Welcome to Jerryworld and an all-access pass to the most valuable sports franchise on the planet, the Dallas Cowboys. Many books have been written about the Cowboys, but there's never been an account like this one. How 'Bout Them Cowboys tells the story of the NFL's most successful franchise, with special access to its outspoken owner, Jerry Jones, his sons Stephen and Jerry Jr., daughter Charlotte, and dozens of interviews of current and former players and coaches, and characters from across Cowboy Nation. While tracking the successes and controversies of some of the biggest names in the NFL on and off the field, How 'Bout Them Cowboys? remembers the legends of previous generations, and explains why the star on the helmet has become iconic, and how a little expansion team from North Texas has evolved into a global \$5 billion brand. Primed for their make-or-break 2018 season, How 'Bout Them Cowboys? delivers a fun and surprising account of America's Team, its greatest celebrities, its mercurial management, the vicious rivalries, and the enduring saga that makes this the most popular and polarizing team in sports.

Special Memories is an astonishing recollection of meetings and discussions with some of the most well-known movers and shakers of the times. The author shares incredible close-ups with, to name a few, Marilyn Monroe, John Lennon, Elvis Presley, Jimmy Durante, Frank Sinatra, and Robert Kennedy. Some of the stories reveal shocking details, such as a torrid White House love affair, how Russian leader Leonid Brezhnev was almost killed just minutes before a summit conference in Washington, why John Wayne started to like pork over steak, and how Frank Sinatra burned a hole in the author's new sport coat. A box of tissue is suggested for some of the encounters the author had, especially the sad behind-the-scene tug-a-war Marilyn had during her short life, Jimmy Doolittle experienced after the bombing of Tokyo, and John Daily had during his early professional golf career. In his nineteenth book, Special Memories, Elvin Bell takes readers on an emotional roller-coaster ride of superstar meltdown, victories, and heartfelt personal stories. It is a sip and flip thriller.

Case Studies in Sport Communication: You Make the Call goes beyond the box scores by offering readers the opportunity to evaluate popular and diverse issues in sport—including management, crisis, health, ethics, gender, race, and social media. Each chapter incorporates theory and communication principles as well as topical background information, and concludes with discussion questions and engaging assignments. This volume presents real-life, provocative sports cases that bring contemporary headlines into perspective and inspire critical thinking. Each chapter features scholarly evidence that will keep the conversation lively, thoughtful, and informative. Students are encouraged to challenge the ethical implications of what they have read and to “make the call.” This is an invaluable resource for upper-level undergraduate and graduate students of sport communication and sport management.

Once upon a time, the Conejo Valley was primarily home to the Chumash Indians, oak trees, and animals. Eventually, ranches took over, cowboys made the valley their home, and the area served as a country retreat for the adventurous people of Los Angeles. The producers of numerous movies and television shows took advantage of the natural beauty that could not be duplicated on a soundstage. Hollywood stars found privacy. Soon, word spread about the tranquility and wonderful opportunities of the Conejo Valley, and the growth

began. Thousand Oaks received a name and boundaries and became a city, Lake Sherwood expanded, Hidden Valley was no longer so hidden, and the birth of Westlake Village brought the city to the country.

Buck Buchanan was the beloved equipment manager for the Dallas Cowboys for twenty-five years, during which time the Cowboys won four of their five Super Bowls led by such legendary stars as Roger Staubach, Hollywood Henderson, Randy White, Emmitt Smith, Troy Aikman, Bob Hayes, Lee Roy Jordan, and of course larger-than-life coach Tom Landry. In these pages Buchanan provides a unique behind-the-scenes look at America's Team, from the logistics of moving equipment for away games, to the proclivities and needs of individual players.

Latinos in American Football Simon and Schuster

“An eloquent, honest tribute to a sports genius.” —Publishers Weekly, Best 100 Books of 2013 As the coach during professional football's most storied era, Tom Landry transformed the gridiron from a no-holds-barred battlefield to the highly-technical chess match it is today. With his trademark fedora and stoic facade, he was a man of faith and few

words, for twenty-nine years guiding “America’s Team” from laughingstock to well-oiled machine, with an unprecedented twenty consecutive winning seasons and two Super Bowl titles. Now, more than a decade after Landry’s death, acclaimed biographer Mark Ribowsky takes a fresh look at this misunderstood legend, telling us as much about our country’s obsession with football as about Landry himself, the likes of whom we’ll never see again.

The Official 1981 Dallas Cowboys

Bluebook W. W. Norton & Company

From the New York Times bestselling author of Brady vs. Manning and dean of football writers - a book that explores the many interesting facets to NFL quarterbacks and their relationships with their fathers. Tom Brady's father is an estate planner. Jim Harbaugh's father had a long career as a college coach. Archie Manning played fourteen years in the NFL and never made the playoffs, but his sons Peyton and Eli won a combined four Super Bowls. Joe Montana is considered by many to be the greatest quarterback of all time, but his two sons bounced around college football with limited success. Jameis Winston's father supported his family working overnight highway construction in Alabama. Derek Carr's father moved the family to Houston after Derek's older brother, David, was drafted by the Texans. My First Coach goes behind the scenes to explore the unique relationship between these and other quarterbacks and their fathers, as well as investigate various approaches to parenting through their stories. Can young athletes overcome helicopter parents? How did the kids with NFL aspirations deal with their fathers who'd already made it? What kind of pressure did they have to overcome? What kind of pressure did the

father who succeeded put on his son to be an athlete? Would the expectations be lower and the results greater if the father was an attorney or doctor? Was it better for the fathers to be overbearing, or borderline disinterested? My First Coach tells the compelling, real-life stories of some of the country's most famous quarterbacks and how they took advantage of or overcame their relationships with their fathers.

In 1927 Cuban national Ignacio S. Molinet was recruited to play with the Frankford Yellow Jackets of the old NFL for a single season. Mexican national Jose Martinez-Zorrilla achieved 1932 All-American honors. These are the beginnings of the Latino experience in American Football, which continues amidst a remarkable and diversified setting of Hispanic nationalities and ethnic groups. This history of Latinos in American Football dispels the myths that baseball, boxing, and soccer are the chosen and competent sports for Spanish-surname athletes. The book documents their fascination for the sport that initially denied their participation but that could not discourage their determination to master the game.

Not everyone can say that Frank Sinatra’s cigarette burned a hole in their coat, that they dined twice with Marilyn Monroe in one day, or that they were invited to a party at the home of John “Duke” Wayne. In a memoir consisting of more than one hundred short anecdotes, Elvin C. Bell provides a fascinating glimpse into his journey through life as he crossed paths with several iconic personalities that included presidents Kennedy, Nixon, Johnson, and Carter; Elvis Presley; the father of the hydrogen

bomb, Dr. Edward Teller; John Lennon; Gregory Peck; four Medal of Honor recipients; Walt Disney; and General Alexander Haig. *It Was a Good Road All the Way* is a collection of heartfelt personal stories from a retired USAF Colonel and public official that reveal his encounters with superstars, detail his victories and losses on the battlefield, and pay tribute to those who made the ultimate sacrifice for their country.
