"You've most likely never met a narrator like Bobbi. Tough, tender, funny, full of heart—and a transgender woman." — Jodi Picoult  
Bobbi Logan is a successful businesswoman and a celebrated hairdresser. She is a witty, articulate woman who has survived rape, gender transition, a murder investigation, and countless acts of bullying and bigotry to get where she is—and she's made enemies along the way. Now one of them is stalking her. With each passing day, the threats become more brazen, more violent, and more personal. No one knows who here stalker is or why he's after her, but he's getting closer every day. Bobbi is intimidated but she has vowed to never be the victim again. She accumulates a list of six suspects, and with courage and persistence, she hunts them down, one by one—stalking her possible stalkers. But as she confronts those men who may want to do her harm, the number seven keeps haunting her—there must be a seventh suspect. And when she finds him, Bobbi's world implodes.

The 1975 publication of Robin Tolmach Lakoff's *Language and Woman's Place*, is widely recognized as having inaugurated feminist research on the relationship between language and gender, touching off a remarkable response among language scholars, feminists, and general readers. For the past thirty years, scholars of language and gender have been debating and developing Lakoff's initial observations. Arguing that

language is fundamental to gender inequality, Lakoff pointed to two areas in which inequalities can be found:

Language used about women, such as the asymmetries between seemingly parallel terms like master and mistress, and language used by women, which places women in a double bind between being appropriately feminine and being fully human. Lakoff's central argument that "women's language" expresses powerlessness triggered a controversy that continues to this day. The revised and expanded edition presents the full text of the original first edition, along with an introduction and annotations by Lakoff in which she reflects on the text a quarter century later and expands on some of the most widely discussed issues it raises. The volume also brings together commentaries from twenty-six leading scholars of language, gender, and sexuality, within linguistics, anthropology, modern languages, education, information sciences, and other disciplines. The commentaries discuss the book's contribution to feminist research on language and explore its ongoing relevance for scholarship in the field. This new edition of *Language and Woman's Place* not only makes available once again the pioneering text of feminist linguistics; just as important, it places the text in the context of contemporary feminist and gender theory for a new generation of readers.

**The Philosophy of Horror** Wipf and Stock Publishers

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

User passwords are the keys to the

network kingdom, yet most users choose overly simplistic passwords (like password) that anyone could guess, while system administrators demand impossible to remember passwords littered with obscure characters and random numerals. Every computer user must face the problems of password security. According to a recent British study, passwords are usually obvious: around 50 percent of computer users select passwords based on names of a family member, spouse, partner, or a pet. Many users face the problem of selecting strong passwords that meet corporate security requirements. Too often, systems reject user-selected passwords because they are not long enough or otherwise do not meet complexity requirements. This book teaches users how to select passwords that always meet complexity requirements. A typical computer user must remember dozens of passwords and they are told to make them all unique and never write them down. For most users, the solution is easy passwords that follow simple patterns. This book teaches users how to select strong passwords they can easily remember. \* Examines the password problem from the perspective of the administrator trying to secure their network \* Author Mark Burnett has accumulated and analyzed over 1,000,000 user passwords and through his research has discovered what works, what doesn't work, and how many people probably have dogs named Spot \* Throughout the book, Burnett sprinkles interesting and humorous password ranging from the Top 20 dog names to the number of references to the King James Bible in passwords

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**The Hearts of Men** 100 Questions & Answers About Psoriasis

Many monsters in Victorian British novels were intimately connected with the protagonists, and representative of both the personal failings of a character and the failings of the society in which he or she lived. By contrast, more recent film adaptations of these novels depict the creatures as arbitrarily engaging in senseless violence, and suggest a modern fear of the uncontrollable. This work analyzes the dichotomy through examinations of Shelley's *Frankenstein*, Stoker's *Dracula*, H. Rider Haggard's *She*, Stevenson's *Strange Case of Dr. Jekyll and Mr. Hyde* and Wells's *The Island of Dr. Moreau*, and consideration of the 20th century film adaptations of the works.

**Seven Suspects** Harlequin

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic.

Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

*Solitary Impressions* Oxford University Press

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

If you suffer from psoriasis, or have a friend or relative who does, this book offers help. Completely revised and updated, *100 Questions & Answers About Psoriasis, Second Edition* gives you authoritative, practical answers to your questions about choosing a dermatologist, treatment options, coping strategies, sources of support, and much more. In clear, accessible style, two expert dermatologists specializing in treating psoriasis describe the latest medical knowledge—including the new generation of psoriasis drugs—and practical tips on what psoriasis is and what you can do to treat your condition, from mild to the most severe, effectively. Featuring "insider" advice from an actual patient, this book is an invaluable resource for anyone coping with the physical and emotional turmoil of this potentially debilitating disease. *Shattered Sword* Jones & Bartlett Publishers

Films are modern spiritual phenomena. They function as such in at least three profound ways: world projection, thought experiments, and catharsis (i.e., as dreams, doubt, and dread).

Understanding film in this way allows for a theological account of the experience that speaks to the religious possibilities of film that far extend the portrayal of religious themes or content. *Dreams, Doubt, and Dread: The Spiritual in Film* aims to address films as spiritual experiences. This collection of short essays and dialogues examines films phenomenologically--through the experience of the viewer as an agent having been acted upon in the functioning of the film itself. Authors were invited to take one of the main themes and creatively consider how film, in their experiences, has provided opportunities for new modes of thinking.

Contributors will then engaged one another in a dialogue about the similarities and differences in their descriptions of film as spiritual phenomena. The intended aim of this text is to shift contemporary theological film engagement away from a simple mode of analysis in which theological concepts are simply read into the film itself and begin to let films speak for themselves as profoundly spiritual experiences.

*Guests of the Emperor* OECD Publishing Journey from Grief is Andi Fraley's first book and is an insightful portrayal of a major life challenge we all will experience eventually. One morning while on holiday, the shocking and unexpected loss of her fiancé forever changed her life. This point in time marked the beginning of her story and the day her struggle with grief began. His death sent her entire physical, mental, and emotional constructs of life into a tumultuous rollercoaster of bewilderment and disbelief. Culminating with severe vertigo and symptoms of post-traumatic stress disorder, she considered all options, including suicide, as an alternative to living the rest of her life, forever in grief. In these pages, she discusses the sensitive issues embedded in death, loss, and grief, and the energy and fear these issues hold over us. She takes us through the trials and tribulations of her personal grieving process, so we may learn ways to heal, rather than become a victim of life's circumstances. It is her wish to share her experience and provide support to others who are making their own journeys from grief. She offers deeply personal insight to help understand what you, your family member, or your friend may be struggling with or keeping locked inside during grief and major life

struggle. No one needs to suffer alone or resist a life transformation unwittingly. If you are suffering from a devastating loss of a loved one, a career, financial downfall, or even facing retirement, Journey from Grief will be your companion in healing to encourage and promote discussion with your innermost fears and thoughts. With stillness and insight, everyone may find light within the darkest days and love that lasts forever.

*Dreams, Doubt, and Dread* iUniverse In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Contributors to this anthology analyze the contemporary academic methods for critiquing art and suggest new ways that might further our understandings of art created by myriad individuals and groups. The essays give readers further insight into a diverse range of artistic creators often overlooked in art world studies.

**John Simon on Film** Oxford University Press

One of the most enchanting figures of the silver screen, Ronald Colman appeared in such classic films as *Beau Geste*, *The Prisoner of Zenda*, *Lost Horizon*, and *A Tale of Two Cities*. He was nominated four times for the Academy Award, which he won for a spectacular performance in *A Double Life*. His voice was unrivaled, and he had a brilliant career as a radio star. A charismatically photogenic performer, he was voted the handsomest actor in Hollywood on several occasions. His superior skills, his dashing visage, and his resonant speech made him one of the most sought after and acclaimed stars of his day. In spite of his enormous talent and supreme achievements, Ronald Colman has strangely been overlooked. This immensely detailed reference book brings Colman's life and career into sharp focus, corrects misleading information about him, and comments on the critical response to his

work. The heart of this expertly researched volume is a series of chapters with entries for Colman's many hundreds of performances in film, radio, and television. Entries provide full production information, plot synopses, excerpts from reviews, and valuable commentary. An extensive annotated bibliography summarizes and assesses material written about Colman, and the author scrupulously debunks the many myths that have been written about Colman in previous publications.

*The Wives* Oceanview Publishing

One of the great untold stories of World War II finally comes to light in this thrilling account of Torpedo Squadron Eight and their heroic efforts in helping an outmatched U.S. fleet win critical victories at Midway and Guadalcanal. Thirty-five American men -- many flying outmoded aircraft -- changed the course of the war, going on to become the war's most decorated naval air squadron, while suffering the heaviest losses in U.S. naval aviation history. Mrazek paints moving portraits of the men in the squadron, and exposes a shocking cover-up that cost many lives. Filled with thrilling scenes of battle, betrayal, and sacrifice, *A Dawn Like Thunder* is destined to become a classic in the literature of World War II.

A USER-FRIENDLY GUIDE TO SHARING

THE FAITH WITH CHILDREN Raising a

Catholic family is never easy, especially when it comes to discussing our faith with our children. Despite trying our best, sometimes we all need help addressing issues of faith respectfully, honestly, and accurately. Written by Julianne Stanz, bestselling author, catechist, lay church leader, and mother of three, *The Catholic Parents' Survival Guide* is a practical manual for talking

with children about how to navigate life through the lens of the Catholic faith. Featuring an accessible question-and-answer format, Julianne not only equips readers with tools to help explain Catholic beliefs, ethics, morality, and faith practices, but she also prepares us for how to deliver this information in a manner that will resonate with children. She addresses such questions as: Who is God? What is the Holy Spirit? What happens if you miss Mass? What happens after we die? Does God answer prayers? What will we do in heaven? Why do Catholics pray to Mary? Why can't women become priests? In addition, each chapter includes key takeaways, notes for reflection, recommended resources, and tips for putting these insights into practice. The Catholic Parents' Survival Guide provides reliable information about the Catholic faith and parent-tested methods for sharing it with children.

*The Literary Monster on Film* Xlibris Corporation

The workbook contains ten lessons, each divided into five days. Remarkable paintings, enlightening discussions, related movie selections, and interactive questions will draw you ever closer to Jesus - the Love of your life . . . and beyond.

*Billboard* Balboa Press

From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that's "straight-up, parent-tested, and funny to boot" (Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures*). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20-30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: -How do I know if my kid is ready? -Why won't my child poop in the potty? -How do I avoid "potty power struggles"? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good.
