[The Everything Wedding Etiquette Book](#) Sterling Publishing Company There's more to good etiquette than knowing which fork to use at dinner - it helps you survive social interactions at home, work, school, and everywhere

Life is full of moments when you don't know how to act or how to handle yourself in front of other people. In these situations, etiquette is vital for keeping your sense of humor and your self-esteem intact. But etiquette is not a behavior that you should just turn on and off. This stuffy French word that translates into "getting along with others" allows you to put people at ease, make

of useful advice and written in a laid-back, friendly style, this book shows you how to take on these situations and make them pleasant. It also gives you great advice for tipping appropriately in all types of services and setting stellar examples for your kids.
