FOLEY MARKS

I Found My Friends Crown

Explores mainstream society's embrace of alternative rock, chronicles the postpunk years, and interviews such musicians as Kurt Cobain of Nirvana, Eddie Vedder of Pearl Jam, and Paul Westerberg of the Replacements

Where I Stay Omnibus Press

From the concert stage to the dressing room, from the recording studio to the

digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Spin Nirvana

Have you ever wanted to live somewhere else? Or wished that your life was more exciting? Maybe you dream of having

more friends? Or perhaps some quiet space, just to think. The planets of our Solar System are unhappy ... so they decide to swap places! Is it a good idea?

SPIN Penguin

An absorbing account of the record industry's worst nightmare. In the summer of 1969, Great White Wonder, a collection of unreleased Bob Dylan recordings appeared in Los Angeles. It was the first rock bootleg and it spawned an entire industry dedicated to making unofficial recordings available to true fans. Bootleg! tells the whole fascinating saga, from its

underground infancy through the CD 'protection gap' era, when its legal status threatened the major labels' monopoly, to the explosion of trading via Napster and Gnutella on MP-3 files. Clinton Heylin provides a highly readable account of the busts, the defeats and victories in court; the personalities - many interviewed for the first time for this book. This classic history has now been updated and revised to include today's digital era and the emergence of a whole new bootleg culture.

Journals St. Martin's Paperbacks

"Hip deep in music, *Never Mind Nirvana* is a telling inside view that perfectly captures the rhythms and sights of late-nineties Seattle." — Peter Buck, guitarist of R.E.M. Pete Tyler is at a crossroads. Eight years ago he dropped out of a seminal Seattle grunge band to try his hand at a more grown-up calling. Now he's thirty-six ("almost forty!"), a deputy prosecutor (a suit), still hanging out at the same clubs he played ten years ago (the ones that haven't shut down), and still dating the same kind of girls (except now they tell him how much their older sisters loved his band). Pete decides it's time to

get married—he just doesn't know to whom. Possibilities include Beth, his first love, who has disappeared; Winter, his on-and-off stripper girl-friend, who has been living the grunge life too long; and Esme', a Sub Pop A&R executive who has some life decisions of her own to make. When a date-rape case lands on his desk—the accused is a local rocker Pete's age, the accuser an eighteen-year-old from the scene—Pete finds his past and present facing him from both sides of the aisle, and he finally has to decide where he stands. Pete Tyler is a cooler version of Everyguy, and *Never Mind Nirvana* is a hilarious and unexpectedly moving story of a man with one foot stuck in adolescence and the other planted in adulthood. Richly textured with references to classic rock and the music of Seattle's legendary alternative rock scene, it is also a fascinating, bittersweet riff on a particularly American zeitgeist.

Cobain Unseen Crown

On the 20th anniversary of his death, a powerful portrait of Kurt Cobain and Nirvana—including many previously unpublished images—taken during their last formal photo shoot before his suicide

In August 1993, when Nirvana was in New York to perform at the legendary Roseland Ballroom, Jesse Frohman photographed them for the London Observer's Sunday magazine—the last formal photo shoot in which Cobain participated before he committed suicide on April 5th, 1994. Over the course of ninety photographs, Cobain seems an almost feral creature, by turns gentle, playful, defiant, suffering, or absorbed in his music. There's a diverse range of shots of Cobain with fellow band members Krist Novoselic and Dave Grohl and on his own, posing, performing, and greeting fans. Jon Savage's original interview, which appeared with Frohman's photographs in the Observer is also reproduced, giving us Cobain in his own words. The book is a touching tribute to Cobain twenty years after his tragic demise, and following Nirvana's recent induction in to the Rock and Roll Hall of Fame.

SPIN Macmillan

I Found My Friends recreates the short and tempestuous times of Nirvana through the musicians and producers who played and interacted with the band. The guides for this trip didn't just watch the life of this

legendary band—they lived it. Soulsby interviewed over 150 musicians from bands that played and toured with Nirvana, including well-known alternative and grunge bands like Dinosaur Jr., The Dead Kennedys, and Butthole Surfers, as well as scores of smaller, but no less fascinating bands. In this groundbreaking look at a legendary band, readers will see a more personal history of Nirvana than ever before, including Nirvana's consideration of nearly a dozen previously unmentioned candidates for drummer before settling on David Grohl, a recounting of Nirvana's famously disastrous South American shows from never-before-heard sources on Brazilian and Argentine sides, and the man who hosted the first ever Nirvana gig's recollections of jamming with the band at that inaugural event. *I Found My Friends* relives Nirvana's meteoric rise from the days before the legend to through their increasingly damaged superstardom. More than twenty years after Kurt Cobain's tragic death, Nick Soulsby removes the posthumous halo from the brow of Kurt Cobain and travels back through time to observe one of rock and roll's most critical

bands as no one has ever seen them before.

Fiction. In the process of constantly disappearing, the unhinged, unmoored and unnamed narrator of *WHERE I STAY* travels through a cracked North America, stalked by his own future self and the whispers of a distant love. From Arco, Idaho, to Mexico City, he flees along the highways and dirt roads of a landscape filled with characters in transition: squatters, survivalists, prostitutes, drug runners, skinheads, border guards and con-men. *WHERE I STAY* is a meditation on desperation, identity, geography, memory,

and love--a story about endurance, about the empty spaces in ourselves, about the new possibilities we find only after we have lost everything. "Refreshing, pitch-perfect kind of steering that is innovative not only for the genre it might get called into, but for experiential and language-focused texts of every stripe"--Blake Butler. "A gifted journey through borderlands between text and image, glassy prose and suggestively indirect prose poem, facts and fictions, sanity and the other thing"--Lance Olsen.

A Time Magazine Best Book of 2011, Featuring Nirvana, Pearl Jam, Soundgarden, Alice In Chains, Mudhoney and more! Twenty years after the release of Nirvana's landmark album Nevermind comes Everybody Loves Our Town: An Oral History of Grunge, the definitive word on the grunge era, straight from the mouths of those at the center of it all. In 1986, fledgling Seattle label C/Z Records released Deep Six, a compilation featuring a half-dozen local bands: Soundgarden, Green River, Melvins, Malfunkshun, the U-Men and Skin Yard. Though it sold miserably, the record made music history by documenting a burgeoning regional

sound, the raw fusion of heavy metal and punk rock that we now know as grunge. But it wasn't until five years later, with the seemingly overnight success of Nirvana's "Smells Like Teen Spirit," that grunge became a household word and Seattle ground zero for the nineties alternative-rock explosion. Everybody Loves Our Town captures the grunge era in the words of the musicians, producers, managers, record executives, video directors, photographers, journalists, publicists, club owners, roadies, scenesters and hangers-on who lived through it. The book tells the whole story: from the founding of the Deep Six bands to the worldwide success of grunge's big four (Nirvana, Pearl Jam, Soundgarden and Alice in Chains); from the rise of Seattle's cash-poor, hype-rich indie label Sub Pop to the major-label feeding frenzy that overtook the Pacific Northwest; from the simple joys of making noise at basement parties and tiny rock clubs to the tragic, lonely deaths of superstars Kurt Cobain and Layne Staley. Drawn from more than 250 new interviews—with members of Nirvana, Pearl Jam, Soundgarden, Alice in Chains, Screaming Trees, Hole, Melvins,

Mudhoney, Green River, Mother Love Bone, Temple of the Dog, Mad Season, L7, Babes in Toyland, 7 Year Bitch, TAD, the U-Men, Candlebox and many more—and featuring previously untold stories and never-before-published photographs, Everybody Loves Our Town is at once a moving, funny, lurid, and hugely insightful portrait of an extraordinary musical era. *Foo Fighters* Villard

A venticinque anni dalla morte di Kurt Cobain, il mito dei Nirvana non tende a svanire anzi la loro forza comunicativa ed espressiva riesce ancora a far breccia nelle più giovani generazioni e a far palpitare il cuore a chi ha vissuto, negli anni '90, la loro saga. Amore, odio, dolore, desiderio sono alcuni dei temi presenti nelle liriche del trio di Aberdeen, un calcolato caos che i due autori tentano di decifrare con un'attenta analisi delle parole, facendo inoltre tesoro della vita e delle tante nefaste avventure di chi le ha scritte.

Never Mind Nirvana Fantagraphics Books
When 16-year-old Matt Baily is expelled from his evangelical Christian high school, he faces the prospect of going to public school for the first time. There he first

experiences the world beyond the strict, conservative Christianity he has grown up with. When he befriends wannabe Warhol Superstar Michelle, he is finally able to share his deepest darkest secret with another person--he has always longed to be a girl. As he learns more about the world and starts to accept his transgender feelings, Matt's doubts about his faith grow. Matt begins to wrestle with belief in God, his disintegrating conservative family, and the transgender feelings that won't go away. Ultimately, Matt is forced to decide between his family and faith and accepting himself as transgender. *Disgusta* is about growing up in the suburban South in the 90s in high school. It explores themes of belief in God, LGBTQ identity, rebellion, and coming of age. Additionally, its setting provides a serving of 90s nostalgia and a realistic look at growing up queer in the evangelical community.

Курт Кобейн. *Serving the Servant*.
Воспоминания менеджера «Nirvana»

Standard Ebooks

Taking Punk to the Masses: From Nowhere to Nevermind visually documents the explosion of Grunge, the Seattle Sound,

within the context of the underground punk subculture that was developing throughout the u.S. in the late 1970s and 1980s. The book serves as a companion and contextual backdrop to the *Nirvana: Taking Punk to the Masses* exhibition, which opens at Seattle's Experience Music Project in 2011. This decade-and-a-half musical journey will be represented entirely through the lens of EMP's oral history and permanent object collection, an invaluable and rich cultural archive of over 800 interviews and 140,000 objects — instruments, costumes, posters, records and other ephemera dedicated to the pursuit of rock 'n' roll. *Taking Punk to the Masses* focuses on 100 key objects from EMP's permanent collection that illustrate the evolution of punk rock from underground subculture to the mainstream embrace (and subsequent underground rejection) of Grunge. These objects are put into context by the stories of those who lived it, culling from EMP's vast archive of oral histories with such Northwest icons as Mudhoney's Mark Arm, cartoonist Peter Bagge, design legend Art Chantry, Beat Happening's Calvin Johnson, Sub Pop founders Bruce Pavitt and

Jonathan Poneman, the Screaming Trees' Mark Lanegan, Nirvana's Krist Novoselic, photographer Charles Petersen, Soundgarden's Kim Thayil, and dozens of others. From the Northwest's earliest punk bands like The Wipers, to proto-grunge bands of the 1980s like Green River, Melvins and Malfunkshun, through the heady 1990s when bands such as Nirvana, Soundgarden, Pearl Jam, Alice in Chains and Mudhoney rose to the national stage and popularized alternative music, *Taking Punk to the Masses* is the first definitive history of one of America's most vibrant music scenes, as told by the participants who helped make it so, and through the artifacts that survive.

Nevermind was the album that took Nirvana out of Seattle's alternative rock scene and turned them into a worldwide mainstream sensation. This book documents the album by featuring interviews with the band members and producers and reconstructs how the album was made.

Kurt Cobain 36 Success Facts - Everything You Need to Know about Kurt Cobain Litres

The New York Times bestseller and the definitive portrait of Kurt Cobain--as relevant as ever, as we remember the impact of Cobain on our culture twenty-five years after his death--now with a new preface and an additional final chapter from acclaimed author Charles R. Cross. It has been twenty-five years since Kurt Cobain died by his own hand in April 1994; it was an act of will that typified his short, angry, inspired life. Veteran music journalist Charles R. Cross fuses his intimate knowledge of the Seattle music

scene with his deep compassion for his subject in this extraordinary story of artistic brilliance and the pain that extinguished it. Based on more than four hundred interviews; four years of research; exclusive access to Cobain's unpublished diaries, lyrics, and family photos; and a wealth of documentation, *Heavier Than Heaven* traces Cobain's life from his early days in a double-wide trailer outside of Aberdeen, Washington, to his rise to fame, success, and the adulation of a generation. Charles Cross has written a new preface for this edition, giving readers context for the time in which the book was written, six years after Kurt's death, and reminding everyone how fresh that cultural experience was when the interviews for the book were done. The new final chapter will update the story since, regarding investigations into Cobain's death, Nirvana's induction into the Rock N Roll Hall of Fame, and how their place in rock history has only risen over the decades.
