From 1976 until 1994, the Tampa Bay Buccaneers lost far more games than they won. The Bucs' status as a sporting punch line belied the fact that they were led by arguably the most important owner of that era. Known as the "Vice-Commissioner," Hugh F. Culverhouse, Sr., wielded his financial acumen as a weapon, keeping other NFL owners in line through the economic downturn of the 1980s, two work stoppages, and a multimillion dollar lawsuit from a rival league. Culverhouse's near-Dickensian frugality also led, directly and indirectly, to the Steve Young-Joe Montana quarterback controversy; Doug Williams' triumph in Super Bowl XXII; and the largest fourth-quarter collapse in NFL history. Over two dozen interviews with Culverhouse's allies and adversaries inform this thorough and balanced chronicle of the man and his team.

With extensive reporting and engrossing storytelling, Jim Baker and Bernard Corbett give us the scenes of one of the NFL's most successful and popular franchises. Interviews with Giants legends who participated in these historic moments put us behind closed doors in the commissioner's office during a fixed game in 1946, in the backfield wit Frank Gifford as the Giants advance to the championship in 1958, and in the huddle with Eli Manning as he diagrams the play that would result in the deciding touchdown in the 2008 Super Bowl. With an eye for memorable details and historical significance, Baker and Corbett let the players themselves tell the war stories that all Giants fans love to relive, and in so doing, construct an engrossing and exciting history of the team and the sport. The book will also feature revealing statistical sidebars and fresh analysis of the games that throw new light on the history of the team.

But the sweet bonus is the wisdom he learned from the school of hard knocks on how to succeed at marriage and fatherhood." —Miranda Devine "I've known Sid since he was a customer service agent for a company nobody ever heard of. The fact that I would care what he has to say about world politics or society as a whole is as shocking to me as it is to you, but here I am laughing and crying while hearing his unmistakably unique voice in my ears as I turn the pages of this book. Sid's a talented creator, an unapologetic and gifted performer in a sea of copycats and unoriginal thoughts. He simply stands out.
