RV Hacks St. Martin's  
Press  
Whether you're  
downsizing or thrill-  
seeking—or anything in  
between—find out if  
the RV lifestyle is right  
for you, and learn how  
to transition from a life

of traditional home-  
ownership to one on  
the road. Do you love  
traveling? Meeting new  
people and seeing new  
places? Are you  
craving a life that feels  
meaningful and new?  
The RV lifestyle could  
be the answer. Both  
aspirational and  
practical, Living the RV  
Life is your ultimate  
guide to living life on

the road—for people of all ages looking to downsize, travel, or work on the go. Learn if life in a motor home is right for you, with insightful details on the experiences of full-time RV-ers, tips for how to choose an RV (how big? new or used?), whether to sell your home (and if not, what to do with it), model costs, sample routes and destinations, basic vehicle maintenance, legal and government considerations—and much more! Written in a light and an easy-to-understand style, *Living the RV Life* is your bible to living a mobile life.

Rowman & Littlefield  
Want to leave the rat race in your rearview mirror? Discover the mile-by-mile guide to a whole new life on the open road. Do you feel trapped in your humdrum routine? Do you want more from life than a paycheck and a permanent address? Author and

entrepreneur Gary Collins has found true freedom and fulfillment in his life on the road. Now he's here to help you liberate your lifestyle and find lasting joy through simplicity. The Simple Life Guide To RV Living: The Road to Freedom and the Mobile Lifestyle Revolution contains step-by-step instructions for transitioning to a carefree traveling lifestyle. From the author's first-hand experiences, you'll learn the ins and outs of selecting and outfitting your ideal home-on-wheels. With Collins as your navigator, you'll steer clear of costly and time-consuming hazards of mobile living for a smooth ride into your adventurous

new life. In The Simple Life Guide To RV Living: The Road to Freedom and the Mobile Lifestyle Revolution you'll discover: - How to declutter and downsize your life for a stress-free new beginning - How to select an RV that will meet all of your personal mobile living needs - How to handle common obstacles for a trouble-free transition into your new life - Gary Collins' personal story of running his business remotely and riding the road - Tips and tricks for saving money and time along your journey and much, much more! The Simple Life Guide To RV Living: The Road to Freedom and the Mobile Lifestyle Revolution is your must-have roadmap for

mobilizing your future. If you like first-hand advice, practical how-to guides, and forging your own path, then you'll love Gary Collins' first guidebook in The Simple Life, a liberating life adventure series. Buy *The Simple Life Guide To RV Living: The Road to Freedom and the Mobile Lifestyle Revolution* to grab the wheel of your destiny today! [Wake Up and Smell the Real Estate](#) Independently Published

I found a way that I could relax, enjoy life, have retirement, and own a revenue-generating business all at the same time. The solution? Owning and running an RV campground resort. Currently, a popular trend in America is for people

to downsize and learn to live smaller. As the retiree population booms, older people are choosing to become snowbirds, nomads, and do the traveling they put off doing. A growing segment of this is the RV life sector. You can enjoy this lifestyle while also starting your own RV park or campground. You'll be providing people with the new trend they want while having your own place to stay. It will be like living and working each day of your life in retirement while enjoying the great outdoors. In this book, I will show you, in detail, how you can turn this idea into a reality and own a thriving RV park or campground. At the time I wrote this book, I had been in the

business for about 5 years and have seen nothing but positive gains. I started simple, on my family-owned acreage not too far from the main interstate. I dreamed up gravel pathways leading to a few primitive camping sites. Since then, I have upgraded several features in my campground and can say that I safely offer advice as to what to look for when deciding on amenities. It hasn't always been easy, but I wouldn't change any of it! In this book, I will show you in-depth exactly how to go about starting your own RV park, RV resort, or rustic campground business from scratch. We will discuss topics such as: Why you should start a campground The

financial gains you can expect What type of business you can create What you need to get started- from financing to building to running How to effectively develop your facility What amenities you should consider How to set your prices, reservation policies, and park rules How to set up your business plan What other things to consider in your startup, like licensing and insurance How to hire and manage employees How to run your park once you're established including advice on marketing and advertising I will show you all of this and much more! Take a look at the table of contents before you purchase this book so you can see just what sort of deal you're

getting! I hope that you can find financial stability and personal peace in owning a campground as I have. I wish you the best of luck! Let's relax, make money and enjoy life.

Living the RV Life  
Sagamore Publishing  
America's foremost small-business advice guru offers readers seven steps to identify the right business for them--from determining one's entrepreneurial type to exploring the wide range of business options with 25 in-depth analyses and over 200 at-a-glance evaluations.

RVs & Campers For Dummies St. Martin's Press

THE INSTANT #1  
NATIONAL BESTSELLER  
From the #1 New York Times bestselling authors of Extreme

Ownership comes a new and revolutionary approach to help leaders recognize and attain the leadership balance crucial to victory. With their first book, *Extreme Ownership* (published in October 2015), Jocko Willink and Leif Babin set a new standard for leadership, challenging readers to become better leaders, better followers, and better people, in both their professional and personal lives. Now, in *THE DICHOTOMY OF LEADERSHIP*, Jocko and Leif dive even deeper into the uncharted and complex waters of a concept first introduced in *Extreme Ownership*: finding balance between the opposing forces that pull every leader in different directions. Here, Willink and Babin

get granular into the nuances that every successful leader must navigate. Mastering the Dichotomy of Leadership requires understanding when to lead and when to follow; when to aggressively maneuver and when to pause and let things develop; when to detach and let the team run and when to dive into the details and micromanage. In addition, every leader must:

- Take Extreme Ownership of everything that impacts their mission, yet utilize Decentralize Command by giving ownership to their team.
- Care deeply about their people and their individual success and livelihoods, yet look out for the good of the overall team and above all accomplish the strategic mission.
- 

Exhibit the most important quality in a leader—humility, but also be willing to speak up and push back against questionable decisions that could hurt the team and the mission. With examples from the authors' combat and training experiences in the SEAL teams, and then a demonstration of how each lesson applies to the business world, Willink and Babin clearly explain THE DICHOTOMY OF LEADERSHIP—skills that are mission-critical for any leader and any team to achieve their ultimate goal: VICTORY.

**The Simple Life  
Guide To RV Living**  
Penguin

Create a profitable, sustainable business while improving yourself and your

community In Secrets of Next Level Entrepreneurs: 11 Powerful Lessons To Thrive in Business and Lead a Balanced Life, business strategist Alex Brueckmann presents a collection of practical and insightful resources that walk you through how to grow a profitable business while maintaining a healthy and fulfilling life. You'll learn to run your company while, at the same time, contributing to and improving a community and world we all want to live in. In the book, industry leaders offer hyper-specific and actionable advice about issues that dominate the thoughts of every business leader and owner at one point or another, from how to

implement environmentally and socially sustainable practices to building high-performance workplace cultures and setting optimal pricing strategies in environments of high inflation. You'll also find: Frequently overlooked perspectives and unfamiliar topics that hold huge value for courageous readers with open minds Strategies for prioritizing self-care while running your business, ensuring you don't neglect yourself while you're taking care of everyone else A philosophy that emphasizes the creation of sustainable, profitable businesses that contribute to the health of their founders, employees, stakeholders, and

communities A singular and powerful collection of resources for entrepreneurs, founders, managers, executives, board members, and other business leaders, *Secrets of Next Level Entrepreneurs* will also earn a place on the bookshelves of coaches, consultants, and other professionals who serve business leaders.

*RV Vacations For Dummies* Simon and Schuster

Time spent with the family in a Coachmen Leprechaun or a Holiday Rambler is unforgettable. Indiana retains a unique place in the RV industry going back to the 1930s, when pioneering individuals like Milo Miller, Harold Platt and Wilbur Schult created the original RV

businesses in the Elkhart-South Bend area, making campers for sale. By the end of World War II, the national media was identifying Elkhart as the "Trailer Capital of the World." That status has been reinforced ever since, and the industry is still thriving in Indiana with the successes of Thor Industries and Forest River. Join author and RV expert Al Hesselbart as he chronicles how the Hoosier State became the RV Capital of the World.

*RV Life for Beginners* Apress  
Get ready to take your vacation on the road! Vacations go by in a flash. With all the frantic travel arrangements, hotels bookings, and racing from place to place, it's

a wonder they're considered a vacation at all! A great way to slow down and fully experience the sights is to hit the open road from the comfort of an RV. In this fully accessible book, you'll find the basics of what you need to know to get the most out of your RV vacation experience, including how to buy or rent an RV, safety best practices, and tips and tricks for planning the trip of your dreams. If you are planning a summer long adventure or simply a short weekend getaway, with this book you will discover proven ideas to keep your trip on track. Even if you've never vacationed on wheels, you'll get a handle on the latest functions of RVs and the hottest RV

vacation destinations. Whether you beach it, climb a mountain, or anything in between, the handy checklists and reminders inside help you to stay on course and rev up the best vacation you've ever had! Choose your RV Pick a great vacation destination What to know before you go Decide what items to bring Outline your route and outfit your vehicle Building an on-the-road budget Whether you want to rent or buy, an epic RV vacation is at your fingertips!  
Smartups Simon and Schuster  
The New Investor's Guide To Owning A Mobile Home Park: Why mobile home park ownership is the best investment in this economy and step by step instructions how

to acquire and manage a profitable park Multi-park owner and manager of her own mobile home parks, Laura Cochran, believes that owning a mobile home park is the best investment and attainable for anyone who wants to add a mobile home park investment to his or her portfolio.

"Purchasing a mobile home park is in my opinion, and based on my own twenty-two years of real estate and mobile home park investing, the best alternative investment for the serious investor. I think every investor should own a mobile home park, and here is why: -Low to zero vacancy rate - Steady monthly income -Predictable monthly cash flow - Good return on

investment -Investor has control over cash flow and vacancy rate - Additional opportunities to increase cash flow through rent raises and eliminating utility bills via pass-through billing -Mobile home parks hold their market value and appreciate in value -There is always a demand for affordable housing found in parks -You retain your initial nest egg that you purchased the park with - your investment dollars are in tact This purchase of The New Investor's Guide To Owning A Mobile Home Park takes you through 25-Chapters of step by step instruction, and includes SIX FREE MONTHS of unlimited park browsing on our exclusive mobile home park website [www.mobilehomeparki](http://www.mobilehomeparki)

nfo.com as detailed in Chapter Three. Wishing you every success with your continued investing ventures as you research and discover the possibilities of adding a mobile home park to your investments." - author Laura Cochran

This Mobile Home Park investor's guide contains the following 25 chapters: Chapter 1 W.O.W. WORKING FOR YOUR MONEY, OWN YOUR OWN BUSINESS, YOUR MONEY WORKING FOR YOU Chapter 2 TYPES OF PARKS Chapter 3 WHERE TO FIND PARKS FOR SALE Chapter 4 WHAT MAKES A PROFITABLE MOBILE HOME PARK: CAP RATES AND CASH FLOW Chapter 5 FINANCING: HOW CAN YOU AFFORD A MOBILE HOME PARK? HOW CAN

ANYONE? Chapter 6 GETTING STARTED: INTERVIEWING BANKS Chapter 7 SETTING UP YOUR BUSINESS: THE VALUE OF A CORPORATE VEIL Chapter 8 YOUR PROFESSIONAL CIRCLE Chapter 9 BUYING VERSUS DEVELOPING Chapter 10 QUESTIONS TO ASK BEFORE BUYING A PARK Chapter 11 WHY ARE THEY SELLING?  Platform  
 Your Vacation Rental is  
 up and running...but  
 what about the guests?  
 You need guests, and  
 you don't just need any  
 guests! You need  
 responsible,  
 considerate guests

who return again and  
 again, and who are so  
 happy with your place  
 they create referrals!  
 Wouldn't it be ideal if  
 year after year your  
 bookings were set  
 years in advance? To  
 do this you need  
 marketing and a good  
 vacation rental brand.  
 That's where Vacation  
 Rental Owners Manual,  
 Volume 2 (list price  
 \$39.95) comes in--it's  
 the sequel to VROM-  
 Vacation rental Owners  
 Manual Volume 1! This  
 book takes the  
 vacation rental  
 business to a whole  
 new level. This book is  
 primarily for the person  
 who has established a  
 vacation rental  
 business, but wants to  
 simplify it by getting  
 return customers,  
 referrals, and easier  
 bookings. Or if you are  
 starting a new vacation  
 rental business, be

sure to get both Volume 1 and Volume 2. Even if you've never done marketing or branding this book will walk you through step-by-step how to create a lasting and memorable brand and provide a vacation rental experience that will have your guests coming back again and again, as well as how to get referrals and great testimonies. After all, your guests are the backbone of your business. If you are ready to take your vacation rental business more seriously, and ready to start building your bookings, this is the book for you! Reviews of Volume 2: "This is a time when people are looking for ways to supplement their income (if they have one), or find work (if

they don't have it). If you have a home (even if you don't own it outright) you have an income source. You can use your home as a moneymaker by turning it into a vacation rental a few weeks a year or oftener if the situation demands more income. This book should be flying off the shelf because of the amazing, helpful information it contains. Deborah and Dana have done a great job of laying out not only how to get your house ready to become a vacation rental, but they give tons of information on how to advertise your home in all kinds of media, how to make your website appealing, how to drive traffic to it, how to build a "persona" for

your home, and how to build a brand. They tell you how to create a slogan, what colors to use in your advertising and on your website. It sounds complicated, but it isn't. Just follow their step by step instructions to success. This is a book purchase you will never regret making." Gwen Ellis, Author, Ventura, CA Written after the style of Vol 1, here's what people are saying about VROM: Vacation Rental Owner's Manual Volume 1: "I was amazed at how many little things we had overlooked in our business plan and running of our own vacation rental in Cuernavaca, Mexico. If you have a rental property - you need this book! No matter how experienced you

believe yourself to be, you will pick up some great tips from the author's who must have spent years writing the book. The best part is that the authors show you how to do this without even lifting a finger - in that you can have other people to care for the property on your behalf and have the renters pay for it. The authors cover every little detail and point out how to avoid losing money through damages or cancellations. Don't wait until it's too late - buy this book today!" Bill Hood (Austin, TX) "I started a vacation rental with very little knowledge. Thanks to Deborah Nelson and her helpful book I have learned many things about this business. Many great ideas helped me to improve

my business, my income, and learn of things to be aware of and reduced my time involved in running it. Many cost saving tips and issues I never would have thought of. A great investment! "

Faro of Faro's Montecito Retreat(Montecito, CA)

I bought this book to learn about the VRBO business from the ground up. This book delivered. Excellent detail in theoretical as well as practical information. V. L. Freeman (Goodland, KS)

How to Buy, Sell and Operate RV Parks and Campgrounds

Booksurge Publishing

FROM THE INTRODUCTION: So you're thinking about renting an RV. Congratulations! The allure of RVing is

almost intoxicating. The freedom of the open road. The dream of seeing America from ground level, and enjoying all of the majesty and quirkiness you encounter along the way. The excitement of campfires, roadside picnics, and getting close to nature. The opportunity to spend quality time with your family away from work, school, and the siren call of chores you need to do around the house. RVing holds the promise of one of your most relaxing or exciting vacations of all time. But then you remember those movies you've seen, such as RV starring Robin Williams, and a certain level of doubt or fear starts to creep in. Will we all be able to get along together

in such a small space? (Or will I be safe on the road alone?) How do I choose the right RV to rent? How do I find it? Where will we go? How do I drive that thing? What about the poop! For a vacation that's all about life's simple pleasures, the challenge of renting and planning an RV vacation can be daunting. I should know. I've been there! The first time we rented an RV, I was overwhelmed by the number of choices I had to make before we even left home. What did I need to know about the many different kinds of motorhomes available for rent? How would we find places to stay at night that brought smiles instead of grimaces? And I'd never driven anything

larger than a minivan! So I began to research anything and everything I could think of about RVing. Frankly, my family accused me of being obsessed. "Dad, you're not reading about RVs again!" But I was determined to give my family (and myself) the very best RV vacation possible. It must have worked, because after that first RV trip in Arizona, even my most cynical teenage daughter said, "That was the best vacation EVER. When can we do it again?" What I quickly learned when planning an RV vacation was that there is a lot of information out there. That was an exciting discovery. On the other hand, there's really no one place you can go to learn all that you need to know about

planning the best RV vacation for your family, your vacation, and your needs. My goal here is to bring it all together to give you the benefit of my research, mistakes, and discoveries. Many different kinds of RVs are available to fit a wide variety of needs. For the purposes of this book, when I use the term "RV" I'll be referring to a self-contained motorhome-one vehicle that contains both living space and an engine to drive it around. (The other kinds of RVs are "travel trailers" and "fifth wheels," which are towed behind a pickup truck or large car. Most of this book will still be relevant, except for some of the discussion about selecting a motorhome.) This book

is a step-by-step guide to planning and enjoying the best possible RV rental vacation. Whether you've rented before, or you're true first-timer, you'll find the information you need to have the kind of vacation that leaves you and your family asking for more. Happy travels!

 Wiley & Sons  
 Building successful  
 start-ups was never  
 quite as easy as it  
 seemed, and the  
 changing economic  
 climate has raised the  
 stakes, reduced the  
 margin of error. New  
 entrepreneurs can't  
 stumble into wealth on

the power of half-  
 formed ideas, or turn  
 dreams into reality  
 without doing a lot of  
 homework. It's time to  
 get smart. This book  
 teaches would-be  
 entrepreneurs the skills  
 they need to get  
 through the venture  
 capital process with  
 companies that will  
 survive to grow and  
 succeed. Rob Ryan, a  
 pioneer in the high-  
 tech industry, founded  
 Ascend  
 Communications in  
 1989, and throughout  
 the nineties provided  
 firms with the  
 infrastructure they  
 needed to keep up with  
 the rapid growth of the  
 Internet. At the  
 beginning of 1999,  
 Ascend was sold to  
 Lucent for \$25 billion.  
 Since retiring from  
 Ascend and starting  
 Entrepreneur America,  
 Ryan has helped

launch a string of successful companies, including Virtmed, RightNow, and Virtual Ink. All provide electronic solutions to real-world problems, meet existing—rather than manufactured—needs, and save their customers time and money. In Smartups, Ryan focuses on methods he's developed over the years for building a sustainable business that makes money. He emphasizes the importance of testing ideas on customers and making sure that a product offers something new and important. Recognizing a team's key competencies is crucial, Ryan says. He also finds it necessary to take certain steps at the correct stages of a

company's inception. Smartups will show you how to turn your idea into a real product, take it to investors, and get your start-up started right.

An inspiring personal story of overcoming hardship and finding comfort in the midst of chaos: "Great practical ideas . . . They'll work for you too" (Dave Ramsey).

"SANCTUARY!

SANCTUARY!

SANCTUARY!" yells

Quasimodo in *The Hunchback of Notre*

*Dame* as he enters the cathedral to escape his tormentors. Sanctuary:

A place of asylum and immunity. A place of peace and unconditional love. A place to escape from the everyday stressors of life. An attainable retreat accomplished through intentional living. Creating a Haven of Peace provides a formula for creating Sanctuary in your own home—an escape from the busyness and chaos surrounding our families today. Here are very attainable steps to creating the life you desire—as well as real-life stories and advice that explore such topics as: How incorporating the five senses can turn your home into a Sanctuary of peace and love that supersedes the “security” you think money can provide. How relationship

trumps all in building a foundation for peace. How “being your own boss” isn’t all it’s cut out to be—the myths and realities of living the unpredictable entrepreneurial life. When the business failed, the IRS was knocking at the door, the kids were hungry, and they had borrowed a beat up car from a friend, Joanne Fairchild Miller assumed this was the beginning of poverty and embarrassment. Instead, it turned out to be the wakeup call for her family’s greatest and most successful adventure. Here, she shares her own personal experience of how “The Ugly Year” led to unexpected life change, and how you too can change your own life story.

This book presents all the basics in a thorough, easily readable, and understandable way.

He has included discussions on feasibility studies and business plans, marketing, personnel management, park design, budgeting and finance, and retail operations, among others. The book provides the information needed to understand the key aspects of park management and a framework with which to pursue further study.

*The Money Tree RVs & Campers For Dummies*

Do you dream of the freedom of the open road? Do you wonder what it would be like to

live as a nomad in an RV but aren't sure how to start? Do you wonder if you'll be bored, cramped, or not able to afford it? In my book, *Trial RV Life for Beginners: How to Start the Nomad Lifestyle*, you will learn all about how to get started in the RV lifestyle. Whether you are considering going full-time or if you're just going to spend endless summers on the road, I will teach you how to get started.

★ RV life is amazing. My story is fairly simple. My husband and I decided to purchase our first RV well over a decade ago. Since then, we have taken numerous trips and been all over the United States. Did you know the largest steer ever recorded was raised in Montana?

It's a bull that is over 6 feet tall and weighs nearly 4,000 pounds! I only know this astounding fact because we spent a month one summer in the beautiful state of Montana. ★ Pack smart, plan right, save money! Over the years, I learned what to pack, how to save money on the road, how to stay safe, and the legalities of operating an RV. I am not necessarily obsessed with RV travel, but I cannot imagine life without my RV. The freedom of the open road is so liberating. If you're just starting out with RV living, I am happy to spare you some of the burdens of trying to figure it all out on your own. This nifty little guide will cover everything you'll ever

need to make it on your own out there on the wide-open road. Whether you're looking forward to cruising toward the sunset in your Golden Years or you're just looking for a temporary escape from the humdrum of everyday life, RVing is absolutely the way to go! Just make sure you accept the good, the bad, and the ugly when it comes to living the full RV life, and you're definitely ready to rent your very first RV and get this show on the road. Here is a sneak peek of what you'll learn in this guide: Everything You Need to Know to Start with Your First RV First Impressions on the RV Life: Expectations vs. Reality Types of People Who Go RVing Different Kinds of RVs and How to Choose the

enough? Making Social Security Work for You teaches you what you need to know about Social Security retirement benefits and the options you can choose to help meet your retirement goals. In straightforward, easy-to-understand language, this compact guide provides advice on the advantages and disadvantages of delaying benefits as well as the best ways to maximize your benefits depending on your financial or marital situation.

Featuring a glossary of terms to help you better understand Social Security jargon; a full explanation on how the system works under the new regulations that took effect on April 29, 2016; and practical, actionable advice on how and when to save additional retirement funds, this book shows you how to make your retirement the best it can possibly be. "Guy Birken brings her breezy style to explaining a system that can be mind-numbing." --The Washington Post
