150+ Screen-Free Activities for Kids

Learn While You Play With These Fun, Creative Activities & Games From two experienced educators and moms, *100 Fun & Easy Learning Games for Kids* prepares your children to thrive in school and life the fun way by using guided play at home to teach important learning topics—reading, writing, math, science, art, music and global studies. Turn off the TV and beat boredom blues with these clever activities that are quick and easy to set up with common household materials. The huge variety of activities means you can choose from high-energy group games full of laughter and delight, or quiet activities that kids can complete on their own. All activities highlight the skill they teach, and some are marked with a symbol whether they are good for on-the-go learning or if they incorporate movement for kids to get their wiggles out. In *Zip-Line Letters*, children learn letter sounds as the letters zoom across the room. In *Parachute Subtraction*, place foam balls in a parachute, then kids shake the parachute and practice subtraction as they count how many balls fall off. Kids will have so much fun, they won't even realize they're gaining important skills! The activities are easy to adapt for all ages and skill levels. *100 Fun & Easy Learning Games for Kids* is the solution for parents—as well as teachers, caregivers or relatives—to help kids realize how fun learning can be and develop what they'll need to do well wherever life takes them.

*The Complete Brick Bible for Kids* Harper Collins

In this charming and beautiful book, Krayl Funch reminds us that every day is cause for celebration. Whether she's sharing one of her favorite garden-inspired entranceway designs or tips on hosting a luxurious dinner party, each gathering is equally breathtaking, and vivid photography brings each menu to life. "For as long as I can remember, I have dreamed of writing a book to inspire others, to remind them that each and every day can be a celebration of the season, of life, and that it doesn't need to be stressful or complicated to be perfect," writes Krayl. Inspired by nature, Krayl's passion for entertaining shines in *An Appealing Plan* as she takes us through a year of everyday celebrations. From a perfectly themed baby shower to a New Year's open house, Krayl's recipes, tablescapes, and decor tips are sure to inspire you the whole year through. Each section of *An Appealing Plan* features season-specific menus and design ideas. Apart from being inspired by the seasons themselves, Krayl also finds inspiration for her recipes from her childhood, travels, and favorite restaurants. Some featured recipes are: Baked Brie with Almonds and Rosemary Syrup, Spinach and Gruyere Quiche, Savory Herb Waffles with Smoked Salmon, Cheese Fondue with Assorted

Crudite, The Perfect Roast Turkey, Winter Squash Soup, Citrus-Marinated Olives, and Seared Scallops with Sage Brown Butter, as well as some of Krayl's favorite cocktails and desserts, including Fresh White Peach Bellini, Fall Fig Harvest Cocktail, Summer Fresh Berries, and Wine-Poached Pears. *An Appealing Plan* is about "feeling so inspired by the beauty of the season that we are compelled to redesign our entranceways with containers overflowing with greens or other elements of the season or rushing home from the market to create a meal using fresh herbs and set a beautiful table with the season's most bountiful flowers." Every day is a gift, so celebrate it "

**LEGO Halloween Ideas** Berkley Trade Cartonnage is a lovely handmade art, originated in France long time ago and it has been revived around the world in the latest years. It is the "art of box making", out of cardboard, glue and fabric or paper. With this technique, we can make much more than boxes, unique functional pieces to decorate our homes, for everyday use or as unique gifts. With step by step color picture Cartonnage instructions (about 700 pictures), no steps missing, this book is a master class to make your own beautiful fabric boxes from the very beginning. Also covers how to build more advanced pieces including dividers, trays and drawers. You will learn how to start from the scratch cutting your own cardboard or you will be able to start from some DIY kits (sold separately) with all pieces of paperboard pre cut and have fun using your favorite fabrics. Very simple materials needed, no expensive tools! You will also have the opportunity to learn how to personalize your boxes painting your own fabric or adding embroideries! Online videos available for

this book.
