Baseball's No-Hit Wonders honors such legendary pitchers as Cy Young, Bob Feller, Nolan Ryan and Sandy Koufax, while introducing readers to other eccentrics and one-shot wonders who have thrown no-hitters. The book, the first of its kind in more than fifteen years, fleshes out the colorful characters, compelling narratives and statistical oddities from baseball's 289 no-hit efforts—as well as the many near misses that are also part of the national pastime's storied history. Painstaking research and personal interviews have allowed the author to pack great detail into a fun, fast-paced take on the game, revealing the stories of the no-hitter thrown by a pitcher on acid, the hitters most adept at breaking up no-hitters and other gems thrown by guys with nicknames of Bumpus, Bobo, Cannonball and Nixey. Even the game's greatest slugger is credited with a partial no-hitter, and all he did was throw a punch.?? Chapters detailing the best no-hitters of all time are interspersed with "Did You Know?" lists that include no-hitters by team, city and day of the week, no-hitters of the Negro Leagues, catchers who caught the most no-nos and the best pitchers NOT to throw a no-hitter. The View from the Stands is both the story of one fan's love of the game and an examination of the effect baseball has had on fans everywhere throughout its history. A collection of stories and insights compiled during the summer of 2002 in each of MLB's thirty parks, The View from the Stands provides us with the fans' perspective on every team and stadium in the league, and on the most important issues currently affecting the game. It gives a voice to the masses of people who fill our stadiums, and it explains how a child's game became the business it is today. This book examines the entire experience of live baseball, from the uncomfortable seats to the misplaced marketing ventures to the incredible feeling of seeing Bonds circle the bases. Baseball touches our lives in so many unexpected ways. By introducing us to the little boys who rush to the edge of the stands in Wrigley, the recovering alcoholic who found a new family at the Metrodome, and many others from all walks of life, The View from the Stands tells the story of our love of the game--what draws us in and what keeps us coming back for more.

Spring Training Before the purpose-pitch that zips inches from the batter's head, before greenfly autograph-seekers stalk hotel lobbies, before thousands of fans stand up and boo in 50,000-seat stadiums, before the proverbial dog days of summer and the pressure-packed moments of October . . . there is sweet spring. They signal the arrival of fresh air and sunshine after a long winter devoid of bare feet and box scores. The chance to see the game up close and personal, in beautiful slow motion. No other sport undergoes this slow, glorious unfolding. And no other book captures baseball's rite of passage in all its magic. The View from the Stands Houghton Mifflin Harcourt

PLAYING HARD BALL is a unique sports book, a cultural comparison of two national games - cricket, English in origin and American baseball - written from the viewpoint of a top-class practitioner of both codes. Ed Smith - the young Cambridge University and Kent batsman - has spent the winters since 1998 in Spring Training with the New York Mets baseball team. It has enabled Ed to contrast and compare arguably the two most iconic of sports from the inside. In fact, baseball had a thriving following

in Britain until the Great War: Derby County's former stadium was called the Baseball Ground; Tottenham Hotspur was at first a baseball club. Apart from learning two very different techniques, Ed learned that the sports' ultimate heroes, the Babe and the Don - Babe Ruth and Don Bradman - might as well have come from different planets, whilst baseball's pristine Hall of Fame in Cooperstown is a far cry from the ramshackle cricket museum at Lord's. Ed Smith's PLAYING HARD BALL draws on these intriguing comparisons to paint a two-sided portrait of sports most illustrious 'hitting games'.

The author discusses designing a personalized memorabilia room and display, in addition to the most successful ways to authenticate memorabilia and a handy guide to acquiring the signatures of each living member of the Hall of Fame.

The Amazin' Mets, 1962-1969 Simon and Schuster

In 1961, when the New York Yankees and the St. Louis Cardinals arrived in St. Petersburg, Florida, for spring training, neither team had any idea that a feisty physician was about to turn its world upside down. To Major League Baseball, Dr. Ralph Wimbish was just a black homeowner able to house the team's African American ball players, who were segregated from their white teammates—except on the diamond—during spring training. The laws in Florida, like the rest of the South, were dictated by Jim Crow. Major League Baseball had no plans to upend it. Dr. Wimbish had other ideas. Drawing on personal interviews, newspaper accounts, archival documents, and memoirs, Adam Henig has written a story that New York Post sports columnist Mike Vaccaro and Tampa Bay Times' Jon Wilson called "a must read!" A book for baseball enthusiasts that goes beyond the game, *Baseball Under Siege* (formerly titled *Under One Roof*) is an unforgettable tale of a little-known civil rights activist who risked it all to achieve racial justice in his city, in his state, and in America's favorite pastime.

Almost a Dynasty Triumph Books

In modern baseball history, only one team not named the New York Yankees has ever won three consecutive World Series. That team was the Oakland Athletics, who captured major league baseball's crown each year from 1972 through 1974. Led by such superstars as future Hall of Famers Reggie Jackson, Catfish Hunter and Rollie Fingers, in the final years before free agency and the movement of players from one team to another forever changed the game, the Athletics were a largely homegrown aggregate of players who joined the organization when the team called Kansas City its home, developed as teammates in the minor leagues, and came of age together in Oakland. But it was the way in which they did it that immortalized those teams. For if the story of the Oakland Athletics' championships is that of one of baseball's greatest teams, it's also the story of enigmatic owner Charles O. Finley and how those players succeeded in spite of Finley's larger-than-life persona and meddlesome ways. Indeed, before the Yankees' George Steinbrenner, there was Charles Oscar Finley, of the Athletics. Featuring the contributions of 46 members of the Society for American Baseball Research (SABR), *Mustaches and Mayhem: Charlie O's Three-Time Champions* shares the stories of each of the roster players on each of the A's championship teams, in addition to the managers, coaches, Finley himself, the team's radio announcer, and even Charlie O, the mule, Finley's legendary mascot. Summaries of each spring training and World Series, too, will complete the tale of one of baseball's most colorful and successful teams. Biographies included: Charlie Finley, Charlie O (the Mule), Sal Bando, Vida Blue, Bert Campaneris, Rollie Fingers, Dick Green, Dave Hamilton, Catfish Hunter, Reggie Jackson, Ted Kubiak, Blue Moon Odom, Joe Rudi, Gene Tenace, Jerry Adair (coach), Matty Alou, Brant Alyea, Dwain Anderson, Curt Blefary, Bob Brooks, Larry Brown, Ollie Brown, Orlando Cepeda, Ron Clark, Tim Cullen, Dave Duncan, Mike Epstein, Adrian Garrett, Larry Haney, Mike Hegan, George Hendrick, Ken Holtzman, Joe Horlen, Vern Hoscheit (coach), Mike Kilkenny, Darold Knowles, Allan Lewis, Bob Locker, Angel Mangual, Gonzalo Marques, Marty Martinez, Dal Maxvill, Denny McLain, Bill McNulty, Don Mincher, Irv Noren (coach), Bill Posedel (coach), Jim Roland, Diego Segui, Art Shamsky, Don Shaw, Bill Voss, Gary Waslewski, Dick Williams, Glenn Abbott, Jesus Alou, Mike Andrews, Pat Bourque, Rico Carty, Billy Conigliaro, Vic Davalillo, Chuck Dobson, Ray Fosse, Rob Gardner, Phil Garner,

The 2011-2012 volume in the Cooperstown Symposium series is a collection of new scholarly essays that use baseball to examine topics whose import extends beyond the ballpark. The essays represent 16 of the leading presentations from the two most recent proceedings of the annual Cooperstown Symposium on Baseball and American Culture, held on June 1-4, 2011, and May 30-June 1, 2012. The essays are divided into six parts. "Baseball History, Myth, and the American Past" considers the distinction between reality and remembrance. "Decade of Transition: The 1960s in Baseball and America" explores a critical passage in the evolution of the nation and the game. "Baseball Economics: Owners, Profits, and the Public" provides perspectives on sports as business. "Out of the Bleachers: Women Umpiring and Playing" links the game to those who participate and care about it despite the expectations of atavistic gender roles. Game of My Life New York Mets, now newly updated, takes a personal look inside the biggest moments of the Mets' greatest and most beloved players, from journeymen to superstars. Their most unforgettable games paint a picture of Mets history, as the franchise morphed from a dismal (though lovable) expansion team in 1962 to World Series Champions in 1969 and 1986 and

Fan favorite Ron Swoboda recounts making “The Catch.” Infielder Wally Backman relives the many thrills of playing on the '86 Mets as they marched to a

championship. All-Star Edgardo Alfonzo describes going six-for-six, including three home runs, in one of the most dominating offensive games in baseball history. Right-hander Bobby Jones recalls pitching the most dominating postseason game in Mets history, when he threw a one-hit shutout to clinch the 2000

National League Division Series against the San Francisco Giants. Current ace Jacob deGrom recounts his gritty series-clinching performance against the Dodgers in Game Five of the NLDS. Journalist Michael Garry, a lifelong Mets fan, also includes stories about Tom Seaver, Mike Piazza, and David Wright, among others.
