Organizational Behavior: A Skill-Building Approach, Third Edition examines how individual characteristics, group dynamics, and organizational factors affect performance, motivation, and job satisfaction. Translating the latest research into practical applications and best practices, authors Christopher P. Neck, Jeffery D. Houghton, and Emma Murray unpack how managers can develop their managerial skills to unleash the potential of their employees.

The Barnabas Connection began on July 14, 2021 as an outlet of encouragement and inspiration for the Body of Christ. The name was derived from one of the Apostles in the Book of Acts. According to Acts 4:36, "And Joses, who by the apostles was surnamed Barnabas (which is, being interpreted, The son of consolation) a Levite, and of the country of Cyprus)" KJV Do you have some days

when you just need to hear a word from the Lord? Do you have times when you just need that extra spark of inspiration? Are there times in your life where you need that motivation to catapult you into that next place in God? This devotional is 60 days of Apostolic & Prophetic Inspiration, gathered from the weekly Barnabas Connection global text messages. It will keep you running the race. You will not only run but you will win! Allow the spirit of God to breathe upon you, as you move throughout each page for the next 60 days.. The Lord has NOT forgotten about you. He desires to speak encouragement over your life.
