DANIEL TYRONE

Weidenfeld & Nicolson

The wife of country music star Alan Jackson discusses their once-turbulent marriage, and recounts the positive influences of her renewed faith in God on their relationship.

Bastard Or Playmate? Elsevier

Engineering Asset Management 2010 represents state-of-the art trends and developments in the emerging field of engineering asset management as presented at the Fifth World Congress on

Engineering Asset Management (WCEAM). The proceedings of the WCEAM 2010 is an excellent reference for practitioners, researchers and students in the multidisciplinary field of asset management, covering topics such as: Asset condition monitoring and intelligent maintenance Asset data warehousing, data mining and fusion Asset performance and level-of-service models Design and life-cycle integrity of physical assets Education and training in asset management Engineering standards in asset management Fault diagnosis and prognostics Financial analysis methods for physical assets

Human dimensions in integrated asset management
 Information quality management
 Information systems and knowledge management
 Intelligent sensors and devices
 Maintenance strategies in asset management
 Optimisation decisions in asset management
 Risk management in asset management
 Strategic asset management
 Sustainability in asset management

General Orders in Bankruptcy Routledge
 This is a comprehensive up-to-date treatise including information on virus-, viroid-, and phytoplasma-induced potato diseases. The chapters of this book were written by internationally well-known experts and include novel techniques of detection, virus isolation, transmission, and epidemiology of the pathogens.

Death to the BCS Springer

This landmark four-volume collection traces the development of language and gender from its original associations with second-wave feminism to its more recent alignment with postmodern approaches to feminism. Language and Gender is fully indexed and has a comprehensive introduction, newly written by the editor, which highlights key themes that have persisted across different historical periods and places the collected material in its intellectual context. It is an essential work of reference and is destined to be valued by scholars and students as a vital one-stop research and pedagogic resource.

Theological Music Springer Science & Business Media

I (Still) Believe explores the all-important

question of whether serious academic study of the Bible is threatening to one's faith. Far from it—faith enhances study of the Bible and, reciprocally, such study enriches a person's faith. With this in mind, this book asks prominent Bible teachers and scholars to tell their story reflecting on their own experiences at the intersection of faith and serious academic study of the Bible. While the essays of this book will provide some apology for academic study of the Bible as an important discipline, the essays engage with this question in ways that are uncontrived. They present real stories, with all the complexities and struggles they may hold. To this end, the contributors do two things: (a) reflect on their lives as someone who teaches and researches the Bible, providing

something of a story outlining their journey of life and faith, and their self-understanding as a biblical theologian; and (b) provide focused reflections on how faith has made a difference, how it has changed, and what challenges have arisen, remained, and are unresolved, all with a view toward the future and engaging the book's main question. The Routledge Companion to Religion and Science Grand Central Publishing Chris Difford is a rare breed. As a member of one of London's best-loved bands, the Squeeze co-founder has made a lasting contribution to English music with hits such as 'Cool For Cats', 'Up The Junction', 'Labelled With Love', 'Hourglass' and 'Tempted'. Even before his first release in 1977, his love of

writing lyrics has never wavered. Over the course of a thirteen-album career with Squeeze, it was clear from the very beginning that Difford has few peers when it comes to smart, pithy lyricism. His 'kitchen-sink drama' style has drawn plaudits from fans on both sides of the Atlantic, and his influence is keenly felt today. The likes of Lily Allen, Mark Ronson, Kasabian, Razorlight and many more have recognized the debt they owe to Squeeze's music and to Difford's way with words, while journalists were moved by his winning combination with Glenn Tilbrook to dub the pair 'The New Lennon and McCartney'. In *Some Fantastic Place*, Chris Difford charts his life from his early days as a dreaming boy in south London with a talent for poetry to becoming a member of one of Britain's greatest

bands and beyond. Along the way he reveals the inspiration and stories behind Squeeze's best-known songs, and his greatest highs and lows from over four decades of making music.

Business Ethics in Biblical Perspective
InterVarsity Press

It is legal for CEOs to make 300 times the amount of the average worker. But is this fair and just? Is it ethical for a customer to purchase a digital camera for the sole purpose of using it on a ski trip and then return the item to the store afterwards? Should companies who purchase advertising space on websites that offer pirated videos for download be held accountable for breaking intellectual property laws? The world of business is fraught with ethical challenges. Some of these are relatively

straightforward, but others are complicated and require careful reflection. While there are numerous theories to help people navigate these dilemmas, the goal of this book is to provide a comprehensive biblical perspective on contemporary issues in areas such as consumer behavior, management, accounting and marketing. In *Business Ethics in Biblical Perspective*, Michael E. Cafferky explores the biblical resources for moral guidance and ethical consideration. He identifies twelve key themes in the narrative of Scripture: cosmic conflict, creation, holiness, covenant relationships, shalom, sabbath, justice, righteousness, truth, wisdom, loving kindness and redemption. By looking at ethical approaches and issues through this

multifaceted biblical perspective, Cafferky helps readers appreciate the complex nature of ethical decision making, particularly in the context of business and finance. Designed from the start with the classroom in mind, each chapter of *Business Ethics in Biblical Perspective* provides example scenarios, questions for intrapersonal and interpersonal ethical reflection, review questions, ethical vignettes for discussion and an exploration of the chapter material in light of the biblical themes. Additional IVP Instructor Resources are also available. *Going Dutch - Gone American* Springer Science & Business Media
Fourteen-year-old Roonie loves hip-hop almost as much as she loves her grandmother. Roonie cannot wait to

compete in her school's dance competition. But as her grandmother's health deteriorates, Rooney becomes more and more reluctant to visit her in the care home. These feelings of guilt and frustration cause Rooney to mess things up with her hip-hop dance partner and best friend, Kira. But while doing some volunteer hours in the hospital geriatric ward, Rooney meets an active senior recovering from a bad fall. Their shared love of dance and the woman's zest for life help Rooney face her fears, make amends with Kira and reconnect with Gram before it's too late.

Some Fantastic Place Harper Collins
 Theomusicology is musicology as a theologically informed discipline. Borrowing thought and method from anthropology, sociology, psychology,

and philosophy, it has as its subject the myriad cultural worlds of ethical, religious, and mythological belief. Theomusicological research into cultural/intercultural reflections on the ethical, the religious, and the mythological involves the study of music in the domain or communities of the sacred, the secular, and the profane. By examining the depths of sacrality, secularity, and profanity in the music of civilization's many cultures, the theomusicologist can increasingly discern how particular peoples perceive the universal mysteries that circumscribe their mortal existence, and how the ethics, theologies, and mythologies to which they subscribe shape their worlds. To accomplish his goal, Spencer divides his book into two

parts. Part One, The Domain of Theomusicology, functions as a methodological exposition to Part Two. It defines the meaning of and suggested method for theomusicology and delineates the theomusicologist's best and broadest possible perspective on the world. Part Two, The Discourses of Theomusicology, illustrates how theomusicology can, and at its best does, involve dialogue with different disciplines as well as a gamut of historical epochs and movements. Each chapter is divided into sections based on the particular text theomusicology has read and interacted with. Spencer's work establishes theomusicology as a scholarly discipline and a valid research approach to studying world religious, mythological, and ethical beliefs via

music. It is essential reading for historical musicologists, ethnomusicologists, and scholars of sacred music.

Sustainable Entrepreneurship Pearson Higher Ed

In 2000, Alonzo Mourning was on top of the world: He had a fat new NBA contract, an Olympic gold medal, and a second beautiful child—plus the fame and wealth he had earned playing the game he loved. But in September of that year he was diagnosed with a rare and fatal kidney disease. Over the next couple of years, as his health faltered, he retired, unretired, and retired again—and sought to make sense of what remained of his life. Finally in 2003, after a frantic search for a donor match, Mourning had a new kidney and a new outlook. He vowed to

make this second chance count by dedicating his life to others. By sharing his experiences of the chasms and peaks of illness and recovery, *Mourning* delivers a message of faith and fire, trust and triumph. Resilience is a story of both meaningful everyday lessons and the things, great and small, that truly matter in life.

Infants' and Children's Wear Cambridge Scholars Publishing

Earl Dibbles Jr. is the comic alter-ego of country singer Granger Smith. With a social media following of 3.5 million fans, and nearly 50 million views of his official YouTube videos, Earl's followers can't get enough of his take on country life. In this illustrated book, Earl walks through 50 different scenarios, comparing and contrasting how city folks and country

folks do things. Earl pontificates on fast food, huntin', fishin', shootin' the breeze, neighborliness, and politics. From hipsters to hip-stirs and different ways of chasin' a buck, Earl's hilarious take on the country versus city debate will have diehard fans and new converts regularly returning for a good laugh. As an added bonus, *If You're City, If You're Country* includes a CD with Earl reading the audiobook and performing five of his greatest hits.

The Postal Record Bmg Books

A team of award-winning sports reporters takes down the Great Satan of college sports: the Bowl Championship Series. Every college sport picks its champion by a postseason tournament, except for one: Division I-A football. Instead of a tournament, fans are

subjected to the Bowl Championship Series, an arcane mix of polling and mathematical rankings that results in just two teams playing for the championship. It is, without a doubt, the most hated institution in all of sports. A recent Sports Illustrated poll found that more than 90 percent of sports fans oppose the BCS, yet this system has remained in place for more than a decade. Built upon top-notch investigative reporting, *Death to the BCS* at last reveals the truth about this monstrous entity and offers a simple solution for fixing it. *Death to the BCS* includes findings from interviews with power players, as well as research into federal tax records, Congressional testimony, and private contracts, revealing: ?The truth behind the

"Cartel"-the anonymous suits who run the BCS and who profit handsomely by protecting it ?The flawed math and corruption that determine which teams participate in the national championship ?How the system hurts competition by perpetuating "cupcake" schedules ?How "mid-major" teams are systematically denied a chance to play for the championship ?How a comprehensive sixteen-team playoff plan can solve the problem while enhancing profitability The first book to lay out the unseemly inner workings of the BCS in full detail, *Death to the BCS* is a rousing manifesto for bringing fairness back to one of our most beloved sports.

The Psychopharmacology of Herbal Medicine Springer Science & Business Media

(Book). An all-encompassing, artist-by-artist listing of every artist and song that's made Billboard's "Hot Country Songs" charts. Over 2,400 country artists and over 19,000 songs represent 64 years of country chart hits! Complete chart data shows peak position and total chart weeks. Indicates awards that the song won, as well as a bio on every artist listed. A special section includes an alphabetical song title section and handy list of Top Artists, Top Hits and Record Breakers.

A Soldier of the Civil War Praeger
Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he

faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Japanese at Work Thomas Nelson Publishers

Significantly expanded and updated, the second edition of *The Handbook of Language, Gender and Sexuality* brings together a team of the leading specialists in the field to create a comprehensive overview of key

historical themes and issues, along with methodologies and cutting-edge research topics. Examines the dynamic ways that women and men develop and manage gendered identities through their talk, presenting data and case studies from interactions in a range of social contexts and different communities Substantially updated for the second edition, including a new introduction, 24 newly-commissioned chapters, ten updated chapters, and a comprehensive index Includes new chapters on research in non-English speaking countries – from Asia to South America – and cutting-edge topics such as language, gender, and popular culture; language and sexual identities; and language, gender, and socio-phonetics New sections focus on key

themes and issues in the field, such as methodological approaches to language and gender, incorporating new chapters on conversation analysis, critical discourse analysis, corpus linguistics, and variation theory Provides unrivalled geographic coverage and an essential resource for a wide range of disciplines, from linguistics, psychology, sociology, and anthropology to communication and gender studies

Explosive and controversial, this expos uncovers the exploitation of college, high school, and even junior high basketball players by the billion-dollar athletic shoe companies competing for national endorsements. photo insert.

A Wild and Precious Life St. Martin's Press

This book empirically explores how different linguistic resources are utilized to achieve appropriate workplace role inhabitation and to achieve work-oriented communicative ends in a variety of workplaces in Japan.

Appropriate role inhabitation is seen to include considerations of gender and interpersonal familiarity, along with

speaker orientation to normative structures for marking power and politeness. This uniquely researched edited collection will appeal to scholars of workplace discourse and Japanese sociolinguistics, as well as Japanese language instructors and adult learners of Japanese. It is sure to make a major contribution to the cross-linguistic/cultural study of workplace discourse in the globalized context of the twenty-first century.

Educational Technology, Teacher Knowledge, and Classroom Impact

University Press of Kentucky

For an undergraduate introductory level course in humanities. An introduction to the world's major civilizations. This Fourth Edition is an introduction to the world's major civilizations—to their

artistic achievements, their history, and their cultures. Through an integrated approach to the humanities, Arts and Culture offers an opportunity to view works of art, read literature, and listen to music in historical and cultural contexts.

In studying the humanities, we focus our attention on works of art, literature, and music that reflect and embody the central values and beliefs of particular cultures and specific historical moments.
