Your guide on how to have fun and understand the crazy environment that is today's Las Vegas With insightful writing, up-to-date reviews of major attractions, and a lot of "local" knowledge, The Unofficial Guide to Las Vegas 2018 has it all. Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, The Unofficial Guide to Las Vegas digs deeper and offers more than any single author could. This is the only guide that explains how Las Vegas works and how to use that knowledge to make every minute and every dollar of your time there count.

With advice that is direct, prescriptive, and detailed, it takes out the guesswork.

Eclipsing the usual list of choices, it unambiguously rates and ranks everything from hotels, restaurants, and attractions to rental car companies. With The Unofficial Guide to Las Vegas, you know what's available in every category, from the best to the worst. The reader will also find the sections about the history of the town and the chapters on gambling fascinating. In truth, The Unofficial Guide to Las Vegas, by Bob Sehlinger, emphasizes how to have fun and understand the crazy environment that is today's Vegas. It's a keeper.

Praise for *The SmartMoney Guide to Real Estate Investing* "Gerri Willis's *SmartMoney Guide to Real Estate Investing* is wonderful. It's easy to read and easy to use. In a matter of minutes after reading this book, I was able to make a decision on a piece of real estate I own that will potentially put tens of thousands of dollars in my pocket in the next ninety days. I'd say this book can pay for itself a thousands times over on your next real estate transaction." -David Bach, bestselling author of *Smart Couples Finish Rich* and *Smart Women Finish Rich* "Leave it to Gerri Willis to leave me angry! Had I taken heed of her advice on negotiating price and understanding how agents 'really' work, I'm sure I could have saved thousands, probably tens of thousands of dollars on my last house! Great book. Gerri hits a 'home' run!" -Neil Cavuto, Vice President, Anchor, and Managing Editor, Business News, Fox News Channel "An authoritative, informative, compelling case for real estate investment from a widely respected expert, Gerri Willis, who, most appropriately, thoroughly examines this issue from the individual investor's point of view." -David M. Jones, PhD, President and CEO, DMJ Advisors LLC

Who's who in Interior Design Penguin
During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. America's Silver State takes the gold in the *WPA Guide to Nevada*. Originally published in 1940, the guide features the newly built Hoover Dam (then called the Boulder Dam), the Great Basin, the many caves in the eastern part of the state, the state's several ghost towns, and an engaging essay of one of Nevada's

more important industries—"Mining and Mining Jargon."
