Xlibris Corporation  
Clips in Time is filled with true events of a woman's journey through life. A small-town girl, an identical twin, faces unexpected, dramatic challenges, yet perseveres through teen pregnancy and marriage, to having a successful career, to becoming homeless and learning to get back to the basics of life, eventually leading to a life as a writer, a mountaineer, and a teacher. It is a collection of organic essays and emotional poetry that will make you laugh and cry out loud.

**The Nanny Book** Ibukku LLC

Tackle Your First 90 Days of Sobriety With Ease This impactful book will answer all of your questions about what to expect when you first get sober, so you can find success on this journey and ease in its process. Courtney Andersen is a sober coach who has walked the path of recovery for over a decade. In a series of insightful essays, she details what the first three months of sobriety look like and supports you as

the process unfolds with expert advice and first-hand knowledge, so you can stick to your goal of not drinking. Each section also has guided journal prompts that you can answer right in the pages of this book, which help you stay accountable during your first 90 days. You'll delve into topics like detox and withdrawal, creating new boundaries, setting routines that don't center around alcohol, how to have fun in your new sober life and making a long-term plan for sobriety. Best of all, Courtney takes a refreshing, no B.S. approach to this subject—she tackles why AA might be off-putting, how grieving your old drinking life is okay, and what to do when conflicting thoughts like, "How can I have sex without alcohol?" arise. Sober Vibes, and the journal prompts that goes along with it, will support and guide as you begin the most important journey you'll ever take. Get ready to quit alcohol for good, change your life for the better and usher in a healthier, more conscious lifestyle. *Clips in Time* Bookouture REVISED with NEW COVER!! My rules were created so I'd have

control and be able to remove any and all elements of emotion when it comes to men — when it comes to relationships, period. There's no need to let them in my heart, just in my pants for the night to satisfy my itch. Temptation reared its ugly head and won— I've broken a rule — one of my rules. No big deal, right? Then, why do I want to do it again? It's just sex. Yes. It's just sex, that's all. As long as Joe knows that it's just sex, I don't mind bending the rules. Will Emma continue to allow her fear of loss to control her life, or does love play by its own set of rules? Please note: There are sexually explicit scenes F/M and F/F/M This book is NOT a standalone and is meant to be read after reading the first book Breathe In of the Just Breathe series.

### **Working with Substance Users**

Routledge  
Journey with a Boomer couple accepting the mission of caring for one parent with dementia, only to end up with two parents with dementia, mixed with a healthy blend of OCD, paranoia, and Parkinson's. The intense darkness of such a dynamic at times also

makes for a releasing humor. Poignant stories tell the tales, while the focus remains on how, when the Teacher designs the syllabus, the classroom experience will reach the heart. Over 30 humbling lessons (most in hindsight) about mission, mercy, faith, fatigue, keys and cars, time, toothpaste, amazement, awe, earthsuits, and more are set into an eternal perspective. What was the most humbling lesson of all? Come along with Rick and Martha and discover the most important one for yourself. Aging certainly has its problems. We lose lots of things like teeth, sight, hearing, knees, hips, and sleep to name a few. However, the costliest loss of all is our memory. Caregivers and family members must take the time to read 'When Camels Slide Down Doors...' It will come to be your manual, your friend, your source of inspiration and encouragement. Your relationship with God and each family member will be enriched. DR. HANS E. JOSEPHSEN, DMin, ThD, PhD. Christian Counselor The Traders' seven-year journey through the many stages of caring for their elderly parents and their passage through dementia is a lesson in

life, love, and faith. The narrative of Ann and Winston's story rivals the tellings of Philip Roth. When you infuse such a heartfelt tale with scriptural passages and the calling to ministry that Rick and Martha embody, you are presented with a rare and unique book that will change the way you view the challenges life presents. I heartily endorse 'When Camels Slide Down Doors...' MICHAEL J READINGER, President & CEO, The Council for Health & Human Service Ministries, United Church of Christ True to life, 'When Camels Slide Down Doors...' recounts the creative ways the authors overcame barriers without losing heart, their senses of humor, and most of all their faith in God. This excellent story will prepare readers for the progression through the disease process, as well as the spiritual growth that it fosters in those who care for these loved ones. DR. NINA BEAMAN, EdD, MSN, RN, Dean of Nursing, Author As a professional who trains chaplains, therapists, and caregivers, I enjoyed reading 'Camels...' It is a delightful, at times emotional, personal read which will leave you

laughing, sometimes on the edge of tears, and always ready to turn the page. DR. DOUG DICKENS, Professor of Pastoral Care and Counseling, Gardner-Webb University/School of Divinity

**No Justice: The Complete Series (A Dark Vigilante Thriller Series)** Simon and Schuster

Meet Roy Held in this beautiful coming of age novel set in the hectic wartime era of 1917. As a student at Indiana University, Roy and his fellow classmates face the challenges of family, career, romance, and the imminent threat of military service as the United States joins World War I. Roy encounters the love of his life, Pearl Hoffman. But looming danger of war overseas and a much closer draw of a femme fatale, Rose of Sharon, push him to face choices that shape his destiny, defining his character. Meanwhile, Pearl is thrust into establishing herself in a male-dominated career as she waits for Roy to come home; she must fight to make her way as a strong-willed, smart "modern" in the pre- women's suffrage epoch. This story captures rollicking university life,

tender love, the brutality of war, espionage, French and American history including a Pottawatomie sage in this clever and sweeping story of one man's struggle to find himself.

Records & Briefs Roland Bind

Hiring a nanny--and getting along with her afterward--may be one of the most important things that parents do, yet many of us approach the whole business with fear and trembling, or at least a lot of questions. Even parents who may manage dozens of employees at work can be at a loss when it comes to dealing with the person who will be looking after their children. Nanny, au pair, caregiver--no matter the term, the thorny issues remain the same: -How do you find someone you like and trust? -Should you invite the nanny to Thanksgiving dinner? -When should you raise her fee--and by how much? -What should you do when the au pair is a flirt? -How do you sort out the laundry and other chores? -Nanny surveillance--should you spy? The Nanny Book provides real, down-to-earth solutions for almost every conceivable issue or problem. Filled with

advice gleaned through interviews with families and nannies, this book will turn parents into their own experts. Other books focus almost exclusively on hiring a caregiver. The Nanny Book is the only guide that gives smart, parent-tested solutions to those sticky situations that can make or break the relationship.

*Guilty Youth* iUniverse  
Social care and health professionals encounter people with drug and alcohol problems on a daily basis, but many feel ill-equipped to respond. Although people working across different professions will approach substance users from various perspectives, the knowledge and skills needed to intervene effectively are the same for all. With a strong emphasis on the core skills needed for practice, this up-to-date and accessible text provides a complete guide to working with substance users and their relatives. It covers the nature of problematic use and introduces theories as to why people experience substance problems and why people change. The book moves on to examine a number of effective interventions and how they can be

applied, including assessment and care planning, pharmacological treatments and cognitive behavioural therapy. Distinctively, in addition to chapters on working with specific groups such as adolescents and involuntary service users, it also addresses the implications of parental problems for children and explores ways of helping adults affected by a relative's substance use. Supported throughout by case examples and activities to help apply theories and concepts to practice, this comprehensive text equips readers with the knowledge and skills needed to work with substance users.

**The State of the Prisons - 200 Years On**  
Ballantine Books

An unsung American heroine, Dolores a nurse in surgery is betrayed by her own kind: doctors! The first one, a gynecologist, keeps her waiting for 3 months before he does a D & C, and by way of a biopsy, finds out she has cervical cancer. At first he is going to do a radical hysterectomy, changes his mind, and dumps her on a radiologist with a non-existent Stage IC diagnosis report. The radiologist, not knowing

his Merck Manual too well, convinces her that radiology is as effective as a hysterectomy operation for any Stage I cervical cancer. A year later, the cancer had metastasized. She receives chemotherapy and becomes very religious. The tumors disappear and she believes she is healed. However, three months later her health deteriorates, again. The husband and Dolores meet a lady cured of lung cancer by a strict metabolic diet and Laetrile pills. This happens while he is on a 3 month tour of duty assignment at Fort Hood, Texas as a civilian engineer for the US Army Tank-Automotive Command. On her advice and a talk with the doctor in Mexico they take a chance to cure Dolores with a trip to Clinica Cydel in Tijuana. After a few days of Laetrile treatment, but inability to hold down food, Dolores collapses and she is hospitalized at Dr. Contreras Hospital del Mar. She is put on a plane from San Diego to Detroit 3 weeks later, but rapidly breaks down in health. Her last day out, she attends a faithful Christian service conducted by evangelist Nora Lam. Dolores expires 4 months

later.  
*LTGLB 2012* T. Evans  
*In Rehearsal* is a clear and accessible how-to approach to the rehearsal process. Author Gary Sloan brings more than thirty years' worth of acting experience to bear on the question of how to rehearse both as an individual actor and as part of the team of professionals that underpins any successful production. Interviews with acclaimed actors, directors, playwrights, and designers share a wealth of knowledge on dynamic collaboration. The book is divided in to three main stages, helping the reader to refine their craft in as straightforward and accessible manner as possible: In the world: A flexible rehearsal program that can be employed daily, as well as over a typical four week production rehearsal. In the room: Advice on working independently and productively with other members of a company, such as directors, playwrights, designers and technical crew; how your personal creative process varies depending on the role, be it Shakespeare, musicals, film, television or understudying. On your

own: Creating your own rehearsal process, exploring original and famous rehearsal techniques, breaking through actor's block and how to practice every day. *In Rehearsal* breaks down the rehearsal process from the actor's perspective and equips its reader with the tools to become a generous and resourceful performer both inside and outside the studio. Its independent, creative and daily rehearsal techniques are essential for any modern actor.  
*Green Bear High School*  
 iUniverse  
 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need

to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager*  
 "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review)  
 "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I

am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*  
 "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Going Solo** WestBow Press  
 I was disappointed when I finished the book. Yes, it was that good! —Marie Jackson  
 Masters in Education I read the entire book in two days. It was one of those books you don't want to put down. —Diane Jacobs  
 Masters in Education This is the true life story of a young man stricken with extreme mental illness. At the age of twenty and in the blink of an eye he was possessed. The year was 1980 and mental illness

was not viewed with the compassion, nor the respect that it is today. In fact it was taboo, mortifying and never a thing you'd share even with the best of friends. An all American runner and eventual MMA athlete, two time college graduate and yet paralyzed with fear day in and day out. This is the inside story that pulls no punches of the brutality and the consequences of living with this wicked affliction.

*Decisions and Orders of the National Labor Relations Board*  
 iUniverse  
 Randy Brown a junior in high school finds himself going to school in San Francisco, California after living in Texas. He lives in a house right across from the beach by himself. His father is an entrepreneur who owns a manufacturing plant in China where he spends most of his time. Going to a new school is always a challenge for any student but being 6 foot six made it even more trying because he stood out.  
 Green Bear High School is a green high tech technology school. The students come from wealthy families and are rejects from other schools. Randy comes to the school creating

several problems for the students and faculty by challenging the status quo of clicks. Being very intelligent he ends up sitting and associating with the geeks in the school. With his athletic abilities the elite athletes in the school challenge him trying to figure out why he hangs out with the geek squad. With his good looks and athletic body he attracts Rachel whose family is very wealthy.

**Minimalist Living: 2 in 1: The Joy Of Simplifying Your Life With Minimalism And Inner Simplicity:**  
Bloomsbury Publishing  
Interchange Fourth Edition is a fully revised edition of Interchange, the world's most successful series for adult and young-adult learners of North American English. The course has been revised to reflect the most recent approaches to language teaching and learning. It remains the innovative series teachers and students have grown to love, while incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, grammar practice, and opportunities to develop speaking and listening skills.

Interchange Fourth Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar, functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it's used for meaningful communication.

Triple H Making the Game

Roland Bind

In 1777 John Howard wrote *The State of the Prisons in England and Wales, with Preliminary Observations and an Account of Some Foreign Prisons*. Two centuries later, this extraordinary document commemorates his achievements in campaigning for reform. In the spirit of Howard himself, the Howard League for Penal Reform have compiled detailed observations of prisons from Sweden to South Africa, and from India to Nicaragua. The result is a valuable resource which includes unique insights into previously undocumented prison regimes.

*The Science of Scrounging*  
Whether readers are dumpster divers, estate sale addicts or modern archaeologists, this easy-to-use and informative guide to "picking" is guaranteed to improve their antiquing skills. The Picker's Bible provides great tips on where and how to find antiques for the best price. A fun and quick read, the book explains the ins and outs of negotiating price, things to avoid, secrets to success, and how to do it all better than the other guy. There is hidden treasure out there...Picker's Bible will help you find it!

Shaw Springer Science & Business Media

The restoration of a majestic old home provides the exhilarating backdrop for Danielle Steel's 66th bestselling novel, the story of a young woman's dream, an old man's gift, and the surprises that await us behind every closed door.... Perched on a hill

overlooking San Francisco, the house was magnificent, built in 1923 by a wealthy man for the woman he adored. For her and for this house, he would spare no expense and overlook no detail, from the endless marble floors to the glittering chandeliers. Almost a century later, with the once-grand house now in disrepair, a young woman walks through its empty rooms. Sarah Anderson, a perfectly sensible estate lawyer, is about to do something utterly out of character. An elderly client has died and left her two gifts. One is a generous inheritance. The other, a priceless message: to use his money for something wonderful, something daring. And in this old house, surrounded by crumbling grandeur, Sarah knows just what it is. A respected attorney and self-described workaholic, Sarah had always lived life by the book. With a steady, if sputtering, relationship and a tiny apartment that has suited her just fine, Sarah cannot explain the force that draws her to the mansion and its history—to the story of a woman who once lived in the house, then mysteriously left it, to a

child who grew up there, and a drama that unfolded in war-torn France...and to a history she never knew she had. Taking the biggest risk of her life, Sarah enlists the help of architect Jeff Parker, who shares Sarah's passion for bringing the exquisite old house back to life. As she and Jeff work to restore the home's every detail, as one relationship shatters and another begins, Sarah makes a series of powerful discoveries: about the true meaning of a dying man's last gift...about the extraordinary legacies that are passed from generation to generation...and about a future she's only just beginning to imagine. In a novel of daring and hope, of embracing life and taking chances, Danielle Steel brilliantly captures one woman's courageous choice to pour herself into a dream—and receive its gifts in return.

*Breathe Out (Just Breathe #2)* One Weekend Only  
In April of 2017, Jayden M. Semotan's life changed greatly. After learning his mom was being deployed for more than six months, he had so many questions. Would she die? Would she go to war? As a nine-year-old boy, he

didn't know how to handle his feelings. Having his mom deployed was very different than having his dad go. *A Green Light for Mom* chronicles his journey of emotions, frustrations, and struggles as he survives the challenges of a parent's deployment. Jayden tells how he experienced significant life events without having his mom to share them with, like his first double-digit birthday, travels to Florida with only his dad, graduating from fourth grade, and all the ups and downs of his sports involvement. Jayden also shares how he and his dad had an opportunity to travel to the other side of the world to see his mom. In the end, Jayden realizes he can overcome tough times. He learns that true strength comes from family.

Wednesday Ink, LLC

This book outlines an evidence based, twenty-four session group program created for adult clients with coexisting substance use disorders and the persistent problems of aggressiveness, breaking rules and laws, carelessness, dishonesty, impulsivity, indifference, irresponsibility and

irritability. Designed by the author to help prevent relapse and rearrest of parolees and probationers at a community mental health center in 1986, the techniques of this group treatment include sociometry, sociodrama and social goal setting.
