**Exploring the Leisure-
Health Nexus** CABI
By exploring past, current,

and future intersections
between leisure and
health, this book
considers research and
academic thought to
reveal and critique the
nuanced ways that leisure
impacts health as well as
considering how health
professions use leisure as
a 'tool'. Aided by the
diverse chapters, readers
will be challenged to
explore future
intersections between
leisure and health using
an overarching eco
(ecological/environmental
, bio(biological), psycho
(psychological), social
(sociological) lens. Many
of the chapters include
case-studies which
consider further
developing leisure and
health themes,
particularly in relation to a
number of emerging
environmental, health and
societal challenges that
confront the world. The
book will be of significant
interest to
researchers/academics/pr
actitioners in the leisure,
health, sport, tourism,
recreation, events, social
science, and arts
disciplines.

Concerning Special
Districts of California
Woodall's Publications
In the heart of California's

Central Valley, immigrants
arrived in earnest on the
heels of the Gold Rush,
ranching and farming the
land, including the "Father
of Manteca," Joshua
Cowell, who traversed the
Sierras on foot in 1863.
Although the town was
originally known as Cowell
Station, the name
Monteca (adapted from
the Spanish word for
butter) was proposed to
distinguish the railroad
stop and celebrate the
dairy industry. The first
tickets printed by the
railroad labeled the town
as "Manteca"--the Spanish
word for lard. Manteca is
known for one of the
oldest landmarks in the
county, East Union
Cemetery (established in
1872); the family-owned
and -operated Delicato
Winery (established in
1924); and notable figures
such as baseball great
Milo Candini and Rep.
John J. McFall. Today,
Manteca boasts a
population of 80,000;
growth has been
stimulated over the last

40 years by commuters
who work in the Bay Area
or Sacramento in
exchange for life in a
smaller community. This
"Family City" is home to
Big League Dreams, Bass
Pro Shop, and the future
Great Wolf Lodge, which
will bring back waterslides
to Manteca!
