*A Gentleman Gets Dressed Up* is not a book about style—it is a book about the rules—rules that will allow any man to feel more comfortable in the choices he makes about what he wears. Let's get one thing straight. Clothes do not make the man . . . but they do make a difference. And regardless of whether we like the idea of appearances driving impressions, a man's exterior often is perceived as an indicator of what's happening on the interior. Fortunately, tasteful and appropriate dressing doesn't require inordinate amounts of time or money. Any man can hit the door in fine shape with only a little forethought and a bit of attention to a few guidelines. Never mind the heady cologne and designer labels. With a navy blazer, a good bar of soap, and a regular haircut regimen, he'll be well on his way to becoming the guy who knows exactly how to suit up, regardless of the occasion. Most important, *A Gentleman Gets Dressed Up* illustrates how a man's

natural confidence and personality are the best foundation for any wardrobe.

A celebration of clothing in bright, beautiful photographs of exuberant and diverse children from around the world, WHAT WE

WEAR: DRESSING UP AROUND THE WORLD inspires young readers to explore the way clothing makes them feel and how it tells the world who they are. What we wear can identify who we are: what team we play for or what team we root for, where we go to school, how we worship, or how we represent our heritage. What we wear expresses our individuality, and clothes can make us happy, confident, and proud. Whether it's a piper in a tartan plaid, a cowpoke in a cowboy hat, or a novice in ceremonial face paint, children everywhere wear different clothes and accessories for different reasons. But, one thing they all have in common is that they are all unique and beautiful. Backmatter encourages young readers to explore the way people dress in other countries and other cultures at folk festivals, at museums, and at home by asking about their own family heritage.

An eye-opening and richly illustrated journey through the clothes worn by artists, and what they reveal to us. From Yves Klein's spotless tailoring to the kaleidoscopic costumes of Yayoi Kusama and Cindy Sherman, from Andy Warhol's denim to Martine Syms's joy in dressing, the clothes worn by artists are tools of expression, storytelling, resistance, and creativity. In *What Artists Wear*, fashion critic and art curator Charlie Porter guides us through the wardrobes of modern artists: in the studio, in performance, at work or at play. For Porter, clothing is a way in: the wild paint-splatters on Jean-Michel Basquiat's designer clothing, Joseph Beuys's shamanistic felt hat, or the functional workwear that defined Agnes Martin's life of spiritual labor. As Porter roams widely from Georgia O'Keeffe's tailoring to David Hockney's bold color blocking to Sondra Perry's intentional casual wear, he weaves his own perceptive analyses with original interviews and contributions from artists and their families and friends. Part love letter, part guide to chic, with more than 300 images, *What*

*Artists Wear* offers a new way of understanding art, combined with a dynamic approach to the clothes we all wear. The result is a radical, gleeful inspiration to see each outfit as a canvas on which to convey an identity or challenge the status quo.
