MIDDLETON MAREN

[An Essay Upon National Character](#) University of Illinois Press

The powerful tools in this invaluable resource equip students with the skills to write successful entrance essays for top-notch universities. The strengths and weaknesses of 50 application compositions from Ivy League schools, as well as Caltech, Duke, MIT, Stanford, and University of Chicago, are analyzed in detail, highlighting techniques to emulate and mistakes to avoid. College admission officers from some of these schools provide informative strategies and inside information on their writing assessment criteria. A comprehensive writing workshop provides tips toward selecting topics, developing stories, editing drafts, and applying finishing touches. Acknowledging that the written portion of the process is one of the most important factors for admission into highly selective schools, this helpful guidebook offers sage advice and inspiration to keep applicants on the right track.

Colleges and universities place great emphasis on essays written as part of the process for admission and scholarships. This guide to constructing essays includes essays that have worked for real people, plus dozens of other actual samples.

[In Defense of Raymond Sebond](#) PREP Publishing

When Wolfgang Friedmann died there was a great outpouring of grief, affection and admiration from his friends all over the world. These deeply felt sentiments were soon channelled into a number of projects to honor him. The initiative towards the preparation of this volume in tribute to Wolfgang Friedmann was taken by his colleague, Hans Smit, of Columbia University, who also arranged for its publication. Judge Philip C. Jessup was the chairman, and Professors John N. Hazard, Louis Henkin, Oliver Lissitzyn, Willis L. M. Reese and Hans Smit of Columbia University Law School, A. A. Fatouros of Indiana University Law School (Bloomington), and Gabriel M. Wilner of the University of Georgia Law School were members of the editorial

committee. The authors of the essays are a group of distinguished legal scholars from many countries and who hold widely diverse views. All of them had many ties with Professor Friedmann, including those of friendship and shared interest in problems that were of the greatest concern to him. The number of eminent jurists from countries around the world, and particularly from the United States, who would have wished to participate in this tribute to Wolfgang Friedmann is large; however, several important considerations made it necessary to limit the number of contributions. Thus, for example, the work of several members of the editorial committee is not represented in the volume.

50 Successful Ivy League Application Essays Princeton Review

College Essays that Made a Difference Kaplan Publishing

Includes brief biography of Paine, and Chronology (p. xi-xiii)

College Blue Book V5 Scholarships Fellowships Grants Loan Routledge

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and

economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Americanization, Acculturation, and Ethnic Identity Princeton Review

This groundbreaking book blends international relations and gender history to provide a new understanding of the Spanish-American and Philippine-American wars. Kristin L. Hoganson shows how gendered ideas about citizenship and political leadership influenced jingoist political leaders' desire to wage these conflicts, and she traces how they manipulated ideas about gender to embroil the nation in war. She argues that racial beliefs were only part of the cultural framework that undergirded U.S. martial policies at the turn of the century. Gender beliefs, also affected the rise and fall of the nation's imperialist impulse. Drawing on an extensive range of sources, including congressional debates, campaign speeches, political tracts, newspapers, magazines, political cartoons, and the papers of politicians, soldiers, suffragists, and other political activists, Hoganson discusses how concerns about manhood affected debates over war and empire. She demonstrates that jingoist political leaders, distressed by the passing of the Civil War generation and by women's incursions into electoral politics, embraced war as an opportunity to promote a political vision in which soldiers were venerated as model citizens and women remained on the fringes of political life. These gender concerns not only played an important role in the Spanish-American and Philippine-American wars, they have echoes in later time periods, says the author, and recognizing their significance has powerful ramifications for the way we view international relations. Yale Historical Publications

The College Board Scholarship Handbook Courier Corporation

PoartyFulton Books, Inc.

The College Board Scholarship Handbook 2002 Yale University Press

From the students at the Yale Daily News, a book that highlights the essays that got students into Yale University, helping high school seniors get into the school of their choice The competition to get into a top-tier school becomes more and more fierce every year. Parents and students are searching for the best advice, and the final question they ask after joining clubs in high school and keeping the grades up is: How do I write a winning essay? *50 Yale Admission Success Stories* and the *Essays that Made Them Happen* shows college applicants how to do exactly that, showcasing the Common App essays that got students into Yale, in addition to Yale-specific application essays and other supplemental aspects of the Yale application, like short statements and short answers. But this book does more than just show students what kind of essays got college students through the door; it profiles each student who contributed to the collection and puts those essays into context. We meet Edgar Avina, a political science major from Houston who worked odd jobs to support his family, who immigrated from Mexico. Madeleine Bender, a New York City native, is a "jack of all trades" who writes for the Daily News, plays clarinet for a concert band, and majors in both Classics and Ecology & Evolutionary Biology. These profiles set this book apart from other college essay books, reminding students that in order to write a strong essay, you must be yourself and understand how the university you're applying to will help you make your greatest dreams into a reality.

Scholarships Rowman & Littlefield

Trying to save some feral cats living in a field about to be bulldozed, Megan receives an offer of help from an odd man. Feeling his offer isn't quite right; Megan then witnesses a car accident and receives disturbing notes. Not knowing who to trust, Megan relies on her wits to save the cats—and herself. "Each part of the tale ties neatly together in this exciting book that children won't want to put down." —School Library Journal "An absorbing and suspenseful novel with a strong female main character." —Kirkus Reviews
