GARZA CAMACHO

Harriet Tubman Simon and Schuster

They called her "Minty." When she grew up, she became Harriet Tubman, the courageous and heroic woman who helped hundreds of slaves escape to freedom through the Underground Railroad. But she was just a little girl for a while—and this is her story. Minty, short for Araminta, was a feisty and headstrong young slave, whose rebellious spirit often got her into trouble. She told stories to her doll, released animals from traps, and, above all, dreamed of running away. And when her father began to teach her the skills necessary for escape, she listened carefully, and learned. . . . *Rich with melodrama, suspense, pathos, and, of course, a powerful vision of freedom. This exquisitely crafted book resonates well beyond its few pages."—Kirkus Reviews, starred review Winner of the Coretta Scott King Award An ALA Notable Book

Freeing Charles Simon and Schuster

The little-known story of the South Carolina military raid—led by a Union colonel aided by Harriet Tubman—that freed hundreds of slaves. In 1863, the Union was unable to adequately fill its black regiments. In an attempt to remedy that, Col. James Montgomery led a raid up the Combahee River on June 2 to gather recruits and punish the plantations. Aiding him was an expert at freeing slaves—famed abolitionist Harriet Tubman. The remarkable effort successfully rescued about 750 enslaved men, women, and children. Only one soldier was killed in the action, which marked a strategy shift in the war that took the fight to civilians. This book details the fascinating true story that became a legend.

The Underground Railroad Lerner Publishing Group

Harriet Tubman's heroic and pivotal role in the fight against slavery is the subject of the fourteenth picture book in this New York Times bestselling biography series. (Cover may vary) This friendly, fun biography series focuses on the traits that made our heroes great—the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of one of America's icons in a lively, conversational way that works well for the youngest nonfiction readers and that always includes the hero's childhood influences. At the back are an excellent timeline and photos. After escaping from slavery herself, Harriet Tubman risked her life and her freedom to help other enslaved people reach safety via the Underground Railroad. She is one of America's most important humanitarian and civil rights heroes. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: Harriet Tubman's selflessness and commitment to freeing other enslaved people is spotlighted in this biography. You'll want to collect each book in this dynamic, informative series!

Harriet Tubman Gareth Stevens Publishing LLLP

An easy-to-read, page-turning account of Harriet Tubman's life—from her childhood in slavery to her years as a conductor on the Underground Railroad to her later work as a suffragette and as a spy in the Civil War. This remarkable true story brings to life one of America's greatest female role models.

An Apple for Harriet Tubman Simon and Schuster

Born a slave in Maryland, Harriet Tubman knew first-hand what it meant to be someone's property; she was whipped by owners and almost killed by an overseer. It was from other field hands that she first heard about the Underground Railroad which she travelled by herself north to Philadelphia. Throughout her long life (she died at the age of ninety-two) and long after the Civil War brought an end to slavery, this amazing woman was proof of what just one person can do.

Harriet Tubman Speedy Publishing LLC

Harriet Tubman's name is known world-wide and her exploits as a self-liberated Underground Railroad heroine are celebrated in children's literature, film, and history books, yet no major biography of Tubman has appeared since 1943. Jean M. Humez's comprehensive Harriet Tubman is both an important biographical overview based on extensive new research and a complete collection of the stories Tubman told about her life—a virtual autobiography culled by Humez from rare early publications and manuscript sources. This book will become a landmark resource for scholars, historians, and general readers interested in slavery, the Underground Railroad, the Civil War, and African American women. Born in slavery in Maryland in or around 1820, Tubman drew upon deep spiritual resources and covert antislavery networks when she escaped to the north in 1849. Vowing to liberate her entire family, she made repeated trips south during the 1850s and successfully guided dozens of fugitives to freedom. During the Civil War she was recruited to act as spy and scout with the Union Army. After the war she settled in Auburn, New York, where she worked to support an extended family and in her later years founded a home for the indigent aged. Celebrated by her primarily white antislavery associates in a variety of private and public documents from the 1850s through the 1870s, she was rediscovered as a race heroine by woman suffragists and the African American women's club movement in the early twentieth century. Her story was used as a key symbolic resource in education, institutional fundraising, and debates about the meaning of "race" throughout the twentieth century. Humez includes an extended discussion of Tubman's work as a public performer of her own life history during the nearly sixty years she lived in the north. Drawing upon historiographical and literary discussion of the complex hybrid authorship of slave narrative literature, Humez analyzes the interactive dynamic between Tubman and her interviewers. Humez illustrates how Tubman, though unable to write, made major unrecognized contributions to the shaping of her own heroic myth by early biographers like Sarah Bradford. Selections of key documents illustrate how Tubman appeared to her contemporaries, and a comprehensive list of primary sources represents an important resource for scholars.

Who was Harriet Tubman? Univ of Wisconsin Press

A biography of the African American woman best known for her work with the Underground Railroad, describing her childhood as a slave, her escape to the North, her assistance to the Union during the Civil War, and her accomplishments during the Reconstruction years in helping former slaves adapt to freedom.

The Tubman Command Hidden History -- Spies

The story of Harriet Tubman and her role in leading slaves to freedom along the Underground Railroad is well-known. But did you know that during the Civil War Harriet would often dress in disguise to gain important information to share with the Union Army?

Harriet Tubman Chelsea House

Tubman left her family in her early 20s to escape to Philadelphia, then a hotbed of abolitionism. There she became the first and only woman, fugitive slave, and black to work as a conductor on the Underground Railroad. So successful was she in spiriting away slaves that the state of Maryland put a \$40,000 bounty on her head. Within a year of starting her work, fellow slaves and Northerners began referring to Tubman as "Moses" because of how many people she had freed.

She Came to Slay Penguin

The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and

manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

Quien Fue Harriet Tubman? (Who Was Harriet Tubman?) Penguin

This autobiographical volume on the life of Harriet Tubman is a first edition that was initially published in 1868 with the help of Sarah H. Bradford, a white schoolteacher from Auburn, Massachusetts. Araminta "Harriet" Ross Tubman Davis (1822-1913), best known as Harriet Tubman, was a fugitive slave whose work as a conductor on the Underground Railroad made her a legend. Born in Dorchester County, Maryland, Tubman escaped from slavery in 1849 and supported herself by working in Philadelphia hotels before relocating in Canada and, later, New York. Tubman first returned to Maryland in 1850, when she helped a niece escape from Baltimore. Over the next ten years she frequently risked her life to liberate family members and other slaves in the area. During the Civil War, Tubman worked as a nurse and a spy for the Union army in South Carolina, where she was known as General Tubman. After the war, Tubman established a retirement home for indigent African Americans and spoke at women's suffrage meetings. This remarkable account of her life underscores just why Tubman remains such a powerful example of selflessness in the face of danger. She regularly risked her life for other people, most of whom she did not even know.

Harriet Tubman | All Aboard the Underground Railroad | U.S. Economy in the mid-1800s | Biography 5th Grade | Children's Biographies Simon and Schuster

Harriet Tubman's fame as a conductor on the Underground Railroad led to her nickname: Moses. She displayed considerable courage leading fugitive slaves to freedom and, incredibly, never lost a passenger. Less well known is Tubman's service in the Union army as a scout and spy during the Civil War. This captivating volume uses Tubman's own remembrances as well as other primary sources to provide a greater understanding of her astonishing life story as well as major issues of the United States in the 1800s. Historic photographs, fact boxes, and sidebars add valuable information to the main text and appealing design.

Escape North! The Story of Harriet Tubman Open Road Media

A biography of the fugitive slave turned "conductor" on the Underground Railroad describes Tubman's youth in the South, her escape to Philadelphia, her efforts to liberate slaves, and her work for the Union Army.

How the Word Is Passed Mitchell Lane Publishers, Inc.

Born into slavery in the 1820s, Harriet Tubman would later run away and later help scores of other African American slaves escape to freedom in the North using the "Underground Railroad". A nurse, scout, and advisor during the American Civil War, Harriet co-led the Combahee River Raid, in which 700 slaves were liberated. After the war, Harriet became involved in women's suffrage, or the right to vote, and opened a retirement home for sick and elderly African Americans. In this biography book learn all about Harriet Tubman's fascinating life, the hardships she endured, the people she helped and rescued, the battles she fought, and how this American icon of strength continues to inspire so many people today.

Harriet Tubman Frances Lincoln Children's Books

If you loved the movie HARRIET <https://www.focusfeatures.com/harriet/> you will love THE TUBMAN COMMAND! From the bestselling author of *The Hamilton Affair*, a novel based on a thrilling chapter of Civil War history and African American history, how Harriet Tubman lead a Union raid to free 750 slaves. It's May 1863. Outgeneraled and outgunned, a demoralized Union Army has pulled back with massive losses at the Battle of Chancellorsville. Fort Sumter, hated symbol of the Rebellion, taunts the American navy with its artillery and underwater mines. In Beaufort, South Carolina, one very special woman, code named Moses, is hatching a spectacular plan. Hunted by Confederates, revered by slaves, Harriet Tubman plots an expedition behind enemy lines to liberate hundreds of bondsmen and recruit them as soldiers. A bounty on her head, she has given up husband and home for the noblest cause: a nation of, by, and for the people. The Tubman Command tells the story of Tubman at the height of her powers, when she devises the largest plantation raid of the Civil War. General David Hunter places her in charge of a team of black scouts even though skeptical of what one woman can accomplish. For her gamble to succeed, "Moses" must outwit alligators, overseers, slave catchers, sharpshooters, and even hostile Union soldiers to lead gunships up the Combahee River. Men stand in her way at every turn--though one reminds her that love shouldn't have to be the price of freedom. It's the perfect read before going to see the big new movie about Harriet Tubman, *Harriet* (November 2019) starring Kasi Lemmons, Cynthia Erivo, and Janelle Monae.

Harriet Tubman in Her Own Words Createspace Independent Publishing Platform

Harriet Tubman escaped slavery, helped dozens make it to freedom, and then became an abolitionist and women's rights advocate. Here's the remarkable life story of an American hero, told in an exciting graphic novel format. Harriet Tubman lived an incredible life, one more heroic than any comic book superhero. In 1849 she escaped slavery for the first time. Then she headed back into the South, helping about 70 slaves find freedom on more than a dozen dangerous journeys along an elaborate abolitionist network called the Underground Railroad. *Harriet Tubman: Fighter for Freedom!* is the latest in the *Show Me History!* collection, previously featuring the stories of real-life American luminaries such as Abraham Lincoln, Alexander Hamilton, and Martin Luther King, Jr. Like the rest of *Show Me History!*, and befitting her almost unbelievable life, *Fighter for Freedom!* is presented in full-color, graphic novel format—a long-form comic book.

Bound for the Promised Land Perfection Learning

A biography of the Afro-American woman best known for her work with the underground railroad, describing her childhood as a slave, her escape to the North, her work during the Civil War, and more.

Harriet Tubman Life Stories

This "important and timely" (Drew Faust, *Harvard Magazine*) #1 New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be. Winner of the National Book Critics Circle Award for Nonfiction Winner of the Stowe Prize Winner of 2022 Hillman Prize for Book Journalism A New York Times 10 Best Books of 2021
