The Southern Yacht Club of New Orleans is the second oldest in the United States. Since the club was officially organized as "boat club" on July 21, 1848, it has hosted countless regattas, supported other yacht clubs, and participated in inter-club competitions. Today the Southern Yacht Club continues to contribute to, and participate in, the world of yachting, especially in New Orleans. The History of the Southern Yacht Club is a testament to this yacht club's amazing endurance. History lovers, sailing buffs, and New Orleans aficionados will all enjoy this charming, entertaining account.

[Incidents in the Life of Jacob Barker, of New Orleans, Louisiana](#) Pelican Publishing

Celebrated in media and myth, New Orleans's French Quarter (Vieux Carré) was the original settlement of what became the city of New Orleans. In *Madame Vieux Carré*, Scott S. Ellis presents the social and political history of this famous district as it evolved from 1900 through the beginning of the twenty-first century. From the immigrants of the 1910s, to the preservationists of the 1930s, to the nightclub workers and owners of the 1950s and the urban revivalists of the 1990s, *Madame Vieux Carré* examines the many different people who have called the Quarter home, who have defined its character, and who have fought to keep it from being overwhelmed by tourism's neon and kitsch. The old French village took on different roles--bastion of the French Creoles, Italian immigrant slum, honky-tonk enclave, literary incubator, working-class community, and tourist playground. The Quarter has been a place of refuge for various groups before they became mainstream Americans. Although the Vieux Carré has been marketed as a free-wheeling, boozey tourist concept, it exists on many levels for many groups, some with competing agendas. *Madame Vieux Carré* looks, with unromanticized frankness, at these groups, their intentions, and the future of the South's most historic and famous neighborhood. The author, a former Quarter resident, combines five years of research, personal experience, and unique interviews to weave an eminently readable history of one of America's favorite neighborhoods.

Originally published in 1936, an invaluable guide to wander with.

[Workshop and Hearing on New Orleans Jazz National Historical Park](#) Pelican Publishing

What is it about the city of New Orleans? History, location, and culture continue to link it to France while distancing it culturally and symbolically from the United States. This book explores the traces of French language, history, and artistic expression that have been present there over the last three hundred years. This volume focuses on the French, Spanish, and American colonial periods to

understand the imprint that French socio-cultural dynamic left on the Crescent City. The migration of Acadians to New Orleans at the time the city became a Spanish dominion and the arrival of Haitian refugees when the city became an American territory oddly reinforced its Francophone identity. However, in the process of establishing itself as an urban space in the Antebellum South, the culture of New Orleans became a liability for New Orleans elite after the Louisiana Purchase. New Orleans and the Caribbean share numerous historical, cultural, and linguistic connections. The book analyzes these connections and the shared process of creolization occurring in New Orleans and throughout the Caribbean Basin. It suggests "French" New Orleans might be understood as a trope for unscripted "original" Creole social and cultural elements. Since being Creole came to connote African descent, the study suggests that an association with France in the minds of whites allowed for a less racially-bound and contested social order within the United States.

**STRONG**Named one of the Top 10 Books of 2008 by The Times-Picayune. **STRONG**Winner of the 2009 Humanities Book of the Year award from the Louisiana Endowment for the Humanities.**STRONG**STRONGAwarded the New Orleans Gulf South Booksellers Association Book of the Year Award for 2008. New Orleans is the most elusive of American cities. The product of the centuries-long struggle among three mighty empires--France, Spain, and England--and among their respective American colonies and enslaved African peoples, it has always seemed like a foreign port to most Americans, baffled as they are by its complex cultural inheritance. *The World That Made New Orleans* offers a new perspective on this insufficiently understood city by telling the remarkable story of New Orleans's first century--a tale of imperial war, religious conflict, the search for treasure, the spread of slavery, the Cuban connection, the cruel aristocracy of sugar, and the very different revolutions that created the United States and Haiti. It demonstrates that New Orleans already had its own distinct personality at the time of Louisiana's statehood in 1812. By then, important roots of American music were firmly planted in its urban swamp--especially in the dances at Congo Square, where enslaved Africans and African Americans appeared en masse on Sundays to, as an 1819 visitor to the city put it, &"rock the city.&" This book is a logical continuation of Ned Sublette's previous volume, *Cuba and Its Music: From the First Drums to the Mambo*, which was highly praised for its synthesis of musical, cultural, and political history. Just as that book has become a standard resource on Cuba, so too will *The World That Made New Orleans* long remain essential for understanding the beautiful and tragic story of this most American of cities.

**Madame Vieux Carre** Routledge

An extraordinary documentation through photographs of the evolution of this yearly festival that in New Orleans has become a seasonal ritual comparable only to the revelry of Mardi Gras. Photographs.

Set against the backdrop of the first all-female Mardi Gras krewe at the turn-of-the-century, the acclaimed author's mesmerizing historical novel tells of two strangers separated by background but bound by an unexpected secret—and of the strength and courage women draw from and inspire in each other. "An undercurrent of New Orleans's dark side propels the story, heightening the tension and supplying McPhail with a wealth of evocative details." – Publishers Weekly The year 1900 ushers in a new century and the promise of social change, and women rise together toward equality. Yet rules and restrictions remain, especially for women like Alice Butterworth, whose husband has abruptly disappeared. Desperate to make a living for herself and the child she carries, Alice leaves the bitter cold of Chicago far behind, offering sewing lessons at a New Orleans orphanage. Constance Halstead, a young widow reeling with shock under the threat of her late husband's gambling debts, has thrown herself into charitable work. Meeting Alice at the orphanage, she offers lodging in exchange for Alice's help creating a gown for the Leap Year ball of Les Mysterieuses, the first all-female krewe of Mardi Gras. During Leap Years, women have the rare opportunity to take control in their interactions with men, and upend social convention. Piece by piece, the breathtaking gown takes shape, becoming a symbol of strength for both women, reflecting their progress toward greater independence. But Constance carries a burden that makes it impossible to feel truly free. Her husband, Benton, whose death remains a dangerous mystery, was deep in debt to the Black Hand, the vicious gangsters who controlled New Orleans' notorious Storyville district. Benton's death has not satisfied them. And as the Mardi Gras festivities reach their fruition, a secret emerges that will cement the bond between Alice and Constance even as it threatens the lives they're building . . .

**Drowned City** Houghton Mifflin Harcourt

New Orleans, Louisiana, conjures up visions of romance, mystery, tragedy, and a culture that is unique to the city. New Orleans was originally named Nouvelle-Orl (c)ans in honor of His Highness, the Prince Regent of France, Louis Philippe, duc d (TM)Orl (c)ans. *The Old New Orleans. A History of the Vieux Carre, Its Ancient and Historical Buildings* Rowman & Littlefield

Explore the haunted hotels, houses, restaurants, and historic places in the "City That Care Forgot" From Mardi Gras celebrations to the disasters of Hurricane Katrina, the city of New Orleans is filled with ghosts, mysteries, and spooky happenings. Anyone who picks up *Haunted New Orleans* is sure to get goose bumps. Rather than just a straightforward account of eerie phenomena, this book offers an entertaining storyteller's twist on the old New Orleans legends and solid historical background. There is also enough information for readers and travelers to visit the sites of these strange occurrences . . . if they dare. *Bourbon Orleans: More than seventeen ghosts have been reported to haunt this historic hotel. The most famous is the devastated bride desperately searching for her groom, a Confederate soldier who died in the war. Who would have thought they would still be looking for each other in this beloved landmark after all these years? St. Louis Cemetery No. 1: Considered the most haunted cemetery in the world, this "City of the Dead" teems with paranormal activity. Be on your guard for shadowy orbs and apparitions of those who remain amid the ancient gravestones, reminding visitors of the interdependent nature of life and death.*

*New Orleans* Legare Street Press

This study investigates the emergence of powerful female leadership in New Orleans' Voodoo tradition. It provides a careful examination of the cultural, historical, economic, demographic and socio-political factors that contributed both to the feminization of this religious culture and its strong female leaders.
