A BEST BOOK OF THE YEAR (NPR, The Washington Post, Lit Hub, The Telegraph, Goodreads, Tor.com, them, and more) "A deeply strange and haunting novel in the best possible way...An impressive and exciting debut novel that may leave you thinking about your own relationships in a new light." —NPR "Shocking...Achingly poetic...Sharp and beautiful as coral polyps...Armfield exercises an exquisite—even sadistic—sense of suspense." —Ron Charles, The Washington Post Leah is changed. A marine biologist, she left for a routine expedition months earlier, only this time her submarine sank to the sea floor. When she finally surfaces and returns home, her wife Miri knows that something is wrong. Barely eating and lost in her thoughts, Leah rotates between rooms in their apartment, running the taps morning and night. Whatever happened in that vessel, whatever it was they were supposed to be studying before they were stranded, Leah has carried part of it with her, onto dry land and into their home. As Miri searches for answers, desperate to understand what happened below the water, she must face the possibility that the woman she loves is slipping from her grasp. By turns elegiac and furious, wry and heartbreaking, *Our Wives Under the Sea* is an exploration of the unknowable depths within each of us, and the love that compels us nevertheless toward one another.

The Almost Wife Jossey-Bass

Due to fate, three years ago, in a difficult situation, a deal had changed her life and made her pregnant with the man's child. Three years had passed. Ren Jiya vowed confidently to Gu Yannan, "Give up. I will never fall in love with you again in this lifetime." Later on, Gu Yannan pulled off his tie and loosened his belt, "If you lose, you will have to pay the price. You won't be able to escape."

[Ask Amy](#) University of Pittsburgh Press

Seven days a week, year in and year out, Amy Dickinson has taken on life's greatest and smallest questions. Her readers ask her about their relationship dramas, parenting dilemmas, and workplace complaints, offering a glimpse into the everyday and offbeat struggles we all sometimes confront. Amy responds with bracing honesty and gentle humor, presenting clear-eyed solutions to sometimes confounding problems. Her insights—and the weekly look into the lives of strangers—have kept readers turning to her column for almost two decades now. *Ask Amy: Essential Wisdom* from America's Favorite Advice Columnist collects some of the most intriguing questions and incisive responses from the Ask Amy column. Have you ever wondered whether your spouse was having a phone affair? Or what you could do about obnoxious gym-goers, coworkers, siblings, and children? Maybe, maybe not—but either way, Amy's direct and no-nonsense thinking may help solve the problems you're facing, too. *Ask Amy* is an essential and entertaining collection of advice, written in the tone of a best friend who gives the hard truth and a comforting hand in troubled times. Her readers' questions may seem odd or unsolvable, but they're a reminder that we all have problems we might need a little help fixing.

The Millennial's Guide to Business Travel Transaction Publishers

Why tax law is not just a pocketbook issue but a reflection of what and whom we, as a society, value. Most of us think of tax as a pocketbook issue: how much we owe, how much we'll get back, how much we can deduct. In *Our Selfish Tax Laws*, Anthony Infanti takes a broader view, considering not just how taxes affect us individually but how the tax system reflects our culture and society. He finds that American tax laws validate and benefit those who already possess power and privilege while starkly reflecting the lines of difference and discrimination in American society based on race, ethnicity, socioeconomic class, gender, sexual orientation and gender identity, immigration status, and disability. Infanti argues that instead of focusing our tax reform discussions on which loopholes to close or which deductions to allow, we should consider how to make our tax system reflect

American ideals of inclusivity rather than institutionalizing exclusion. After describing the theoretical and intellectual underpinnings of his argument, Infanti offers two comparative case studies, examining the treatment of housing tax expenditures and the unit of taxation in the United States, Canada, France, and Spain to show how tax law reflects its social and cultural context. Then, drawing on his own work and that of other critical tax scholars, Infanti explains how the discourse surrounding tax reform masks the many ways that the American tax system rewards and reifies privilege. To counter this, Infanti urges us to work together to create a society with a tax system that respects and values all Americans.

The Normal Bar Temple University Press

No. Finance is not confusing. Finance is not boring. Finance is definitely not something you can ignore. Through simple examples, actionable points and practical insights, Sangeeta Shankaran Sumesh shows entrepreneurs what finance really is – the most valuable secret weapon of your business. From how to arrive at your pricing strategy to managing your cash flow and how you can maximize your profits, the book covers all aspects of finance. Using her two decades of experience in the industry, the author has also peppered the book with real-life stories of successful entrepreneurs – how they overcame their financial woes. What the Finance also gives the reader a glimpse of the challenges these entrepreneurs faced and how, in reflection, they see the value in learning about finance. A must-read for a smart entrepreneur, who sees the significance of understanding the language of finance. This is not a book for your accounts guy. It is carefully written for entrepreneurs to learn business finance in its entirety.

Fierce Marriage Harlequin

"Lady, when the clock strikes midnight, you're history! " To settle an old score, dark and brooding Tripp Calhoun needed a wife for the night. Amber Colton could light up a room in five seconds, and even though her high-society pedigree clashed with his rough-hewn upbringing, she fit the bill perfectly. But what began as a "business trip" soon gave way to an outpouring of pent-up desire and shared dreams. Never before had he let a woman close enough to touch his tormented soul. Would the hardheaded doctor, used to controlling his own destiny, allow his trophy wife to close the deal? *Women of the Upper Class* David C Cook

Problems such as flight delays, airport security stress, and the guilt of leaving loved ones at home are addressed in this book which offers solutions to these and many more concerns. Practical tips are provided on everything from packing to booking to traveling alone.

What's It Like to Be Married to Me? is about knowing the difference between having a desire for a better marriage and setting the goal of a better marriage—as readers look in the mirror to see how they can change. Bestselling author Linda Dillow understands that most women want more from their marriage but don't know how to get it. In *What's It Like to Be Married to Me?*, Dillow challenges readers to ask the riskiest questions: What is it like to be married to me? What is it like to make love with me? Why do I want to stay mad at you? Extremely intimate and honest, *What's It Like to Be Married to Me?* is not a book about marriage at all. It is a book about how to live out marriage, day-by-day and year-by-year, and watch who you become as a wife impact the intimacy in your marriage!

Our Wives Under the Sea Baker Books

The book is organized in Folklore Units. Each Folklore Unit has Context and may have one or more Metatexts with citations of works of great philosophers or writers; hence, the title of the book is Metafolklore. The book covers the life of immigrants from the USSR in the U.S., remembers life in Russia, and gradually concentrates on the modus operandi of the KGB, FBI, CIA, NYPD, NSA,

ECHELON, Foreign Intelligence Surveillance Court, AI, and ISI. It covers frontiers of legal theory of surveillance. What distinguishes this book is the intensely personal account of the events and issues. *Your Federal Income Tax for Individuals* Flatiron Books

Be As Successful at Home As You Are at Work So many professionals work non-stop to secure the next rung on the corporate ladder. Why then do they struggle to enjoy their success even at the peak of their career? According to entrepreneur Louis Upkins, by using a simple customer-service principle, you can learn how to be just as successful at home as you are at work. Fulfill your calling as a parent and spouse by treating those closest to you as well as you would treat your customers. Powerful stories and clear, practical teaching help leaders at every level reorder their priorities and bring their lives back into balance in this *Treat Me Like a Customer* eBook. You will learn: • How to balance the demands of work and home • What your loved ones really want • How to regain trust and build integrity • Why a good fight isn't the end of the world • How to protect your family from competition By applying these and other tactics explained by Upkins, you will reconnect with your family and experience the same success at home that you enjoy at work.

Income Tax Revision. Panel Discussions ... Zondervan

If you almost had everything that you wanted, how hard would you fight to protect it? Kira is engaged to the man of her dreams: he's charming, handsome, wealthy, and a great dad to their baby, Evie, and his thirteen-year-old daughter, Olive. Having grown up with a troubled relationship with her mother and mostly estranged from her father, Kira craves a close family and secure home, and with Aaron, Evie and Olive, she almost has it. The only problem is Aaron's ex-wife, Madison, who's out of control and trying to get to Olive. When Kira takes the girls out of town to her childhood summer home and finds out that Madison has followed them, she panics. Between the beach and the forest on Manitoulin Island, Kira fights to protect Olive, Evie and her fiancé, until a dark secret threatens to unravel the life that is almost hers. With the future she has built hanging in the balance, and her past haunting her at every turn, Kira must choose who to believe and who she wants to be. *Tax Cases Decided with Opinions by the Supreme Court of the United States* Harmony

During Soviet rule, the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny—a form of polygamy in which one man has multiple wives. Polygyny did continue under communism, though chiefly under concealment. In the decades since the fall of the Soviet Union, the practice has reemerged. Based on extensive fieldwork, Polygynous Marriages among the Kyrgyz argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice, but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union. Michele E. Commercio's analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender.

What's It Like to Be Married to Me? Notion Press

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

Keep Your Life, Family and Career Intact While Living Abroad Agate Publishing

Describes the problems business travel and relocation can cause one's family, and offers advice concerning communication, jealousy, infidelity, health care, and parenting

Rules for Deducting Travel, Entertainment and Gift Expenses Top Floor Books

This is an inspiring look into the deeper significance of travel. It reveals how traveling provides an ideal opportunity for personal change and the chance to take an inner journey and reflect on spiritual needs. Noted psychologist Jeffrey Kottler shows how to understand the reasons why we travel, to identify problems to deal with and goals to achieve on a trip, and to plan a journey that can inform, enlighten, and bring about life changes.

Tax Guide for Small Business HarperCollins

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death

sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life—or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way.

Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations. *On the Road Again* Fleming H. Revell Company

Although these women are economically and socially powerful, they are for the most part unliberated.

Plan Your Escape Silhouette

This book is designed for the next generation of road warrior: The Millennial. Business travel is different from personal travel. Your time is not your own. Your company wants you to travel quickly and always be productive, even though you fight rush hour traffic to the airport, stand in long security lines, eat crazy late dinners and are forced to figure out a plan B when your booked hotel is sold out. With the right planning and understanding of on the road encounters, a business trip can be as easy and fun as it is successful. Enjoy dozens of real life travel stories told from the perspective of fellow road warriors, plus a woman's perspective on travel challenges. Take a few lessons from seasoned travelers and don't make the typical rookie mistakes made by your peers. Michael Puldy, a seasoned business traveler, leverages his three decades of business travel, covering close to 3 million air miles, to provide an informative view on the mechanics of traveling for work. Learn how to zip through airport security and rest up at airport lounges; be aware of what to expect when traveling internationally; understand tricks to complete the dreaded expense report; learn the concept of situational awareness; and, many more travel concepts and tips. Read the entire book in less than half the time than it takes to fly from New York to Los Angeles.

Business Travel Success Createspace Independent Publishing Platform

Based on data obtained from nearly 100,000 respondents, here is the ultimate resource for anyone who wants to learn the relationship-tested ways couples can achieve satisfaction and contentment in areas such as communication, sex, affection, and financial cooperation. What constitutes "normal" behavior among happy couples? What steps you should take if that "normal" is one you want to strive for? To help answer those questions, wellness entrepreneur Chrisanna Northrup teamed with two of America's top sociologists, Yale Ph.D. Pepper Schwartz and Harvard Ph.D. James Witte, to design a unique interactive survey that would draw feedback from around the world. What has resulted is the clearest picture yet of how well couples are communicating, romancing each other, satisfying each other in the bedroom, sharing financial responsibilities, and staying faithful—or not. Since the Normal Bar survey methodology sorts for age and gender, racial and geographic differences and sexual preferences, the authors are able to reveal, for example, what happens to passion as we grow older, which gender wants what when it comes to sex, the factors that spur marital combat, how kids figure in, how being gay or bisexual turns out to be both different and the same, and—regardless of background— the tiny habits that drive partners absolutely batty. The book is dense with revelations, from the unexpected popularity of certain sexual positions, to the average number of times happy—and unhappy— couples kiss, to the prevalence of lying, to the surprising loyalty most men and women feel for their partner (even when in a deteriorating relationship), to the vivid and idiosyncratic ways individuals of different ages, genders and nationalities describe their "ideal romantic evening." Much more than a peek behind the relationship curtain, *The Normal Bar* offers readers an array of prescriptive tools that will help them establish a "new normal." Mindful of what keeps couples stuck in ruts, the book's authors suggest practical and life-changing ways to break cycles of disappointment and frustration.
