**Tiger & Phil Macmillan** Completely up to date with the latest research and developments from the field, best-selling **COMMUNICATING FOR RESULTS: A GUIDE FOR BUSINESS AND THE PROFESSIONS**, 11th Edition, explains the basic concepts and techniques needed to successfully communicate in today's business world. Professors Hamilton and Kroll provide succinct yet thorough coverage of every aspect of the communication process -- organizational communication, obstacles to effective organizational communication, conflict resolution, how technology affects communication, group and team communication, effective business presentations, improved use of social media, and more. **Polishing Your Career Skills** features provide diagnostic tools to help readers pinpoint and sharpen their own weaknesses, while real-world cases illustrate how chapter concepts apply to real life. With **COMMUNICATING FOR RESULTS**, students gain a

competitive edge in interviews, presentations, future leadership roles, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Lucky Breaks** Springer Science & Business Media A NEW YORK TIMES BESTSELLER The definitive biography of the NFL's most enigmatic, controversial, and yet successful coach Bill Belichick is perhaps the most fascinating figure in the NFL--the infamously dour face of one of the winningest franchises in sports. As head coach of the New England Patriots, he's led the team to five Super Bowl championship trophies. In this revelatory and robust biography, readers will come to understand and see Belichick's full life in football, from watching college games as a kid with his father, a Naval Academy scout, to orchestrating two Super Bowl-winning game plans as defensive coordinator for the Giants, to his dramatic leap to New England, where he has made history. Award-winning columnist and New York Times best-selling author Ian

O'Connor delves into the mind of the man who has earned a place among coaching legends like Lombardi, Halas, and Paul Brown, presenting sides of Belichick that have been previously unexplored. O'Connor discovers how this legendary coach shaped the people he met and worked with in ways perhaps even Belichick himself doesn't know. Those who follow and love pro football know Bill Belichick only as the hooded genius of the Patriots. But there is so much more--from the hidden tensions and deep layers to his relationship with Tom Brady to his sometimes frosty dealings with owner Robert Kraft to his ability to earn the unmitigated respect of his players--if not their affection. This is a man who has many facets and, ultimately, has created a notorious football dynasty. Based on exhaustive research and countless interviews, this book circles around Belichick to tell his full story for the first time, and presents an incisive portrait of a mastermind at work. *Moe and Me* Bloomsbury Publishing USA Cal Brown, the author of the wildly popular Augusta National & The

Masters, gives you the insider's stories of the Masters that until today had only been passed from player to player. Get the scoop on champions like Hogan, Palmer, Nicklaus, and Crenshaw, and on the builders of the course -- Jones, Roberts, and MacKenzie. *Masters Memories* is a riveting and charming book that all lovers of the Masters will cherish.

*Where the Water Goes*  
Simon and Schuster  
CLICK HERE to download sample native plants from Real Gardens Grow Natives For many people, the most tangible and beneficial impact they can have on the environment is right in their own yard. Aimed at beginning and veteran gardeners alike, Real Gardens Grow Natives is a stunningly photographed guide that helps readers plan, implement, and sustain a retreat at home that reflects the natural world. Gardening with native plants that naturally belong and thrive in the Pacific Northwest's climate and soil not only nurtures biodiversity, but provides a quintessential Northwest character and beauty to yard and neighborhood! For gardeners and conservationists who lack

the time to read through lengthy design books and plant lists or can't afford a landscape designer, Real Gardens Grow Natives is accessible yet comprehensive and provides the inspiration and clear instruction needed to create and sustain beautiful, functional, and undemanding gardens. With expert knowledge from professional landscape designer Eileen M. Stark, Real Gardens Grow Natives includes: \* Detailed profiles of 100 select native plants for the Pacific Northwest west of the Cascades, plus related species, helping make plant choice and placement. \* Straightforward methods to enhance or restore habitat and increase biodiversity \* Landscape design guidance for various-sized yards, including sample plans \* Ways to integrate natives, edibles, and nonnative ornamentals within your garden \* Specific planting procedures and secrets to healthy soil \* Techniques for propagating your own native plants \* Advice for easy, maintenance using organic methods  
**Masters Memories**  
University of Texas Press  
Golf has 3 competitors - other players, the course,

and yourself. Leaderboards measure how you performed against others; score against Par measures how you performed against the course. The GYRA Mental Scorecard allows you to measure your performance against your primary competitor - yourself - per shot, per hole. This is a game-changer. "You may never play golf the same way if you start measuring your mental performance on the golf course." Gary Player, World Golf Hall of Fame "With the introduction of the GYRA Mental Scorecard, you are now able to track your emotions, thoughts, and behaviors to be able to better yourself for future situations." Jason Gore, Player Relations, USGA "GYRA tools have given me the skills to manage my emotions and thoughts throughout the up's and down's of tournament golf." Seamus Power, Olympian, PGA Tour Player "I have been coaching college golf for 20 years. The difference between a good vs great player is usually their mental approach to the game. The idea of having a scorecard for golfers to describe and track what is happening in their mind is groundbreaking." Tim

Straub, Davidson College  
 “This book should be required curriculum for golf academies, teaching professionals, caddies, and players.” David Ross PGA Lifetime Member, Ross Academy  
*The New Dogs of War*  
 Citadel Press  
 It's 1999 and although Rich Beem has just been nominated for Rookie of the Year following his first ever victory, he's still just another golfer on the PGA Tour desperately trying to break out from Tiger's shadow. Alan Shipnuck takes us inside Beem's world, exploring the complex relationship with his faithful caddie, Steve Duplantis, from being arrested together for drink-driving at Carnoustie, all the way to glorious and unexpected victory at the 2002 PGA Championship. In *BUD, SWEAT & TEES* Alan Shipnuck takes a no-holds-barred look at modern professional golf. Through the unlikely partnership of golfer Rick Beem and his caddie Steve Duplantis, Shipnuck shows all the highs and lows, temptations and pitfalls that await all players on the Tour. Reminiscent of Lawrence Donegan's bestselling *FOUR-IRON IN THE SOUL* (Penguin), *BUD, SWEAT &*

*TEES* is an exciting and often poignant book that will leave readers with an unforgettable insight into a unique relationship. Primary Teaching  
 Outskirts Press  
 Golfers dream of playing the legendary courses of the game: St. Andrews, Augusta National, Pinehurst, Pebble Beach. And anyone who has played the royal and ancient sport is an armchair architect at heart. From alterations for their home course to visions of their very own backyard dream course, most golfers would love to test their hands at course design. What makes certain courses timeless? Unlike the venues of other popular recreational sports like tennis and racquetball, whose playing fields are bound by strict measurements that do not vary, each golf course is unique. Offering an endless topographical variety, from short to long, flat or hilly, wet or dry, every course represents a compelling blend of risks versus rewards, with decisions and challenges to test every golfer's game and mental toughness. Combining Geoff Shackelford's informative narrative with detailed illustrations by architect

Gil Hanse, *Grounds for Golf* explains the fundamentals of golf course design in an understandable and entertaining style. Modern photographs, anecdotal sidebars, and witty quotations augment a course design primer that will enhance readers' enjoyment of golf's lore while introducing the fundamentals of course design. By explaining the golf course from the ground up, *Grounds for Golf* will not only help readers in their understanding of the game, but will help their games themselves.

**The ESPY Golf Swing Coach** Cengage Learning  
 Tony Jacklin rescued the Ryder Cup from oblivion. Following years of American domination, interest in the event nosedived in the 1970s. It was Tony's appointment as captain of Europe in 1983 that helped resuscitate the matches and launch the remarkable transformation of a competition that is now one of the biggest showpiece occasions in the world of sport. This book takes us on a journey through Tony's Ryder Cup career, his seven matches as a player and his four as

captain. It details his friendships with some of the game's greats like Seve Ballesteros, Jack Nicklaus and Arnold Palmer but also chronicles the times when he hit rock bottom - the sudden and unexpected death of his first wife, his own recent struggles with ill health, the year he lost everything financially and his affair with a sixteen-year-old that was splashed on the front page of a tabloid newspaper.

Ballantine Books

**\*\*If you order the PAPERBACK version you can then get the Kindle version for FREE\*\*** What if there were a list of SIMPLE principles that you could apply to your workouts that would completely revolutionize your golf game and your body? Let me ask you this. . . Do you know you need to be more flexible, but aren't sure which exercises and stretches will get you there? Are you struggling to get more distance off the tee? Do you have a stiff lower back or nagging injury that's sabotaging your golf game? Does your consistency and energy level fluctuate from the 1st tee to the 18th green? Is the overwhelming amount of

golf and fitness information paralyzing you because you have no idea where to start? Do you need help getting motivated, staying committed and holding yourself accountable to a program? Do you need a simple, realistic guide for eating better both on and off the course? If you answered YES to any of the above questions, then you are in the right place. I've worked with many clients who just needed a roadmap and were able to reach and exceed their goals. Those success stories are the reason this book was written. Inside "The Golfer's Guide to a Bogey Proof Workout," you will learn.... The 7 essential components that every golf fitness program MUST have to be successful How to create a rock solid golf fitness plan that is easy to follow and gets results How to properly choose exercises that maximize your effort, don't waste your time and help you prevent future injuries Nutritional strategies that will make you leaner, more mentally sharp and feel great for the rest of your life both on and off the course How LESS cardio will actually make you a leaner, stronger, more powerful golfer The number one

Game Changer when it comes to achieving your golf and fitness goals and lots more. . . Jeff Pelizzaro is a licensed physical therapist, a golf fitness professional, and co-founder of 18STRONG (18STRONG.com). Combined with his years of experience working with golfers in the clinic and gym, Jeff has also had the opportunity to interview and collaborate with some of the best coaches and players in the world as the host of the 18STRONG Podcast. The Golfer's Guide to a Bogey Proof Workout has taken all of this information and consolidated it to fit in the palm of your hands. Are you ready to Bogey Proof your game?

### **Bud, Sweat & Tees**

Wiley

As Ward Thomas details in The New Dogs of War, militias and paramilitary groups wield greater power than national governments in many countries, while in some war zones private contractors perform missions previously reserved for uniformed troops. Most ominously, terrorist organizations with global reach have come to define the security landscape for even the most powerful

nations. Across the first decades of the twenty-first century we have witnessed a dramatic rise in the use of military force by these nonstate actors in ways that have impacted the international system, leading Thomas to undertake this valuable assessment of the state of play at this critical moment. To understand the spread of nonstate violence, Thomas focuses on the crucial role played by an epochal transformation in international norms. Since the eighteenth century, the Westphalian model of sovereignty has reserved the legitimate use of force to states. Thomas argues that normative changes in the decades after World War II produced a "crisis of coherence" for formal and informal rules against nonstate violence. In detailed case studies of nonstate militias, transnational terrorist networks, and private military contractors, Thomas explains how forces contesting state prerogatives exploited this crisis, which in turn reshaped international understandings of who could legitimately use force. By considering for the first time all three purveyors of nonstate violence as aspects of the

same phenomenon, *The New Dogs of War* explains this fundamental shift in the norm that for centuries gave states the monopoly on military force.

*Whole Brain Power: the Fountain of Youth for the Mind and Body (HardCover Edition)* Cornell University Press  
 One of Sports Illustrated's Top 100 Sports Books of All Time: A classic collection by one of the twentieth century's most influential sportswriters  
 From 1923 to 1937, New York Daily News columnist Paul Gallico's dispatches from ringside, rink-side, the sidelines, and the grandstand were a must-read for every American sports fan. Where else could one discover what it was really like to box heavyweight champion Jack Dempsey? To tee off against golfing legend Bobby Jones? To strap on a glove and try to catch Dizzy Dean's ferocious fastball? Gallico went where no other reporter dared, and for that he earned a permanent place in the pantheon of great American sportswriters alongside Ring Lardner, Red Smith, and Roger Kahn. Then, like a pitcher hanging up his cleats after throwing a perfect game, Gallico walked

away to pursue other authorial interests, including the fiction that earned him his greatest renown. His parting gift to his devoted readers was *Farewell to Sport*, a collection of twenty-six of his finest pieces. In these bulletins from the golden age of sports, Gallico profiles icons such as Babe Ruth, Bill Tilden, and Gene Tunney. He exposes the scripted drama of professional wrestling and the hypocrisy of big-time college football. And in feats of daring that went on to inspire a whole new school of journalism, he sacrifices his pride to meet the greatest athletes of the day on their own turf. A brilliant snapshot of a fascinating era in sports history and a masterwork remarkably ahead of its time, *Farewell to Sport* is a fitting testament to the legacy of Paul Gallico.

[Earnhardt Nation](#) Simon and Schuster

In this "incredible read on some incredible days and nights in the old association" (Adrian Wojnarowski, ESPN senior NBA insider) Charles Oakley—one of the toughest and most loyal players in NBA history—tells his unfiltered stories about his basketball journey and

his relationships with Michael Jordan, LeBron James, Charles Barkley, Patrick Ewing, Phil Jackson, Pat Riley, James Dolan, Donald Trump, George Floyd, and many others. If you ask a New York Knicks fan about Charles Oakley, you better prepare to hear the love and a favorite story or two. But his individual stats weren't remarkable, and while he helped power the Knicks to ten consecutive playoffs, he never won a championship. So why does he hold such a special place in the minds, hearts, and memories of NBA players and fans? Because over the course of nineteen years in the league, Oakley was at the center of more unbelievable encounters than Forrest Gump, and nearly as many fights as Mike Tyson. He was the friend you wish you had, and the enemy you wish you'd never made. If any opposing player was crazy enough to start a fight with him, or God forbid one of his teammates, Oakley would end it. "I can't remember every rebound I grabbed but I do have a story—the true story—of just about every punch and slap on my resume," he says. In *The Last Enforcer*, Oakley

shares one incredible story after the next—all in his signature "unflinchingly tough, honest, and ultimately endearing" (Harvey Araton, New York Times bestselling author) style—about his life in the paint and beyond, fighting for rebounds and respect. You'll look back on the era of the 1990s NBA, when tough guys with rugged attitudes, unflinching loyalty, and hard-nosed work ethics were just as important as three-point sharpshooters. You'll feel like you were on the court, in the room, can't believe what you just saw, and need to tell everyone you know about it.

**Gyra Golf** Houghton Mifflin

Captivating, innovative Ukrainian fiction about displaced women living in the shadow of the war with Russia 'This singular collection brings Ukraine, "the land of residual phenomena," entirely to life' Kirkus Reviews In *Lucky Breaks*, we encounter anonymous women from the margins of Ukrainian society, their lives upended by the ongoing conflict with Russia. A woman, bewildered by her broken umbrella, tries to abandon it like a sick relative; a beautiful florist suddenly

disappears, her shop converted into a warehouse for propaganda; hiding out from the shelling, neighbours read horoscopes in the local paper that tell them when it's safe for them to go outside. In stories of linguistic verve and absurdist wit, Yevgenia Belorusets writes of trauma amidst the mundane, telling surreal, unsettling tales of survival in a shattered country. *Bayesian Computation with R* Open Road Media Obsessed with one of his pupils, teacher Edward Manners becomes embroiled in affairs with two other men, but only after discovering the life and work of Symbolist painter Edgard Orst does he come to understand the implications of obsession. Reprint. *Tony Jacklin* Human Kinetics Publishers "Bobby Clampett is one of the most knowledgeable golfing minds in the game."—Tom Lehman, 1996 British Open Champion, 2006 U.S. Ryder Cup team captain Impact has long been called golf's "moment of truth," and great golfers have spent countless hours working on their swings trying to upgrade their impact dynamics as

the golf club approaches, contacts, then swings through the ball. For the first time, with *The Impact Zone*, golfers will have a book that focuses their attention on the very same region of the swing on which professional golfers have always concentrated. *The Impact Zone* is a unique instructional guide in that everything in it either focuses on or applies to improving a golfer's understanding and execution of impact. Here, acclaimed professional golfer Bobby Clampett concludes that the overwhelming bias and convention of today's contemporary teaching environment is to value swing styles over swing dynamics, and in so doing, the overwhelming majority of golf teachers miss the boat in terms of teaching the game effectively. Ultimately this emphasis on swing style comes at the expense of helping golfers to develop sound swing dynamics, which are the real keys to consistent ball striking and better golf. With the help of CBS's *Swing Vision* high-speed camera—using images from many of the game's greatest contemporary players (including Tiger Woods, Phil Mickelson, John Daly,

Vijay Singh, Sergio Garcia, and more)—*The Impact Zone* takes an unprecedented look at the most important six inches in golf, those that immediately precede, contain, and follow impact. To further demonstrate these principles, Clampett presents photos and drills that convey the five essential dynamics golfers need to produce and reproduce solid impact. Throughout these instructional pages, Bobby Clampett—teamed with veteran golf writer Andy Brumer—relays his own personal story of straying from swing dynamics and how he found his way back. He recalls memorable stories from the Tour, blending innovative instruction with his colorful, engaging anecdotes. Clampett and Brumer create an essential instructional guide with clear, concise advice—on creating great swing dynamics through the impact zone—the universally acknowledged key to more consistent and better golf.

**The Golden Age of Golf Design** Simon and Schuster  
NEW YORK TIMES  
BESTSELLER • In *Slaying the Tiger*, one of today's boldest young

sportswriters spends a season inside the ropes alongside the rising stars who are transforming the game of golf. For more than a decade, golf was dominated by one galvanizing figure: Eldrick “Tiger” Woods. But as his star has fallen, a new, ambitious generation has stepped up to claim the crown. Once the domain of veterans, golf saw a youth revolution in 2014. In *Slaying the Tiger*, Shane Ryan introduces us to the volatile, colorful crop of heirs apparent who are storming the barricades of this traditionally old-fashioned sport. As the golf writer for *Bill Simmons's Grantland*, Shane Ryan is the perfect herald for the sport's new age. In *Slaying the Tiger*, he embeds himself for a season on the PGA Tour, where he finds the game far removed from the genteel rhythms of yesteryear. Instead, he discovers a group of mercurial talents driven to greatness by their fear of failure and their relentless perfectionism. From Augusta to Scotland, with an irreverent and energetic voice, Ryan documents every transcendent moment, every press tent tirade, and every controversy

that made the 2014 Tour one of the most exciting and unpredictable in recent memory. Here are indelibly drawn profiles of the game's young guns: Rory McIlroy, the Northern Irish ace who stepped forward as the game's next superstar; Patrick Reed, a brash, boastful competitor with a warrior's mentality; Dustin Johnson, the brilliant natural talent whose private habits sabotage his potential; and Jason Day, a resilient Aussie whose hardscrabble beginnings make him the Tour's ultimate longshot. Here also is the bumptious Bubba Watson, a devout Christian known for his unsportsmanlike outbursts on the golf course; Keegan Bradley, a flinty New Englander who plays with a colossal chip on his shoulder; twenty-one-year-old Jordan Spieth, a preternaturally mature Texan carrying the hopes of the golf establishment; and Rickie Fowler, the humble California kid striving to make his golf speak louder than his bright orange clothes. Bound by their talent, each one hungrier than the last, these players will vie over the coming decade for the right to be called the next king of the game. Golf

may be slow to change, but in 2014, the wheels were turning at a feverish pace. *Slaying the Tiger* offers a dynamic snapshot of a rapidly evolving sport. Praise for *Slaying the Tiger* "This book is going to be controversial. There is no question about it. . . . It is the most unvarnished view of the tour—the biggest tour in the world—that I've ever read. And it's not close."—Gary Williams, Golf Channel "A must-read for PGA Tour fans from the casual to the most dedicated . . . This book is certain to be as important to this era as [John] Feinstein's [A Good Walk Spoiled] was two decades ago. . . . A well-researched, in-depth look at the men who inhabit the highest levels of the game."—Examiner.com "A masterfully written account of an important time in golf history."—Adam Fonseca, Golf Unfiltered "Absolutely marvelous . . . Ryan's writing flows and his reporting turns pages for you."—Kyle Porter, CBS Sports "A riveting read."—Library Journal "Ryan's fresh look is just what we golfer/readers want."—Curt Sampson, New York Times bestselling author of Hogan "Ryan does a

fantastic job painting a thoughtful and accurate portrait of the new crop of heirs apparent."—Stephanie Wei, Wei Under Par *The Golf Round I'll Never Forget* Pushkin Press "Wonderfully written...Mr. Owen writes about water, but in these polarized times the lessons he shares spill into other arenas. The world of water rights and wrongs along the Colorado River offers hope for other problems." —Wall Street Journal An eye-opening account of where our water comes from and where it all goes. The Colorado River is an essential resource for a surprisingly large part of the United States, and every gallon that flows down it is owned or claimed by someone. David Owen traces all that water from the Colorado's headwaters to its parched terminus, once a verdant wetland but now a million-acre desert. He takes readers on an adventure downriver, along a labyrinth of waterways, reservoirs, power plants, farms, fracking sites, ghost towns, and RV parks, to the spot near the U.S.-Mexico border where the river runs dry. Water problems in the western United States can

seem tantalizingly easy to solve: just turn off the fountains at the Bellagio, stop selling hay to China, ban golf, cut down the almond trees, and kill all the lawyers. But a closer look reveals a vast man-made ecosystem that is far more complex and more interesting than the headlines let on. The story Owen tells in *Where the Water Goes* is crucial to our future: how a patchwork of engineering marvels, byzantine legal agreements, aging infrastructure, and neighborly cooperation enables life to flourish in the desert—and the disastrous consequences we face when any part of this tenuous system fails. *Augusta, Texas* Lulu.com

From fighting for his life to pursuing a career in the NFL, ACC Player of the Year and star Pittsburgh Steelers running back James Conner has lived a story offering wisdom and advice for anyone who has faced adversity. During his first two years at the University of Pittsburgh, running back James Conner became one of the Panthers' biggest stars, breaking records and winning the adoration of fans. Then, in the first game of his junior year, disaster struck in the form of a torn MCL.

During rehab, James's health continued to inexplicably deteriorate until a chest X-ray and biopsy confirmed the unthinkable: a diagnosis of Hodgkin's lymphoma. Suddenly, it wasn't just the dream of an NFL career that was in jeopardy; it was James's life. Yet when he shared the news of his diagnosis publicly, James rallied family, friends, and fans, with his message of hope and courage: "Fear is a choice. I choose not to fear cancer." In just ten words, James defined his own journey on his own terms and refused to back down from one of the most dreaded diseases known to man. Drawing strength from his faith in God and the support of his community and loved ones, James underwent treatment but continued to practice with his team despite the intense physical toll of chemotherapy. He was declared cancer-free within a year. Returning to the field in 2016, he finished his college career with a record-breaking 3,733 rushing yards and 56 touchdowns. Entering the NFL draft early, his success continued. Selected in the third round by the Pittsburgh Steelers, he quickly

became one of the most beloved rookies in the league. In *Fear is a Choice*, James candidly shares his experiences during his battle with cancer and beyond, encouraging readers and illustrating the spiritual truths and personal principles that got him through his darkest days. James Conner is an inspiration for everyone who wants to learn how to tackle life's problems with dignity, faith, and determination.

LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE  
'Terrific fun' David Walsh, Sunday Times \*\*

'Thoroughly engaging' Washington Post  
A frank and revealing biography of legendary golf champion Phil Mickelson - who has led a big, controversial life - as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the

most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw and unauthorised biography, Shipnuck captures a singular life defined by thrilling victories, crushing defeats and countless controversies. Mickelson is a multi-faceted character, and all his warring impulses are on display in these pages: he is a smart-ass who built an empire on being the consummate professional;

a loving husband dogged by salacious rumours; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, yet as Tiger's career has been curtailed by scandal, addiction and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of

subject and author. Shipnuck delivers numerous revelations, from the true scale of Mickelson's massive gambling losses to the secretive backstory of the Saudi golf league that Mickelson championed. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years - full of heart, humour and unexpected turns.
