 The Kentucky Bourbon Trail
 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, *The 12 Week Year* avoids the pitfalls and low productivity of annualized thinking. This book redefines your "year" to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. *The 12 Week Year* creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

The Whiskey Rebellion University Press of Kentucky

“A book that will stand as one of the most essential cookbooks in the history of Southern cuisine.” —Edward Lee, chef and author of the James Beard Award–winner of *Buttermilk Graffiti* Bourbon, the first uniquely American distilled spirit, is nearly synonymous with Kentucky, its birthplace. However, it has come a long way since it was first distilled in the late 1700s, and its popularity and refinement have never been greater. At the same time, southern cuisine has evolved to keep up with bourbon’s evolution through once unheard-of collaborations between kitchen and bar, a renewed interest in seasonal local ingredients, and the influence of the delicious food traditions of the region’s growing migrant populations. This book distills the spirit and hospitality—both new and old—of great southern food and drink into ninety accessible recipes designed to help you achieve the ease and elegance of Bourbon Country entertaining in your own home. Arranged by the kind of traditional fare you’d find on a Kentucky table—pickles, vegetables, ancient grains, bounties from the barnyard, bourbon cocktails, and more—these recipes pay homage to the rituals and victuals of yesteryear while embracing the new southern palate and the flavors of modern Kentucky bourbon. “Farm fresh and artisanal aren’t trends in the bluegrass state, but a long-

established way of life. Add the resonant ring of the finest American distillation—Kentucky bourbon—as these brilliant chefs do, and you’ve created magnificence and memories. In fact, the recipes, stories, and photographs here are so fine, you won’t want to wait for a horse race, but use this book year ‘round.” —Ronni Lundy, author of the James Beard Award–winner *Victuals One True Home* John Wiley & Sons
 “Covers drinking in New York from every angle...*New York Cocktails* by Amanda Schuster is a story of the cocktail told through the city.”—Florence Fabricant, *The New York Times* Over 100 craft cocktails from the city that never sleeps! Travel straight to the epicenter of the cocktail renaissance with this elegant new guide to the best bars and cocktails the boroughs have to offer. Far more than just a recipe book, *New York Cocktails* features signature creations (along with new variations of the classic Manhattan and Negroni), tips, and techniques by the best mixologists in the Big Apple, along with their personal profiles. Hop on the train for a bar crawl, or throw your own prohibition cocktail party. Celebrate the seasons or holidays in the comfort of your home, or find the quintessential bar for any occasion after reading up on food and drink hotspots around the city, as well as their histories. Mix up your own Gatsby-esque celebration with this perfect guide to

the cosmopolitan art of New York City Cocktail crafting!

The Bourbon Trail Almanac The Kentucky Bourbon Trail Images of America (Arcadia Pub [Bourbon 101](#) Potomac Books, Inc.

A true labor of love, bourbon aficionado Chester "Chet" Zoeller conducted years of research to uncover the complete history of bourbon distilling and distilleries throughout Kentucky. This is the comprehensive publication of his findings, cataloging almost 1,000 distillers and brands across the Commonwealth -- from farmhouse mashers to the major industrial concerns, and from the late 1700s to the present day. With hundreds of rare and historical photographs, this is believed to be the first and only authoritative history of its kind.

Wildsam Field Guides: Kentucky Bourbon Country leads travelers into the heart of the state with its pastures, knobs, rivers and waterfalls along with guidance from trusted locals and experts. Local contributors include bourbon expert Maggie Kimberl, food and culture writer Ashlie Stevens, author and professor Jason Kyle Howard, activist and poet Hannah L. Drake, celebrated chefs Ouita Michel and Sam Fore, singer-songwriter Will Oldham, author and theatre producer Robert Gipe and Affrilachian poet Frank X Walker. This handsome volume features a deep dedicated section on bourbon, while also covering public lands, local issues, horse country, caves, hidden history, folkways and Louisville's incredible park system.

[A History of the Rectangular Survey System](#) University Press of Kentucky

The rumors are true; there are more barrels of bourbon than there are people in Kentucky. In fact, statistics tell us there are nearly two barrels of aging bourbon for every Bluegrass State citizen. With a population of nearly 4.5 million and each barrel yielding close to 200 bottles, it's safe to say the average Kentuckian doesn't have to look far for a bottle of amber gold. While Kentucky may be known as bourbon's home base, for bourbon lovers everywhere, the act of drinking bourbon is about more than just its acquisition. It is a lore and an experience, but most of all it is a legacy. As people across the United States and the world begin to wake up to the allure of Kentucky's state beverage, bourbon is having its moment—the act of coveting, collecting and savoring bottles is now a worthy passion to pursue. With budding enthusiasts clamoring to know more about this American-born creation, finding an entry point into the history and culture of the spirit is a task not easily undertaken. *Bourbon 101* offers a distinctive and introductory approach to learning about the world of bourbon. Award-winning author Albert W. A. Schmid takes students through a crash-course in all-things bourbon including its history, production, and enduring cultural identity. Schmid introduces new enthusiasts to the lexicon of bourbon and provides a starting point for those wanting to develop their palate and find the bourbon that best suits their own taste. Told through the lens of Schmid's own experiences and interactions with experts in the bourbon world, the book is as much a handbook as it is a love letter to a beverage that has left an indelible impression on those who've dared to take the first sip.

Kentucky Bourbon Country DIANE Publishing

With characteristic elegance and delicious wit, Barbara Holland, ("a national treasure,"-Philadelphia Inquirer) celebrates the age-old act of drinking in this gimlet-eyed survey of man's relationship with booze, since the joyful discovery, ten thousand years ago, of fermented fruits and grains. In this spirited paean to alcohol, two parts cultural history, one part personal meditation, Holland takes readers on a bacchanalian romp through the Fertile Crescent, the Mermaid Tavern, Plymouth Rock, and Capitol Hill and reveals, as Faulkner famously once said, how civilization indeed begins with fermentation. Filled with tasty tidbits about distillers, bootleggers, taverns, hangovers, and Alcoholics Anonymous, *The Joy of Drinking* is a fascinating portrait of the world of pleasures fermented and distilled.

[A Field Guide to Whisky](#) Hachette Scotland

Shortly after graduating from University of Glasgow in 1934, Elizabeth "Bessie" Williamson began working as a temporary secretary at the Laphroaig Distillery on the Scottish island Islay. Williamson quickly found herself joining the boys in the tasting room, studying the distillation process, and winning them over with her knowledge of Scottish whisky. After the owner of Laphroaig passed away, Williamson took over the prestigious company and became the American spokesperson for the entire Scotch whisky industry. Impressing clients and showing her passion as the Scotch Whisky Association's trade ambassador, she soon gained fame within the industry, becoming known as the greatest female distiller. *Whiskey Women* tells the tales of women who have created this industry, from Mesopotamia's first beer brewers and distillers to America's

rough-and-tough bootleggers during Prohibition. Women have long distilled, marketed, and owned significant shares in spirits companies. Williamson's story is one of many among the influential women who changed the Scotch whisky industry as well as influenced the American bourbon whiskey and Irish whiskey markets. Until now their stories have remained untold.

Hard Times and New Deal in Kentucky Indiana University Press

BOURBON, STRAIGHT: The Uncut and Unfiltered Story of American Whiskey follows the trail of America whiskey-making from its 17th century origins right up to the present day. In it, readers will discover the history of the American whiskey industry, how American whiskey is made and marketed, the differences among various types of American whiskey (bourbon, rye, Tennessee) and how they compare to other world whiskies. Readers also will meet the many fascinating characters who have made American whiskey what it is today, whether they be famous, infamous or largely unknown. All major producers and brands are discussed. The book includes a complete tasting guide with 35 detailed product reviews. BOURBON, STRAIGHT: The Uncut and Unfiltered Story of American Whiskey is for fans of American whiskey, but also for readers who just enjoy a good tale steeped in American culture and heritage. BOURBON, STRAIGHT is richly detailed, clear, authoritative, insightful, independent and fun to read.

The 12 Week Year Arcadia Publishing

"This book offers a look back at some of the pioneers of whiskey distilling, the distilleries that have come and gone, and the history of the those brands that carry on the craft today"--Provided by publisher.

101 Whiskies to Try Before You Die (Revised & Updated) Agate Publishing

It's no secret that Louisville is one of America's bourbon capitals, but the Derby City once thrived as a brewing mecca as well, rivaling even St. Louis and Milwaukee with its crisp lagers and Kentucky Common Ale. German settlers arrived with centuries-old brewing traditions and beer gardens, cementing beer and barrooms in Louisville's culture. Following Prohibition, the "big three"--Falls City, Fehr's and Oertel's--kept traditions alive while ingraining iconic brands into the city's fabric and heritage. More recently, craft brewers like BBC, Apocalypse Brew Works and New Albanian Brewing Company have drawn on this rich history. Kick back with Louisville food and beverage journalist Kevin Gibson as he traces Louisville's beer history with stories from the past, interviews and plenty of photos that bring this intoxicating story to life.

[The Bourbon Country Cookbook](#) Abrams

Revised and updated in 2013, *101 Whiskies to Try Before You Die* is a whisky guide with a difference. It is not an awards list. It is not a list of the 101 'best' whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Avoiding the deliberately obscure, the ridiculously limited and the absurdly expensive, whisky expert Ian Buxton recommends an eclectic selection of old favourites, stellar newcomers and mystifyingly unknown drams that simply have to be drunk. The book decodes the marketing hype and gets straight to the point; whether from India, America, Sweden, Ireland, Japan or the hills, glens and islands of Scotland, here are the 101 whiskies that you really want. Try them before you die - Slainte!

Bourbon Tasting Notebook Penguin

When President George Washington ordered an army of 13,000 men to march west in 1794 to crush a tax rebellion among frontier farmers, he established a range of precedents that continues to define federal authority over localities today. The "Whiskey Rebellion" marked the first large-scale resistance to a law of the U.S. government under the Constitution. This classic confrontation between champions of liberty and defenders of order was long considered the most significant event in the first quarter-century of the new nation. Thomas P. Slaughter recaptures the historical drama and significance of this violent episode in which frontier West and cosmopolitan East battled over the meaning of the American Revolution. The book not only offers the broadest and most comprehensive account of the Whiskey Rebellion ever written, taking into account the political, social and intellectual contexts of the time, but also challenges conventional understandings of the Revolutionary era.

The Kentucky Bourbon Trail Cider Mill Press

Like wine lovers who dream of traveling to Bordeaux or beer enthusiasts with visions of the breweries of Belgium, bourbon lovers plan their pilgrimages to Kentucky. Some of the most famous distilleries are tucked away in the scenic Bluegrass region, which is home to nearly seventy distilleries and responsible for 95 percent of all of America's bourbon production. Locals and tourists alike continue to seek out the world's finest whiskeys in Kentucky as interest in America's only native spirit continues to grow. In *Kentucky Bourbon Country*, now in its third edition, Susan Reigler offers updated, essential information and practical advice to anyone considering a trip to the state's distilleries (including the state's booming craft distillery sector) or the restaurants and bars on the Urban Bourbon Trail. Featuring more than two hundred full-color photographs and a bourbon glossary, the book is organized by region and provides valuable details about the Bluegrass—including attractions near each distillery and notes on restaurants, lodging, shopping, and seasonal events in Kentucky's beautiful historic towns. In addition to providing knowledge about each point of interest, *Kentucky Bourbon Country* weaves in little-known facts about the region's best-kept secrets, such as the historic distillery used as a set in the movie *Stripes* and the fates of used bourbon barrels. Whether you're interested in visiting the place where your favorite bourbon is made or hoping to discover exciting new varieties, this handy and practical guide is the key to enjoying the best of bourbon.

Bourbon Justice John Wiley & Sons

The perfect travel guide for baseball fans who want to see more of the great ballparks in America's heartland, this handy guide gives you the tips for best lodging, great restaurants, and local attractions for the Major League and minor league cities and towns that dot the Midwest. With details about every ballpark from Major League Baseball to the Frontier League, this travel companion tells you the best places to sit, the best ballpark food to eat, and the best places to go around town when you are not at the ballpark. From taking in a AAA game with the Iowa Cubs in Des Moines and visiting the Field of Dreams to knowing how to best experience Target Field in the Twin Cities, *Baseball Road Trips: The Midwest and Great Lakes* is all you need to plan a dream baseball road trip.

Wildsam Field Guides: Kentucky Penguin

The whiskey companion from Brooklyn's premier craft distillery—with a how-to guide to home distilling, history, recipes, and more. A new generation of urban bootleggers is distilling whiskey at home, and cocktail enthusiasts have embraced the nuances of brown liquors. Written by the

founders of Kings County Distillery, New York City's first distillery since Prohibition, this spirited illustrated book explores America's age-old love affair with whiskey. It begins with chapters on whiskey's history and culture from 1640 to today, when the DIY trend and the classic cocktail craze

have conspired to make it the next big thing. For those thirsty for practical information, the book next provides a detailed, easy-to-follow guide to safe home distilling, complete with a list of supplies, step-by-step instructions, and helpful pictures, anecdotes, and tips. The final section

focuses on the contemporary whiskey scene, featuring a list of microdistillers, cocktail and food recipes from the country's hottest mixologists and chefs, and an opinionated guide to building your own whiskey collection.
