Part one of A First Step - Understanding Guillain-Barré Syndrome is a true, blow-by-blow account of the Author's encounter, as a healthy Canadian businessman, with a rare and devastating disease, Guillain-Barré Syndrome (G.B.S. for short). It describes his seven-month long struggle for life in 'Intensive Care' after receiving a grim prognosis, and his subsequent dogged determination to overcome the effects of that disease. The second part is devoted to short stories based on dreams and hallucinations experienced whilst he was in 'Intensive Care', which in themselves reveal something of what a patient was going through. They also serve to illustrate the narrow boundary between reality and the dream world, and which whilst making for entertaining reading, could possibly be the subject of further study. Although the Author is a layperson, in medical terms, it is believed this book will be an important aid to medical professionals and care-givers, providing as it does, new insights and a unique perspective on the effects, not only of the disease, Guillain-Barré Syndrome, but also of the handling and care of any long-term intensive care patient, and their subsequent rehabilitation. For the curious, it will answer many questions. For G.B.S. patients and their families it should provide inspirational reading. The foreword to the book has been written by Dr Frank Warshawski, MD, FRCPC, Director of Intensive Care, Rockyview General Hospital, Calgary. In addition to that prestigious involvement, the Author has been fortunate in receiving permission to use other material authored by exceptionally well qualified medical professionals, for which due credit is given in the 'Acknowledgements' section of the book, enabling him to produce not only an interesting

publication, but an informative and educational one. In short, a 'must read' and deserving of a place on any medical bookshelf.

Selfishness is the root cause of every vice and sorrow. Self-love is the prime mover of every mortal sin. Vice and wickedness are an abnormal, unnatural manifestation, at this period of human evolution. But truth is often stranger than fiction. Some fictions point out to some of the most hidden ulcers in social life. For morality to exist between men and women, they must follow the Law of Chastity. Jesus did not teach Monasticism but the law of Continence. Of all vices, Vanity is the last and the most troublesome. Yet, in no class of society at large are deceit and craft considered as Divine Virtues, except in the clerical classes of theologians. In the unreal world we live in, every virtue (even a papal one) is tainted with vice. The first step towards the Temple of Truth is a clean life. Forgiveness of injuries, contentment, and pity are not exclusively Christian virtues. Still, the noble love of virtue for virtue's own sake, of which some ancient Pagan nations were such prominent exemplars, has never blossomed in the Christian heart.

Salvation by personal merit and self-forgetfulness is the greatest of all virtues and cornerstone of the teachings of Lord Buddha. For virtue cannot be spoofed or hoodwinked. One has to love her for her own sake without looking for reward or profit. The eminent ideal of virtue is the only basis of spiritual insight and attainment. One ought to despise that virtue which prudence and fear alone direct. The seven cardinal virtues are superhuman divine faculties. True virtues are faculties of the sevenfold Logoic Hierarchy. All else is burlesque and ballyhoo. They are the female counterparts of the Celestial Hierarchy. Virtues are one degree of the Hierarchy of Compassion, whose mission is to maintain righteousness on earth. They are the Four Maharajas, Kings of the Dhyani-Chohans, who preside over and rule the four Cosmical Forces. They are they who, being in this world, yet live far beyond our illusive life on earth.

The truth is, time often makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn't dealt with. Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program has helped people for over 20 years to grow toward full Christ-like maturity. Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ-centered recovery programs in history. Baker will help you discover how God's love, truth, grace and forgiveness can bring healing into your life.

How do Christian students approach their years at a Christian college or university? What are the connections between all those hours of study and the Christian life? A First Step into a Much Larger World invites students, parents, and educators into a broad conversation about faith and learning in a postmodern age. Students will explore how to respond to diversity while maintaining community, how to make learning sensible as an expression of faith, and how to move from passive recipients of education to active and engaged co-learners with others. In so doing, they can transform their undergraduate years into a springboard for engaging the culture beyond the university.
