National Geographic Books
Spectrum Math for grade 4 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress. The math workbook covers multiplication, division, fractions, geometric figures, and preparing for algebra. A best-selling series for well over 15 years, Spectrum still leads the way because it works. It works for parents who want to give their child a leg up in math. It works for teachers who want their students to meet—and surpass—learning goals. And it works to help children build confidence and advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.

Practice Carson-Dellosa Publishing
 3 BOOKS IN 1! Learning at home is as easy as 1 2 3 with this super-sized workbook that's jam-packed with 320 pages of kid-friendly, teacher-reviewed exercises -- perfect for kids tackling 4th grade math. Building a strong foundation in math is essential as 4th graders prepare to advance to more difficult math concepts. This Jumbo Workbook (a \$39 value for just \$18.99!) is a compilation of 3 of Sylvan Learning's most popular curriculum-based activity books* and includes 320 colorful pages all designed to help your child become familiar with intermediate math concepts like: • place value • adding & subtracting 5-digit numbers • multi-digit multiplication & division • fractions & decimals • standard & metric measurement • plane & solid shapes • geometry • math in the environment • graphs & data ... and much more! With vibrant, colorful pages full of games and puzzles, 4th Grade Jumbo Math Success Workbook will help your child catch up, keep up, and get ahead—and best of all, to have lots of fun doing it!

*Includes the full text of 4th Grade Basic Math Success, 4th Grade Math Games & Puzzles, and 4th Grade Math in Action ***** Why Sylvan Products Work ***** Sylvan Learning Workbooks won a National Parenting Publications Awards (NAPPA) Honors Award as a top book series for children in the elementary-aged category. NAPPA is the nation's most comprehensive awards program for children's products and parenting resources and has been critically reviewing products since 1990. The Award recognizes Sylvan Learning Workbooks as some of the most innovative and useful products geared to parents. Sylvan's proven system inspires kids to learn and has helped children nationwide catch up, keep up, and get ahead in school. Sylvan has been a trusted partner for parents for thirty years and has based their supplemental education success on programs developed through a focus on the highest educational standards and detailed research. Sylvan's line of educational products equips families with fun, effective, and grade-

appropriate learning tools. Our workbooks and learning kits feature activities, stories, and games to reinforce the skills children need to develop and achieve their academic potential. Students will reap the rewards of improved confidence and a newfound love of learning. Word Problems, Grade 4 Carson-Dellosa Publishing This work book provides practice in all major topics of Grade 4. It will greatly boost child's critical thinking and problem solving skills. It is guaranteed to improve your child's math and success at school. The multi-step problem solving exercises in the book involve several math concepts. Student will learn more from these exercises than doing ten worksheets on the same math concepts. Another valuable resource to enhance your child's thinking skills is the '5-Minute Math Thinkers' series.

50 Leveled Math Problems Level 4
