Health & Wellness McGraw-Hill Education

A program designed to teach children how to make healthy life choices.

Macmillan/McGraw-Hill Health and Wellness McGraw-Hill

Humanities, Social Sciences & World Languages

Learn how to take control of your own well-being. You'll find both the motivation and scientific knowledge you need to develop your own personal plan for healthy living and to make physical activity an integral part of that plan. You'll also explore the roles of stress management, sleep, and nutrition in achieving your goals.

Health & Wellness McGraw-Hill Education

Macmillan/McGraw-Hill Health & Wellness, Grade 4, contains quick and easy lessons that allow students to practice and apply skills. Out of Time features indicate core content when time is limited and Study Guides enable students to work through lessons independently. Sensitive issues are addressed in the Your Body book and videos.

Macmillan/McGraw-Hill Health and Wellness McGraw-Hill Education

Everything you need to teach and motivate your students is here—in one comprehensive, skills-based health program. With this edition, Glencoe/McGraw-Hill, the leading publisher of health education materials and CNN/Turner Broadcasting, the world's news leader have teamed up to create this dynamic feature and video as a new way to look at and study health issues. · CNN Health News articles expand on chapter topics to help students better understand their own health and the health of those around them. · CNN Health News Videos introduce students to

professionals in the scientific community who provide their expertise and offer new information on important topics. Young people will share their viewpoints about relevant health news today. Glencoe Health combines print, audio, and technology resources in an integrated program of health education that is certain to engage and challenge every student. With its short lessons, interactive format, increased emphasis on skill building, and exciting new visual approach, Glencoe Health is the health curriculum that helps students find answers to today's perplexing health issues. Help your students assess their health and improve their health skills. Glencoe Health covers the entire spectrum of high school health issues—from personal health to injury prevention; from community health to nutrition and fitness; and from alcohol, tobacco, and drugs to personal development and family living—in a high-interest, interactive style your students will respond to and enjoy. Student Modules . Abstinence . HIV/AIDS and Society . Education in Sexuality . The Reality of Drugs

Macmillan/McGraw-Hill Health and Wellness

Learn how to apply the psychology of health and fitness to your exercise programs and to solve the motivational and behavioral problems you'll encounter every day in practice. You'll explore the scientific principles and variables that influence behavior as you develop the confidence to design effective lifestyle interventions for disease prevention and develop individualized exercise

programs that promote optimal health.

Health and Wellness, Grade 3

Glencoe Health is a comprehensive health program, provided in a flexible format, designed to improve health and wellness among high school students. Real-life application of health skills helps students apply what they learn in health class toward practicing good health behavior in the real world. Hands-on features are integrated with technology, assessment, and up-to-date health content. Features Hands-on activities-based program focuses on

health skills, avoiding risk behaviors, and promoting health literacy. Academic integration throughout the program includes research-based reading and writing strategies in every lesson, as well as Real-World Connections emphasizing math concepts and activities, and Standardized Test Practice focusing on Math and Reading/Writing. Fitness is emphasized through the program with the Fitness Zone. The Fitness Zone includes tips in the Student Edition for incorporating fitness into everyday life, activities in the

Teacher Edition, a special section of the Online Learning Center, and a heart-rate activity workbook with CD-ROM. The latest technology includes videos, podcasts, activities for handheld devices, the online student edition, PowerPoint DVD, StudentWorks Plus, and TeacherWorks Plus. Includes: Print Student Edition
