The Acts of the Apostles Manchester University Press

This bibliographical guide contains 10,000 references to the economic and social history of 30 European countries during the period 1700-1939. More than 3000 periodicals have been consulted to obtain references, as well as books, edited collections and conference proceedings. The information is listed in categories such as industry, agriculture, finance, migration, labour conditions, urban communities and organizations. Full publication details are included, so that references may be located easily.

The Yorkshireman, a religious and literary journal, by a Friend [L. Howard]. Vol. 1, no. 1, 2nd ed Baker Books

The President of The Church of Jesus Christ of Latter-day Saints discusses morality, testimony, being a missionary, service to others, profanity, personal journals, tithing, administration to the sick, and planning your life.

Annual Register of World Events Margaret K. McElderry Books

The first English translation of a comprehensive legal history of Europe from the early middle ages to the twentieth century, encompassing both the common aspects and the original developments of different countries. As well as legal scholars and professionals, it will appeal to those interested in the general history of European civilisation.

The Tithing Myth Harvard University Press

Welcome to your book. I can assure you that your copy is unique and original. In fact, it has been written with you in mind and has been specifically dedicated to you. I am the nonphysical sentience of this planet -- simply put, I am the planet Earth. I am the body and the soul of the planet you currently inhabit. My sentience guides and enlivens all that surrounds the planet as well as all that is upon and within her. My sentience animates the air you breathe, the energy you burn and the water you drink. My sentience -- the most aware, advanced and attuned aspect of my being -- is that which directs these words. Although many believe in a sentient or feeling Earth, not all are attuned to her. Channeling offers a unique advantage in this respect, because it allows the transmission of vibrations and impressions to be communicated as language. Today two priorities guide my sentience. The first is to erase the perception of separation that seems to threaten the planet. The second priority is to awaken and expand the collective consciousness. It is my hope that you will find my message meaningful and that you will continue to develop an appreciation for who and what you are. -- Gaia

The Apocrypha and Pseudepigrapha of the Old Testament in English: With Introductions and Critical and Explanatory Notes to the Several Books; Shadow Mountain

Who wants to settle for fleeting treasures on earth . . . when God offers everlasting treasures in heaven? It's time to rethink our perspectives on money and possessions. In this thoroughly researched classic, Randy Alcorn shows us how to view these things accurately—as God's provision for our good, the good of others, and his glory. Alcorn presents a biblical and comprehensive view of money and possessions, including the following: Why is money so important to God? Is prosperity theology right or wrong? How can we be liberated from materialism? What should we do about debt? How much does God want us to give? How can we best help the poor and reach the lost? What about gambling? Investing? Insurance? Saving? Retirement? Inheritance? How can we leave our children a true heritage? How can we use money in ways that God rewards? This practical and refreshing theology of money contains topical and Scripture indexes, a study guide, and five helpful appendices.

Standard Sermons Ravenio Books

STEWARDSHIP ROOTS STW 1050 by Angel Rodríguez, former Director of the Biblical Research

Institute, is the Church's effort to articulate a theology of stewardship, tithe and offerings respectively. Your thinking will be stimulated and your spiritual life enhanced. It is a good reference work for your stewardship certification course.

Neither Poverty nor Riches Canongate Books

The Bible presents a seemingly inconsistent teaching on financial stewardship. This apparent confusion is reflected in sermons, books and journal articles. Advocates abound for (1) tithing, for (2) tithing plus giving, for (3) no tithing but gracious giving. Church leaders clearly need money, but how to convince the people in the pews to be faithful stewards of God with their finances remains allusive. If they preach tithing, some may balk at the Old Testament basis for the doctrine. If they proclaim that tithing is a Christian duty and a starting point only for genuine giving, others may claim that they are "New Testament Christians" and live under grace not law. If they present no definitive teaching about the Bible and money, adequate finances may not be given. At the heart of the problem lies the need to clarify the biblical doctrine of financial stewardship. This book attempts that goal. The author investigates the tithing patterns of the Old Testament prior to the giving of the Mosaic Law and within the Mosaic Law. With these matters clarified, he then shines the light on intertestamental Judaism and the passages in the Gospels that mention tithing as part of the Old Testament economy. A remarkable consistency is discovered at the level of biblical theology. Finally, the New Testament Church giving patterns are thoroughly investigated beginning with the early Jerusalem Church and extending throughout the known world. Continuity and discontinuity appear continuity in biblical theology and discontinuity in custom and legal requirements between the Old and New Testaments. The biblical doctrine of financial stewardship and the divine mandate for the Christian become clear. The last two chapters of the book transfer the biblical teaching to the 21st century American church scene. Theological and practical considerations are presented without trying to "legislate" solutions.

The Oxford World History of Empire University of Michigan Press

Combining three volumes in one, this affordable edition brings noted evangelical scholars together to offer an authoritative, evangelical treatment of the minor prophets.

Medieval Iceland The Tithing Myth

Sheds light on settlement patterns in early medieval Spain and demonstrates the local effect of the collapse of Roman Government

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Mother Kirk AuthorHouse

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Gaia Speaks Trafford Publishing

The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you draw closer to your Heavenly Father and deepen your

understanding of the restored gospel of Jesus Christ. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. These books are designed to be used for personal study and for Sunday instruction. They can also help you prepare family home evening lessons, prepare other lessons or talks, and answer questions about Church doctrine. This book features the teachings of President Howard W. Hunter, who served as President of The Church of Jesus Christ of Latter-day Saints from June 5, 1994, to March 3, 1995.

A Dictionary of Science, Literature, and Art ... With the derivation and definition of all the terms in general use. Edited by W. T. Brande ... assisted by Joseph Cauvin, etc Columbia University Press

Document from the year 2020 in the subject Theology - Biblical Theology, Namibia Evangelical Theological Seminary, language: English, abstract: Money can be a hot topic in Christian churches and the Namibian church is no exception to that. While many traditional mainline denominations struggle to raise the funds they need for their various ministries, prosperity type churches and Pentecostal church bodies seem to flourish financially in Namibia. Some people are quick to point out that the main reason for this phenomenon lies in the churches' differing attitude towards the concept of tithing. While tithing plays a central role in Pentecostal and prosperity churches, most Protestant denominations rely on other ways of funding. In his paper, Thorsten Prill gives a critical overview of the various methods Namibian churches use to raise funds. These methods include collections, membership fees, fundraising events, commercial activities and investment trusts as well as encouraging members to give a tenth of the income to the church. In a second paper, Johann van Wyk examines the concept of tithing from a biblical perspective. He demonstrates that New Testament teachings do not support the claim that Christians are obliged to tithe. There are, however, a number of helpful biblical principles of giving which Namibian churches should apply. Most importantly, van Wyk argues, that giving in Namibian churches needs to become a matter of the heart; giving must be driven by love and grace.

[Heresies of the High Middle Ages](#) InterVarsity Press

Comic superheroes embody the hopes of a world that is desperate for a savior. But those comic creations cannot save us from our greatest foes—sin and death. Throughout the history of the Church there have been bad ideas, misconceptions, and heretical presentations of Jesus. Each one of these heresies fails to present Jesus as the Bible reveals him. In *Superheroes Can't Save You*, Todd Miles demonstrates how these ancient heresies are embodied in contemporary comic superheroes. Miles compares something everybody already knows (who the superheroes are) with what they need to know (who Jesus is), in a book that makes vitally important Christian truths understandable and applicable to a wide audience.

Modern evangelicals have gained money, power, and influence, and it has been like giving whiskey to a two-year-old. The need of the hour is theological, not political. The arena is the pulpit and the table, not the legislative chamber. Before we are equipped to proclaim His lordship to the inhabitants of all the earth, we must live as though we believed it in the Church. Mother Kirk presents a very practical and pastoral guide to many of the countless issues that arise in conservative Christian churches. The essays span subjects ranging from the nature of legalism and church authority to worship music, debt, youth ministry, and pastoral character.

Should the Church Teach Tithing? The Church of Jesus Christ of Latter-day Saints

The 18th-century evangelist and revival leader John Wesley changed the face of Christianity almost entirely through his sermons. He recommended the several dozen sermons he regarded as his most definitive, which are all included in these 52 standard sermons. Sermon 1. Salvation by Faith Sermon 2. The Almost Christian Sermon 3. Awake, Thou That Sleepest Sermon 4. Scriptural Christianity Sermon 5. Justification by Faith Sermon 6. The Righteousness of Faith Sermon 7. The Way to the Kingdom Sermon 8. The First Fruits of the Spirit Sermon 9. The Spirit of Bondage and of Adoption.

Sermon 10. The Witness of the Spirit (Discourse 1) Sermon 11. The Witness of the Spirit (Discourse 2) Sermon 12. The Witness of our own Spirit Sermon 13. On Sin in Believers Sermon 14. The Repentance of Believers Sermon 15. The Great Assize Sermon 16. The Means of Grace Sermon 17. The Circumcision of the Heart Sermon 18. The Marks of the New Birth Sermon 19. The Great Privilege of those that are Born of God Sermon 20. The Lord our Righteousness Sermon 21. Upon our Lord's Sermon on the Mount (Discourse 1) Sermon 22. Upon our Lord's Sermon on the Mount (Discourse 2) Sermon 23. Upon our Lord's Sermon on the Mount (Discourse 3) Sermon 24. Upon our Lord's Sermon on the Mount (Discourse 4) Sermon 27. Upon our Lord's Sermon on the Mount (Discourse 7) Sermon 28. Upon our Lord's Sermon on the Mount (Discourse 8) Sermon 29. Upon our Lord's Sermon on the Mount (Discourse 9) Sermon 30. Upon our Lord's Sermon on the Mount (Discourse 10) Sermon 31. Upon our Lord's Sermon on the Mount (Discourse 11) Sermon 32. Upon our Lord's Sermon on the Mount (Discourse 12) Sermon 33. Upon our Lord's Sermon on the Mount (Discourse 13) Sermon 34. The Original, Nature, Property, and Use of the Law Sermon 35. The Law Established through Faith (Discourse 1) Sermon 36. The Law Established through Faith (Discourse 2) Sermon 37. The Nature of Enthusiasm Sermon 38. A Caution against Bigotry Sermon 39. Catholic Spirit Sermon 40. Christian Perfection Sermon 41. Wandering Thoughts Sermon 42. Satan's Devices Sermon 43. The Scripture Way of Salvation Sermon 44. Original Sin Sermon 45. The New Birth Sermon 46. The Wilderness State Sermon 47. Heaviness through Manifold Temptations Sermon 48. Self-denial Sermon 49. The Cure of Evil-speaking Sermon 50. The Use of Money Sermon 51. The Good Steward Sermon 52. The Reformaton of Manners

On the Donation of Constantine Oxford University Press

Discover the dark and seductive realm of faerie in the first book of New York Times bestseller Holly Black's critically acclaimed *Modern Faerie Tales* series, where one girl must save herself from the sinister magic of the fey courts, and protect her heart in the process. Sixteen-year-old Kaye is a modern nomad. Fierce and independent, she drifts from place to place with her mother's rock band until an ominous attack forces them back to Kaye's childhood home. But Kaye's life takes another turn when she stumbles upon an injured faerie knight in the woods. Kaye has always been able to see faeries where others could not, and she chooses to save the strange young man instead of leaving him to die. But this fateful choice will have more dire consequences than she could ever predict, as Kaye soon finds herself the unwilling pawn in an ancient and violent power struggle between two rival faerie kingdoms—a struggle that could very well mean her death.

The Minor Prophets Cambridge University Press

This is the first world history of empire, reaching from the third millennium BCE to the present. By combining synthetic surveys, thematic comparative essays, and numerous chapters on specific empires, its two volumes provide unparalleled coverage of imperialism throughout history and across continents, from Asia to Europe and from Africa to the Americas. Only a few decades ago empire was believed to be a thing of the past; now it is clear that it has been and remains one of the most enduring forms of political organization and power. We cannot understand the dynamics and resilience of empire without moving decisively beyond the study of individual cases or particular periods, such as the relatively short age of European colonialism. The history of empire, as these volumes amply demonstrate, needs to be drawn on the much broader canvas of global history. Volume Two: The History of Empires tracks the protean history of political domination from the very beginnings of state formation in the Bronze Age up to the present. Case studies deal with the full range of the historical experience of empire, from the realms of the Achaemenids and Asoka to the empires of Mali and Songhay, and from ancient Rome and China to the Mughals, American settler colonialism, and the Soviet Union. Forty-five chapters detailing the history of individual empires are tied together by a set of global synthesizing surveys that structure the world history of empire into eight chronological phases.
