Chivalry's Last Knight: the
Very Rough Draft

A Shepherd to Fools is the second of Drew Mendelson's trilogy of Vietnam War novels that began with Song Ba To and will conclude with Poke the Dragon. Shepherd: It is the ragged end of the Vietnam war. With the debacle of a failing South Vietnamese invasion of Northern Laos as background, A Shepherd to Fools tells the harrowing tale of a covert Hatchet Team of US soldiers and Montagnard mercenaries. They are ordered to find and capture or kill a band of American deserters, called Longshadows, before the world learns of their paralyzing rebellion. An earlier attempt to capture them failed disastrously, the facts of it buried. Captain Hugh Englander commands the Hatchet Team. He is a humorless bastard, sneering and discourteous to every regular army soldier. He cares little for the welfare of his own men and nothing for the lives of the deserters. The

conflict between him and Captain David Weisman, the artillery officer assigned to the mission for artillery support, threatens to tear the team apart. Deep in the Laotian jungle, the team is caught in a final, horrific battle facing an enemy armed with Sarin nerve gas, the "worst of the worst" of the war's clandestine weapons. Becoming Strangers Princeton University Press INSTANT NEW YORK TIMES BESTSELLER "It's a hell of a story." —The New York Times "A stunning and revelatory memoir." —Oprah Daily From MSNBC anchor and instant New York Times bestselling author Katy Tur, a shocking and deeply personal memoir about a life spent chasing the news. When a box from her mother showed up on Katy Tur's doorstep, months into the pandemic and just as she learned she was pregnant with her second child, she didn't know what to expect. The box contained thousands of hours of video—the work of her pioneering helicopter journalist parents. They grew rich and famous for their aerial coverage of Madonna and Sean Penn's secret wedding, the Reginald Denny beating in

the 1992 Los Angeles riots, and O.J. Simpson's notorious run in the white Bronco. To Tur, these family videos were an inheritance of sorts, and a reminder of who she was before her own breakout success as a reporter. In Rough Draft, Tur writes about her eccentric and volatile California childhood, punctuated by forest fires, earthquakes, and police chases—all seen from a thousand feet in the air. She recounts her complicated relationship with a father who was magnetic, ambitious, and, at times, frightening. And she charts her own survival from local reporter to globe-trotting foreign correspondent, running from her past. Tur also opens up for the first time about her struggles with burnout and impostor syndrome, her stumbles in the anchor chair, and her relationship with CBS Mornings anchor Tony Dokoupil (who quite possibly had a crazier childhood than she did). Intimate and captivating, Rough Draft explores the gift and curse of family legacy, examines the roles and responsibilities of the news, and asks the question: To what extent do we each get to write our own story?

Across a wide range of fields of study and academic interests, there is often a common denominator in the need for successful, concise, and well-researched communications in the form of writing. Whether it be accessing credible research, pre-writing practices, or taking writing to the next level from good to excellent, there is a constant need for teaching writing skills and methods effectively as well as utilizing what has been learned within real-life applications to create quality written content. With composers of the written word ranging from students to researchers to business owners and more, multidisciplinary writing encompasses a range of research devoted to enhancing writing skills and providing an understanding of the writing process across diverse fields of interest. *Strategies and Tactics for Multidisciplinary Writing* provides writers in the professional and academic sphere resources for enhancing their writing skills through a clear understanding of the writing process. The chapters focus on the

multiple stages of writing including planning, researching, drafting, revising, and more. While highlighting specific topics such as writing in virtual environments, topic research, writing for the internet, and pre-writing practices, this book is ideally intended for writers in the professional and academic spheres as well as practitioners, stakeholders, researchers, academicians, and students interested in multidisciplinary writing. *The Last Pirate* Rough Draft

Victor and Jaqueline Torres imagined moving to the U.S. would bring happiness and prosperity; instead, they found a world of frustration. While Victor put long hours into his restaurant business, Jaqui devoted her life to her daughters, until they grew up and moved on. Even their eldest, Victoria, is torn trying to reconcile being the perfect Argentine daughter and an independent American woman. Antonio and Lucia Orтели face the same realities, especially when their only son Eric leaves their close-knit Argentine community in pursuit of his own dreams. When Eric unexpectedly shows up at the Argentine Club—the heart of the

Argentine community in southern California—he starts a series of events that will bring these two families closer than ever. New relationships are formed and old ones are put to the test, as everyone must learn how to balance different cultures—and different dreams—without hurting those they love.

When you were born you took deep breaths right away. You proceeded to accomplish truly complicated things: you learned to talk and walk and write. Language is complex and daunting and you did it. You already come equipped to be good at many things. The ability to pick them up is part of your original composition. Trust that. How to Be Ferociously Happy Chronicle Books
A startling and evocative novel, harkening to both *One Day* and *Gravity*, a man and a woman revisit memories of their love affair on a utopian Earth while they are trapped in the vast void of space with only ninety minutes of oxygen left. After the catastrophic destruction

of the Middle East and the United States, Europe has become a utopia and, every three years, the European population must rotate into different multicultural communities, living as individuals responsible for their own actions. While living in this paradise, Max meets Carys and immediately feels a spark of attraction. He quickly realizes, however, that Carys is someone he might want to stay with long-term, which is impossible in this new world. As their relationship plays out, the connections between their time on Earth and their present dilemma in space become clear. When their air ticks dangerously low, one is offered the chance of salvation—but who will take it? An original and daring exploration of the impact of first love and how the choices we make can change the fate of everyone around us, this is an unforgettable read.

Rough Draft IGI Global After more than half a century of marriage, Dorothy and George are embarking on their first journey abroad together. Three decades younger, Jan and Annemieke are taking their last, as illness and incompatibility bring their unhappy union to an end. At first the luxury of a Caribbean resort is no match for the well-worn patterns of domestic life. Then the couples' paths cross, and a series of surprises ensues--a disappearance and an assault, most dramatically, but also a teapot tempest of passions, slights, misunderstandings, and small awakenings that punctuate a week in which each pair struggles to come to terms with what's been keeping them apart. A hit with readers and critics alike when it was published in England last year, *Becoming Strangers* is a different kind of love story, in which there's seldom a happy ending but sometimes a chance to redeem a life half-lived. *First Rough Draft* Grand

BESTSELLER • An essential volume for generations of writers young and old. The twenty-fifth anniversary edition of this modern classic will continue to spark creative minds for years to come. Anne Lamott is "a warm, generous, and hilarious guide through the writer's world and its treacherous swamps" (Los Angeles Times). "Superb writing advice.... Hilarious, helpful, and provocative." —The New York Times Book Review For a quarter century, more than a million readers—scribes and scribblers of all ages and abilities—have been inspired by Anne Lamott's hilarious, big-hearted, homespun advice. Advice that begins with the simple words of wisdom passed down from Anne's father—also a writer—in the iconic passage that gives the book its title: "Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he'd had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder

paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother's shoulder, and said, 'Bird by bird, buddy. Just take it bird by bird.'"

Isabel Gallegos is only a handshake away from living her dream life. After years of putting everyone else's needs before her own, she's selling her family's vineyard and moving to a quiet cottage on the California coast. But just as she's about to seal the deal, a letter arrives from Argentina with shocking news: Her beloved cousin has died and Isabel is now the sole guardian of three young children. Still holding on to her dream, Isabel travels to Argentina. There she meets little Julieta, the cherubic baby of the family; eight-year-old Adelmo, as hot-tempered as his sister is sweet; and ten-year-old Sandra, whose heart-shaped face and quiet confidence remind Isabel so much of her late cousin. She tells herself to let the children go, to leave them in the care of their grandmother or perhaps their long-lost

uncle who abruptly reappears. Or should she listen to her ex-husband, who is suddenly at her side, urging her to give the children--and him--a chance? If she's willing to take a risk, three tiny strangers just might change Isabel's life in ways she's never imagined. (85000 words)

Rough Draft, no. 3, May 1969 Grand Central Publishing

A haunting and often hilarious memoir of growing up in 80s Miami as the son of Big Tony, a flawless model of the great American pot baron. To his fellow smugglers, Anthony Edward Dokoupil was the Old Man. He ran stateside operations for one of the largest marijuana rings of the twentieth century. In all they sold hundreds of thousands of pounds of marijuana, and Big Tony distributed at least fifty tons of it. To his son he was a rambling man who was also somehow a present father, a self-destructive addict who ruined everything but affection. Here Tony

Dokoupil blends superb reportage with searing personal memories, presenting a probing chronicle of pot-smoking, drug-taking America from the perspective of the generation that grew up in the aftermath of the Great Stoned Age.

Unbelievable Anchor

The book that imagines Bloodshed and Hugs as the title for War and Peace and the Bible as being too preachy (per editor's note). Sh*t Rough Drafts collects fake misguided early drafts of classic books, screenplays, and contemporary literature, creating visions of alternate works that would exist had the authors not come to their senses. What if F. Scott Fitzgerald had gone with the title The Coolest Gatsby? How would The Hunger Games change if Peeta were armed only with blueberry muffins? If the Man of Steel's S stood for Sexyman? MacBeth, Moby Dick, Harry Potter, Sense and Sensibility, The Lord of the Rings, and many more are each presented as if they were the actual typed or handwritten pages by the authors themselves, revealing the funny and frightful works they might have been with a little

less capable judgment. Praise for Paul Laudiero's *Sh*t Rough Drafts* "With potty humor and bad jokes, Laudiero makes us feel that we are capable of the next great American novel. The greatest story you could write is one you've experienced yourself. Knowing where to start is the hardest part, but it just got a little easier with this essential guidebook for anyone wanting to write a memoir. Did you know that the #1 thing that baby boomers want to do in retirement is write a book—about themselves? It's not that every person has lived

such a unique or dramatic life, but we inherently understand that writing a memoir—whether it's a book, blog, or just a letter to a child—is the single greatest path to self-examination. Through the use of disarmingly frank, but wildly fun tactics that offer you simple and effective guidelines that work, you can stop treading water in writing exercises or hiding behind writer's block. Previously self-published under the title, *Writing What You Know*: Raelia, this book has found an enthusiastic audience that now writes with intent. St Martins Press Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path

and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, *The Scribe Method* is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

 Called "disgraceful," "third-rate," and "not nice" by Donald Trump, NBC News correspondent Katy Tur reported on—and took flak from—the most captivating and volatile presidential candidate in American history. Katy Tur lived out of a suitcase for a year and a half, following Trump around the country, powered by packets of peanut butter and kept clean with dry shampoo. She visited forty states with the candidate, made more than 3,800 live television reports, and tried to endure a gazillion loops of Elton John's "Tiny Dancer"—a Trump rally playlist staple. From day 1 to day 500, Tur documented Trump's inconsistencies, fact-checked his falsities, and called him out on his lies. In return, Trump repeatedly singled Tur out. He tried to charm her, intimidate her, and shame her. At one point,

he got a crowd so riled up against Tur, Secret Service agents had to walk her to her car. None of it worked. Facts are stubborn. So was Tur. She was part of the first women-led politics team in the history of network news. The Boys on the Bus became the Girls on the Plane. But the circus remained. Through all the long nights, wild scoops, naked chauvinism, dodgy staffers, and fevered debates, no one had a better view than Tur. Unbelievable is her darkly comic, fascinatingly bizarre, and often scary story of how America sent a former reality show host to the White House. It's also the story of what it was like for Tur to be there as it happened, inside a no-rules world where reporters were spat on, demeaned, and discredited. Tur was a foreign correspondent who came home to her most foreign story of all. Unbelievable is a must-read for anyone who still wakes up and wonders, *Is this real life?*
