The Winter Mantle Penguin UK
 Journey back in time to Tudor England with a tale of romance, intrigue, and the Celtic legends of the selkies. Will Somers has spent his life alone, thinking himself unlovable. Emma is a selkie; a creature of myth and magic, one of the immortal fae-folk of the sea. When Will finds her sleeping on a beach, he recalls the tales his grandmother told him of selkie maidens taken for wives. He seizes this unexpected chance to have a wife and family of his own and steals her pelt, binding her to him. Only when it is willingly returned will she be free. Emma has never experienced life on land and can barely contain her excitement and curiosity. She has to learn to adapt quickly to human customs, for Will is headed to the glittering, dangerous court of Henry VIII to serve as the king's fool. It's a world where careless words can lead to the scaffold and the smallest gesture is loaded with political implications. Anne Boleyn is charmed by Emma's naivete and soothing selkie magic and wants Emma for her own fool. Anne is soon to become a wife herself, and the Queen of England. But wearing the crown does not ensure her own safety, and at Anne's side, Emma becomes entangled in the dark intrigues of the court, trying to stay afloat in the turbulent seas swept by the storms of the mercurial king. Can Will protect the woman he loves from the dangers that lurk in every shadow? Emma uses her selkie magic to soothe the king's temper, and Will uses his humor, but Henry's moods become increasingly erratic. Theirs is a vocation that provides them some protection, but in Henry VIII's court, no one is safe. Circa regna tonat: Around the throne, the thunder rolls.

The End of All Things Taw River Press
 A political, cultural, and intellectual study of race, sex, and Western empire. This book interrogates a system that represents race, gender, sexuality, and class in certain systematic and oppressive ways. It connects sex and eroticism to geopolitics to examine the logic, operations, and politics of sexuality in the West.

The modern job market is ceaselessly expanding as technology and culture changes. Today, there are more than forty thousand different job titles in the United States, each demanding different training, talents and personalities. With CareerCode: Know Your Code, Find Your Fit, Jan Lowe and Tracy Lundgrin have shared a cutting-edge and enlightening process that links personal traits, interests, and work environments to real and practical careers in today's rapidly changing world.

Laxdaela Saga Ppct Research Publications

The Star Rover by Jack London is about Darrell Standing, a university professor serving life imprisonment in San Quentin State Prison for murder. Prison officials try to break his spirit using a torture device called "the jacket," a canvas jacket that can be tightly laced to compress the whole body, inducing angina. Standing discovers how to withstand the torture by entering a kind of trance state, in which he walks among the stars and experiences portions of past lives.

Forever Queen Routledge

Once again the incomparable Gore Vidal interprets and animates history -- this time in a panoramic tour of the 5th century B.C. -- and embellishes it with his own ironic humor, brilliant insights, and piercing observations. We meet a vast array of historical figures in a staggering novel of love, war, philosophy, and adventure . . . "There isn't a page of CREATION that doesn't inform and very few pages that do not delight." -- John Leonard, *The New York Times*

Māori Religion and Mythology St. Martin's Press

This essay collection is a wide-ranging exploration of Vikings, the television series that has successfully summoned the historical world of the Norse people for modern audiences to enjoy. From a range of critical viewpoints, these all fresh essays explore the ways in which past and present representations of the Vikings converge in the show's richly textured dramatization of the rise and fall of Ragnar Loobrok--and the exploits of his heirs--creating what many viewers label a "true" representation of the age. From the show's sources in both saga literature and Victorian revival, to its engagement with contemporary concerns regarding gender, race and identity, via setting, sex, society and more, this first book-length study of the History Channel series appeals to fans of the show, Viking enthusiasts, and anyone with an interest in medievalist representation in the 21st century.

Mystic Regimes Penguin

A "highly enjoyable" account of six men, and one woman, who journeyed into

uncharted and treacherous African terrain to find the source of the White Nile (*The Washington Post*). Nothing obsessed explorers of the mid-nineteenth century more than the quest to discover the source of the White Nile. It was the planet's most elusive secret, the prize coveted above all others. Between 1856 and 1876, six larger-than-life men and one extraordinary woman accepted the challenge. Showing extreme courage and resilience, Richard Burton, John Hanning Speke, James Augustus Grant, Samuel Baker, Florence von Sass, David Livingstone, and Henry Morton Stanley risked their lives and reputations in the fierce competition. National Book Critics Circle Award-winning author Tim Jeal deploys fascinating new research to provide a vivid tableau of the unmapped "Dark Continent," its jungle deprivations, and the courage—as well as malicious tactics—of the explorers. On multiple forays launched into east and central Africa, the travelers passed through almost impenetrable terrain and suffered the ravages of flesh-eating ulcers, paralysis, malaria, deep spear wounds, and even death. They discovered Lakes Tanganyika and Victoria and became the first white people to encounter the kingdoms of Buganda and Bunyoro. Jeal weaves the story with authentic new detail—and examines the tragic unintended legacy of the Nile search that still casts a long shadow over the people of Uganda and Sudan. "A fabulous story...old-fashioned epic adventure."—*The Sunday Times* "Superb narrative...a must-read for anyone hoping to understand the internal dynamics of modern state-building in central Africa."—*Booklist*

Two men. One crown. The story of the events that led to the Battle of Hastings in the year 1066, the most famous date in English History. England, 1044. Harold Godwinsson, a young, respected earl, falls in love with an ordinary but beautiful woman. In Normandy, William, the bastard son of a duke, falls in love with power. In 1066 England falls vulnerable to the fate of these two men: one, chosen to be a king, the other, determined to take, by force, what he desires. Risking his life to defend his kingdom from foreign invasion, Harold II led his army into the great Battle of Hastings in October 1066 with all the honour and dignity that history remembers of its fallen heroes. In this beautifully crafted tale, Helen Hollick sets aside the propaganda of the Norman Conquest and brings to life the English version of the story of the man who was the last Anglo-Saxon king, revealing his tender love, determination and proud loyalty, all to be shattered by the desire for a crown - by one who had no right to wear it.

Under These Restless Skies Museum Tusculanum Press

This ethnographic and Iranological study provides a unique exploration of Shi'ite Sufism in Iran, relating the comparative social development of two orders to the cultural repertoires that Sufis have used to cope with twentieth-century political and jurist regimes.

Createspace Independent Publishing Platform

Metal is a form of popular music. Popular music is a form of leisure. In the modern

age, popular music has become part of popular culture, a heavily contested collection of practices and industries that construct place, belonging and power.

The Prisoner in His Palace Yale University Press

USA Today Bestseller! What kind of woman becomes the wife of two kings, and the mother of two more? Saxon England, 1002. Not only is Æthelred a failure as King, but his young bride, Emma of Normandy, soon discovers he is even worse as a husband. When the Danish Vikings, led by Swein Forkbeard and his son, Cnut, cause a maelstrom of chaos, Emma, as Queen, must take control if the Kingdom-and her crown-are to be salvaged. Smarter than history remembers, and stronger than the foreign invaders who threaten England's shores, Emma risks everything on a gamble that could either fulfill her ambitions and dreams or destroy her completely. Emma, the Queen of Saxon England, comes to life through the exquisite writing of Helen Hollick, who shows in this epic tale how one of the most compelling and vivid heroines in English history stood tall through a turbulent fifty-year reign of proud determination, tragic despair, and triumph over treachery. Praise for Helen Hollick "If only all historical fiction could be this good." -Historical Novels Review "Hollick juggles a large cast of characters and a bloody, tangled plot with great skill." -Publishers Weekly "A very talented writer." -Sharon Kay Penman, bestselling author of Devil's Brood "Helen Hollick has it all. She tells a great story." -Bernard Cornwell What Readers Are Saying "Paints an exceptional portrait of Emma...an extremely excellent read...once you begin reading you won't want to stop until you absolutely have to!" "Every fan

of medieval history fiction and of Anglo-Saxon England should read this book." "For any historical novel fans this is a must. Impossible to put down." (This book was previously published in the U.K. as *THE HOLLOW CROWN*.)

Rival Caesars Indiana University Press

After a terrible virus ravages the planet, Carly Daniels, one of the few survivors, hides in her apartment in Juneau trying to survive the best she can with only occasional forays to gather food. With her is Sam, a wolf puppy she found starving on the streets. He becomes her companion and a reason to continue when giving up sometimes seems like the more attractive option. Still dazed with shock and grief, she hopes for the world to go back to normal soon. She is discovered by Justin, an ex-soldier who is intent on making his way to Florida before the winter sets in. Justin coaxes her out of her hiding place and convinces her to join him on his journey, because a warmer climate will be their best chance against the extremes of Mother Nature. Together, they begin a perilous journey through a nation laid to waste by the disaster. Challenges abound along the way. The weather, injury, and shortage of supplies all help to slow them down. In time, they discover that they aren't the only survivors. Some are friendly but some have had their minds destroyed by the high fever. Then there are those who simply take what they want, leaving Carly and Justin with no choice but to defend what is theirs. But their journey is not without joy and love. Together, they face every struggle, including an unplanned pregnancy. Despite the perils of bringing a child into a world of chaos, their baby is a new beginning for themselves and a symbol of hope for the other survivors they find along the

way. This is the story of their journey to find a place to begin a new life, and a home in each other. ~~~~~

~~~~~Praise for *The End of All Things*: Not only does Lissa Bryan tell a convincing end of the world as we know it story, but also a wonderfully emotional romance -- Sandra from My Fiction Nook Yes, an end of the world romance TOTALLY works -- Sandi Laynel love, love, love this book. Have reread it 3 times. It's a love story, survival story and action adventure all in one. -- Karen Jenkins *The End of All Things* was a lovely surprise. I'm a fan of dystopia and post-apocalyptic novels, but Lissa Bryan happened to do something different. She brought love to the forefront, weaving relationships and romance with an end-of-the-world-as-we-know-it into an overall theme of the things taken for granted. -- Raina at The LUV'NV blog But this isn't just a story of two people who find love in the unlikeliest people and places. This story is also about survival and the difficult decisions people have to make to ensure it. -- Amy, Goodreads *The End of All Things* is more about hope and second chances, and I very much enjoyed the tale .... highly recommended for all fans of apocalyptic fiction. It's a well-written book with excellent pace, plot, and best, it has real soul. -- Jade Kerrion, Goodreads I am not usually fond of *The End of the World As We Know It* books, but this book was so much more than a post-apocalypse story. It contained adventure, mystery, sadness and a truly sweet romance. -- Pamela, Goodreads

### **History of English** Lulu.com

Although based on historical persons from the 9th century, Ragnar Lodbrok and his sons are the subjects of compelling legends dating from the Viking era. Warriors, raiders, and rulers, Ragnar and his sons inspired unknown writers to set down their stories over seven centuries ago. This volume presents new and original translations of the three major Old Norse texts that tell Ragnar's story: the Saga of Ragnar Lodbrok, the Tale of Ragnar's Sons, and the Sogubrot. Ragnar's death song, the Krakumal, and a Latin fragment called the List of Swedish Kings, complete the story. Extensive notes and commentary are provided, helping the reader to enter the world of these timeless stories of Viking adventure.

CareerCode Health Research Books  
New York to NEW YOU is all about you and your Odyssey within. The book brings a wonderful fusion of wellness & mindfulness in the stressed-out business & corporate world. Through a unique ABCD Methodology, it teaches simple techniques to explore oneself and 'how to live' in harmony with the external world, irrespective of what one is going through inside or outside. 'How to make a Living' is part of Life, but not Life! Two

men from opposite sides of the world are brought together by a moment of serendipity. James, an investment banker & the darling of Wall Street in New York meets Guru, the Life Transformer, in India. And there is a mysterious character, RK, who has linkage with both these characters. What happens when the three meet after James' flight from New York? The principles in this book are eternal and universal. They are applicable in your personal, social and professional life. More than a self-help book, it can be a life changing book.

### The Sexual Demon of Colonial Power BRILL

Normandy 1067---William may have conquered England, but it is a conquest of a different kind that one English earl has in mind. Fresh from his defeat of King Harold at the Battle of Hastings, William of Normandy has returned home in triumph, accompanied by the English nobles he cannot trust to leave behind. For Waltheof of Huntingdon, however, rebellion is not at the forefront of his thoughts. From the moment he catches sight of Judith, daughter of the King's formidable sister, he knows he has found his future wife. When Waltheof saves Judith's life, it is clear that the attraction is mutual. But marriage has little to do with love in medieval Europe. When William refuses to let the couple wed, Waltheof joins forces with his fellow rebels in an uprising against the King. William brutally crushes the rebellion, but realizes that Waltheof cannot be ignored. Marrying him to his niece, he decides, is the perfect way to keep him in check. But is the match between the Saxon earl and Norman lady made in heaven or hell? As their children grow, Waltheof and Judith must choose between their feelings for each other

and older loyalties. At the same time, the reputation of Waltheof's Norman acquaintance Simon de Senlis continues to flourish. The son of William's chamberlain, he shares a special bond with Waltheof, who rescued him from being trampled by a horse when he was a squire. Now Simon enjoys the confidence of both the King and the rebel earl. And when tension between the two ignites once more, it is Simon who is set to reap the reward. Based on an astonishing true story of honor, treachery, and love, *The Winter Mantle* is historical fiction at its very best, reaching from the turbulent reign of William the conqueror to the high drama of the Crusades.

On Combat McFarland

Based on Evan Wright's National Magazine Award-winning story in *Rolling Stone*, this is the raw, firsthand account of the 2003 Iraq invasion that inspired

the HBO® original mini-series. Within hours of 9/11, America's war on terrorism fell to those like the twenty-three Marines of the First Recon Battalion, the first generation dispatched into open-ended combat since Vietnam. They were a new pop-culture breed of American warrior unrecognizable to their forebears—soldiers raised on hip hop, video games and *The Real World*. Cocky, brave, headstrong, wary and mostly unprepared for the physical, emotional and moral horrors ahead, the "First Suicide Battalion" would spearhead the blitzkrieg on Iraq, and fight against the hardest resistance Saddam had to offer. Hailed as "one of the best books to come out of the Iraq war" (*Financial Times*), *Generation Kill* is the funny, frightening, and profane firsthand account of these remarkable men, of the personal toll of victory, and of the randomness, brutality and camaraderie of a new American War.
