KEMP ALISSON

Guiding Light Random House

What if there is a You that has never seen the light of day, has never got to say, "Hey, what about me?" What if there is a You that you have never even met and certainly never permitted to just be, without fear of judgment or condemnation? What if you live your life on the sidelines in constant fear of failing to please those who forever seem to stand in judgment of you and your life? What if you discovered that you had settled for what life has served up instead of what you really wanted and needed? What if you really think and feel things you have never allowed to come out, and certainly never acted on? What if your marriage is not at all what you really emotionally want

and need, but you silently stay the course anyway, selling out your hope to be happy? What if you are allowing days to turn into weeks and weeks to turn into months and months to turn into years, all adding up to a lifetime of being what some nameless, faceless world has assigned you to be? If any of these "What ifs" are true in your life, then we need to talk, and through these pages, we will. First, I have some bad news, and I have some good news. The bad news is you are making the choices that have put you in this life circumstance; the good news is you are making the choices that have put you in this life circumstance. Now is the time to make the biggest choice of your life. Through *Self Matters*, I will help you do just that. -- Phil McGraw
Soap Opera Confidential Macmillan
 A strong theological call for ending the abomination of systemic poverty Jesus's

words "the poor you will always have with you" (Matthew 26:11) are regularly used to suggest that ending poverty is impossible, that poverty is a result of moral failures, and that the poor themselves have no role in changing their situation. In this book Liz Theoharis examines both the biblical text and the lived reality of the poor to show how that passage is taken out of context, distorted, and politicized to justify theories about the inevitability of inequality. Theoharis reinterprets "the poor you will always have with you" to show that it is actually one of the strongest biblical mandates to end poverty. She documents stories of poor people themselves organizing to improve their lot and illuminates the implications for the church. Poverty is not inevitable, Theoharis argues. It is a systemic sin, and all Christians have a responsibility to partner with the poor to end poverty once

and for all.

Changing Shoes Alfred A. Knopf Books for Young Readers

"To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a single-volume guide to the landscape of everyday life in the United States.

Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."--Robert Thompson, President, Popular Culture Association. "At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."--Timothy E. Scheurer, President, American Culture Association

"The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations."--Marshall W. Fishwick, Past President, Popular Culture Association

Always with Us? Lulu.com

Soap operas have captured loyal, often lifelong viewers since the first American daytime serial debuted in 1949. In this collection of 29 new and five classic essays and recollections, authors and soap opera insiders delve into the passion for television melodrama that compels viewers to "tune in tomorrow." The contributors include iconic soap star Thorsten Kaye, journalist Leigh Montville, authors Elinor Lipman and Ann Hood, and editors of *Soaps in Depth* magazine. They explore the soap phenomenon from a range of perspectives and consider the appeal of a venerable genre in which, as

novelist Jacquelyn Mitchard observes, "everyone's life was more depressing than mine."

In My Mind's Eye McFarland

Prefaced by celebrated television pioneer and *The Bold and the Beautiful* co-creator, Lee Phillip Bell, this special, limited edition book is an informative and fun photographic essay that explores the richly layered history of the world's most watched long-running, and award winning daily drama series, *The Bold and the Beautiful*. The book showcases in pictorial detail a year-by-year account of the loves, lives, trials and tribulations of the Forrester, Logan, Spectra and Marone families and, of course, the world-renowned fashion houses of Forrester and Spectra. Be taken on a fascinating journey of the last twenty years in special sections that include: Photos and commentary from the cast with special pages dedicated to the original and still remaining four contract players, Susan Flannery, Katherine Kelly Lang, John McCook and Ronn Moss. Current, vintage and rare behind-the-scenes photos as well as gallery photography of the cast, crew and staff. A richly detailed tribute to the late William J. Bell, legendary creator of *The Bold and the Beautiful*. Detailed and entertaining sub-sections including Weddings, Remotes, Fashion, Catfights, International and Awards and Honors.

Tropical Trauma Xlibris Corporation

Praise for *THE YOUNG AND RESTLESS LIFE OF WILLIAM J. BELL* "A beautiful dedication to Bill and the pioneering legacy of the Bell family. Their endless commitment, passion, and creativity have left an indelible mark on the genre."—Frank Valentini, executive producer of *General Hospital* and Emmy-winning director of *One Life to Live* "Reading this book is like rolling in the arms of soap opera's greatest lover...Bill Bell!"—Bill and Susan Seaforth Hayes, Emmy-nominated actors on *Days of our Lives* and authors of the novel *TRUMPET* "An informed, insightful look at the inner workings of the Bell Empire—the most successful dynasty in daytime television history. It's a great read."—Peter Bergman, three-time Emmy-winning actor on *The Young and the Restless* "Michael Maloney has compiled an impressive amount of details into an entertaining and fast-moving book. Read this book if you want a fascinating insight into one of television's original show runners and the legacy he left behind."—Cady McClain, Emmy-winning actress, *All My Children* and *As the World Turns* "One of the reasons for Bill Bell's legendary success in daytime drama was his immense respect for the genre and its audience. Longtime

daytime journalist Michael Maloney uses the same respect for the genre to reveal the man behind the legend. For any fan of soap operas, this book is a must-read."—Dave Rupel, executive producer, *The Real Housewives of Beverly Hills* and Emmy-winning writer for *Guiding Light* "Nobody 'gets' daytime like Maloney! A fascinating read for the dedicated soap fan!"—Michael Bruno, daytime talent manager "A fitting tribute to the man who brought daytime's most memorable characters to life, with great insight into his passion for the genre and dedication to his family...THE YOUNG AND RESTLESS LIFE OF WILLIAM J. BELL honors the legacy of daytime's 'Drama King.'"—Angelica McDaniel, senior vice president, CBS, Daytime "I cannot remember the last biography I enjoyed reading as much as *THE YOUNG AND RESTLESS LIFE OF WILLIAM J. BELL*. Together with Lee Phillip Bell, Michael Maloney has done a masterful job of weaving private family memories, never-before-told anecdotes, and an insider's knowledge of the soap industry together to create a tapestry as rich and colorful as Bill Bell himself. A must-read for any soap opera fan!"—Roberta Caploe, former managing editor of *Soap Opera Digest* and author of *MELROSE CONFIDENTIAL* "The carefully selected photographs alone are worth this beguiling trip down memory lane."—Lynette Rice, *Entertainment Weekly* Millions of fans worldwide know his soap opera and his characters, but few know the story of the man who brought them to life. William J. Bell, television's most prolific writer, reinvented the soap opera genre with his groundbreaking serial *The Young and the Restless* in 1973 and went on to co-create *The Bold and the Beautiful* with his wife and successful TV host Lee Phillip Bell, which debuted in 1987. *The Young and Restless Life of William J. Bell* tells the inside story of daytime's greatest storyteller, including his role as an advertising executive in the era of *Mad Men*, working for legendary serial creator Irna Phillips, and his move from Chicago to Los Angeles, which resulted in *Y&R* taking the top spot in the rating. This book offers an unprecedented look into the life of the man who defined the soap genre and draws readers behind the scenes into the captivating world of the daytime soap they know and love.

can begin right now. Learn to bring about dynamic personal growth using five uniquely effective tools—from psychotherapist Barry Michels and psychiatrist Phil Stutz, subject of the Netflix documentary *Stutz*. “These tools are emotional game changers. They do nothing less than deliver you to your best and most powerful self.”—Kathy Freston, author of *Quantum Wellness The Tools* offers a solution to the biggest complaint patients have about therapy: the interminable wait for change to begin. The traditional therapeutic model sets its sights on the past, but psychiatrist Phil Stutz and psychotherapist Barry Michels employ an arsenal of techniques—“the tools”—that allow patients to use their problems as levers that access the power of the unconscious and propel them into action. Suddenly, through this transformative approach, obstacles become new chances—to find courage, embrace discipline, develop self-expression, deepen creativity. A dynamic, results-oriented practice, *The Tools* aims to deliver relief from persistent problems and restore control and hope right away. Every day presents challenges—big and small—that the tools transform into opportunities to bring about bold and dramatic change in your life. Stutz and Michels teach you how to:

- **Get Unstuck:** Master the things you are avoiding and live in forward motion.
- **Control Anger:** Free yourself from out-of-control rage and never-ending grudges.
- **Express Yourself:** Learn the secret of true confidence and find your authentic voice.
- **Combat Anxiety:** Stop obsessive worrying and negative thinking.
- **Find Discipline:** Activate willpower and make the most of every minute.

With *The Tools*, Stutz and Michels allow you to realize the full range of your potential. Their goal is nothing less than for your life to become exceptional—exceptional in its resiliency, in its experience of real happiness, and in its understanding of the human spirit.

Darwin on Trial Harmony
Those Great Old-Time Radio Years takes the listener on a memorable ride from the invention of the radio into its nostalgic Golden Age when the author brings back memories of programs that developed a listener's power of imagination before television made its debut. The book is comprised of an Introduction and eleven chapters, each headed by a picture that aptly pertains to it. The eleven chapters cover the following subjects: (1) The Golden Age of Radio; (2) Adventure, Mystery, and Suspense; (3) Broadcasting;

News, Sports, Gossip and Disc Jockeys; (4) Children's Programs; (5) Comedy and Variety; (6) Music; (7) Quiz and Panel; (8) Sitcom; (9) Soap Opera; (10) Theater; and (11) Western.

A Thing (or Two) About Curtis and Camilla

Regent College Publishing
 Darwin's theory of evolution is accepted by most educated Americans as simple fact. This easy acceptance, however, hides from us the many ways in which evolution—as an idea—shapes our thinking about a great many things. What if this idea is wrong? Berkeley law professor Phillip E. Johnson looks at the evidence for Darwinistic evolution the way a lawyer would—with a cold dispassionate eye for logic and proof. His discovery is that scientists have put the cart before the horse. They prematurely accepted Darwin's theory as fact and have been scrambling to find evidence for it. *Darwin on Trial* is a cogent and stunning tour de force that not only rattles the cages of conventional wisdom, but could provide the basis for a fundamental change in the way educated Americans regard themselves, their origins, and their fate.

Macmillan
 It is 1998 when a young woman driving on a snowy Michigan road accidentally hits what appears to be the dead body of a child—until the corpse seemingly comes alive, just as a hand reaches up from behind the woman and grabs her throat. After Shannon White's parents summon the police to look for her, all they find is her abandoned car with her purse in the front seat and the key in the ignition. Meanwhile Professor Franky Lake, Police Captain Hazel Cowan, and the rest of the team are focused on locating Professor Phillip Parker who has been missing since the murder of Banthom. What they do not know is that Parker is on the run from an evil beast who has special plans for him. As Lake, Cowan, and the others face dark forces they fear are far more dangerous than anything they have ever faced, they must brave the brutal Michigan winter while searching for the missing. But can they successfully battle the demonic forces that snatch innocent victims and find their companions before it is too late? In the chilling conclusion to the Fritz saga, a police captain, professor, and their team must stop evil forces before they destroy the entire town of Parksville.
Parker Church Publishing, Inc.
 Within this book are stories of inspiration, love, sorrow, life, death and wonders. It will open your mind to worlds beyond all that is known.

Momentum

Soap opera story, the only mass-public form of continuing narrative today, is oral culture for our electronic era. Carol Williams' *It's Time for My Story* is an examination of soap opera sources, structure, and response, particularly from the critical viewpoints of psychology, both archetypal and empirical, and popular culture, specifically narratology and feminism, that uncover the true nature of the genre. First, Williams traces the development of soap opera from its immediate source in radio and television as well as from its fundamental source in age-old myth and storytelling. Then she analyzes the content and form that together make up the structure of soap opera. Finally, she looks at what soaps mean to watchers and in the process debunks many myths about soap opera (for instance, the myth that soap opera, like all television drama, is merely commercial, produced formulaically by advertisers; Williams argues that soap opera is not only a commercial product but also a popular art form derived from the wellspring of culture and folk story). She also argues that it is a form which has been depreciated because it is historically a woman's medium. Discussions with writers, creators, and fans are included throughout. Recommended to scholars and students of media, drama, popular culture, and women's studies.

Thinking Outside the Box InterVarsity Press

How and when did the kiss become a vital sign of romance and love? In this wide-ranging book, pop culture expert Marcel Danesi takes the reader on a fascinating journey through the history of the kiss, from poetry and painting to movies and popular songs, and argues that its romantic incarnation signaled the birth of popular culture.

 Lyra and Will find themselves at the center of a battle between the forces of the

Authority and those gathered by Lyra's father, Lord Asriel.
[Dialogue University Press of Kentucky](#)
 Letting Go is Roth's first full-length novel, published just after Goodbye, Columbus, when he was twenty-nine. Set in 1950s Chicago, New York, and Iowa city, Letting Go presents as brilliant a fictional portrait as we have of a mid-century America defined by social and ethical constraints and by moral compulsions conspicuously different from those of today. Newly discharged from the Korean War army, reeling from his mother's recent death, freed from old attachments and hungrily seeking others, Gabe Wallach is drawn to Paul Herz, a fellow graduate student in literature, and to Libby, Paul's moody, intense wife. Gabe's desire to be connected to the ordered "world of feeling" that he finds in books is first tested vicariously by the anarchy of the Herzes' struggles with responsible adulthood and then by his own eager love affairs. Driven by the desire to live

seriously and act generously, Gabe meets an impassable test in the person of Martha Reganhart, a spirited, outspoken, divorced mother of two, a formidable woman who, according to critic James Atlas, is masterfully portrayed with "depth and resonance." The complex liason between Gabe and Martha and Gabe's moral enthusiasm for the trials of others are at the heart of this tragically comic work.

Thinking Outside the Box brings together some of the best and most challenging scholarship about TV genres, exploring their genesis, their functions and development, and the interaction of disparate genres. The authors argue that genre is a process rather than a static category and that it signifies much about the people who produce and watch the shows. In addition to considering traditional genres such as sitcoms, soap operas, and talk shows, the contributors explore new hybrids, including reality programs, teen-oriented science fiction, and quality dramas, and examine how many of these shows have taken on a global reach. Identifying historical continuities and envisioning possible trends, this is the richest and most current study of how television genres form, operate, and change.
