Make That Crucial, Positive First Impression Anyone who's researched the marketplace knows: The path to publication begins with your query letter. If your query is weak, unfocused, or uninspired, an editor or agent won't even bother to request your article, novel manuscript, or nonfiction book proposal. But a well-crafted, compelling query sent to the right editor or agent is an essential sales tool for fiction writers and the most effective way for nonfiction writers to pre-sell your idea. In this book, professional freelance writer and magazine editor Wendy Burt-Thomas shares practical advice on how to craft persuasive letters that connect with editors and agents and ultimately generate sales for you. You'll learn how to: Conduct targeted research to find suitable editors and agents Hook an editor with a tantalizing lead and shape a summary that compels editors to buy Select the strongest slant for your book or article Use research and interview shortcuts that keep your query prep profitable Make your query rejection-proof by weeding out subtle mistakes that can sabotage your project Communicate your author platform and sell yourself as the best writer for the subject Complete with dozens of sample queries—some that landed article assignments, agents, or book deals, and others that never stood a chance—this book offers you a comprehensive strategy for presenting your writing ideas in a way that will increase your chances of publication. Though the title may lead some to believe it's strictly to be shelved as a reference manual, The Writer's Digest Guide to Query Letters is a smooth read from cover to cover.

Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In *You've Got a Book in You*, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. "This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence." ~Lori L. Lake, author of *The Gun Series* and *The Public Eye Mystery Series* "If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's *You've Got a Book in You* will show you how to find it in yourself." ~Hallie Ephron, award-winning author of *There Was an Old Woman* "You won't find an easier-to-follow or more inspirational writing guide." ~L.J. Sellers, author of the bestselling Jackson mysteries "By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in *You've Got a Book in You*, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a "working title" through her (brilliant!) "Making-It-Better Process," this well-established pro plays her most impressive cards--stacking the deck in favor of YOU!" ~Jamie Morris, Director, Woodstream Writers "Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, *You've Got a Book In You* will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon." ~Julie Compton, author of *Tell No Lies and Keep No Secrets* "The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse, me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University

The "World" in Robert Lee Brewer's *Solving the World's Problems* is a slippery world ... where chaos always hovers near, where we are (and should be) "splashing around in dark puddles." And one feels a bit dizzy reading these poems because (while always clear, always full of meaning) they come at reality slantwise so that nothing is quite the same and the reader comes away with a new way of looking at the ordinary objects and events of life. The poems are brim-full of surprises and delights, twists in the language, double-meanings of words, leaps of thought and imagination, interesting line-breaks. There are love and relationship poems, dream poems, poems of life in the modern world. And always the sense (as he writes) of "pulling the world closer to me/leaves falling to the ground/birds flying south." I read these once, twice with great enjoyment. I will go back to them often. - Patricia Fargnoli, former Poet Laureate of New Hampshire and author of *Then, Something* *Jeff Herman's Guide to Book Publishers, Editors & Literary Agents* National Geographic Books The Most Trusted Guide to Publishing Poetry, fully revised and updated Want to get your poetry published? An NPR Best Book of 2015 Love and sacrifice intertwine in this brilliant debut of rare beauty about a girl dealing with her mother's schizophrenia and her own mental illness. Fig's world lies somewhere

between reality and fantasy. But as she watches Mama slowly come undone, it becomes hard to tell what is real and what is not, what is fun and what is frightening. To save Mama, Fig begins a fierce battle to bring her back. She knows that her daily sacrifices, like not touching metal one day or avoiding water the next, are the only way to cure Mama. The problem is that in the process of a daily sacrifice, Fig begins to lose herself as well, increasingly isolating herself from her classmates and engaging in self-destructive behavior that only further sets her apart. Spanning the course of Fig's childhood from age six to nineteen, this deeply provocative novel is more than a portrait of a mother, a daughter, and the struggle that comes with all-consuming love. It is an acutely honest and often painful portrayal of life with mental illness and the lengths to which a young woman must go to handle the ordeals—real or imaginary—thrown her way.
