Jerry Reynolds was
country before country
was cool. He also was part
of the Sacramento Kings
before that was cool.
2015 marks the team's
30th season in California's
capital, and Jerry has
been there from the start.
Quietly, he has been
instrumental in the team's
growth from a shoestring

operation that couldn't
compete to a model NBA
franchise that is always
on the short list of title
contenders. He has been
a firsthand witness of the
league's evolution, from
Bird and Magic, to Jordan,
to LeBron and Yao Ming.
Jerry Reynolds has been a
human Swiss Army knife,
serving the Kings as a
scout, assistant coach,
head coach, player
personnel director,
general manager, and
television analyst.
Because he has held so
many positions in the
Kings' front office the last

two decades, Jerry has a unique perspective on how the Kings have evolved, and he offers that perspective in *Tales from the Sacramento Kings Locker Room*. For those who've been on the Kings bandwagon only the last decade, it wasn't always C-Webb, Peja, and Bibby. In this reissue of *Reynolds Remembers*, Jerry recounts the hollow feeling of putting a CBA-quality lineup on the floor for an exhibition game against the Lakers: set for the tip-off, Kareem Abdul-Jabbar and . . . Randy

Allen? He remembers being left to explain the Kings' latest defeat to the media while Bill Russell snuck out the side door. But there were victories, too. He also still has a spark in his eye from trading draft rights to Billy Owens for superstar Mitch Richmond. Whether the Kings were stuck in the mud or winning 50-plus games, Jerry Reynolds remained the same—colorful, outspoken, engaging, and insightful. Skyhorse Publishing, as well as our Sports Publishing imprint,

are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas

Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Each AV2 media enhanced book is a unique combination of a printed book and exciting online content that brings

the book to life. Readers can access embedded weblinks, audio and video clips, activities, and other features, such as a slide show, matching word activity, and quiz.

Sacramento Kings

Triumph Books

USA TODAY said it best: "Talk about a compelling story that is told by the most unique of authors." "Vagrant Kings" is an inside account of NBA Commissioner David Stern's obsession with building a home for the Sacramento Kings, a tragically cursed, road-

wearry basketball team in Northern California. Unmatched in scope, access and reflections on the emotional, political and financial decisions that swirl around major-league sports in America, "Vagrant Kings" is the first book to provide a deeply personal and detailed look at how David Stern runs the NBA, and how the NBA impacts its host communities. Award-winning journalist R.E. Graswich covered the Kings and NBA during a 35-year career with the Sacramento Bee. He

became Special Assistant to Sacramento Mayor Kevin Johnson and worked on the city's arena project with the NBA. *On the Hardwood: Memphis Grizzlies* Independently Published Basketball has evolved to one of the most commonly played sports worldwide. Regardless of how well you think you know basketball, there's bound to be questions in this book to challenge and entertain, to stimulate discussion, and to start and settle arguments. Featuring questions from

the professional, collegiate, and women's games, this book covers it all—the players, the coaches, the arenas, the Olympics, and much more. Some of the questions the book answers include: • Why is uniform No. 6 retired by the Sacramento Kings? • Who holds the record for most points in Game 7 of the NBA Finals? • At what Big Ten school was baseball slugger Frank Howard also a basketball standout? • Where was the first NCAA Final Four in 1939?

• Who was the MVP in the WNBA's first season?
• And 996 more!

Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-

hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by

[Tales from the Sacramento Kings Locker Room](#) ABDO America is in the midst of a sports building boom.

Professional sports teams are demanding and receiving fancy new playing facilities that are heavily subsidized by government. In many cases, the rationale given for these subsidies is that attracting or retaining a professional sports franchise—even a minor league baseball team or a major league pre-season training facility--more than pays for itself in increased tax revenues, local economic development, and job creation. But are these claims true? To assess the

case for subsidies, this book examines the economic impact of new stadiums and the presence of a sports franchise on the local economy. It first explores such general issues as the appropriate method for measuring economic benefits and costs, the source of the bargaining power of teams in obtaining subsidies from local government, the local politics of attracting and retaining teams, the relationship between sports and local employment, and the

importance of stadium design in influencing the economic impact of a facility. The second part of the book contains case studies of major league sports facilities in Baltimore, Chicago, Cincinnati, Cleveland, Indianapolis, San Francisco, and the Twin Cities, and of minor league stadiums and spring training facilities in baseball. The primary conclusions are: first, sports teams and facilities are not a source of local economic growth and employment; second, the

magnitude of the net subsidy exceeds the financial benefit of a new stadium to a team; and, third, the most plausible reasons that cities are willing to subsidize sports teams are the intense popularity of sports among a substantial proportion of voters and businesses and the leverage that teams enjoy from the monopoly position of professional sports leagues.

Memphis Grizzlies
 Bloomsbury Publishing
 USA
 "From front offices to

college campuses, Jake Fischer takes you on an engrossing tour of the NBA in its latest golden age, when some of the most captivating teams won by losing." —Lee Jenkins, former Sports Illustrated NBA writer An insider account of modern NBA team-building, based on hundreds of exclusive interviews A single transcendent talent? can change the fortunes of an NBA franchise. One only has to recall the frenzy surrounding recent top pick Zion Williamson to recognize teams'

willingness to lose games now for the sake of winning championships later. It's a story that weaves its way behind closed doors to reveal intricate machinations normally hidden from public view. Backed by extensive reporting and hundreds of interviews with top players, coaches, and executives, Jake Fischer chronicles secret pre-draft workouts, feuding between player agents and executives, surprising trade negotiations, interpersonal conflicts,

organizational power struggles, and infamous public relations fiascos, making for a fascinating look at the NBA. The definitive account of the NBA's tanking era, when teams raced to the bottom in the hope of eventually winning a championship.

players, and the indomitable spirit that has made them true kings of the hardwood. Whether you're a die-hard fan or a basketball enthusiast, this book is a must-read for anyone who appreciates the legacy of greatness that the Sacramento Kings have forged.

Sports Market Place

The Countryman Press
The NBA has gained worldwide popularity with its high-flying stars and

slam-dunking giants, but the early professional hoops game was played below the rim. This book provides the first history of the National Basketball League, which held court from the mid-1930s until its merger with the Basketball Association of America in 1949.

Originally formed in Akron and Indianapolis, the league operated mainly in the Midwest but extended as far east as Rochester

and Syracuse and west to Denver, building major franchises with hometown loyalties. Most of its stars were college graduates, a major change from previous professional leagues, and it was the first modern major professional league to integrate. Features include photographs, maps of league franchises, and tables of team standings, MVPs, and scoring leaders.
