"Lucid, accessible"

research on classroom  
 language bias for  
 educators and "parents  
 concerned about  
 questions of power and  
 control in public schools"  
 (Publishers Weekly). In  
 this collection of twelve

essays, MacArthur Fellow  
 Lisa Delpit and Kent State  
 University Associate

Professor Joanne Kilgour  
 Dowdy take a critical look  
 at the issues of language  
 and dialect in the  
 education system. The  
*Skin That We Speak*  
 moves beyond the highly  
 charged war of idioms to  
 present teachers and  
 parents with a thoughtful  
 exploration of the  
 varieties of English  
 spoken today. At a time  
 when children who don't  
 speak formal English are  
 written off in our schools,  
 and when the class- and  
 race-biased language  
 used to describe those  
 children determines their  
 fate, *The Skin That We*  
*Speak* offers a cutting-  
 edge look at this all-  
 important aspect of  
 education. Including  
 groundbreaking work by  
 Herbert Kohl, Gloria J.  
 Ladson-Billings, and  
 Victoria Purcell-Gates, as  
 well as classic texts by  
 Geneva Smitherman and  
 Asa Hilliard, this volume  
 of writing is what Black  
 Issues Book Review calls  
 "an essential text." "The  
 book is aimed at helping  
 educators learn to make  
 use of cultural differences  
 apparent in language to  
 educate children, but its  
 content guarantees  
 broader appeal."

—Booklist "An honest,

much-needed look at one  
 of the most crucial issues  
 in education today."

—Jackson Advocate

Derek will rip Caleb's  
 heart out the moment he  
 lays eyes on him for what  
 he's done. Rose is  
 convinced that the  
 vampire is innocent. But  
 my daughter has been  
 fooled. Nobody but Caleb  
 could have stolen away  
 our dear friend. I gaze out  
 at the dark waters rushing  
 past us in the submarine,  
 as we speed closer and  
 closer toward our  
 destination...

 America in 2105 is beset with mass inequality, poverty and increasingly large numbers of the poor. A fractured America ushers in an authoritarian government that promises to solve these problems by redistributing children born to the poor to be adopted by the rich. Robin, a single teen mother, fell within the scope of the scheme and lost her baby two years ago. A life of factory work doesn't provide much hope until she stumbles upon a group of misfits who share her frustrations and desire for change. In a world where we have government of the rich by the rich for the rich, one girl decides to fight back.
