JORDAN MIDDLETON

Books in Print Bloomsbury Publishing USA

In early 1917, as Britain was bogged down in a war it feared would never end, Alice Wheeldon, her two daughters, and her son were brought to trial and imprisoned for plotting the assassination of Prime Minister Lloyd George, who they believed had betrayed the suffrage movement. In this highly evocative and haunting play, British historian and feminist Sheila Rowbotham illuminates the lives and struggles of those who opposed the war. The Wheeldons' controversial trial became something of a cause célèbre—a show trial at the height of the First World War—based on fabricated evidence from a criminally

insane fantasist, “Alex Gordon,” who was working for an undercover intelligence agency. It was a travesty of justice. Friends of Alice Wheeldon is combined here with Rowbotham’s extended essay, “Rebel Networks in the First World War,” that gives a historical overview of the political and social forces that converged upon the Wheeldon family and friends. First published nearly thirty years ago, this new edition points readers to subsequent research into the case and the ongoing campaign to clear Alice Wheeldon’s name. It offers a necessary corrective to the more triumphalist commemorations of the First World War. [Morality Matters](#) Penguin

How do race, class, and gender issues affect moral philosophy? This question is the focus of this ambitious new applied ethics anthology. Author Jeffrey R. Di Leo complements classical and contemporary readings with materials drawn from film, fiction,

court cases, and current events to create this highly flexible and versatile volume.

Go Ask Alice Simon and Schuster

The new crime thriller in the ever-funny and charming Stanley Hastings mystery series, featuring the only detective in New York City who doesn't carry a gun. Stanley Hastings finally felt like a real PI, staking out a New Jersey motel to get evidence on a woman's cheating husband. It should have been a piece of cake. Only the husband wasn't cheating, someone killed him, and the cops are trying to pin the murder on the man apprehended at the scene, who just happens to be Stanley. To clear his name, Stanley will wind up jumping bail, impersonating a police officer, staking out a mob boss, and appropriating a murder weapon from a sassy Jersey Girl who keeps trying to distract him by ripping her clothes off. And that's just for starters . . .

ALICE'S ARMY Profile Books

"STIRLING HAS SURPASSED HIS PREVIOUS WORK," raved Science Fiction Chronicle of his bestselling novel *Island in the Sea of Time*, and George R. R. Martin hailed it as "an utterly engaging account of what happens when the isle of Nantucket is whisked back into the Bronze Age." Now, the adventure continues... In the years since the Event, the Republic of Nantucket has done its best to recreate the better ideas of the modern age. But the evils of its time resurface in the person of William Walker, renegade Coast Guard officer, who is busy building an empire for himself based on conquest by technology. When Walker reaches Greece and recruits several of their greater kinglets to his cause, the people of Nantucket have no choice. If they are to save the primitive world from being plunged into bloodshed on a twentieth-century

scale, they must defeat Walker at his own game: war.

Scapegoats at Work Simon and Schuster

A fast paced conspiracy thriller focussing on a secret drug development programme. Alice Bidebecker is the best Senior Counter Intelligence Analyst the NSA has ever had, and a charismatic female protagonist who must use her cyber security skills to combat a worldwide conspiracy.

She battled them inside the earth's core. Now it's time to deal with those on the surface! After traveling to the center of the earth and dealing with prehistoric beasts, deceitful amazons and even more zombies and aliens to rescue her son, Kendra and her family return to the surface of the planet to deal with the aliens once and for all. *Zombies and Aliens* is the final installment of the exciting romance-thriller series, *Kendra's Journey*.

The Carl Hildridge Journals HP Books

Alice in Wonderland (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Zombies and Aliens Penguin

This story is a gothic thriller that tells of a woman named Alice Sparks, who came to possess special abilities after entering an old dilapidated mansion that was possessed by the souls of those who were damned there by a servant of Satan named Hildridge. Hildridge had escaped Satan's wrath by hiding inside one of his

diaries, which Alice Sparks came upon while searching for antiques and relics she could sell in a nearby town. She became possessed by the escaped servant, Hildridge, who prompted her to vow and decrepit things to the townspeople in the nearby community. This led a small group of policemen to search for her and what they believed to be a journal that possessed diabolical incantations and that had the ability to open a portal for Satan himself to enter the world of the living. While seeking out the possessed woman and the journal, they encountered Satan's forces, which sought to prevent the group from stopping Satan's coming.

Who's who in Graphic Art John Wiley & Sons

"Alice took a deep breath and faced the menace. As she did so Alwyn, who had also recovered his feet, rushed at her to drag her away to safety. He grabbed her around the waist but Alice swept him aside with a powerful, and almost casual, swing of her arm, sending him flying backwards. the beast, which had started to advance toward her, stopped. As Alice's power began to work on it, it gradually began to shrink and fade. She took one pace toward the beast and it disappeared completely. from where he was lying, Alwyn saw all that she did. This was not the Alice he knew. What he could see was a tall, strong, stone faced, hard woman with eyes that were glowing white. This was not his Alice!."

No, Alice, I don't want to become a man, I just want to stop trying to be a woman. It's New Year in Rotterdam, and Alice has finally plucked up the courage to email her parents and tell them she's gay. But before she can hit send, her girlfriend reveals that he has always identified as a man and now wants to start living as one. Now Alice must face a question she never thought she'd ask . . . does this mean she's straight? A bittersweet comedy about gender, sexuality and being a long way from home. A programme text edition which was published to coincide with the world premiere at Theatre503, London, on 27 October 2015

Pillars Of Salt Plutus

Somebody was testing a planet-killing weapon on Mars^¾ and the next target was Earth Mars is the staging ground. Earth is the target. A storm of invasion gathers as the Red Planet pales and Earth scientists _ amateurs and professionals alike _ race to discover what it portends. Worse news: the horde of self-replicating probes suspected as the cause _ implacable and all-consuming in its own right _ may be only the tip of a full-scale assault. Ideas ^¾ the only useful weapon when facing an adversary an order of magnitude more advanced than you are. But against such an enemy, thought without action is as futile as war-making without a plan. Humanity's hope? The _straddlersÓ: intelligent soldiers who know their science ^¾ and fighting scientists who have no scruples about using their smarts to kick some alien butt. Yet even with the right people finally on the job, the hour is late. For Mars glows red again. And the swarm is nearly upon us! At the publisher's request, this title is sold without DRM (Digital Rights Management). Multiple New York Times and USA Today best-seller John Ringo rocks our world as

hard as he did with his ground-breaking "Posleen War" series, teaming with NASA and DOD scientist Travis S. Taylor, a specialist in advanced propulsion and space telescopes ^¾ and popular author of Warp Speed and The Quantum Connection ^¾ to usher in a new saga of invasion, resistance and heroism! "If Tom Clancy were writing SF, it would read much like John Ringo."

^¾Philadelphia Weekly Press on New York Times best-seller John Ringo. "[S]timulating and satisfying speculation." ^¾Publishers Weekly on Travis S. Taylor's The Quantum Connection.

OxCrimes Feiwel & Friends

A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After you've had it, there isn't even life without drugs... It started when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth—and ultimately her life. Read her diary. Enter her world. You will never forget her. For thirty-five years, the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful—and as timely—today as ever, Go Ask Alice remains the definitive book on the horrors of addiction.

Fire and Fog Troubador Publishing Ltd

When Lady Charlton is forced into becoming London's most reluctant matchmaker, sparks fly and romance ensues, from the national bestselling author of Marry in Scarlet. Alice, Lady Charlton, newly-widowed and eager to embrace a life free of her

domineering husband is devastated when a scoundrel appears, brandishing letters that could ruin her. To prevent their publication he wants Alice to find a noble husband—a lord—for his daughter, Lucy. Alice is forced to agree to his blackmail but when Lucy arrives, she has absolutely no interest in her father's scheme. A lord, she says, will only look down his nose at her—and she's having none of that! Desperate to retrieve the letters, Alice enlists the aid of her handsome young nephew, Gerald, who in turn seeks the help of his former commanding officer, James, Lord Tarrant. James is soon beguiled by the marriage-averse lady and sets out to teach her about love. Meanwhile, Gerald and Lucy strike sparks each time they meet. To combat the dastardly plot, Alice and Lucy must learn to trust each other. But can Alice put the past behind her and open her heart to love?

In Search of Mercy Knickerbocker Press

This uplifting romantic comedy takes you on Alice's journey, interweaving her relationships with real-life characters and dreams involving her favourite romantic screen idols. Lamenting the loss of her long-term partner and having been made redundant, Alice makes a New Year's resolution to get on with life, and definitely without a man. But things don't quite go to plan. As her Aunt Betty says, 'Men, dear, are like buses, there are none on the horizon then three come along at once.' Alice certainly is shaken and definitely stirred.

Your Space Level 3 McGraw-Hill Humanities, Social Sciences & World Languages

Is it possible to be too good of a friend—too understanding, too always there, too much like a doormat? Alice has always been a best friend to Pamela and Liz. But she's starting to wonder where

that leaves her: What am I? An ear for listening? An arm around the shoulder? And then there's Patrick—after ending their relationship two years ago, he's suddenly calling again, and wants to take her to his senior prom. What does that mean? As Alice tries to figure out who she is in relation to her friends, she learns one thing: Aometimes friends need you more than they let on...especially when the unthinkable happens

eBook Partnership

This collection of short mysteries by the international-bestselling author of *Dust and Shadow* “belongs on the top shelf with the very best of Doyle’s” (Nicholas Meyer, author of *The Seven-Percent Solution*). Inspired by Sir Arthur Conan Doyle’s Sherlock Holmes and Dr. John Watson, Edgar Award-finalist Lyndsay Faye has masterfully woven these quintessential characters into her own works of fiction—from her acclaimed debut novel, *Dust and Shadow*, to a series of short stories for the *Strand Magazine*, whose predecessor published the first Sherlock Holmes story in 1892. The best of Faye’s Sherlockian tales, including two new works, are brought together in a collection that spans the character’s career, from self-taught upstart to lauded detective, both before and after he faked his own death over a Swiss waterfall in 1894. In “The Lowther Park Mystery,” the unsociable Holmes is forced to attend a garden party at the request of his politician brother and improvises a bit of theater to foil a conspiracy against the government. “The Adventure of the Thames Tunnel” brings Holmes’s attention to the murder of a jewel thief in the middle of an underground railway passage. With Holmes and Watson encountering all manner of ungrateful relatives, phony psychologists, wronged wives, outright villains,

and even a peculiar species of deadly red leech, *The Whole Art of Detection* is a must-read for any fan of historical crime fiction. “If Lyndsay Faye’s byline weren’t on the cover, readers might deduce that the Sherlock Holmes mysteries in *The Whole Art of Detection* actually came from Sir Arthur Conan Doyle.” —David Martindale, Fort Worth Star-Telegram

The Golden Princess Trafford Publishing

In Maryrose Wood's stunning middle-grade novel, *Alice's Farm*, a brave young rabbit must work with her natural predators to save her farmland home and secretly help the farm’s earnest but

incompetent new owners. When a new family moves into Prune Street Farm, Alice and the other cottontails are cautious. The new owners are from the city; the family and their dog are not at all what the rabbits expect, and soon Alice is making new friends and doing things no rabbit has done before. When she overhears a plan by a developer to run the family off and bulldoze the farm, Alice comes up with a plan, helped by the farmer’s son, and other animals, including a majestic bald eagle. Here is a stunning celebration of life, the bitter and the sweet. Alice is some rabbit—a character readers will love for generations to come.
