 Book Why have guitarists bought over seven million Boss compact effects? Read this book and you'll understand! The Boss Book includes: the story in complete detail of every Boss compact effect ever made; super color photos, design history, trivia, tricks and secrets; candid interviews with the Boss founder and design engineers; essays on musical trends and famous players; and much more. As a bonus, the accompanying CD features 72 guitar sounds with control settings and detailed equipment set-ups so you can take your guitar playing to another dimension! "I've used Boss pedals since their inception ... For me, Boss has always stood for simplicity, reliability and great sounding, very high-quality effects." Jeff "Skunk" Baxter (Doobie Bros., Steely Dan)

The Official Vintage Guitar Magazine Price Guide 2022 Hal Leonard Corporation

Out of the crucible of war has come a long list of best-selling, award-winning, and long-remembered novels: *The Red Badge Of Courage*, *All Quiet on the Western Front*, *The Caine Mutiny*, *Fields of Fire* and *The Thirteenth Valley*. But none so far has ever captured the power and drama of the United States Marine Corps's ill-fated mission to end the war for Lebanon, which ended in the barracks bombing that killed almost three hundred Marines. For Sergeant David Griffin, a "peace-time" Marine, Beirut was the chance to prove himself capable to the generation of Marines who had been bloodied in the Vietnam War. For Corporal Steven Downs, Beirut was a struggle to separate the civilian from the soldier, his distrust of the politicians' decisions from the military mission. For all of the Marines serving in Lebanon, it was another war in a foreign

country where the enemy could be anywhere or anyone. Faced with Griffin's court-martial for engaging the enemy against orders, these two young men find themselves questioning their faith in themselves, their commanders, and eventually that which above all else they must have faith in--the Corps. With the insight that only a Marine Corps veteran could have, C. X. Moreau portrays the men who fought and died in Beirut with skill and ability that bring home to the reader the true meaning of *Semper Fi*. "Affecting . . . A haunting slice of military life that unsparingly catalogues the risks, rewards, pain and joys of casting one's lot with warriors."--Kirkus Reviews "Moreau uses the building block of authentic detail to craft a solid take about a little-known, undeclared war. His debut should attract readers seeking to understand how the U.S. military is waging peace in the Middle East."--Publishers Weekly "Outstanding! A classic in, yet above and beyond, the war genre. Thank you, C. X. Moreau, for an enlightening work."--John M. Del Vecchio, New York Times best-selling author of *The Thirteenth Valley* and *For The Sake Of All Living Things* "With his first book, *Distant Valor*, C. X. Moreau, joins the company of top rank military novelists. He shows the reader what it really means to be a Marine."--W.E.B. Griffin, New York Times best-selling author of "The Corps" and "The Brotherhood of War" series "A clear picture of Marines in action and the politicization that often causes bungled operations. The picture is harsh; but it depicts the anguish and humanity of the Marines who so gallantly bear the brunt of carrying the flag to foreign shores. This first novel rings with the authenticity that only a serving Marine could supply."--The Florida Times-Union

"A novel of character, as are all great war novels...cuts to the heart of the military experience in our time . . ."--San Jose Mercury News "An absolutely authentic portrayal of the Marines who endured the mud and the blood in Beirut. As captain of a ship offshore, I watched it; C. X. Moreau obviously lived it, up close and personal."--P.T. Deutermann, best-selling author of *Scorpion in the Sea* "C. X. Moreau has seen the military future first-hand in Beirut. In an age of fateful involvements in the wars of others, the terrible dilemmas described so ably in *Distant Valor* are too often the essence of duty for today's Marines and soldiers. This book is as authentic as they come, heartrending and true, exciting and brutally tragic. It is a worthy monument to heroes cast aside."--Ralph Peters, New York Times best-selling author of *The War In 2020*

Contains detailed descriptions and images on the most popular models, including both vintage and new amplifiers. A color section also helps determine conditions.

Classic Guitars Vintage Guitar Music (Guitar Educational).

Many guitarists spend years, or entire lives, feeling their way around the guitar neck in the dark. But it doesn't have to be that way! Experiencing the freedom that comes with a little theoretical knowledge is not as difficult as it may seem. With Visual Guitar Theory , you'll quickly "connect the dots" by seeing and understanding

the shapes and patterns that make music work, with over 500 full-color fretboard diagrams, detailed lessons, quizzes, and an organized, progressive teaching approach. Topics covered include: intervals; building triads; transposing chord shapes; inversions; building scales; and much more.

Chet Atkins: Me and My Guitars is, without a doubt, the most comprehensive and enlightening book on Chet Atkins ever published. A friend of Atkins' for 40 years, Russ Cochran was privy to stories from Chet that even the most knowledgeable Chet fan would never know about. Chet tells it all in his own words about his childhood, his playing influences and early struggles to find work, along with insight into the guitars he used and endorsed along the way. The book includes full-color photos of Chet and his guitars, many only previously seen in a limited collector's edition. Photographer Wolf Hoffman manages to expertly capture the images of some very famous guitars played by Chet, including his first Sears Roebuck Silvertone, custom made D'Angelicos, the Gretsches, and the prototype models of the current Gibson Country Gentleman guitars. Over 60 guitars in Chet's private collection are photographed in Chet's home and his office on Music Row. Chet speaks about each of his important guitars - including the Gibson L-10 which his brother Jim gave him - telling the story of his career as seen through his guitars. More than just a pictorial review of his guitars throughout the years, it's a fascinating look inside the mind of history's greatest guitar player. This book will appeal to guitar collectors and Chet Atkins fans

everywhere. Full-color and B/W photos throughout.

The Guitar Amp Handbook Serious Guitarist

From 1986-1994 a group of friends banded together and used their love of horror movies and heavy metal to pull outlandish pranks on their classmates. First featured in the published memoirs this now is the photographic images and memories of days gone by

A deluxe photographic celebration of the unsung hero of guitar music—the effects pedal—featuring interviews with 100 musicians including Peter Frampton, Joe Perry, Jack White, and Courtney Barnett. Ever since the Sixties, fuzz boxes, wah-wahs, phase shifters, and a vast range of

guitar effects pedals have shaped the sound of music as we know it. *Stompbox: 100 Pedals of the World's Greatest Guitarists* is a photographic showcase of the actual effects pedals owned and used by Jimi Hendrix, Stevie Ray Vaughan, Frank Zappa, Alex Lifeson, Andy Summers, Eric Johnson, Adrian Belew, Joe Satriani, Steve Vai, Ed O'Brien, J Mascis, Lita Ford, Joe Perry, Thurston Moore, Lee Ranaldo, Vernon Reid, Kaki King, Nels Cline and 82 other iconic and celebrated guitarists. These exquisitely textured fine-art photographs are matched with fresh, insightful commentary and colorful road stories from the artists themselves, who describe how these fascinating and often devilish devices shaped their sounds and songs.
