Agricultural Extension Hippocrene Books  
A vocabulary of Latina/o studies. Keywords for Latina/o Studies is a generative text that enhances the ongoing dialogue within a rapidly growing and changing field. The keywords included in this collection represent established and emergent terms, categories, and concepts that undergird Latina/o studies; they delineate the shifting contours of a field best thought of as an intellectual imaginary and

experiential project of social and cultural identities within the U.S. academy. Bringing together sixty-three essays, from humanists, historians, anthropologists, sociologists, among others, each focused on a single term, the volume reveals the broad range of the field while also illuminating the tensions and contestations surrounding issues of language, politics, and histories of colonization, specific to this area of study. From “borderlands” to “migration,” from “citizenship” to “mestizaje,” this accessible volume will be informative for those who are new to Latina/o studies, providing them with a

mapping of the current debates and a trajectory of the development of the field, as well as being a valuable resource for scholars to expand their knowledge and critical engagement with the dynamic transformations in the field.

With contributions from international experts and activists, Big Porn Inc offers an 'expos' of the realities of a multi-billion dollar global industry promoting itself as a life-style choice. Unmasking the lies behind porn as .just a bit of fun. Big Porn Inc reveals the truths of an industry that trades in violence, crime and degradation.

Transgender Marxism Justin, Charles  
In the South, sex is wrapped in plain brown paper, but tear open a corner and you will find stories of a den mother buying dildos, a school principal who is also a swinger, and a preacher that's a porn fiend. The author's saucy shots of Southern sin are sure to entertain.

The Bodywise Woman Penguin

Zoe McKinley has a boring life, an awful job, and a boss that throws staplers at her head. What could be worse? How about being abducted by Aliens? When Zoe is dragged aboard an extraterrestrial ship, she thinks she's been chosen as a concubine by the huge red-skinned male with horns and a devilish grin because he has a hard-on for Earth girls. But Sarden has worse plans for her--he wants to trade her to an alien petting zoo! Can Zoe convince him she's worth saving? And can Sarden keep from falling for the little Earth girl with the sassy attitude and the lush, plus-sized curves? You'll have to read *Abducted*, book one in the Alien Mate Index series to find out.

Plugged In Pan Macmillan

"Society says I'm too young for her, but it's not my age that matters. It's my experience." AN OLDER WOMAN YOUNGER MAN ROMANCE Society says I'm too young for her. What do they know? It's not my age that matters. It's my experience. I'm everything she never knew she needed. Meeting her was no coincidence. How and why our paths crossed are every shade of twisted and wrong, but she'll never know. I'm taking those sinister secrets to my grave. I'm keeping her forever, no matter what it takes. Note: Old Enough is Book 1 of The Age Between Us duology. Young Enough (Book 2) concludes the story. *The Sentient Machine* Verity Publishing  
The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

*The Transsexual Empire* Lucia Marquand  
Provides information on the unique fitness concerns of women including advice for developing a sensible, injury-free exercise program.

**Smutty Little Movies** Rutgers University Press

Every porn scene is a record of people at work. But on-camera labor is only the

beginning of the story. *Porn Work* takes readers behind the scenes to explore what porn performers think of their work and how they intervene to hack it. Blending extensive fieldwork with feminist and antiwork theorizing, *Porn Work* details entrepreneurial labor on the boundaries between pleasure and tedium. Rejecting any notion that sex work is an aberration from straight work, it reveals porn workers' creative strategies as prophetic of a working landscape in crisis. In the end, it looks to what porn has to tell us about what's wrong with work, and what it might look like to build something better.

*Playing Well With Others* Routledge

This book will be used as a text in women's studies, psychology, sociology, technology and public policy, as well as by medical students, law students, and all who have an interest in feminist issues.

*Abducted* Univ of California Press

The Getty Museum's collection of drawings was begun in 1981 with the purchase of a Rembrandt nude and has since become an important repository of European works from the fifteenth through the nineteenth century. As in the first volume devoted to the collection (published in 1988 in English

and Italian editions), the text is here organized first by national school, then alphabetically by artist, with individual works arranged chronologically. For each drawing, the authors provide a discussion of the work's style, dating, iconography, and relationship to other works, as well as provenance and a complete bibliography.

**Taboos and Issues** Charmaine Pauls

The international hit returns with even more wit and insight into the hidden rules that make England English.

*Porn Work* Bloomsbury Publishing

Two maverick neuroscientists use the world's largest psychology experiment--the Internet--to study the private activities of millions of men and women around the world, unveiling a revolutionary and shocking new vision of human desire that overturns conventional thinking. For his groundbreaking sexual research, Alfred Kinsey and his team interviewed 18,000 people, relying on them to honestly report their most intimate experiences. Using the Internet, the neuroscientists Ogas and Gaddam quietly observed the raw sexual behaviors of half a billion people. By combining their observations with neuroscience and animal research, these

two young neuroscientists finally answer the long-disputed question: what do people really like? Ogas and Gaddam's findings are transforming the way scientists and therapists think about sexual desire. Their fascinating and occasionally disturbing findings will rock our modern understanding of sexuality, just as Kinsey's reports did sixty years ago.--From publisher description.

The Transnational History of a Chinese Family Yale University Press

In the late 1970s, the adult film industry began the transition from celluloid to home video. *Smutty Little Movies* traces this change and examines the cultural and legal efforts to regulate, contain, limit, or eradicate pornography. Drawing on a wide variety of materials, *Smutty Little Movies* de-centers the film text in favor of industry histories and contexts. In so doing, the book argues that the struggles to contain and regulate pleasure represent a primary starting point for situating adult video's place in a larger history, not just of pornography, but of media history as a whole.

BESTSELLERBLACKWELL'S BOOK OF THE YEAR 2021Essential lessons on the world we live in, from one of our greatest young thinkers - a guide to what everybody is talking about today'Unparalleled and extraordinary . . . A bracing revivification of a crucial lineage in feminist writing' JIA TOLENTINO'I believe Amia Srinivasan's work will change the world' KATHERINE RUNDELL'Rigorously researched, but written with such spark and verve. The best non-fiction book I have read this year' PANDORA SYKES-----How should we talk about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. To grasp sex in all its complexity - its deep ambivalences, its relationship to gender, class, race and power - we need to move beyond 'yes and no', wanted and unwanted. We need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, *The Right to Sex* is a landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.SHORTLISTED FOR THE

### **Understanding Human Sexuality**

Simon and Schuster

Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethå. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethå's central contention is that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners.

Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethå show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends

unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

*History of the Persian Empire* NYU Press

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about:

- The early warning signs of abuse
- The nature of abusive thinking
- Myths about abusers
- Ten abusive personality types
- The role of drugs and alcohol
- What you can fix, and what you can't
- And how to get out of an abusive relationship safely

"This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on

the road to recovering control of their lives.”—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

**Sex in the South** Unbound Publishing Explores universal questions about humanity's capacity for living and thriving in the coming age of sentient machines and AI, examining debates from opposing perspectives while discussing emerging intellectual diversity and its potential role in enabling a positive life.

*Why Does He Do That?* UNC Press Books Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink \*culture\* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to:

- Examine your own motivations, needs, wants and desires

- Ease your way into established communities
- Understand etiquette in different adventurous sex communities
- Familiarize yourself with the many types of events available to you
- Care for your relationships as you explore new territory
- Negotiate for play and aftercare
- Go back to the “world at large” without ruffling feathers
- ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of “sexual sherpas” with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the “community” aspect of the kink lifestyle.

**Punk 57** Jayne Blanchard Why did Yugoslavia fall apart? Was its violent demise inevitable? Did its population simply fall victim to the lure of nationalism? How did this multinational state survive for so long, and where do we

situate the short life of Yugoslavia in the long history of Europe in the twentieth century? A History of Yugoslavia provides a concise, accessible, comprehensive synthesis of the political, cultural, social, and economic life of Yugoslavia—from its nineteenth-century South Slavic origins to the bloody demise of the multinational state of Yugoslavia in the 1990s. Calic takes a fresh and innovative look at the colorful, multifaceted, and complex history of Yugoslavia, emphasizing major social, economic, and intellectual changes from the turn of the twentieth century and the transition to modern industrialized mass society. She traces the origins of ethnic, religious, and cultural divisions, applying the latest social science approaches, and drawing on the breadth of recent state-of-the-art literature, to present a balanced interpretation of events that takes into account the differing perceptions and interests of the actors involved. Uniquely, Calic frames the history of Yugoslavia for readers as an essentially open-ended process, undertaken from a variety of different regional perspectives with varied composite agenda. She shuns traditional, deterministic explanations that notorious

Balkan hatreds or any other kind of exceptionalism are to blame for Yugoslavia's demise, and along the way she highlights the agency of twentieth-century modern mass society in the

politicization of differences. While analyzing nuanced political and social-economic processes, Calic describes the experiences and emotions of ordinary people in a vivid way. As a result, her

groundbreaking work provides scholars and learned readers alike with an accessible, trenchant, and authoritative introduction to Yugoslavia's complex history.
