RAFAEL ARELY

Poems by Emily Dickinson Gale, Cengage Learning
Marigold presents the first rigorously documented, in-depth story of one of the Vietnam War's last great mysteries: the secret peace initiative, codenamed "Marigold," that sought to end the war in 1966. The initiative failed, the war dragged on for another seven years, and this episode sank into history as an unresolved controversy. Antiwar critics claimed President Johnson had bungled (or, worse, deliberately sabotaged) a breakthrough by bombing Hanoi on the eve of a planned secret U.S.-North Vietnamese encounter in Poland. Yet, LBJ and top aides angrily insisted that Poland never had authority to arrange direct talks and Hanoi was not ready to negotiate. This book uses new evidence from long hidden communist sources to show that, in fact, Poland was authorized by Hanoi to open direct contacts and that Hanoi had committed to entering talks with Washington. It reveals LBJ's personal role in bombing Hanoi as he utterly disregarded the pleas of both the Polish and his own senior advisors. The historical implications of missing this opportunity are immense: Marigold might have ended the war years earlier, saving thousands of lives, and dramatically changed U.S. political history.

Quotes by Emily Dickinson SUNY Press

For most of her life Emily Dickinson regularly embedded poems, disguised as prose, in her lively and thoughtful letters. Although many critics have commented on the poetic quality of Dickinson's letters, William Shurr is the first to draw fully developed poems from them. In this remarkable volume, he presents nearly 500 new poems that he and his associates excavated from her correspondence, thereby expanding the canon of Dickinson's known poems by almost one-third and making a remarkable addition to the study of American literature. Here are new riddles and epigrams, as well as longer lyrics that have never been seen as poems before. While Shurr has reformatted passages from the letters as poetry, a practice Dickinson herself occasionally followed, no words, punctuation, or spellings have been changed.

Shurr points out that these new verses have much in common with Dickinson's well-known poems: they have her typical punctuation (especially the characteristic dashes and capitalizations); they use her preferred hymn or ballad meters; and they continue her search for new and unusual rhymes. Most of all, these poems continue Dickinson's remarkable experiments in extending the boundaries of poetry and human sensibility.

Critical Companion to Emily Dickinson UNC Press Books
THE STORY: In her Amherst, Massachusetts home, the reclusive nineteenth-century poet Emily Dickinson recalls her past through her work, her diaries and letters, and a few encounters with significant people in her life. William Luce's classic play shows us both the pain and the joy of Dickinson's secluded life. *The Cambridge Companion to Emily Dickinson* Penguin UK
A study guide for Emily Dickinson's "The Soul Selects Her Own Society", excerpted from Gale's acclaimed Poetry for Students series. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

A Woman Defined Fingerprint! Publishing

No art has been denounced as often as poetry. It's even bemoaned by poets: "I, too, dislike it," wrote Marianne Moore. "Many more people agree they hate poetry," Ben Lerner writes, "than can agree what poetry is. I, too, dislike it and have largely organized my life around it and do not experience that as a contradiction because poetry and the hatred of poetry are inextricable in ways it is my purpose to explore." In this inventive and lucid essay, Lerner takes the hatred of poetry as the starting point of his defense of the art. He examines poetry's greatest haters (beginning with Plato's famous claim that an ideal city had no place for poets, who would only corrupt and mislead the young) and both its greatest and worst practitioners, providing inspired close readings of Keats, Dickinson, McGonagall, Whitman, and others. Throughout, he attempts to explain the noble failure at the heart of every truly great and truly horrible poem: the impulse to launch the experience of an individual into a timeless communal existence. In *The Hatred of Poetry*, Lerner has crafted

an entertaining, personal, and entirely original examination of a vocation no less essential for being impossible.

The Hatred of Poetry FSG Originals

The public is familiar with the Emily Dickinson stereotype--an eccentric spinster in a white dress flitting about her father's house, hiding from visitors. But these associations are misguided and should be dismantled. This work aims to remove some of the distorted myths about Dickinson in order to clear a path to her poetry. The entries and short essays should open avenues of debate and individual critical analysis. This companion gives both instructors and readers multiple avenues for study. The entries and charts are intended to prompt ideas for classroom discussion and syllabus planning. Whether the reader is first encountering Dickinson's poems or returning to them, this book aims to inspire interpretative opportunities. The entries and charts make connections between Dickinson poems, ponder the significance of literary, artistic, historical, political or social contexts, and question the interpretations offered by others as they enter the never-ending debates between Dickinson scholars.

The Belle of Amherst Graphic Arts Books

Poems were written by American writer Emily Dickinson. The first poem, I Started Early Took My Dog, has the author taking her dog for a walk by the sea. They stay by the sea until they are chased away by the rising tide. The second poem, Daisy Follows Soft the Sun, has the daisy telling the sun she loves him and follows him through the day..

Montaigne Harvard University Press

Part of a new collection of literary voices from Gibbs Smith, written by, and for, extraordinary women—to encourage, challenge, and inspire. One of America's most distinctive poets, Emily Dickinson scorned the conventions of her day in her approach to writing, religion, and society. *Hope Is the Thing with Feathers* is a collection from her vast archive of poetry to inspire the writers, creatives, and leaders of today. Continue your journey in the Women's Voices series with *Jane Eyre*, by Charlotte Bronte and *The Feminist Papers* by Mary Wollstonecraft.

There Is No Frigate Like a Book Scholastic

During Emily's life only seven of her 1775 poems were published. This collection of her work shows her breadth of vision and a passionate intensity and awe for life, love, nature, time and eternity. Once branded an eccentric Dickinson is now regarded as a major American poet.

These Fevered Days: Ten Pivotal Moments in the Making of Emily Dickinson Princeton University Press

A New York Times Book Review Editors' Choice, this engaging, insightful portrayal of Emily Dickinson sheds new light on one of American literature's most enigmatic figures. On August 3, 1845, young Emily Dickinson declared, "All things are ready" and with this resolute statement, her life as a poet began. Despite spending her days almost entirely "at home" (the occupation listed on her death certificate), Dickinson's interior world was extraordinary. She loved passionately, was hesitant about publication, embraced seclusion, and created 1,789 poems that she tucked into a dresser drawer. In *These Fevered Days*, Martha Ackmann unravels the mysteries of Dickinson's life through ten decisive episodes that distill her evolution as a poet. Ackmann follows Dickinson through her religious crisis while a student at Mount Holyoke, which prefigured her lifelong ambivalence toward organized religion and her deep, private spirituality. We see the poet through her exhilarating frenzy of composition, through which we come to understand her fiercely self-critical eye and her relationship with sister-in-law and first reader, Susan Dickinson. Contrary to her reputation as a recluse, Dickinson makes the startling decision to ask a famous editor for advice, writes anguished letters to an unidentified "Master," and keeps up a lifelong friendship with writer Helen Hunt Jackson. At the peak of

her literary productivity, she is seized with despair in confronting possible blindness. Utilizing thousands of archival letters and poems as well as never-before-seen photos, *These Fevered Days* constructs a remarkable map of Emily Dickinson's inner life. Together, these ten days provide new insights into her wildly original poetry and render an "enjoyable and absorbing" (Scott Bradfield, *Washington Post*) portrait of American literature's most enigmatic figure.

Seamus Heaney, Denis Donoghue, William Pritchard, Marilyn Butler, Harold Bloom, and many others have praised Helen Vendler as one of the most attentive readers of poetry. Here, Vendler turns her illuminating skills as a critic to 150 selected poems of Emily Dickinson. As she did in *The Art of Shakespeare's Sonnets*, she serves as an incomparable guide, considering both stylistic and imaginative features of the poems. In selecting these poems for commentary Vendler chooses to exhibit many aspects of Dickinson's work as a poet, "from her first-person poems to the poems of grand abstraction, from her ecstatic verses to her unparalleled depictions of emotional numbness, from her comic anecdotes to her painful poems of aftermath." Included here are many expected favorites as well as more complex and less often anthologized poems. Taken together, Vendler's selection reveals Emily Dickinson's development as a poet, her astonishing range, and her revelation of what Wordsworth called "the history and science of feeling." In accompanying commentaries Vendler offers a deeper acquaintance with Dickinson the writer, "the inventive conceiver and linguistic shaper of her perennial themes." All of Dickinson's preoccupations—death, religion, love, the natural world, the nature of thought—are explored here in detail, but Vendler always takes care to emphasize the poet's startling imagination and the ingenuity of her linguistic invention. Whether exploring less familiar poems or favorites we thought we knew, Vendler reveals Dickinson as "a master" of a revolutionary verse-language of immediacy and power. *Dickinson: Selected Poems and Commentaries* will be an indispensable reference work for students of Dickinson and readers of lyric poetry.

The Poems by Emily Dickinson McFarland

Few authors have had careers as successful as that of Connie Willis. Inducted into the Science Fiction Hall of Fame and recently awarded the title of Grand Master by the Science Fiction and

Fantasy Writers of America, Willis is still going strong. Her smart, heartfelt fiction runs the gamut from screwball comedy to profound tragedy, combining dazzling plot twists, cutting-edge science, and unforgettable characters. From a near future mourning the extinction of dogs to an alternate history in which invading aliens were defeated by none other than Emily Dickinson; from a madcap convention of bumbling quantum physicists in Hollywood to a London whose Underground has become a storehouse of intangible memories both foul and fair—here are the greatest stories of one of the greatest writers working in any genre today. All ten of the stories gathered here are Hugo or Nebula award winners—some even have the distinction of winning both. With a new Introduction by the author and personal afterwords to each story—plus a special look at three of Willis's unique public speeches—this is unquestionably the collection of the season, a book that every Connie Willis fan will treasure, and, to those unfamiliar with her work, the perfect introduction to one of the most accomplished and best-loved writers of our time. Praise for *The Best of Connie Willis* "Filled with warmth and sadness, great drama, witty dialogue, characters you will care about and moments that you will remember for a long time."—SFF World "If anyone can be named 'best science fiction writer of the age,' it's Connie Willis, and these stories are the best of her best. Truly."—Analog "Ranging from the hilarious to the profound, these stories show the full range of [Connie] Willis's talent for taut, dazzling plots, real science, memorable characters, penetrating dialogue and blistering drama."—Kirkus Reviews "Thank goodness [for] Connie Willis, who says many things that desperately need saying in more than one delightful way."—Milwaukee Journal Sentinel "The Best of Connie Willis? Isn't that like sorting through diamonds?"—Lytherus

Hope Is the Thing with Feathers Penguin

An anthology of literary essays focusing on the ways in which sexual, emotional, physical, racial, and other forms of violence have affected women artists' imaginations.

Bloom's How to Write about Emily Dickinson It's a Classic, Baby

White Heat is the first book to portray the remarkable relationship between America's most beloved poet and the fiery abolitionist who first brought her work to the public. As the Civil War raged, an unlikely friendship was born between the reclusive poet Emily

Dickinson and Thomas Wentworth Higginson, a literary figure who ran guns to Kansas and commanded the first Union regiment of black soldiers. When Dickinson sent Higginson four of her poems he realized he had encountered a wholly original genius; their intense correspondence continued for the next quarter century. In *White Heat* Brenda Wineapple tells an extraordinary story about poetry, politics, and love, one that sheds new light on her subjects and on the roiling America they shared.

Austin and Mabel Anchor

One of the most striking American lyric poet, Emily Dickinson came to be known only after she passed away. This collectable edition brings together her finest poems including ' Heart! We will forget him!' (47), ' Success is counted sweetest' (67), ' " Hope" is the thing with feathers' (254), ' I' m Nobody! Who are you?' (288), ' The Soul selects her own Society' (303), ' I measure every Grief I meet' (561), ' Because I could not stop for Death' (712), ' My Life had stood -- a Loaded Gun' (754), and ' Rearrange a " Wife' s" affection!' (1737). Dickinson did not give titles to her poems. They are known either by the first line of the poem or the numbers

allotted to them in the Thomas H. Johnson' s edition, *The Poems of Emily Dickinson*. We have used the numbers to identify the poems. A specimen of her exquisite craftsmanship, each poem gives an insight into Dickinson' s life and the emotions she experienced. "

New Poems of Emily Dickinson McSweeney's Books

A collection of the author's greatest poetry--from the wistful to the unsettling, the wonders of nature to the foibles of human nature--is an ideal introduction for first-time readers. Original.
