that could increase their wealth while their actions have mostly gone unchecked. In Kushner, Inc., Ward holds Jared Kushner and Ivanka Trump accountable: she unveils the couple's self-serving transactional motivations and how those have propelled them into the highest levels of the US government where no one, the President included, has been able to stop them.
