A must-have gift for pony fans of all ages! Five pop-up figures inside! The beautiful castles of Equestria pop to life inside this magical interactive book.

Showcasing more wizardry than Star Swirl the Bearded, pop-up master Matthew Reinhart takes My Little Pony fans on a magical time-traveling tour through each palace. See the majestic castle in Canterlot, the shining spire of the Crystal Empire, and the reconstructed ancient Castle of the Two Sisters--where Princesses Celestia and Luna began their rule. Plus, see Twilight Sparkle's home, the newest castle in Equestria! Use the five pop-up figures included to explore doorways, gardens, and throne

rooms. Spot all your favorite characters from the hit television series throughout this magnificently illustrated feat of pop-up engineering--you never know where some pony might appear!

Not to mention Princess Pony Head's tips for getting smoky eyes when you're behind bars.

The My Little Pony G3 Collector's Resource

HarperCollins

This gorgeous illustrated picture book features a brand-new My Little Pony underwater adventure, and includes an exclusive art poster! When Twilight Sparkle receives an invitation to visit the underwater city of Aquastria, she invites all her pony friends and Spike to travel with her. The ponies are welcomed by the ruler of Aquastria, King Leo, who sits on the Cosmic Council alongside his cousin, Princess Celestia. There is a long-

held rivalry between the seaponies and the mermarees. The two groups compete each year in a race for the grand prize, which is a beautiful pearl. Join the ponies and Spike as they confront danger, make new friends and race to the finish in this shimmering new world! *My Little Pony Cutie Mark Crew Collector's Guide* The Seller Ledger Everypony is sure to love the abridged, digital-only edition of The Official Guidebook! Inside they will find everything they need to know about the hit TV show, My Little Pony: Friendship is Magic. Character bios and a map of Equestria are just the beginning of this gorgeous book. Don't miss the complete lyrics to all the songs, a collection of Letters to Princess Celestia, and much much more! (Full episode guide excluded from abridged edition.)

The My Little Pony G1 Collector's Inventory

Priced Nostalgia Press

Color has fascinated horse lovers for centuries, and the story of the formation of the different breeds is closely tied to the subject of color. The Equine Tapestry explores the role color has played, both from a historical

perspective and in changing trends of the modern horse world. Combining a modern understanding of genetics with a wealth of historical documentation, this series gives a more complete picture of the founding of the different breeds and shows how this relates to the unusual colors popular in the present day. An Introduction to Colors and Patterns opens the series with a look at the different colors and patterns, giving detailed explanations written in plain English. Full color photos and illustrations are used throughout to enhance the text.

The Seller Ledger

McFarland

Drew Morris doesn't just feel like an outsider in his football-crazed Texas town—he actually is. He sucks at sports, even though his dad is the high school football coach. And his supposed “teen growth spurt” has yet to be seen, so he's sure his freshman year will be filled with seniors stuffing him in lockers. However, Drew is spared from the bullying he expects. Instead, a girl named Skye—who constantly dons horse ears and talks about My Little Pony—becomes everyone's target. Drew

feels bad for her, but he's not about to stand up and take her place. At least not until he discovers what these My Little Ponies are all about. Babysitting his younger sister one night, Drew is forced to watch My Little Pony: Friendship Is Magic. Much to his surprise, he finds himself actually paying attention to the show . . . and maybe even wanting to watch another episode after his sister is in bed. As school drags on, lonely and boring, he keeps sneaking episodes on his tablet until he has watched every single one. Not only that, but he's even started drawing the ponies in his spare time. He knows if anyone finds out how much he likes the show, he'll be a dead man walking like Skye. As it becomes harder to keep his secret while he has to watch Skye get bullied for the one thing that has made him happy all year, Drew faces some important choices. Read about Drew's search for friends and self-acceptance in My Little Brony. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter

books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

My Little Pony Schiffer Pub Limited

Full of information about the different breeds of horses and ponies to be found throughout the world, this comprehensive factfile is perfect for the pony-mad child.
