KEAGAN RANDALL

Moon Chicago Yale University Press

A fully illustrated guide to the Masonic origins and present-day Masonic sites of Washington, D.C. • Provides a walking tour of the Masonic sites and symbols of the city • Explores the critical role of Freemasonry in the founding of the United States • By the author of *The Templars and Assassins* In this guide to the Masonic underpinnings of America's capital, James Wasserman reveals the esoteric symbols and the spiritual and visionary ideas that lie hidden in the buildings, monuments, and physical layout of Washington, D.C. His walking tour of these Masonic sites includes both the expected and unexpected--from the Lincoln Memorial and the Capitol Building to the Federal Reserve complex, National Academy of Sciences, and the Library of Congress. Each location includes descriptions, interpretations, and explanations of the Masonic symbols and ritualistic meanings hidden within its structure, all illustrated with contemporary color and historic black-and-white photographs. Wasserman explains the purpose behind putting these symbols and Masonic designs into the capital and how all these monuments fit into the spiritual vision held by the founding fathers. He reveals the prominent role that Freemasonry played in the 18th-century Enlightenment movement and shows how in the New World of America, free of monarchy and aristocracy, the ideas of the Enlightenment were able to flourish. This illustrated guidebook to the Masonic secrets of Washington, D.C., provides valuable insights on the founding of America. It will be welcomed by students of esoteric art and symbolism, admirers of American history,

and devotees of Dan Brown novels and National Treasure movies.

Georgetown Arcadia Publishing

Monumental in scope and vividly detailed, *Chocolate City* tells the tumultuous, four-century story of race and democracy in our nation's capital. Emblematic of the ongoing tensions between America's expansive democratic promises and its enduring racial realities, Washington often has served as a national battleground for contentious issues, including slavery, segregation, civil rights, the drug war, and gentrification. But D.C. is more than just a seat of government, and authors Chris Myers Asch and George Derek Musgrove also highlight the city's rich history of local activism as Washingtonians of all races have struggled to make their voices heard in an undemocratic city where residents lack full political rights. Tracing D.C.'s massive transformations--from a sparsely inhabited plantation society into a diverse metropolis, from a center of the slave trade to the nation's first black-majority city, from "Chocolate City" to "Latte City"--Asch and Musgrove offer an engaging narrative peppered with unforgettable characters, a history of deep racial division but also one of hope, resilience, and interracial cooperation.

A laugh-out-loud mystery that's out of this world... Men in Black. Conspiracy-crazed old ladies. Can a clueless innkeeper catch a killer ... and stick to her carefully crafted schedule? When control-freak Susan Witsend inherits her grandmother's UFO-themed B&B, she's ready to put her organizational

skills to the test. She knows she can make the B&B work, even if there is a faux-UFO in the roof. After all, what's not to love about a Victorian nestled in the high Sierra foothills? But none of her carefully crafted policies and procedures can prepare her for a corpse in room seven – the body of her small-town sheriff's ex-husband. Good thing Susan has her own plans to solve the crime. Is there a government conspiracy afoot? Or is the murder a simple case of small-town vengeance? Susan must keep all her wits about her. Because the killer isn't finished, and if she isn't careful, her fate may be written in the stars... At Wits' End is book one in the Wits' End mystery series. Get cozy and beam up this hilarious mystery today!

The Social Security Administration (SSA) uses a screening tool called the Listing of Impairments to identify claimants who are so severely impaired that they cannot work at all and thus immediately qualify for benefits. In this report, the IOM makes several recommendations for improving SSA's capacity to determine disability benefits more quickly and efficiently using the Listings.

If you like to venture into a new city on your own, this walking guide will help you do just that. In this handy book, Krysti Brice shares her expertise and knowledge of Prague in this self-guided tour of Old Town, one of the most historical parts of the city. Home to a large concentration of Prague's most famous landmarks, such as the Astronomical Clock and the Powder Tower, Old Town is probably the area of Prague that you want to put at the top of your sightseeing list. Krysti also adds a personal touch to what you'll see as you make your way through Prague's cobbled medieval streets. From the Romanesque to Gothic to Baroque and beyond, this walk winds a path through the Old Town's unique history and beauty. A student of art and Czech history and a resident of Prague for two decades, Krysti is also the author of the popular "Prague Travel Tips: An American's Guide to Her Adopted City" and "Prague Self-Guided Walks: The Lesser Quarter."

[The Dolley Madison House](#) New Press, The

The area now known as Georgetown was once a central meeting place for nearly 40 Native American tribes situated between the Atlantic Ocean and the Potomac River. It was inevitable that the very rivers that served these native people would attract the first European settlers to the region, settlers who established Georgetown as a bustling port and key commercial center. In 1791, George Washington fixed the small community's enduring importance by including it in the plans for the new Federal City. Taking you down cobblestone streets, Historic Georgetown: A Walking Tour includes local sites associated with such historic figures as John F. and Jacqueline Kennedy, Alexander Graham Bell, Francis Scott Key, and Victorian novelist E.D.E.N. Southworth. Enjoy the eighteenth- and nineteenth-century charms of Georgetown's architecture as you visit private homes, businesses, and social establishments. Climb the stairs on which the climatic scene of William Peter Blatty's *The Exorcist* took place!

Look Up, America! 40 Urban Hikes in the Northeast Corridor Arcadia Publishing

There is no better way to see America than on foot. And there is no better way to appreciate what you are looking at than with a self-guided walking tour available in LOOK UP, AMERICA! 40 URBAN HIKES IN THE NORTHEAST CORRIDOR (ISBN: 9780982575437; 320 pages; \$14.95). An urban hike can be many things. Interested in heritage tourism? Looking for an educational day trip for the kids? Need a fun exercise plan? Want to find subjects to take great pictures? Whether you are visiting a new town or just out to look at your own town in a new way, an urban hike from walkthetown.com is ready to explore when you are. Each of the 40 walking tours from Boston, New York City, Philadelphia, Baltimore, and Washington, D.C. in LOOK UP, AMERICA! describes a mix of historical, architectural, cultural and ecclesiastical landmarks. Street addresses and step-by-step directions lead the way. A quick primer on identifying architectural styles seen on America's streets is included. Series author Doug Gelbert has written over 30 guidebooks on such diverse topics as public golf courses, the Civil War, movie filming locations and the best places to hike with your dog. Cruden Bay Books has been publishing guidebooks since 1998 in the A BARK IN THE PARK series, the DOGGIN' AMERICA series and now the LOOK UP, AMERICA! series. So look twice before crossing the street and get out and look up, America!

Washington, D.C. is a wonderful city to explore, and most of the sights are free! Using this book, you can make the most effective and efficient use of your time, see all the major sights, and have some options for great experiences, dining choices, and hotels recommendations in a number of price ranges. All of the must-see sights and some special experiences are recommended. Descriptions and website information are included to help you make choices that will make your trip perfect for YOU!The book's chapters are organized by complete days of sightseeing suggestions covering the major attractions over the course of several days. Geographically close sites are listed on the same days, so you will spend less time getting from place to place. Walking directions and/or metro directions from each recommended hotel are provided following the recommended itineraries. The

suggested dining and entertainment options are grouped near the recommended sights. Feel free to move the days around, but it is suggested that you keep the recommended sights per day together in order avoid having to spend time getting around to sights that are not close together. Times are suggested for various activities in order to provide the best opportunities to maximize viewing around opening and closing times, taking into account typical crowd sizes, and in order to schedule the recommended meals and tours. In this new, expanded edition of the book, a reference section listing key sights in alphabetical order has been added for quick access to descriptive and website information. Each sight is listed by page number in the Table of Contents. If you have the Kindle version of the book, just click on the name of the each sight in the Table of Contents to quickly view the details about each sight.Also, in this new edition, a chapter has been added about the Museum of the Bible that opened in late 2017. If you wish to visit this museum, plan to visit on the day you will visit the Smithsonian National Air and Space Museum on the National Mall or the United States Capitol, since it is near these areas. Sights included are: Air and Space Museum in Washington, DC; Air and Space Museum in Virginia; Air Force Memorial; Arlington Cemetery; Capitol; Holocaust Museum; Jefferson Memorial; Martin Luther King, Jr. Memorial; Lincoln Memorial; Museum of the Bible; National Archives Museum (Declaration of Independence, Bill of Rights, U.S. Constitution); National Gallery of Art; National Museum of African American History and Culture; National Museum of American History; National Museum of Natural History; Pentagon 9/11 Memorial; Franklin Delano Roosevelt Memorial; Vietnam Veterans Memorial; Washington Monument; The White House; and World War II Memorial.

100 Things to Do in America Before You Die is a fun guide to understanding the complex fabric of the United States and the people that call it home. This book isn't simply a listing of places to visit but a catalogue of uniquely American experiences. From sipping on southern sweet tea to standing where the Wright Brothers tested their first "flying machine", each experience makes up an important piece of our American story. You'll find an enlightening mix of history, entertainment, art, food, sports, and even places to cross off your "selfie" bucket list. As an added bonus, you'll also find amusing trivia questions on every page. Most important of all, 100 Things to Do in America Before You Die was written to inspire road trips across the country. Mountains, museums, fried chicken, small towns, and yes, even the world's tallest mailbox—they all await you. Buckle up. It's going to be a fun ride.

The Isabella Stewart Gardner Museum Wilderness Press

Guidebook to walking the Cotswold Way National Trail between Chipping Campden and Bath, across the Cotswolds AONB - which includes both a guide to the route and a separate mapping booklet. The 102 mile (163km) route is described in both directions over 13 stages, of between 6 and 10 miles, depending on the existence of overnight accommodation. Camping options are sparse along the route. This guidebook is illustrated with maps and the author's own full-colour photographs. The stage-by-stage route description is accompanied by overview maps at a scale of 1:100,000 (1cm to

1 mile). A more detailed map of the Way is supplied in booklet form, at a scale of 1:25,000, slid into the back of the book. The Cotswold Way became a National Trail in May 2007, despite having been a much-loved walking route for more than 35 years. It follows the Cotswold escarpment, with dramatic and far-reaching views across the Severn Vale towards the Welsh hills, plunging down to visit honey-coloured villages, old market towns and the elegant and historic city of Bath.

Plan and Enjoy Self-Guided Inn-to-Inn Hikes Leave the car behind, and go on a multiday hiking adventure in Northern California. Cross the Sierra in the footsteps of pioneers, staying in cabins beside clear mountain lakes. Take a romantic stroll along the beautiful Mendocino Coast, and sample gourmet cuisine at inns overlooking the Pacific Ocean. Explore the hydrothermal landscapes in Lassen Volcanic National Park, where you can relax with a muscle-soothing soak in hot springs. Walkabout Northern California gives you the information you need to create a wilderness vacation that lets you end each day with a comfortable bed, a great meal, and perhaps even a hot tub. This fully updated, full-color edition describes 14 walks (or walkabouts) in the wilds of Northern California: along the Pacific Coast, through the Sierra Nevada Mountains, in the Cascades, and around the parklands of the San Francisco Bay. Each entry includes all the necessary details to create a memorable and invigorating vacation—with a map, mile-by-mile details of the route, logistical tips on places to stay and eat, and inspirational ideas to simplify your travel and reconnect with nature's rhythm. Some hikes can take a week, but many can be enjoyed in a weekend. Some are challenging, but many are perfect for the casual hiker. With a light day pack and a few reservations, you can travel for days along California's breathtaking coastline or over its vast mountain ranges. Follow author Tom Courtney on a northern California walkabout, so you can create a human-powered vacation in wilderness and in comfort.
