### **GOODMAN DORSEY**

Fugitive Pedagogy John Wiley & Sons

Sir Francis Walsingham's official title was principal secretary to Queen Elizabeth I, but in fact this pious, tight-lipped Puritan was England's first spymaster. A ruthless, fiercely loyal civil servant, Walsingham worked brilliantly behind the scenes to foil Elizabeth's rival Mary Queen of Scots and outwit Catholic Spain and France, which had arrayed their forces behind her. Though he cut an incongruous figure in Elizabeth's worldly court, Walsingham managed to win the trust of key players like William Cecil and the Earl of Leicester before launching his own secret campaign against the queen's enemies. Covert operations were Walsingham's genius; he pioneered techniques for exploiting double agents, spreading disinformation, and deciphering codes with the latest code-breaking science that remain staples of international espionage.

During the most dangerous years of the Cold War, a handful of Americans secretly built machines

that revolutionized spying and warfare while protecting the United States from a surprise nuclear attack. This is their story, told in full for the first time. of photos.

**Christianity on Trial** Crossway

Now in its third edition and featuring a new foreword by New York Times best-selling author David Platt, pastor Mark Dever's classic book is not an instruction manual for church growth. Rather, it is a wise pastor's recommendation for how to assess the health of a church using nine crucial qualities often neglected by many of today's congregations. Church leaders and church members alike will resonate with the principles outlined here, breathing new life and health into the church at large. In this newly revised edition, fresh arguments have been added (for example on expositional preaching, about the nature of the gospel, on complementarianism), illustrations have been updated, appendices have been changed, and cover has been improved.

*Married People* National Academies Press

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these

things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

**Get Out of Your Head Bible Study Leader's Guide** Penguin

This volume of essays is dedicated to Professor Ralph Martin of the University of Sheffield, formerly

Director of the Graduate Studies Program at Fuller Theological Seminary, widely known for his incisive and disciplined scholarship on the New Testament. The editors called on associates from his various teaching posts, former students, and colleagues in the field for these original essays, the range of which reflects Professor Martin's own broad interests in New Testament studies, worship and ministry. Contributors to the volume are: Ernest Best, Colin Brown, James Dunn, E. Earle Ellis, Donald Guthrie, Donald Hagner, Gerald Hawthorne, Colin Kruse, Andrew Lincoln, I. Howard Marshall, Leon Morris, Peter T. O'Brien, Terence Paige, Eduard Schweizer, Graham Stanton, Marianne Meyer Thompson and Michael J. Wilkins, with a curriculum vitae and reminiscences supplied by Lynn A. Losie and Leslie Allen.

#### **The Curse** B&H Publishing Group

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds—Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Simon and Schuster

A congresswoman and her son reveal how he survived a ten-year battle with opioid abuse—and what their family's journey to recovery can teach us about finding hope amid the unspeakable. "Beautiful and inspiring."—Maria Shriver's Sunday Paper (Book of the Week) When Madeleine Dean discovered that her son Harry was stealing from the family to feed a painkiller addiction, she was days away from taking the biggest risk of her life: running for statewide office in Pennsylvania. For years, she had sensed something was wrong. Harry was losing weight and losing friends. He had lost the brightness in his eyes and voice, changing from a young boy with boundless enthusiasm to a shadow of himself, chasing something she could not see. Now her worst fears had come to light. Under Our Roof is the story of a national crisis suffered in the intimacy of so many homes, told with incredible candor through the dual perspectives of a mother rising in politics and a son living a double life, afraid of what might happen if his secret is exposed. In this honest, bracing, yet ultimately uplifting memoir, they discuss the patterns of a family dealing with an unspoken disease, the fear that keeps addicts hiding in shame, and the moments of honesty, faith, and personal insight that led to Harry's recovery. In a country searching for answers to the devastating effects of opioids and drug abuse, Under Our Roof is a ray of hope in the darkness. It is not only a love story between mother and son but also an honest account of a pressing national crisis by a family poised to make a difference.

*A Weed in the Church* InterVarsity Press

How's your US? You and your spouse are unique. There has never been another "us" just like the two of you. You may be thinking, Ah, we are like a marital snowflake; how romantic. Or maybe you're thinking, Thank God there isn't another couple like us, because we are a hot mess! No matter where you currently find your US, you can experience more moments of awesome and fewer moments of awful. And it's easier than you think. Your US can become more. Not some cookie cutter, clone version of someone else's marriage, but the best version of your US. Through humor, transparency, biblical wisdom, research, and a massive amount of practicality, Ted Lowe guides you through four, doable, easy-to-understand habits that will help you become your best us. Your Best Us is for anyone who wants a better marriage but feels overwhelmed by too many marriage books, blogs, and experts, especially those that make marriage harder than it has to be.

"Steadfast" a new bible study from The Gospel Coalition .

*Your Best Us* Da Capo Press

The goal of this book is to help you create your own marking system that's easy to use. If you've tried other inductive study methods and found them too tedious then this book is for you. This book will show you how to mark your Bible with a simple, easy to remember method that will help you grow deeper in God's Word. Bible marking is an effective inductive method of Bible study. It can be simple or complex. It can be confusing or systematic. It can be haphazard or methodical. To get the most out of Bible marking it is best to be systematic and methodical, but it doesn't have to be complex. Many Christians want to mark in their Bibles but they're not sure how to mark and what to use. This marking guide will teach you: \*Bible marking for deeper Bible study \*What marking tools to use for writing in your Bible \*12 marking techniques \*20 things to mark \*How to develop your own color code \*How to develop your own symbols

*Culinary Artistry* Wm. B. Eerdmans Publishing

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

*Worship, Theology and Ministry in the Early Church* Random House

No function of the pastor is as visible and stress inducing as preaching. But few pastors feel adequately prepared for this high-stakes responsibility when they begin their ministries. Forged by her experiences as a pastor, preaching professor and college chaplain, Mary Hulst provides practical tips for all pastors, whether ministry newcomers or seasoned professionals.

*Revelations* David C Cook

Selected by the Modern Library as one of the 100 best nonfiction books of all time The Gnostic Gospels is a landmark study of the long-buried roots of Christianity, a work of luminous scholarship and wide popular appeal. First published in 1979 to critical acclaim, winning the National Book Award and the National Book Critics Circle Award, The Gnostic Gospels has continued to grow in reputation and influence over the past two decades. It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time. In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels, thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament. In this spellbinding book, renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today. With insight and passion, Pagels explores a remarkable range of

recently discovered gospels, including the Gospel of Thomas and the Gospel of Mary Magdalene, to show how a variety of "Christianities" emerged at a time of extraordinary spiritual upheaval. Some Christians questioned the need for clergy and church doctrine, and taught that the divine could be discovered through spiritual search. Many others, like Buddhists and Hindus, sought enlightenment—and access to God—within. Such explorations raised questions: Was the resurrection to be understood symbolically and not literally? Was God to be envisioned only in masculine form, or feminine as well? Was martyrdom a necessary—or worthy—expression of faith? These early Christians dared to ask questions that orthodox Christians later suppressed—and their explorations led to profoundly different visions of Jesus and his message. Brilliant, provocative, and stunning in its implications, The Gnostic Gospels is a radical, eloquent reconsideration of the origins of the Christian faith.

*Easy Bible Marking Guide* Penguin

At a time when the church needs an urgent wake-up call and a fresh encounter with Jesus, the hyper-grace message is lulling many to sleep. Claiming to be a new revelation of grace, this teaching is gaining in popularity, but is it true? Or is the glorious truth of grace being polluted by errors, leading to backsliding, compromise, and even the abandonment of faith?

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • "An instant American classic and almost certainly the keynote nonfiction book of the American century thus far."—Dwight Garner, The New York Times The Pulitzer Prize-winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. #1 NONFICTION BOOK OF THE YEAR: Time ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, The New York Times, Los Angeles Times, The Boston Globe, O: The Oprah Magazine, NPR, Bloomberg, The Christian Science Monitor, New York Post, The New York Public Library, Fortune, Smithsonian Magazine, Marie Claire, Slate, Library Journal, Kirkus Reviews Winner of the Carl Sandberg Literary Award • Winner of the Los Angeles Times Book Prize • National Book Award Longlist • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist • Kirkus Prize Finalist "As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not." In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched, and beautifully written narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their outcasting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Original and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life

today.

**Her Majesty's Spymaster** A&C Black

Stopping the spiral of toxic thoughts. In *Get Out of Your Head*, a six-session video-based Bible study, Jennie inspires and equips us to transform our emotions, our outlook, and even our circumstances by taking control of our thoughts. Our enemy is determined to get in our heads to make us feel helpless, overwhelmed, and incapable of making a difference for the kingdom of God. But when we submit our minds to Christ, the promises of goodness of God flood our lives in remarkable ways. It starts in your head. And from there, the possibilities are endless. This guide serves as a tool to prepare you in leading this *Get Out of Your Head* study and to encourage you along the way. It helps you as the leader to effectively point your group to the overarching theme

of each lesson and point them to the themes of each study. This *Get Out of Your Head* Leader's Guide includes: Session-by-session helps to guide your group through the study. Walk-through for using each piece of the study: Videos, Study Guide, and Conversation Card Deck. The vision for *Get Out of Your Head*. Tips for leading your group, and much more. This guide is designed for use with the *Get Out of Your Head* Video Study (9780310116394), sold separately. Streaming video, study guide, and conversation cards also available.

"In *Culinary Artistry*...Dornenburg and Page provide food and flavor pairings as a kind of steppingstone for the recipe-dependent cook...Their hope is that once you know the scales, you

will be able to compose a symphony." --Molly O'Neil in *The New York Times Magazine*. For anyone who believes in the potential for artistry in the realm of food, *Culinary Artistry* is a must-read. This is the first book to examine the creative process of culinary composition as it explores the intersection of food, imagination, and taste. Through interviews with more than 30 of America's leading chefs including Rick Bayless, Daniel Boulud, Gray Kunz, Jean-Louis Palladin, Jeremiah Tower, and Alice Waters the authors reveal what defines "culinary artists," how and where they find their inspiration, and how they translate that vision to the plate. Through recipes and reminiscences, chefs discuss how they select and pair ingredients, and how flavors are combined into dishes, dishes into menus, and menus into bodies of work that eventually comprise their cuisines.
